## **TRUSTEES REPORT**

***FOR THE YEAR ENDED 31 DECEMBER 2020***

---

The Trustees present their report and financial statements for the year ended 31 December 2020.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the constitution, the Charities Act 2011 and "Accounting and Reporting by Charities; Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (as amended for accounting periods commencing from 1 January 2016)

### **Objectives and activities**

The object of Dolanog Residential Home, as set out in its constitution, is the promotion of the welfare of the aged by the provision of a residential home. The charity aims to maximise the comfort and care of residents, through maintaining high standards throughout the home. This covers the living accommodation, the quality of care, cultural experiences, the food and drink on offer, outings and excursions and also the safety and security of the residents. No member of the public will be refused acceptance provided they meet the medical suitability and age requirements of the home.

Dolanog Residential Home achieves its objectives through its strategy of good household management and control, by maintaining the property and buildings to provide said residential accommodation; by employing such persons considered necessary to carry out the purposes of the charity; and by exchanging beneficial information and advice with voluntary and statutory bodies.

The home maintains an ample roster of staff enabling it to avoid any problems with holiday and sickness cover. All staff receive regular training and all are strongly encouraged to qualify to NVQ level 3, at least. Further qualification is not just encouraged by the charity, it is also funded by the charity on the employee's behalf. The Trustee's priority is to do all they can to ensure a high level of morale among the staff. The Investors in People accolade is held by the charity.

The Home's policy on days out is 'if it can be done, it should be done' and strives to have as many excursions as possible. The Home is regularly praised by residents families.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

## **TRUSTEES REPORT (CONTINUED)**

***FOR THE YEAR ENDED 31 DECEMBER 2020***

---

### **Achievements and performance**

This year the charity has made further investment in renewing and updating the infrastructure, which can be seen as an act of faith in Dolanog's future. We warmly welcome the numerous expressions of approval, following various independent inspections carried out by statutory bodies such as CIW and Denbighshire County Council, of the manifold improvements made at Dolanog. To find Dolanog described as "a lovely place to live" is reward itself.

### **STRATEGIC REPORT**

The Trustees were always aware that their specific decision several years ago, to act on the advice received that they should utilise a significant part of their substantial accumulated funds to enhancing the comfort and benefit of Dolanog's residents, would affect its enviable financial base.

The expenditure was foreseen as a prudent way to secure Dolanog's future as an attractive, appealing and viable community asset in a competitive environment.

Several hundred thousand pounds were invested in major building works, creating a much-needed conservatory, modern offices fit for purpose, a long overdue platform lift, refurbished lounges, new toilet blocks and general re-carpeting and redecoration of the entire ground floor. This was followed by a comprehensive second phase, designed by a professional care home specialist, to achieve a transformational enhancement of all bedrooms on all floors, in consultation with residents on their individual preferred options.

The resultant impact, whilst widely acclaimed and admired, inevitably has had the effect of reducing Dolanog's funds, exacerbated and compounded by a costly reduction in room occupancy, largely beyond Dolanog's control.

As a result, the Trustees have resolved to introduce a number of hopefully short-term cost-cutting measures, alongside renewed efforts to restore fuller occupancy, all aimed at replenishing the reduced, but still healthy, level of investment. This objective will not in any way infringe the home's immutable commitment to deliver the highest achievable level of care that befits our charitable ethos, obligations and unwavering motivation.

The substantial and justifiable major renovations, funded from accumulated savings and investments, have helped transform and enhance the comfort and attraction for services/users, entirely in keeping with the home's ethos as a voluntary-run, registered charitable organisation, dedicated to utilising funds to maximise the quality of life for all residents. The rewards of this significant investment has not only achieved a widely-admired visual and environmental uplift, but also helped ensure Dolanog's continued appeal in meeting its enduring objective of providing a true home-from-home, whilst still retaining enviably secure financial security and probity.

### **Financial review**

The Trustees are grateful to our financial advisers and accountants for their ready professional advice and guidance throughout the year. As at 31 December, 2020, the Charity's reserves totalled £961,555 (2019 - £950,819).

Over 50% of reserves, held as the freehold property, which is exclusively utilised for the purposes described in the charity's constitution. As the charity's activities are subject to the Care Standards Act 2000, the trustees are aware of the necessity to ensure the accommodation provided by the charity continues to meet current and future care standards.

Investments are monitored regularly by independent financial advisors.

The charity has assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

# **DOLANOG RESIDENTIAL HOME**

## **TRUSTEES REPORT (CONTINUED)**

***FOR THE YEAR ENDED 31 DECEMBER 2020***

---

### **PLANS FOR FUTURE PERIODS**

The Trustees remain committed to seeking Living Wage pay rates for staff, in tandem with upgrading all facets of its activities and responsibilities.

A major refurbishment of 28 bedrooms was completed in 2018, lifting the accommodation up to the high standards of communal lounges and open spaces throughout the home.

All residents now enjoy attractive, modern, personalised rooms, in colours and materials of their individual choice. The comfort, privacy and security provided has been widely acclaimed by residents, relatives and attending medical and social worker personnel.

The home's abiding emphasis on providing attractive, seasonal and nourishing food, continues to be a prominent daily feature of life at Dolanog. Having long dispensed with budgetary constraints, the trustees and focused kitchen staff are fiercely proud of the range and quality of food to be enjoyed every meal time.

The trustees look to continue to welcome a wide range of artists, choirs, keep-fit teams, musicians, singers, instrumentalists and groups to entertain residents and are grateful to the enthusiastic staff for their numerous contributions to ensure a varied and beneficial programme of activities.

## **TRUSTEES REPORT (CONTINUED)**

### **FOR THE YEAR ENDED 31 DECEMBER 2020**

---

#### **Structure, Governance and Management**

The Charity is governed by its constitution. It has been registered as a charity since 1965. It was originally registered as "The Woman's Convalescent Home, Rhyl". The charity registration number is 245425 and it operates from 87 Russell Road, Rhyl, Denbighshire. LL18 3DU. It is an unincorporated association.

The trustees named below have served during the year. All trustee appointments are governed by the constitution and all appointments are approved by the Board of Trustees. The Board of Trustees is authorised to appoint new trustees to fill vacancies arising through resignation or death of an existing trustee. Before being appointed, trustees generally serve on the committee to confirm their suitability and need to apply to the CIW to register as a responsible person for the Charity.

The Board of Trustees normally meets monthly throughout the year but due to the strict imposition of Government Guidance relating to combating the Covid-19 pandemic, this was neither legally nor practically possible. With the home under tight lockdown, no Trustees were permitted to enter the building from February onwards and into the first three months of 2021. Full compliance with the rigid safety measures were observed but a number of individuals, both staff and residents, nevertheless, were tested positive for Covid-19, requiring them to be in quarantine for varying periods. The situation became so acute that several emergency zoom meetings with all the numerous responsible bodies involved, were convened. Both the manager and the deputy manager participated in these meetings, together with the Chairman of the Trustees and the Vice-Chairman, who was in addition acting as the home's Responsible Individual, together with the Secretary/Administrator. Critical decisions relating to the serious and evolving situation, were kept under close daily review through frequent telephone discussions between all these office holders. The other Trustees were also kept updated by email and telephone throughout this testing time.

The Trustees wish to place on record their considerable indebtedness to all the staff, at every level, for their loyal and faithful dedication to their unprecedentedly dangerous life-threatening roles to enable Dolanog to survive the most critical period in its history. Special thanks are particularly due to the Manager and Deputy Manager, the R.I. and the Secretary/Administrator for their exceptionally impressive response to so challenging a scenario.

Forced to engage expensive agency staff to cope with the inevitable staffing crisis, the Chairman arranged for a substantial sum to be withdrawn from the Home's investment reserves with immediate effect, to ensure that staff and several significant regular suppliers could be paid.

Although it was not possible, due to the prevailing lockdown, to convene the Trustees annual meeting, attended by the Home's professional Accountant, arrangements were made, with his co-operation, to submit certified accounts, signed by the Chairman, in good time to still comply with this legal requirement.

Although the formal ratification of the completed accounts, election of officers and other pertinent business relevant to an annual meeting, was not possible to enact, the Trustees unanimously consented by email to defer these matters until such time as a face-to-face meeting could be convened for this purpose. Meanwhile, the status quo would apply.

Although the board is the key decision making body, the day to day responsibility for the management of the residential home is delegated to the home manager.

The Trustees have had regard to the Charity Commission's guidance on public benefit.

The Trustees who served during the year and up to the date of signature of the financial statements were:

Mr H M McEvoy MBE

Mrs J Campbell

Dr H M Pritchard

Mr R Davies

Mrs R Blunden

# **DOLANOG RESIDENTIAL HOME**

## **TRUSTEES REPORT (CONTINUED)**

**FOR THE YEAR ENDED 31 DECEMBER 2020**

---

The charity's current policy concerning the payment of trade creditors is to follow the CBI's Prompt Payers Code (copies are available from the CBI, Centre Point, 103 New Oxford Street, London WC1A 1DU).

The charity's current policy concerning the payment of trade creditors is to:

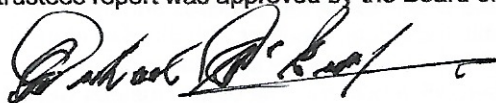

- settle the terms of payment with suppliers when agreeing the terms of each transaction;
- ensure that suppliers are made aware of the terms of payment by inclusion of the relevant terms in contracts; and
- pay in accordance with the company's contractual and other legal obligations.

Trade creditors of the company at the year end were equivalent to 36 day's purchases, based on the average daily amount invoiced by suppliers during the year.

### **RISK MANAGEMENT**

The trustees actively review the major risks which the charity faces on a regular basis and believe that maintaining reserves at current levels, combined with an annual review of the control over key financial systems, will provide sufficient resources in the event of adverse conditions. The trustees have also examined other operational and business risks faced by the charity and confirm that they have established systems to manage those risks.

The trustees report was approved by the Board of Trustees.

**Mr H M McEvoy MBE**

Dated: 20/05/2021

# DOLANOG RESIDENTIAL HOME

## INDEPENDENT EXAMINER'S REPORT

### TO THE TRUSTEES OF DOLANOG RESIDENTIAL HOME

---

I report to the trustees on my examination of the financial statements of Dolanog Residential Home for the year ended 31 December 2020.

#### **Responsibilities and basis of report**

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of ICAEW, which is one of the listed bodies.

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

Mr Lawrence Archer F.C.A

# **DOLANOG RESIDENTIAL HOME**

## **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020**

---

### **1 Accounting policies**

#### **Charity information**

Dolanog Residential Home is a charity.

#### **1.1 Accounting convention**

The financial statements have been prepared in accordance with the charity's constitution, the charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). This is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulleting 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

#### **1.2 Going concern**

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### **1.3 Charitable funds**

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the trustees.

#### **1.4 Income**

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

---

# DOLANOG RESIDENTIAL HOME

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2020

### 1 Accounting policies

(Continued)

#### 1.5 Expenditure

These financial statements for the year ended 31 December 2020 are the first financial statements of Dolanog Residential Home prepared in accordance with FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland. The date of transition to FRS 102 was 1 January 2019. The reported financial position and financial performance for the previous period are not affected by the transition to FRS 102.

#### 1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings	Nil
Plant and Equipment	15% per annum on written down value
Fixtures and Fittings (Lift)	25% per annum on written down value
Motor vehicles	25% per annum on written down value

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

#### 1.7 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

#### 1.8 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

#### 1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

#### 1.10 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

# DOLANOG RESIDENTIAL HOME

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2020

---

### 1 Accounting policies

(Continued)

#### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

#### **Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

#### **Derecognition of financial liabilities**

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

#### **1.11 Employee benefits**

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

#### **1.12 Retirement benefits**

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

### 2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
