-------------------	--

The trustees present their report together with the accounts of the charity for Roman Catholic Purposes in Connection with the Congregation of the Sisters of St Clare in Ireland (also known as The Sisters of St Clare Charitable Trust) for the year ended 31 December 2021.

Under a Uniting Direction issued by the Charity Commission under section 12(1) of the Charities Act 2011, this charity (i.e. Roman Catholic Purposes In Connection With The Congregation of the Sisters of St Clare In Ireland (Charity Registration Number 246649)) is the reporting charity and its related charity, Roman Catholic Purposes In Connection With The Congregation of the Sisters of St Clare In Ireland – The Porthcawl Charity (Charity Registration Number 246649-1) is the linked charity.

The effect of the Uniting Direction for accountancy and reporting purposes is that a single set of accounts is presented for the two charities combined. Under the Uniting Direction, both charities continue to exist as independent entities in all other respects.

The accounts have been prepared in accordance with the accounting policies set out on pages 14 to 17 of the attached accounts and comply with the charities' trust deeds, applicable laws, applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and the requirements of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102).

Introduction

The Congregation of the Sisters of St Clare is an international Roman Catholic Religious Congregation divided into a number of separate regions. The Congregation's Generalate is based in Ireland.

The accounts accompanying this report are the accounts of the charitable trusts on which certain of the assets of the English Region are held and through which its affairs are administered.

Principal aims, activities and policies

Activities and specific objectives

When setting the objectives and planning the work of the charity and its related charity for the year, and when encouraging the work of individual members of the Congregation, the trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

The general objective of the charity and its related charity is to support the advancement of the charitable ministries carried on by the members of the Congregation for the advancement of the Roman Catholic religion.

Activities and specific objectives (continued)

The activities of the charity and its related charity can be divided into two principal areas:

- ◆ Caring for members of the Congregation
To care for the members throughout their lives with the Congregation.
- ◆ Social and pastoral work
Members of the Congregation in England are involved in various forms of social and pastoral work including outreach to the housebound, care of the elderly, support of the victims of violence, chaplaincy to educational establishments, hospitals, nursing care, counselling, hospice work, support of the bereaved, work with abused and disadvantaged women and with ethnic minority groups. Some of these sisters receive stipends but the majority of their work is done on a voluntary basis.

Protection of children and vulnerable adults

Along with all other organisations who serve in the community, the trustees recognise the absolute necessity of ensuring the protection and safety of all those the charity and its related charity serve. This means that all sisters who are in any kind of ministry in Great Britain have to obtain clearance from the Disclosure and Barring Service. The trustees are committed to implementing all policies and procedures of the Catholic Safeguarding Standards Agency (CSSA).

Fundraising policy

The charity aims to achieve best practice in the way in which it communicates with donors and other supporters. The charity takes care with both the tone of its communications and the accuracy of its data to minimise the pressures on supporters. It applies best practice to protect supporters' data and never sells data, it never swaps data and ensures that communication preferences can be changed at any time. The charity manages its own fundraising activities and does not employ the services of professional fundraisers. The charity undertakes to react to and investigate any complaints regarding its fundraising activities and to learn from them and improve its service. During the year, the charity received no complaints about its fundraising activities.

Achievements and performance

Review of activities

- ◆ Caring for members of the Congregation
Throughout the year the charity has continued to care for members of the Congregation and to assist them in their charitable and religious work.

Achievements and performance (continued)

Review of activities (continued)

♦ Social and pastoral work

During the year the sisters have been engaged in the following ministries involving children. Priority is given to children who are disadvantaged, which includes not only education, but the provision of food and clothing, when necessary.

- ♦ Provision of education in parish schools and additional voluntary, out-of-school classes to help lower achievers;
- ♦ Voluntary catechesis for children in non-Catholic Schools; and
- ♦ Youth groups.

In addition, during the year the Sisters have worked with adults in many areas, always trying to promote peace and justice. Examples of the work done include:

- ♦ Instruction of adults in the Catholic faith;
- ♦ Parents' and You Mothers' groups, including pre-baptism preparation in families' homes;
- ♦ Support for the dying in their own homes as well as in hospital;
- ♦ Individual family preparation for funeral services and support and counselling for the bereaved;
- ♦ Pastoral care/chaplaincy in schools, hospitals and hospices;
- ♦ Counselling work with victims of abuse and alcohol;
- ♦ Ministry to the housebound and the elderly;
- ♦ Provision of spiritual reading materials and videos for parishioners;
- ♦ Working in the local parish, visiting and helping parishioners develop their spiritual lives;
- ♦ Community social work; and
- ♦ Spiritual direction and guiding prayer groups.

Covid-19

The Covid-19 pandemic has changed the shape and nature of the world. It has impacted not only the basic nature of social interactions but has also had a significant economic impact at every level in ways which have been outside of the charity's control. However, the impact of Covid-19 on the charity has been minimal. The majority of the charity's income is derived from pensions of individual religious received under Gift Aid or Deed of Covenant has been unaffected by the pandemic. In terms of our expenditure, the impact has been small. Some cost savings have been made, for example on travel. Donations continue but the timing and amount of donations is at the trustees' discretion and so they have a high degree of control over this. The trustees will continue to keep both income and expenditure under review.

Whilst there are challenges ahead because of the continuing existence of Covid-19 and also because of the current geopolitical and macroeconomic climate, the trustees do not expect material concerns to arise over the charity's financial position.

Financial review of the year

A summary of the year's results can be found on page 11 of the attached accounts.

Income for the year totalled £170,143 (2020 – £345,761). The main recurring source of income continues to be salaries and pensions of individual religious received under Gift Aid or Deed of Covenant which amounted to £119,134 (2020 – £121,550). Contributions from the Congregation's Generalate in Ireland were £7,500 (2020 – £214,807). General donations amounted to £3,600 (2020 – £3,192) and income from other sources amounted to £39,609 (2020 – £6,212). In 2021, this income from other sources included the surplus on the disposal of a freehold property.

Expenditure amounted to £183,548 in 2021 (2020 – £144,142) and includes £42,100 (2020 – £60,000) being contributions to the Congregation's Generalate in Ireland. The monies will be used for the support of the sisters including those returning from overseas missions.

Net expenditure and the decrease in funds for the year was £13,405 (2020 – net increase in funds of £201,619).

The income and expenditure for the years to 31 December 2021 and 31 December 2020 all relate to the reporting charity. The linked charity was dormant throughout both years.

Reserves policy

Following the disposal by the linked charity of the Porthcawl property in 2017 and the transfer of the sisters, the linked charity became dormant and does not require reserves.

The trustees of the reporting charity have examined the requirement for free reserves i.e. those unrestricted funds not invested in tangible fixed assets, designated for specific purposes or otherwise committed. The trustees consider that, given the nature of the charity's work, the level of free reserves should be approximately equal to between two- and six-months' ongoing expenditure (excluding donations).

Financial review of the year (continued)

Financial position

As the linked charity is now dormant, the financial position at 31 December 2021 below is in relation to the reporting charity only.

The balance sheet shows reserves of the reporting charity of £406,773 (2020 – £421,083).

£361,140 (2020 – £389,443) of the total reserves represents the value of the tangible fixed assets of the charity and is described on the balance sheet as the charity's tangible fixed assets fund. A decision was made to differentiate these from the general funds and other designated funds in recognition of the fact that the tangible fixed assets are used in the day-to-day work of the charity. The fund value, therefore, cannot be realised with ease or without jeopardising the ongoing work of the reporting charity.

Free reserves available to support the work of the sisters in the future are those shown on the balance sheet as general funds and, at 31 December 2021, equated to £46,538 (2020 – £31,640) for the reporting charity. At the date of the balance sheet, free reserves were within the amount inherent in the policy.

This level of reserves is deemed appropriate, and the trustees are content that the charity is a going concern.

Future plans

The trustees are looking at the future needs of the members supported by the reporting charity to ensure that each member is fully supported in her ministry while able to continue to serve the community.

The trustees do not anticipate any significant change to the charity and its other activities during 2022 although it is anticipated that one of the charity's properties will be disposed of. It is the intention of the trustees to continue to meet the charity's objectives of caring for members of the Congregation and to support the charitable work of the sisters for the foreseeable future.

Structure, governance and management

The Sisters of St Clare Charitable Trust i.e. the reporting charity is governed by a trust deed dated 10 December 1965 and is registered under the Charities Act 2011, Charity Registration No. 0246649.

Organisation

In terms of Canon law, the Congregation is governed by the Abbess General and her General Council. They are elected at a General Chapter or meeting of delegates elected by all the Sisters of the Congregation. Members of the General Council are chosen for their personal qualities, their understanding and experience of the ministries of the sisters throughout the Congregation, and to secure a good skills mix.

In terms of Civil law, the reporting charity is governed by a trust deed dated 10 December 1965 and is registered under the Charities Act 2011, Charity Registration No. 0246649. The trustees are appointed by the members of the Congregation. The trustees who served during the year are shown on page 1.

Structure, governance and management (continued)

Organisation (continued)

The trustees are incorporated under the provisions of the Charities Act 2011.

The trustees are ultimately responsible for the policies, activities and assets of the charity and also of the related charity. They meet regularly to review developments with regard to the charities or their activities and make any important decisions. The day-to-day management of the charities' activities and the implementation of policies is delegated to the appropriate members of the Congregation. Management reporting lines are clearly defined, and the trustees receive regular reports and training as considered necessary to enable them to fulfil their responsibilities.

Key management personnel

The trustees consider that they comprise the key management in charge of directing and controlling, running and operating the charities.

However, as noted above, the day-to-day management is delegated to individual members within each community. All trustees and the individual members of a community are members of the Congregation and, whilst the living and personal expenses of those living in England are borne by the charities, none of them receive any remuneration or reimbursement of expenses in connection with their duties as trustees or work as key management.

Statement of trustees' responsibilities

The trustees are responsible for preparing the trustees' report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and its linked charity and of the income and expenditure of the charity and its linked charity for that period. In preparing these accounts, the trustees are required to:

- ◆ select suitable accounting policies and then apply them consistently;
- ◆ observe the methods and principles in Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable to the United Kingdom and Republic of Ireland (FRS 102);
- ◆ make judgments and estimates that are reasonable and prudent;
- ◆ state whether applicable United Kingdom Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- ◆ prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity and its linked charity will continue in operation.

Structure, governance and management (continued)

Statement of trustees' responsibilities (continued)

The trustees are responsible for keeping proper accounting records that are sufficient to show and explain the transactions of the charity and its linked charity and disclose with reasonable accuracy at any time the financial position of the charities and enable them to ensure that the accounts comply with the Charities Act 2011 and the related regulations and the provisions of the charities' trust deeds. They are also responsible for safeguarding the assets of the charities and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Risk management

In addition to acknowledging the challenges presented by the aftermath of the Covid-19 pandemic and the current geopolitical and macroeconomic climate, the trustees have assessed the major risks to which the charity and its related charity are exposed. The trustees believe that by monitoring reserve levels, by ensuring controls exist over key financial systems, and by examining the operational risks faced by the charity and its related charity, they have established effective systems to mitigate those risks.

The trustees are aware that there is both a moral and legal obligation to care for the older members. None of the sisters have resources of their own as all earnings, pensions and other income have been donated to the charity under a Gift Aid compliant Deed of Covenant. As the age profile increases, so too does the need to provide care for the sisters. Key elements of the management of this risk are: (a) ensuring that there are sufficient financial resources to finance this care both now and, in the years, ahead by ensuring that funds are available in the future; and (b) ensuring that the sisters are accommodated in properties that are suitable for their needs and also with other members of the Congregation where the sisters receive the necessary care and support.

Signed on behalf of the trustees

Approved by the trustees on: 30 July 2022

Independent examiner's report to the trustees of Roman Catholic Purposes In Connection With The Congregation Of The Sisters of St. Clare in Ireland (the charity)

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 December 2021.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with my examination giving me cause to believe that in any material respect:

- ◆ accounting records were not kept in respect of the charity as required by section 130 of the act; or
- ◆ the financial statements do not accord with those records; or
- ◆ the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Principal accounting policies 31 December 2021

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the accounts are laid out below.

Basis of preparation

These accounts have been prepared for the year to 31 December 2021 with comparative information provided in respect to the year to 31 December 2020.

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant accounting policies below or the notes to these accounts.

The accounts combine, on a line-by-line basis, the results of the charity and its linked or related charity (see note 15), made up to the balance sheet date.

The activities of the linked charity, The Sisters of St Clare Charitable Trust (Charity Registration No 246649-1), ceased during 2017 following the sale of a property in Porthcawl. Further information on the cessation of activities by the linked charity is provided in the notes to the accounts. Following the disposal of the linked charity's property in 2017, its net assets were donated to the Generalate of the Congregation. The objectives of the Generalate are consistent with the objectives of the linked charity and the funds will be applied towards the support of the sisters, including those returning from overseas missions.

The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (Charities SORP FRS 102) issued on 16 July 2014, the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

Both the reporting charity and its linked charity constitute public benefit entities as defined by FRS 102.

The accounts are presented in sterling and are rounded to the nearest pound.

Critical accounting estimates and areas of judgement

Preparation of the accounts requires the trustees to make significant judgements and estimates.

The items in the accounts where these judgements and estimates have been made include:

- ◆ estimating the useful economic life of tangible fixed assets; and
- ◆ estimating the future income and expenditure flows of the charity for the purposes of assessing going concern.

Assessment of going concern

The trustees have assessed whether the use of the going concern assumption is appropriate in preparing these accounts. The trustees have made this assessment in respect to a period of at least one year from the date of approval of these accounts.

Linked charity

At 31 December 2021, the linked charity had no assets and no liabilities. Since 31 December 2017 it has remained dormant and will continue to do so until such time as a decision is made to remove it from the Register of Charities.

Reporting charity

The trustees have assessed whether the use of the going concern assumption is appropriate in preparing these accounts. The trustees have made this assessment in respect to a period of at least one year from the date of approval of these accounts.

The trustees of the charity have concluded that there are no material uncertainties related to events or conditions that may cast significant doubt on the ability of the charity to continue as a going concern. The trustees are of the opinion that the charity will have sufficient resources to meet its liabilities as they fall due. The most significant areas of judgement that affect items in the accounts are detailed above.

Income recognition

Income is recognised in the period in which the charities have entitlement to the income, the amount can be measured reliably, and it is probable that the income will be received.

Income comprises donations and miscellaneous income. Miscellaneous income includes income from charitable activities such as contributions from visitors and other sundry income.

Donations, including salaries and pensions of individual religious received under Gift Aid or deed of covenant, are recognised when the charities have confirmation of both the amount and settlement date. In the event of donations pledged but not received, the amount is accrued for where the receipt is considered probable. In the event that a donation is subject to conditions that require a level of performance before either charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the relevant charity, and it is probable that those conditions will be fulfilled in the reporting period.

The surplus on the disposal of tangible fixed assets is calculated as the difference between the sale proceeds net of sale costs and the net book value of the asset immediately prior to disposal. It is accounted for once legal completion of the disposal has taken place.

Other income is measured at fair value and accounted for on an accruals basis.

In accordance with the Charities SORP FRS 102 volunteer time is not recognised.

Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing either charity to make a payment to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses are allocated to the applicable expenditure headings. The majority of expenditure is directly attributable and any apportionment between headings is negligible.

Expenditure on charitable activities includes all costs associated with furthering the charitable purposes of the relevant charity through the provision of its charitable activities and includes:

Expenditure on the support of members of the Congregation and their ministry. Such expenditure enables the members to carry out the work of the relevant charity in the areas of the advancement of the Roman Catholic faith, the relief of poverty and supporting the other charitable activities of members of the Congregation.

Grants and donations to support the Congregation's own work overseas and to support other charitable organisations with objectives consistent with those of the relevant charity.

All expenditure is stated inclusive of irrecoverable VAT.

Support and governance costs

Support costs represent indirect charitable expenditure. In order to carry out the primary purposes of the charities it is necessary to provide support in the form of financial procedures, provision of office services and equipment and professional fees.

Governance costs comprise the costs involving the public accountability of the relevant charity (including audit costs) and costs in respect to its compliance with regulation and good practice.

All expenditure on support and governance is allocated to the charitable activities of care of members of the community and enabling their ministry as any costs in relation to provision of donations and grants or raising funds is considered to be minimal.

Tangible fixed assets

All assets costing more than £1,000 and with an expected useful life exceeding one year are capitalised.

♦ *Freehold land and buildings*

Non-specialised buildings i.e. those designed as, and used wholly or mainly for, private residential accommodation. They are stated in the accounts at historical cost. Such buildings are not depreciated. Their value and conditions are reviewed annually by the trustees, who are satisfied that their residual value is not materially less than their book value.

Tangible fixed assets (continued)

◆ *Motor vehicles, furniture and equipment*

Motor vehicles are capitalised and depreciated over a five-year period on a straight-line basis in order to write off the cost of each vehicle over its estimated useful life. Equipment is depreciated over ten years on a straight-line basis in order to write off the cost of each asset over its estimated useful life.

Debtors

Debtors are recognised at their settlement amount, less any provision for non-recoverability. Prepayments are valued at the amount prepaid. They have been discounted to the present value of the future cash receipt where such discounting is material.

Cash at bank and in hand

Cash at bank and in hand represents such accounts and instruments that are available on demand or have a maturity of less than three months from the date of acquisition.

Creditors and provisions

Creditors and provisions are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Creditors and provisions are recognised at the amount the charity anticipates it will pay to settle the debt. Creditors are discounted to the present value of the future cash payment where such discounting is material.

Fund structure

Each charity's funds comprise unrestricted income funds which are available for application towards that charity's objectives. Within such funds the trustees have identified those non-liquid funds represented by tangible fixed assets.

Services provided by members of the Congregation

For the purposes of these accounts, no monetary value has been placed on the administrative and other services provided by members of the Congregation.

1 Income from: Donations and legacies

	2021 £	2020 £
Salaries and pensions of individual religious received under Gift Aid or Deed of Covenant	119,134	121,550
Contributions from the Congregation's Generalate in Ireland (note 15)	7,500	214,807
General donations	3,600	3,192
	130,234	339,549

Contributions from the Congregation's Generalate in 2020 include £205,807 towards the purchase of a freehold property.

2 Income from: Other sources

	2021 £	2020 £
Fuel allowance	300	300
Surplus on disposal of tangible fixed assets – freehold property	33,823	-
Miscellaneous	5,786	5,912
	39,909	6,212

3 Expenditure on: Support of members of the Congregation and their ministry

	2021 £	2020 £
Premises	23,546	18,778
Sisters' living and personal expenses	42,158	44,511
Education, training and spiritual renewal	4,424	3,293
Support costs		
• General administration and support	4,671	5,649
• Governance costs (note 5)	3,600	9,400
	78,399	81,631

4 Expenditure on: Donations

The charities make donations principally in support of the overseas work of the Congregation of the Sisters of St Clare and other causes which further the Christian faith and alleviate poverty.

The donations paid during the year were as follows:

	2021 £	2020 £
Contributions to the Congregation's Generalate in Ireland (note 15)	102,823	60,000
Donations to institutions	890	785
Donations to individuals	2,341	1,726
	106,054	62,511

Donations to individuals comprise a number of small monetary gifts aimed at relieving poverty by enabling the recipients to purchase food, clothing, etc.

5 Governance costs

	2021 £	2020 £
Auditor's remuneration – statutory audit	(1,700)	9,400
Independent examination fees	5,300	-
	3,600	9,400

6 Net (expenditure) income and movement in funds

This is stated after charging (crediting):

	2021 £	2020 £
Staff costs (note 7)	2,284	2,832
Independent examiner / audit fees		
. Current year	5,300	9,200
. Prior year	(1,700)	200
Depreciation	303	3,600
Surplus on disposal of tangible fixed assets	(33,823)	-

7 Staff costs, key management personnel and trustees' remuneration

The reporting charity incurred staff costs of £2,284 during the year (2020 – £2,832) in respect to one individual (2020 – one).

Staff costs relate to support of members of the Congregation. No employee earned £60,000 per annum or more (including taxable benefits) during the year (2020 – none).

As members of the Congregation, certain of the trustees' living expenses during the year were borne by the charities. No trustee received any remuneration or reimbursement of expenses in connection with their duties as trustees during the year (2020 - £nil).

The members of the individual communities who are responsible for the implementation of the trustees' policies at community level are also members of the Congregation and their living expenses during the year were borne by the charity. The members did not receive any remuneration or reimbursement of expenses in connection with their duties during 2021 or 2020.

8 Taxation

Both the reporting charity and the linked charity are registered charities and, therefore, are not liable to income tax or corporation tax on income derived from their charitable activities, as it falls within the various exemptions available to registered charities.

9 Tangible fixed assets

	Freehold land and buildings: non-specialised £	Motor vehicles £	Furniture and equipment £	Total £

At 1 January 2021	-	33,378	393	33,771
Charge in the year	-	-	303	303
At 31 December 2021	-	33,378	696	34,074
Net book values				
At 31 December 2021	358,807	-	2,333	361,140
At 31 December 2020	386,807	—	2,636	389,443

As explained under principal accounting policies, the book value of the non-specialised land and buildings shown above is stated at historical cost. As permitted by FRS 102, both charities have continued to adopt a policy of not revaluing their tangible fixed assets.

It is likely that there are material differences between the open market values of each charity's non-specialised land and buildings and their book values. The amount of such differences cannot be ascertained without incurring significant costs, which, in the opinion of the trustees, is not justified in terms of the benefit to the users of the accounts.

Other tangible fixed assets are stated at cost.

10 Creditors: amounts falling due within one year

	2021 £	2020 £
Accruals and other creditors	5,300	9,200

11 Tangible fixed assets fund

	2021 £	2020 £
At 1 January	389,443	186,236
Net movement in year	(28,303)	203,207
At 31 December	361,140	389,443

The tangible fixed assets funds represent the net book value of each charity's tangible fixed assets. A decision was made to separate these funds from the general funds of each charity in recognition of the fact that the tangible fixed assets are essential to the day-to-day work of each charity and as such their value should not be regarded as funds that would be realisable with ease, in order to meet future contingencies.

12 Analysis of net assets between the reporting charity and the linked charity

	2021 £	2020 £
Fund balances at 31 December are represented by:		
Tangible fixed assets	361,140	389,443
Cash at bank and in hand	50,933	40,840
Creditors: amounts falling due within one year	(5,300)	(9,200)
Net current assets	45,633	31,640
Total net assets	406,773	421,083

There are no unrealised gains included in the assets of the reporting or the linked charity.

13 Ultimate control

The charities, both of which are constituted as a trust, were controlled throughout the period by The Congregation of the Sisters of St Clare by virtue of the fact that the Abbess General of the Congregation and her Councillors comprise the trustees. The English Region does not hold any assets, incur liabilities or enter into any transactions in its own right. Assets and liabilities of the English Region are vested in the trustees of the charities, who undertake all transactions entered into in the course of the Region's charitable activities.

14 Uniting direction

Following an application to the Charity Commission, the reporting and linked charities were issued with a Uniting Direction under section 12(1) of the Charities Act 2011. Roman Catholic Purposes In Connection With The Congregation of the Sisters of St Clare In Ireland (Charity Registration Number 246649) is the reporting charity and its related charity, Roman Catholic Purposes In Connection With The Congregation of the Sisters of St Clare In Ireland – The Porthcawl Charity (Charity Registration Number 246649-1) is the linked charity.

The effect of the Uniting Direction for accountancy and reporting purposes is that a single set of accounts is presented for the two charities combined. Under the Uniting Direction, both charities continue to exist as independent entities in all other respects.

14 Uniting direction (continued)

As previously noted, the linked charity is now dormant and will remain as such until such time as trustees decide to apply to the Charity Commission to have the linked charity removed from the Register of Charities.

15 Connected charity and related party transactions

The reporting charity and the linked charity (note 14) are connected to the Congregation's Generalate (which has charitable status in the Republic of Ireland) as a result of the charities' trustees also being trustees of the Irish charity.

During the year the following transactions took place between the reporting charity and the Irish charity:

	2021 £	2020 £
Transactions during the year		
Settlement of professional fees and expenses by the Generalate on behalf of the charities (note 1)	(7,500)	(9,000)
Contribution received toward property purchase (note 1)	-	(205,807)
Contributions paid (note 4)	102,823	60,000

Included within contributions paid to the Generalate in 2021 is an amount equivalent to the net proceeds from the disposal of the freehold property in the year i.e. £61,823.

There were no related party transactions between the linked charity and the Congregation's Generalate (2020 – none).

There were no other related party transactions during the year requiring disclosure (2020 – none).
