THE LONDON BAPTIST PROPERTY BOARD LIMITED

REPORT OF THE DIRECTORS

The directors present their annual report and the audited financial statements for the year ended 31st December 2023, which have been prepared in accordance with the Companies Act 2006 and in accordance with the Charities Statement of Recommended Practice (Charities SORP (FRS 102)) and Financial Reporting Standard 102 (FRS 102).

AIMS and OBJECTIVES

The principal object for which the company was formed in 1906 is set out in the company's Memorandum and Articles of Association:

The advancement of the Christian religion in particular by the means and in accordance with the principles of the Baptist denomination.

In furthering this aim, the company serves the work of the Baptist denomination by

- (a) acting as custodian or holding trustee for churches and other organisations associated with the Baptist denomination; and
- (b) operating a deposit and loan fund in order to make loans available to churches in membership with the London Baptist Association and churches and organisations in trust with the company for the purpose of the purchase, repair or improvements of church property.

The company operates principally, but not exclusively, in London.

The company has continued to focus on its core tasks throughout the year, including offering support to churches with an annual income of over £100,000 as they have registered with the Charity Commission.

HOW THE COMPANY'S ACTIVITIES DELIVER PUBLIC BENEFIT

The directors are aware of and have regard to the Charity Commission's published guidance on public benefit. The company delivers a public benefit by offering services to local Baptist churches that facilitate the provision of places for public worship and premises from which local churches are able to serve the needs of the community in Christian outreach. The company also offers support and guidance to the trustees of local Baptist churches to help them to comply with the requirements of charity law and to follow best practice in their responsibilities as charity trustees.

In addition to this any surplus that does not need to be retained by the company for its continuing work is given by way of grant to the London Baptist Association ('LBA'), with a recommendation to designate a proportion to the Baptist Union Home Mission appeal. Both the LBA and Baptist Union are registered charities and serve the public benefit by the promotion of the Christian faith.

The company as holding trustee

The company acts as custodian trustee for 311 churches and certain other organisations as listed at the back of this document. A record of the deeds is maintained to ensure that these assets are segregated from the company's own assets. In most instances, a trust deed will establish the role of the company as the custodian or holding trustee.

Churches began to resume more normal levels of operations following the disruption caused by the COVID 19 pandemic. However, the cost-of-living crisis and in particular energy price inflation has affected all churches to a greater or lesser extent. During the year under review, one church closed as a result of dwindling numbers. four properties were sold, four properties were purchased and taken into Trust. A further nine Leases were sealed in relation to properties held in Trust. In addition to this the company continues to give approval for alterations to church premises and its staff offer support to churches on an increasingly wide range of matters as the regulatory environment around property ownership and charity management continues to evolve.

THE LONDON BAPTIST PROPERTY BOARD LIMITED

REPORT OF THE DIRECTORS (continued)

The Deposit and Loan Funds

The deposit and loan funds operated by the company serve a public benefit by enabling churches to have access to loan funding in order to purchase, repair or improve premises that are used for public worship or that further the charitable objects of the churches.

Three new loans were agreed by the directors during the year, enabling churches to refurbish and purchase manses and develop church buildings.

Following the recovery in 2022 from the impact of the COVID 19 pandemic, the global economy slowed last year and the UK economy only grew marginally. The ongoing conflict in Ukraine and latterly the renewed conflict in the Middle East weighed on economic activity. However, inflationary pressures started to ease and interest rates stabilised at more normal levels, after being exceptionally low by historical standards for several years. The coming year should see modest growth, with the possibility of interest rates falling towards the year end. The directors continue to monitor closely the company's investments, with a view to maximising returns without undue risk, and seek to set appropriate and equitable rates of interest payable both to depositors and by borrowers, taking into account the general interest rate environment and alternative funding and investments available to our Baptist churches in London.

During the year, the deposit fund increased by £1,946,964 to £17,605,899 at 31 December 2023. The increase was in part attributable to a large deposit by the LBA following the sale of property of a closed church. The Board's deposit interest is proving attractive to churches, which accounts for some of the influx. In addition, churches which have sold properties are leaving the balances with the Property Board while alternative plans for the funds are brought forward. In the same period, the loan fund reduced by £312,095 to £2,745,955. The fall was in large part the result of repayment of a bridging loan, with only one new loan advanced. Churches continue to repay their loans on time, and for the present there appears to be little appetite for debt given the increased costs of finance and a degree of wariness around the overall economic environment.

Future Plans

The company intends to continue its present activities as it supports the work of Baptist churches in and around London and to carry out its duties as holding trustee of such churches. For some years, the LBPB Directors have worked on their strategic objectives. During 2023, the Board launched the new strategy and have sought to build awareness of the services provided to churches in trust, including the circulation of promotional films via improved LBA website. In 2024, we anticipate building on this impetus. Two other members of the LBA Regional Ministry Team have been appointed as LBPB Directors, which will help build capacity. The Board will also be promoting its work to the LBA District Ministers during the summer so they too can know more of the services available to their clusters of churches and ministers.

FINANCIAL REVIEW

The financial results of the company for the year 2023 are set out in the accompanying financial statements.

There was a small positive movement of funds in the year, after revaluation adjustments, of £1,800 (2022: *positive movement of £12,695*). The directors resolved during the year to make an appropriation of £25,000 to the LBA (2022: £55,000). The directors have also resolved to make an appropriation of £80,000 to the LBA in the year 2024.

The company does not measure its success in terms of its financial results but by the measure of how well it serves the needs of the churches held in trust. The financial objective of the company is primarily to cover the costs of its activities through the operation of the deposit and loan funds, and out of any surplus to make appropriations to the LBA. This objective was met in the year.

Investment Policy and Financial Controls

The directors maintain a cautious approach to investment, seeking both to safeguard the capital held on behalf of churches and to retain sufficient short term funds to meet potential demands by depositors or borrowers.

THE LONDON BAPTIST PROPERTY BOARD LIMITED

REPORT OF THE DIRECTORS (continued)

With regard to longer term investments, the company holds Charifund income units with the intention of providing both income and capital growth. Investments have also been made in property with the dual aim of assisting the LBA or particular churches and bringing longer-term capital growth for the company.

The short term deposits are currently spread across four financial institutions, with returns being kept under regular review. The concentration risk is mitigated because deposits with two of the institutions are in money market funds with substantial diversification of credit risk.

The directors receive monthly reports monitoring cash flow and key financial ratios as a control procedure. The directors last reviewed and amended their investment policy and financial control procedures in 2022.

Capital and Reserves

As the principal financial activity of the company is to make loans available to churches and organisations (see “Objects and Activities” above) and appropriations are usually only made out of operating profits, the policy is to accumulate surpluses realised from the disposal of tangible assets and investments in the General Investment and Contingency Reserve. This reserve was £2,656,284 at the end of the year. The accumulated reserve is used to support the expansion of the future lending business of the Company and is considered adequate to support the ongoing activities of the company.

Fundraising policy

The company asks all churches that are involved in a property transaction to make a donation towards the expenses incurred by the company. The company also requests a small annual donation to cover costs from churches for whom the company holds investments as nominee. Other than this, the company does not actively seek third party donations.

GOVERNANCE and MANAGEMENT

Governing document

The company was created in 1906 by the Council of the LBA. The company is incorporated under the Companies Acts (Registered No: 88218), is a registered charity (Charity Registration No: 249768) and is governed by its Memorandum and Articles of Association. The current Memorandum and Articles of Association were adopted by the company on 23 July 2002. Amendments to the Articles of Association were adopted on 25 November 2003 and on 24 January 2006. Further amendments were adopted in 2009 to make provision relating to directors’ conflicts of interest. Its registered office is Unit C2, 15 Dock Street, London, E1 8JN.

With effect from 1st January 2002, all the “A” shares in The London Baptist Property Board Limited were transferred to the ownership of the LBA, so that the company is a wholly-owned subsidiary of the LBA.

The Board of Directors

The directors of the company are appointed by the LBA. The directors who have served during the year and to the date of this report are listed on page 6. In the year 2023, the directors met on nine occasions. The directors continue to be grateful for the attendance and assistance of representatives of Carter Lemon Camerons (solicitors) and Rapleys (surveyors).

The directors have received formal training on their legal responsibilities as directors of a charitable company. In addition, the presence of professional advisers at all meetings continues to ensure that the directors have access to help and guidance where necessary in the exercise of their responsibilities. In dealing with loan applications, the directors are indebted to two honorary Loans Officers: Mr David Golder and Mr Paul Scott-Evans.

No director of the company received remuneration of any kind by virtue of holding that office.

THE LONDON BAPTIST PROPERTY BOARD LIMITED

REPORT OF THE DIRECTORS (continued)

Risk Management

The company has conducted an assessment of the major risks to which it is exposed and has reviewed these risks during the course of the year. The main risks identified and managed are:

- Inability to recruit and maintain Directors and staff with appropriate skills to manage the company effectively.
- Providing incorrect or inadequate advice to churches in trust with the Board.
- Loss of trust or reputation as a result of actions taken by the Directors, staff or the wider Baptist family, leading to a significant and rapid loss of deposits.
- Loss of data through failure of IT systems or financial loss as result of IT system errors.
- Loss of competitiveness in deposit rates leading to a significant and rapid loss of deposits.
- Failure to anticipate or identify a deterioration in financial performance.
- Churches operating outside the terms of their trust deeds, leading to excessive time and cost implications for the Board.

The Directors have assessed these risks and, where possible, taken measures have been taken to mitigate risks, including taking of financial appropriate professional advice, through insurance cover and through regular monitoring and reporting performance. The Directors recognise that some risks identified are outside their direct control.

Staffing

The key management personnel of the company as listed at the front of the report are in charge of directing, controlling, running and operating the charity on a day to day basis. Remuneration of key management personnel is set with reference to available market information for similar roles, including within the Baptist denomination. The LBA Directors have formal responsibility to agree senior management salaries.

The day to day work of the company is conducted by its staff, who have continued to serve the company effectively and efficiently through the course of the year: Mr Martin Shaw (Trust Officer), and Ms Deborah Scott (Finance Officer). The company also benefited from the work of the LBA Administrator, Mr Norman Kincaid until his retirement in July last year, and his successor, Ms Laura Tomlinson, and the LBA Regional Ministry team.

Related parties

The company is a wholly-owned subsidiary of the LBA. The staff working for the company are employed by the LBA but undertake duties by agreement for the company. All their costs for work for the company are fully reimbursed to the LBA. The company provides financial support to the LBA through an annual appropriation from available surpluses. The work of the company is viewed by the directors of the LBA as an integral part of the support and guidance that the Association is able to offer to its member churches.

THE LONDON BAPTIST PROPERTY BOARD LIMITED

REPORT OF THE DIRECTORS (continued)

DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Policies).

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of incoming resources and application of resources, including the income and expenditure of the charitable company for that period. In preparing these financial statements the directors are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in its operations.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with charity law and the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information for the company included on the LBA website.

DISCLOSURE OF INFORMATION TO THE AUDITORS

In so far as the Directors are aware at the time of approving our Directors' Annual Report:

- There is no relevant information, being information needed by the auditor in connection with preparing their report, of which the charity's auditor is unaware; and
- The Trustees, having made enquiries of fellow directors and the charity's auditor that they ought to have individually taken, have each taken all steps that he/she is obliged to take as a Director in order to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

AUDITORS

The directors intend to re-appoint Jacob Cavenagh & Skeet as auditors of the company for the ensuing year.

SMALL COMPANY

The above report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

Signed on behalf of the Directors

Anthony J A Pike
Director

30 April 2024

THE LONDON BAPTIST PROPERTY BOARD LIMITED

Mrs Monica Sisimayi (nee Muchena) BA, FCCA

Accountant. Treasurer (and Trustee) of Stoke Newington Baptist Church.

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
THE LONDON BAPTIST PROPERTY BOARD LIMITED

Opinion

We have audited the financial statements of The London Baptist Property Board Limited (the 'charity') for the year ended 31 December 2023 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2023 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Charity's ability to continue as a going concern for a period of at least 12 months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, including the directors' report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
THE LONDON BAPTIST PROPERTY BOARD LIMITED (continued)

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the trustees' report, which includes the directors' report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report included within the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report included with the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate and proper accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the trustees' (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Based on our understanding of the charity, we identified that the principal risks of non-compliance with laws and regulations related to financial reporting legislation and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements such as the Companies Act 2006 and the Charities Act 2011.

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
THE LONDON BAPTIST PROPERTY BOARD LIMITED (continued)

We assessed the susceptibility of the charity's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by making enquiries of management, considering the internal controls in place and discussion amongst the engagement team.

We determined that the principal risks were related to making inaccurate electronic banking payments, the valuation of freehold property, presentation of separately disclosed items and management override of controls.

In response to the risks identified we designed procedures which included, but were not limited to reviewing the controls over electronic banking, challenging property valuations, agreeing financial statement disclosures to underlying supporting documentation, reviewing trustees minutes, evaluating the internal controls, and testing journal entries.

There are inherent limitations in the audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and regulations made under that Act. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members as a body, for our audit work, for this report, or for the opinions we have formed.

THE LONDON BAPTIST PROPERTY BOARD LIMITED

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31st DECEMBER 2023

1 ACCOUNTING POLICIES

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

1.1 Accounting convention

The financial statements have been prepared under the Companies Act 2006 and in accordance with the Charities Statement of Recommended Practice (Charities SORP (FRS 102)) and Financial Reporting Standard 102 (FRS 102). The financial statements are drawn up on the historical cost basis of accounting, as modified by the revaluation of investment properties and other investments. The financial statements are prepared in sterling rounded to the nearest pound. There are no material uncertainties about the charity's ability to continue in operation.

The London Baptist Property Board meets the definition of a public benefit entity under FRS 102. It is an incorporated company with share capital, registered in England with registered office at Unit C2, 15 Dock Street London, E1 8JN.

1.2 Investments

Investment properties

Investment properties are shown at fair value at the balance sheet date and surpluses/(deficiencies) arising on the revaluation are treated as unrealised surpluses/(losses) which are credited/(debited) directly to the revaluation reserve.

Other investments

Other investments are stated at market value.

1.3 Fixed assets

Tangible fixed assets are included at cost less depreciation. The useful life of the office equipment is estimated to be 4 years and of computer equipment is estimated to be 3 years. Depreciation is provided at rates calculated to write off the cost, less estimated residual value, of each asset over its useful life. Computer and office equipment with a cost of over £500 is capitalised.

1.4 Dividends and interest receivable

Dividends and interest receivable on government and commercial securities are recognised on an accruals basis.

1.5 Grants and appropriations payable

Grants and appropriations payable are recognised once payment has been made.

1.6 Expense allocation

The company carries out no separate fundraising activities. In view of the company's principal activities, all administrative support costs and governance costs are regarded as charitable expenditure.

(Note continued on next page)

THE LONDON BAPTIST PROPERTY BOARD LIMITED

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31st DECEMBER 2023 (continued)

1 ACCOUNTING POLICIES (continued)

1.7 Income

Voluntary income and donations (including legacies) are accounted for once the charity has entitlement to the income, it is probable the income will be received and the amount of income receivable can be reliably measured.

Loan interest receivable and interest payable on deposits is recognised on an accruals basis.

1.8 Debtors

Grants receivable and other debtors are included at the settlement amount due. Prepayments are valued at the amount prepaid.

1.9 Cash at bank

Cash at bank includes cash and short term highly liquid investments with a short maturity of three months or less from the date of opening of the deposit.

1.10 Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation arising from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are recognised at their settlement amount.

1.11 Financial instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognized at transaction value and subsequently measured using amortised cost on the effective interest rate method.

1.12 Fund accounting

Details of the nature and purpose of each fund is given in Note 10.

1.13 Pensions

The charity contributes to the Baptist Pension Scheme, via the London Baptist Association, in respect of its employees. This is a defined contribution scheme and contributions are accounted for as they fall due.

1.14 Critical accounting estimates and areas of judgement

In preparing financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements. The following judgements and estimates are considered by the Trustees to have most significant effect on amounts recognized in the financial statements:

1. The judgement in the valuation of properties
2. The presumed economic life of properties and the depreciation or lack thereof

1.15 Going concern

The trustees have prepared detailed forecasts and cash flow projections which they believe are based upon reasonable assumptions with no material uncertainties. The forecasts show that the charity should be able to operate for the foreseeable future and thus the trustees consider it appropriate to prepare the financial statements on a going concern basis.

<i>At 31st December 2022</i>	<u><i>2,313,186</i></u>	<u><i>3,215</i></u>	<u><i>2,316,401</i></u>

The general investment and contingencies reserve has arisen from the realised gains on investment disposals over a number of years. It is held to support the continuing operations of the charity.

The quinquennial survey support fund has arisen from transfers made from the income and expenditure account. The funds are available to provide financial support to churches requiring a survey of their premises.

14 RELATED PARTIES

The key management personnel of the charity are considered to be related parties and the total employee benefits are set out in note 3 above. The directors receive no remuneration in respect of their services as directors. Total expenses of £8 were paid to one director during the year (2022: Nil) for expenses incurred in carrying out their duties. As disclosed on page 6, the Directors are variously Officers and/or members of churches which are affiliated to the London Baptist Association, and those churches may place deposits from time to time with the LBPB. The rates payable on such deposits are identical to those offered to all churches.

The "A" shares are wholly owned by the London Baptist Association (LBA) (registered charity number 1091160, company number 04325272). The object of the LBA is the advancement of Christianity in and through its member churches individually and acting together, in accordance with the principles of the Baptist denomination. The LBA is affiliated to the Baptist Union of Great Britain. The LBA seeks to fulfil its purpose through resourcing, supporting and encouraging the life and mission of its member churches. The company's results have been included in the consolidated accounts which are available from the registered office.

At the year end, the company had the following loan and deposit balances with the LBA:

	2023	2022
	£	£
Loans advanced	<u>489,840</u>	<u>91,584</u>
Deposits held	<u>1,840,163</u>	<u>1,002,171</u>

Interest is received on the loans and paid on the deposits at the standard rates.
