EXECUTIVE COMMITTEE'S REPORT

FOR THE YEAR ENDED 30 APRIL 2024

The Executive Committee presents their annual report together with the audited financial statements for the year ended 30 April 2024. The financial statements have been prepared in accordance with the accounting policies as set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102).

Reference and administrative details

The League of Friends of Reading Hospitals ('the League' or 'the Charity') is registered with the Charity Commission (No. 249956). The charity also operates under the name League of Friends of the Royal Berkshire Hospital.

Objectives and Activities

a. Policies and objectives

Risk Policy

We have ensured that all risk assessments have been carried out by the necessary departments and contractors. These have been passed on to the correct authorising body prior to any development or fundraising activity taking place.

Objectives and activities

The Friends's principal objective is to provide support to the patients, visitors and staff at the Royal Berkshire Hospital and within West Berkshire.

The main activities of the League are focused on:

- (1) Operating the retail outlets both as an amenity for patients, visitors, and staff and as a means of raising funds for our charitable activities. We were successful in opening our second Coffee House at Wokingham Hospital in October 2023.
- (2) Fundraising. During the year we were able to fundraise through numerous fundraisers and campaigns.
- (3) Funding the cost of hospital amenities and equipment for the benefit of patients and visitors.

(4) During the year, we converted our Unincorporated Charity to a Charitable Incorporated Organisation (CIO).

b. Main activities undertaken to further the charity's purposes for the public benefit

The League is governed by a board of trustees, known as the Executive Committee. Executive Committee members must be members of the League and are appointed by election at Annual General Meetings. Appointment to the Executive Committee is for three years, though Executive Committee members are eligible for re-election.

During the year the Executive Committee may elect League members to be members of the Executive Committee to fill vacancies - though the appointments expire at the following Annual General Meeting.

c. Policies adopted for the Induction and training of Executive Committee

Upon election, Executive Committee members are provided with a copy of the League's constitution and Charity Commission guidance material for charity trustees. As appropriate opportunities arise, the League participates in trustee training Initiatives.

d. Risk management

The Executive Committee have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

Plans for future periods

a. Future development

The League is conscious that the success of their activities depends on enthusiastic volunteers. We will continue to work on the recruitment and retention of volunteers.

The Executive Committee with the help of our staff continue to look for further opportunities to raise the profile of the League of Friends, generate additional income and seek suitable projects for the League to support. This includes, extending our business activities beyond the Royal Berkshire Hospital and Wokingham Hospital. Given the success in managing our Friends Coffee House and Wokingham Coffee House we are actively looking at retail units across Berkshire. We are also extending our events calendar with the view to support the health and wellbeing of the wider community.

Tax Status

The Charity is entitled to exemption from taxation on income and capital gains to the extent that its funds are applied for charitable purposes.

Executive Committee' responsibilities statement

The Executive Committee is responsible for preparing the Executive Committee's Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Executive Committee to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Executive Committee is required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Executive Committee is responsible for keeping proper accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable him to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors acknowledge their responsibilities for complying with the requirements of the Charity Act (2006) with respect to accounting records and the preparation of accounts.

This departure has involved following the Charities SORP (FRS 102) published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) Issued on 16 July 2014 and Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and Charities Act 2011.

League of Friends of Reading Hospitals constitutes a public benefit entity as defined by FRS 102

Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the

executor's Intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for Income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material

Donated services or facilities are recognised when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use of the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), the general volunteer time of the League is not recognised and refer to the Executive Committee's Report for more information about their contribution.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; s corresponding amount is then recognised in expenditure in the period of receipt.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.
