Objectives and Activities of the Charity

The charity is constituted by an Indenture dated 15 December 1857 made by Nicholas Blundell, which created a trust to own St Mary's RC Church Little Crosby and adjoining land and building, to use the same for purposes connected with the Roman Catholic religion.

At the present time, the trust owns St Mary's Church, which continues in use as a place of Roman Catholic worship, the adjoining burial ground, the Parish Hall, and two houses (the Presbytery and West Lane House) let to residential tenants.

The trust income is used to maintain the buildings owned by the trust and to support the religious work of the Parish of Little Crosby. The buildings are old and the present and future burden of repair and maintenance is considerable.

Activity during the year

As in previous years significant work was required to West Lane House and (to a lesser extent) the Presbytery. Hopefully this will be much reduced in future years. The Trustees also assumed responsibility for paying for Graveyard maintenance. A small surplus reduced the debt to just over £10,000.

We opened a new bank account with Metro Bank.
