Object of the charity (1) The object of the charity is the relief of persons resident in the area of benefit who are in need, hardship or distress. (2) The trustees may relieve persons in need by: (a) making grants of money to them; or (b) providing or paying for goods, services or facilities for them; or (c) making grants of money to other persons or bodies who provide goods, services or facilities to those in need.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Following a difficult period when the legitimacy of the charity was challenged and the trust was unable to fulfil its objects, its charitable status has now been confirmed and income which was due has now been transferred to the charity. The trustees are in touch with the parish, via specific organisations and village magazines, in order to determine residents/organisations who are in need and can benefit from awards from the charity.
