**STRUCTURE, GOVERNANCE AND MANAGEMENT**

The Charity is constituted as a company limited by guarantee, and is therefore governed by its memorandum and articles of association.

The Trustees administers the day-to-day affairs of the Charity. None of the Trustees have any beneficial interest in the Charity.

In appointing new Trustees, the Trustees have applied suitable recruitment training and induction procedures.

There were three Trustees who served during the year. The Trustees did not receive any remuneration for their services nor did they receive any reimbursement for out of pocket expenses.

**OBJECTIVES AND ACTIVITIES**

The Charity is established to further those purposes both in the United Kingdom recognised as charitable by English Law and in furtherance of the objects below.

The Charity receives income mainly from its property investments which it utilises in the provision and distribution of grants and donations.

The Charity's principle activity throughout the year was the provision and distribution of donations and grants to organisations, and no change is envisaged in the immediate future.

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning future activities and setting the grant making policy for the year.

**ACHIEVEMENTS AND PERFORMANCE**

During the year the Charity continued its philanthropic activities in support of religious education, relief of poverty and other charitable institutions and aggregate donations were paid in the sum of £1,618,150 (2020: £3,702,463).

The benefits that these charities provide include:

Financial support to the poor

Relief of sickness and disabilities

Religious education and support for places of worship for the community

The financial results of the Charity's activities for the year to 31 March 2021 are fully reflected in the attached financial statements together with the notes thereon.

**FINANCIAL REVIEW**

**Reserve policy**

It is the policy of the charity to maintain unrestricted funds, which include the free reserves of the Charity, at a level which the Trustees think appropriate, after considering the future commitments of the Charity and the likely costs of the Charity for the next year.

As at 31 March 2021 the Charity has total unrestricted funds of £30,518,096.

**Grant making policy**

Grants are made to charitable institutions and organisations which accord with the objects of the Charity.

The Trustees are approached for donations by a wide variety of charitable institutions principally operating all over England. The Trustees consider all requests which they receive and make donations based on the level of funds available.

**Investment powers and policy and objectives**

Under the memorandum and articles of association, the Charity has the power to make any investment which the Trustees see fit. The Trustees regularly review the Charity's position and needs in respect of the investment policy.

**PRINCIPAL RISKS AND UNCERTAINTIES**

**Risk management**

The Trustees have identified and reviewed the major risks to which the Charity is exposed, in particular those related to the operations and finance of the Charity, and are satisfied that systems are in place to manage those risks.

**PLANS FOR FUTURE PERIODS**

The Trustees plan to continue to make distributions in accordance with their grant making policy and where appropriate, referable to their commitments, to ensure that an appropriate level of reserves is maintained.

**TRUSTEES' RESPONSIBILITIES STATEMENT**

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**AUDITOR**

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

**OPINION**

We have audited the financial statements of Donating Charity Limited (the 'charity') for the year ended 31 March 2021 which comprise the statement of financial activities (including income and expenditure account), statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2021 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

**BASIS FOR OPINION**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**CONCLUSIONS RELATING TO GOING CONCERN**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

**OTHER INFORMATION**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**OPINIONS ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

**MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION**

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

**RESPONSIBILITIES OF TRUSTEES**

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

**AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the charity through discussion with the trustees and identified financial reporting legislation, landlord legislation and charity legislation as being most significant to these financial statements.
- We communicated these identified frameworks amongst our audit team and remained alert to any indications of non-compliance throughout the audit. We ensured that the engagement team had sufficient competence and capability to identify or recognise non-compliance with laws and regulations.
- We discussed with the trustees the policies and procedures regarding compliance with these legal and regulatory frameworks.
- We assessed the susceptibility of the charity's financial statements to material misstatement due to non-compliance with legal and regulatory frameworks, including how fraud might occur, by enquiry with the trustees during the planning and finalisation stages of our audit and by using proprietary disclosure checklists. The susceptibility to such material misstatement was determined to be low.
- Based on this understanding, we designed our audit procedures to identify non-compliance with the identified legal and regulatory frameworks, which were part of our procedures on the related financial statement items.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF DONATING**  
**CHARITY LIMITED** *(continued)*  
**YEAR ENDED 31 MARCH 2021**

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**EMPHASIS OF MATTER - INVESTMENT PROPERTY**

We draw your attention to Note 16 of the financial statements, which discloses the material uncertainty with regards to the valuation of investment properties as at the balance sheet date. Our opinion is not modified in respect of this matter.

**USE OF OUR REPORT**

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

**COMPANY LIMITED BY GUARANTEE**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**YEAR ENDED 31 MARCH 2021**

**1. GENERAL INFORMATION**

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is 121 Princes Park Avenue, London, NW11 0JS.

**2. STATEMENT OF COMPLIANCE**

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

**3. ACCOUNTING POLICIES**

**Basis of preparation**

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

The charity meets the definition of a public benefit entity under FRS 102.

**Going concern**

The financial statements have been prepared in accordance with the accounting principles appropriate to a going concern, as the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due, based on the net current asset position of the charity and available sources of finance.

The Covid-19 pandemic has had an adverse impact on the economy and may impact investment income and property valuations. These risks are beyond the control of the charity and cannot be quantified. However, the charity has modest overheads and the trustees have the ability to exercise control over the charity's grant making charitable activities and have sufficient reserves, such that the trustees believe the charity will continue as a going concern.

**DONATING CHARITY LIMITED**  
**COMPANY LIMITED BY GUARANTEE**  
**NOTES TO THE FINANCIAL STATEMENTS** *(continued)*  
**YEAR ENDED 31 MARCH 2021**

**3. ACCOUNTING POLICIES** *(continued)*

**Judgements and key sources of estimation uncertainty**

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. These estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The Trustees do not consider there are any critical judgements or sources of estimation uncertainty requiring disclosure beyond the accounting policies listed below.

**Acquisitions and disposals of properties**

Acquisitions and disposals are considered to have taken place at the date of legal completion and are included in the financial statements accordingly.

**Trade debtors**

The Trustees use details of the age of trade debtors and the status of any disputes together with external evidence of the credit status of the counterparty in making judgements concerning any need to impair the carrying values.

**Taxation**

The charity is not liable to direct taxation on its income or gains, whether realised or not, as it falls within the various exemptions liable to registered charities. Accordingly, the charity does not recognise any deferred tax liability on property revaluations as no tax would be due in the event of a disposal as the charity would benefit from the relevant exemptions, as it will apply all funds for qualifying charitable purposes.

**Fund accounting**

Unrestricted funds are available for use at the discretion of the Trustees to further any of the charity's purposes.

**Incoming resources**

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured.

Income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

**COMPANY LIMITED BY GUARANTEE**  
**NOTES TO THE FINANCIAL STATEMENTS** *(continued)*  
**YEAR ENDED 31 MARCH 2021**

**3. ACCOUNTING POLICIES** *(continued)*

**Resources expended**

Expenditure is charged on an accrual basis and allocated to the appropriate headings in the accounts.

The majority of costs are directly attributable to specific activities. Costs incurred in respect of the charitable activities include attributable support costs where applicable.

**Investments**

Investment properties are properties which are held either to earn rental income or for capital appreciation or for both. Investment properties are recognised initially at cost.

Subsequent to initial recognition -

- (i) Investment properties are held at fair value. Any gains or losses arising from changes in the fair value are recognised in the income and expenditure account in the period that they arise; and
- (ii) No depreciation is provided in respect of investment properties applying the fair value model.

Investment property fair value is determined by the Trustees based on their understanding of property market conditions and the specific properties concerned using a sales valuation approach, derived from recent comparable transactions on the market, adjusted by applying discounts to reflect status of occupation and condition.

Listed investments are shares held in listed companies for the purpose of dividend income and capital appreciation. They are initially recognised at cost. Subsequent to initial recognition they are measured at fair value based on market data with changes in fair value being recognised in profit or loss.

Other investments are foreign currency loan notes, initially recognised at cost. Subsequently they are measured at fair value by translating at the year end using the exchange rates with changes in exchange rates being recognised in the profit and loss.

**Grants payable**

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

**Impairment of fixed assets**

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

**NOTES TO THE FINANCIAL STATEMENTS** *(continued)*  
**YEAR ENDED 31 MARCH 2021**

**3. ACCOUNTING POLICIES** *(continued)*

**Financial instruments**

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

All investments shown above are held at valuation.

**Investment properties**

The investment properties are stated at trustees' valuation as at 31 March 2021 based on their understanding of property market conditions and the specific property concerned, using published commercial yields and a sales valuation approach derived from recent comparable transactions and adjusted by applying discounts to reflect status of occupation, condition and difficulty of selling a shared interest in the properties.

The historical cost of the properties as at 31 March 2021 was £7,453,242 (2020: £7,453,242).

The Covid-19 pandemic, together with the associated lockdown, has impacted market activity. Given these unprecedented circumstances, the trustees' valuations are deemed to be materially uncertain on the basis that the assumptions upon which they are based may prove to be inaccurate.
