ANIMAL WELFARE JAPAN LTD

DIRECTORS REPORT

FOR THE YEAR ENDED 31 DECEMBER 2024

The directors present their annual report and financial statements for the year ended 31 December 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The principal objective of the Charity is the prevention and relief of cruelty and suffering amongst animals, especially in Japan. Grants have been made to organisations in Japan and the United Kingdom to help them provide for the principal objective.

The directors have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

Details of the activities of the charity may be found in the published Annual Report and Accounts for 2024.

Financial review

The overall deficit for the year was £165,484 (2023 deficit of £19,499) as set out in the Statement of Financial Activities on page 4 of the accounts.

Reserves policy

It is the policy of the charity to maintain a level of unrestricted funds, which are free reserves of the charity, at a level sufficient to fund the charity in the event of a sharp fall in incoming resources. The directors believe this should be between six months to a year.

Public benefit

The charity's council members have referred to the guidance in the Charity Commission's general guidance on Public Benefit when reviewing the charity's aims and objectives and in planning its future activities. In particular, they have considered how planned activities will contribute to the aims and objectives they have set.

Investment policy and objectives

The council have considered the most appropriate policy for investing funds and have found that a specialist charity investment management company meet their requirements in providing a stable return for the charitable company.

Future Plans

Over the year ahead the directors will be reviewing the legal status and set up of the charity to ensure it is fully up to date and equipped to take the charity into its next phase of development.

Structure, governance and management

The Charity is a registered charity and a company limited by guarantee. It is controlled by its governing document, which is its Articles of Association.

Charity constitution

None of the Members of Council has any beneficial interests in the company. All of the Members of Council are members of the company and guarantee to contribute £1 in the event of a winding up.

ANIMAL WELFARE JAPAN LTD

DIRECTORS REPORT

FOR THE YEAR ENDED 31 DECEMBER 2024

The directors who served during the year and up to the date of signature of the financial statements were:

Mr A. Crittenden (Chairman)

Mrs A. Hopkins

Ms N. Stewart

Mrs E. Yokoyama

Mr K Degenhard

Mr R Allen (Hon. Treasurer)

Ms HKedie

Recruitment and appointment of new directors

Directors are recruited following personal recommendation by a current director. All directors are provided with;

a) Model Job Description for a Director

b) Legal Duties of a Director, including completion of a declaration form and a supplementary Automatic Disqualification Declaration.

c) The "Essential Trustee" guidelines as issued by the Charity Commission

In addition standard job descriptions are provided for individual roles of Honorary Treasurer, Chairman and Company Secretary.

Organisational structure

Management of the Charity is conducted by a Board of Directors who meet five times per year and including the AGM. All Matters arising are dealt with by the Board of Directors.

Key management remuneration

The Charity has part time employees and salaries are set based on market rates and reviewed annually.

Related parties and co-operation with the other organisations

Our main purpose is to provide grant aid and advisory support to the Japan Animal Welfare Society in Japan and other animal welfare projects in Japan upon receipt of grant applications, which are considered by our directors.

Grant aid is also provided to certain United Kingdom based charitable organisations in support of their specific animal welfare projects in Japan and which are in keeping with our aims and objectives.

In preparing this report the Council Members have taken advantage of the small companies exemption provided by section 415A of the Companies Act 2006.

The directors report was approved by the Board of Directors.

ANIMAL WELFARE JAPAN LTD

INDEPENDENT EXAMINER'S REPORT

TO THE DIRECTORS OF ANIMAL WELFARE JAPAN LTD

I report to the directors on my examination of the financial statements of Animal Welfare Japan Ltd (the charity) for the year ended 31 December 2024.

Responsibilities and basis of report

As the directors of the charity (and also its directors for the purposes of company law), you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006.

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the Companies Act 2006 and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the Companies Act 2006.
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the Companies Act 2006 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

ANIMAL WELFARE JAPAN LTD

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies

Charity information

Animal Welfare Japan Ltd is a private company limited by guarantee incorporated in England and Wales. The registered office is Lyell House, 51 Greencoat Place, London, SW1P 1DS.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the directors have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the directors continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the directors.

Designated funds represent the funds of the charity represented by investments and property, which are required to help run and support the future of the charity.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Voluntary income is received by way of subscriptions, donations and legacies and is included in full in the Statement of Financial Activities when receivable. Legacies are recognised when the charity becomes unconditionally entitled to them.

The value of services provided by volunteers has not been included in these accounts.

Investment income is included when received.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following headings:

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Grants payable are payments to third parties in furtherance of the charitable activities, these payments are proposed and reviewed in the directors meetings and are only paid on agreement of the directors. The grants are accounted for when the payment has been made to the recipient which is usually within a timely manner of the meeting date.

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back office costs, finance, personnel, payroll and governance costs which support the trusts artistic programmes and activities. These costs have been allocated between cost of raising funds and expenditure on charitable activities. The bases on which support costs have been allocated are set out in note 8.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the independent examination fees and costs linked to the strategic management of the charity.

Staff costs include those who are employed by the Charitable Company or self contract freelance workers (split in the wages note). The costs are recognised in the time that they have worked for the organisation.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost, net of depreciation and any impairment losses.

Tangible fixed assets other than freehold land are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Freehold property	Straight line over 50 years
Fixtures, fittings & equipment	20% Straight Line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

No depreciation is provided in respect of freehold land and buildings as the cost is less than the estimated residual value and any depreciation charge would be immaterial.

All assets costing more than £500 are capitalised.

ANIMAL WELFARE JAPAN LTD

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies (Continued)

1.7 Fixed asset investments

Investments are included at market value at the year end. Gains and losses on disposal and revaluations of investments are charged or credited to the SOFA.

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial instruments

The charitable company only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

1.10 Taxation

The charity is exempt from corporation tax on its charitable activities.

Rentals payable under operating leases, including any lease incentives received, are charged as an expense on a straight line basis over the term of the relevant lease.

1.11 Foreign exchange

Transactions in currencies other than pounds sterling are recorded at the rates of exchange prevailing at the dates of the transactions. At each reporting end date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing on the reporting end date. Gains and losses arising on translation are included in net income/(expenditure) for the period.

1.12 Debtors

Other debtors are recognised at the settlement amount due.

1.13 Creditors

Creditors are recognised where the charitable company has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any discounts due.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Critical judgements

Depreciation of Land and Buildings

Freehold land and buildings have been included in the accounts at historic cost. No depreciation is charged on the building on the basis that the estimated residual value is in excess of the cost included in the accounts and depreciation would be immaterial.
