TRUSTEES REPORT (continued)

2) **Structure, Governance and Management (continued)**

Trustees Induction and Training

New trustees are advised of their obligations under charity and company law, the content of the governing Trust Deed, as well as the structure and decision-making process of the trustees committee.

Organisation

The board of trustees normally meet approximately 4 times a year, and when necessary the trustees meet in between these times to discuss, and where necessary, act upon urgent matters which may arise.

Risk Management

The trustees confirm that the major risks, to which the charity is exposed, have been reviewed and systems have been established to mitigate those risks:

- (i) The properties are properly insured and well maintained.
- (ii) All bank transactions have to be authorised by, at least, two trustees.
- (iii) The financial progress through the year, compared with the annual budget, is presented by the treasurer at the regular trustees' meeting.

3) **Objects and Activities**

The original Hannah Clarke Almshouses were a complex of six bed-sitters constructed in 1922 and financed by a legacy from a Miss Hannah Clarke a lady with a concern for women of her generation, single or widowed, who at the end of their working lives were without a home in which to spend the remaining years of their lives. In her original and uncomplicated Trust Deed the stipulation was made that each resident should pay a fixed rent of (12.5p) per week. This meant that over the years the rental income was not sufficient to maintain and modernise the buildings. With the departure of the last resident in 1982 the old and deteriorating buildings were demolished. A new Trust Deed (dated 15th April 1985) was drawn up and a new complex of eight flats ("Hannah Clarke Court") was constructed on the site to provide accommodation for "poor, aged women who are unmarried or widowed".

4) **Public Benefit**

The trustees confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the charity's aims and objectives in planning future activities and policies. We continue to provide dwellings in the community for single ladies over the age of 60 who are in need, through hardship or other circumstances, within the confines of the trust deed.

5) **Achievements and Performance**

A routine Quinquennial Inspection was carried out by a specialist surveyor approved by the Almshouse Association. The survey included buildings, individual flats, communal areas, gardens, energy efficiency, and legionella risk assessment. The General Structural Condition Report stated that "The property is in good condition with no major items of disrepair, some minor issues need addressing and some maintenance will be needed within the quinquennium. The flats are all 'decent' according to the Government's Decent Homes Standard."

The five yearly electrical installation inspection was carried out By MGS Electrical. All work was completed as recommended by the electrician. Refinements in the bathroom of flat No. 5 included a new vanity unit and shower along with various additional items improving the facilities for the resident.

Mr. David Marlow's planning, for a progressive series of improvements and updates to the Almshouses continued throughout 2024. An opportunity arose to install a new kitchen in flat No. 2, during the resident's absence. There were also improvements to the electrical installation, energy efficient lighting, insulation and general decorating within the property.

THE CHARITY OF HANNAH CLARKE FOR ALMSHOUSES

TRUSTEES REPORT (continued)

5) Achievements and Performance (continued)

The garden storage facilities, external security and other general improvements to the residents' communal areas, were also completed during 2024. The paving in the garden seating area, other paved areas and the car parking surfaces were renovated by a specialist contractor.

The north east garden at the front of the property, continued to be professionally developed by Dragonfly Gardening and has now become an attractive feature of the property. Several residents are enthusiastic gardeners and the trustees have provided support.

The trustees are delighted to report that the regular Christmas social event was combined with a resident's 70th birthday party at the Charnwood Golf and Leisure Centre.

All the residents expressed thanks for the Trustee's work and support throughout 2024.

6) Financial Review

The finances of the Charity continue to remain healthy. At the end of the financial year, we had cash reserves of £103,984 (2023: £108,807) and there was an operating deficit of £4,823 (2023: £11,687 deficit).

THE CHARITY OF HANNAH CLARKE FOR ALMSHOUSES

NOTES TO THE FINANCIAL STATEMENTS – FOR THE YEAR ENDED 31 DECEMBER 2024

1 PRINCIPAL ACCOUNTING POLICIES

a) Basis of Accounting

As the charity is a small entity, accounts have been prepared on a Receipts and Payments (cash) basis. Accordingly, none of the Charity or Registered Social Housing SORPS are applicable to this charity.

b) Turnover

Turnover represents maintenance contributions receivable.

c) Supporting People Contracts

Income relating to supporting people services are included within the maintenance contributions within turnover.

d) Housing Properties

The original Hannah Clarke Almshouses were constructed in 1922 and demolished in 1982. A new complex of eight flats, "Hannah Clarke Court", was constructed on the site, funded by a Housing Corporation Grant, a loan from the National Westminster Bank, and the balance from the resources of the Hannah Clarke Trust. The flats were occupied in December 1994 and have been valued on the basis of the cost of construction and related professional fees. No charge has been made for depreciation of the buildings because the trustees intend to maintain the properties in such a way as to ensure that they have an indefinite useful life.

e) Housing Association Grants

A Housing Association Grant (HAG) has been received from the Housing Corporation to reduce the cost of development and it is, therefore, shown as a deduction from the cost of Housing Properties on the Balance Sheet. The HAG is repayable under certain circumstances, primarily following the sale of the property but the repayment will normally be restricted to the net proceeds of sale.

f) Future Cyclical Repairs and Maintenance

The Trustees intend to establish a regular programme of cyclical repairs and maintenance and a Cyclical Maintenance Fund has been set up in accordance with the terms of the Trust Deed, which suggests an annual appropriation of £870. Because of inflation since 1985, the Trustees have made an appropriation of £5300 in 2023 (2022: £5300).

g) Extraordinary Repairs Fund

The Trustees have set up an Extraordinary Repairs Fund in accordance with the terms of the Trust Deed, which suggests a minimum appropriation of £390. The Trustees have made an appropriation of £9200 in 2023 (2022: £9200) based on the Housing Corporation formula of 0.8% of the estimated reconstruction costs.

h) Value Added Tax

Hannah Clarke for Almshouses is not registered for Value Added Tax. In these financial statements, where VAT is applicable, expenditure is shown inclusive of VAT.

2) DIRECTORS EMOLUMENTS AND RELATED PARTY TRANSACTIONS

- (a) The Directors are defined as the Trustees and the Honorary Treasurer to the Trustees.
- (b) None of the Trustees or the Honorary Treasurer to the Trustees received any emoluments.

A new plinth for the Hannah Clark Memorial was constructed by a local stonemason in the east garden at the front of the property. This garden was completely revised by Dragonfly Gardening with new planting that would be sustainable and support insect and other local wildlife.

The carpark adjacent to the golf course was extended to accommodate an additional vehicle and provide improved level access for disabled people.

The canopy roof to the front of the Almshouses was replaced and improvement made to the roof and wall insulation.

TRUSTEES REPORT (continued)

5) Achievements and Performance (continued)

The Birstall Post, February 2024

“The trustees were made aware that a poplar tree on Birstall Golf Course had fallen onto the main roof of the building at 8.00 am on 21 December. The tree was estimated to be 60 years old and appeared to be rotten inside. Prompt action by the trustees, golf club and tree surgeon prevented major damage to internal areas of the building from heavy rainfall.

Trustees, Birstall Golf Club officials and a tree surgeon assessed the damage at 10.00 am and it was agreed that a crane would be needed to safely remove the tree. Because of the heavy rain and water saturated ground surface a mobile crane that moved on tracks was needed.

The tree was safely removed from the building by 11.30 am on December 22nd. Work to make the building weatherproof was then able to commence up to the morning of Christmas Eve. None of the residents needed to find alternative accommodation during the repairs.”

The trustees are delighted to report that the regular Christmas Lunch and social event was once again able to take place at Birstall Golf Club. All the residents expressed thanks for the trustees’ work and support during 2023.

6) Financial Review

The finances of the Charity continue to remain healthy. At the end of the financial year, we had cash reserves of £108,807 (2022: £120,494) and there was an operating deficit of £11,687 (2022: £3,267 deficit).

The original Hannah Clarke Almshouses were constructed in 1922 and demolished in 1982. A new complex of eight flats, “Hannah Clarke Court”, was constructed on the site, funded by a Housing Corporation Grant, a loan from the National Westminster Bank, and the balance from the resources of the Hannah Clarke Trust. The flats were occupied in December 1994 and have been valued on the basis of the cost of construction and related professional fees. No charge has been made for depreciation of the buildings because the trustees intend to maintain the properties in such a way as to ensure that they have an indefinite useful life.

e) Housing Association Grants

A Housing Association Grant (HAG) has been received from the Housing Corporation to reduce the cost of development and it is, therefore, shown as a deduction from the cost of Housing Properties on the Balance Sheet. The HAG is repayable under certain circumstances, primarily following the sale of the property but the repayment will normally be restricted to the net proceeds of sale.

f) Future Cyclical Repairs and Maintenance

The Trustees intend to establish a regular programme of cyclical repairs and maintenance and a Cyclical Maintenance Fund has been set up in accordance with the terms of the Trust Deed, which suggests an annual appropriation of £870. Because of inflation since 1985, the Trustees have made an appropriation of £5300 in 2023 (2022: £5300).

g) Extraordinary Repairs Fund

The Trustees have set up an Extraordinary Repairs Fund in accordance with the terms of the Trust Deed, which suggests a minimum appropriation of £390. The Trustees have made an appropriation of £9200 in 2023 (2022: £9200) based on the Housing Corporation formula of 0.8% of the estimated reconstruction costs.

h) Value Added Tax

Hannah Clarke for Almshouses is not registered for Value Added Tax. In these financial statements, where VAT is applicable, expenditure is shown inclusive of VAT.

2) DIRECTORS EMOLUMENTS AND RELATED PARTY TRANSACTIONS

- (a) The Directors are defined as the Trustees and the Honorary Treasurer to the Trustees.
- (b) None of the Trustees or the Honorary Treasurer to the Trustees received any emoluments.
