## **BLACKPOOL MENCAP** **TRUSTEES' REPORT**

The Trustees present their report together with the financial statements of the charity for the year ended 30<sup>th</sup> September 2020. The financial statements have been prepared in accordance with the accounting policies set out on page 9 and comply with the current statutory requirements, the Statement of Recommended Practice – Accounting and Reporting by Charities' (SORP FRS102).

### **Structure, Governance and Management**

Details of Trustees can be seen on page 5. Appointment of Trustees is governed by the Trust Deed of the Charity. The Board of Trustees is authorised to appoint new Trustees to fill vacancies arising through the resignation or death of an existing Trustee.

### **Investment Policies**

The Trust Deed authorised the Trustees to make and hold investments using the general funds of the Charity.

### **Objectives and Activities**

The Society was established under a Trust Deed in order to work and promote the social awareness and integration into society for people with learning disabilities.

The Policy of the Society continues to be to seek additional finance and support to continue to provide care and to make available further properties within the locality as funds permit.

### **Achievements and Performance**

The Trustees consider that the performance of the Charity this year overall has been satisfactory, the charity has had a year of investment with money being spent on the upgrade of the centre on Whitegate Drive and considerable repairs being made to the other properties held.

The Charity would not be able to provide such a wide service to our beneficiaries without the continued support of a large number of willing support staff who give their services voluntarily.

### **Financial Review**

Incoming Resources have fallen to £39,043 from £54,123 last year.

Resources expended have reduced to £97,415 from £132,069 This has resulted in an overall deficit this year of £62,094 compared to a deficit last year of £72,213.

Total unrestricted funds of the charity have reduced to £1,428,403 from £1,490,497 in 2019.

Total unrestricted funds are sufficient to permit the Charity to continue in operation in the medium to long term given the continued support of volunteers.

### **Risk Assessment**

The main risk to funds of the Charity is the investment held.

The trustees identified this risk and moved the funds to lower risk funds with Fidelity Funds Network in September 2008.

### **Departure from Accounting Standards**

The Trustees of the Society have approved the decision, not to depreciate land and buildings as shown on page 13 of the financial statements, as this would not show the Society in a true and fair situation.

## **BLACKPOOL MENCAP**

### **TRUSTEES' REPORT**

#### **Statement of Trustees' Responsibilities**

Charity law requires the Trustees to prepare statements of account for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources for that period. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently.
- make judgements and estimates that are reasonable and prudent.
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.
- to value assets and liabilities in accordance with the Statement of Recommended Practice Accounting by Charities.

The Trustees are responsible for keeping proper accounting records which are sufficient to show and explain the Charity's transactions and to disclose with reasonable accuracy at any time the financial position of the Society, and to enable them to ensure that any statements of account comply with the requirements of the Charity (Accounts and Reports) Regulations 1995. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees on 24/8/21 and signed on their behalf by Ms L. Hinds (Trustee).

**INDEPENDENT EXAMINER'S REPORT**  
**FOR THE YEAR ENDED 30 SEPTEMBER 2019**

**Independent examiner's report to the Trustees of  
Blackpool Society for Mentally Handicapped Children and Adults**

I report on the accounts of the Trust for the year ended 30 September 2020, which are set out on pages 7 to 13.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the "Charities Act") and that an independent examination is needed. I am qualified to undertake the examination by being a qualified member of the Association of Chartered Certified Accountants.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the Charities Act; and
- to state whether particular matters have come to my attention.

**Basis of independent examiner's report**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

**Independent examiner's statement**

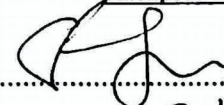

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the Charities Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached

### **NOTES TO THE ACCOUNTS FOR THE YEAR ENDED** **30 SEPTEMBER 2020**

#### **1. ACCOUNTING POLICIES.**

**Basis of Accounting.** The financial statements are prepared under the historical cost convention (as modified by the inclusion of Investments and Fixed Assets at valuation) and in accordance with the Financial Reporting Standard for Smaller Entities; the Charities Act 2011 and follow the recommendations of the Statement of Recommended Practice 'Accounting and Reporting by Charities' (SORP FRS102).

#### **Charitable and Fund-raising.**

**Income.** Donations and legacies are accounted for when received by the Society. Other income is accounted for on an accruals basis as far as it is prudent to do so. Income includes income tax recoverable.

**Gifts in kind.** The charity receives the benefit of work carried out by volunteers, and receives the use of facilities and equipment without charge. No value is placed on these items. Where the benefit extends over several periods, they are valued and included in the balance sheet at a reasonable valuation.

**Grants.** Revenue grants are credited to the income and expenditure account as received.

**Depreciation.** Depreciation of Tangible Fixed Assets is provided at the following annual rates in order to write off each asset over its estimated useful life:-

Fixtures and fittings – 15% on net written down value

Improvements to property – 15% on a straight line basis

No depreciation is provided on freehold properties as the Society felt that as the Homes are kept to a very high standard of repair that no depreciation was necessary. Had depreciation been charged at 4% on a straight line basis, depreciation of £31,000 would have been charged in the accounts.

The trustees believe that not providing for depreciation is necessary for the accounts to give a true and fair view.

**Revaluation of land and buildings.** Land and buildings are stated at their most recent valuation as at the balance sheet date. Revaluation of the land and buildings is undertaken on the fifth anniversary or when there has been a material change in the property market, during the accounting period. A valuation was performed on 14 January 2014.

**Fund-raising and Charitable Objectives Costs.** Fund-raising expenditure comprises costs included in inducing people and organisations to contribute financially to the Charity's work.

**Management and Administration.** Expenditure on management and administration of the Charity included all expenditure not directly related to the charitable activity of fund-raising ventures. This included costs of running the office and accountancy charges.

**Taxation.** As a registered charity, the Society benefits from Rates relief and is generally exempt from Income Tax and Capital Gains Tax but not from VAT. Irrecoverable VAT is included in the cost of those items to which it relates.

**Investments.** Realised gains and losses are taken to the Income and Expenditure Account. All investments have been valued at market value at the Balance Sheet date. All increases and decreases in value during the year are shown on the Statement of Financial Activities.
