TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2024

The Trustees present their report, together with the audited financial statements for the year ended 31 December 2024.

Introduction

The Congregation of the Sisters of Bon Secours of Paris is an international Roman Catholic Religious Congregation. It was founded in Paris, France in 1824, where the Congregation is still located.

The accounts accompanying this report are the accounts of the charitable trust that supports the life and work of the Sisters in Britain.

Mission

The objects of the charity, as set out in its amended Trust Deed are to "advance the religious and other charitable work for the time being carried on or under the direction of the Congregation as the Trustees with the approval of the Superior shall think fit".

By caring for individual members of the Congregation throughout their lives with the Congregation, the charity aims to enable and support the Sisters to live out their faith

When setting the objectives and planning the work of the charity for the year, and when encouraging the work of individual Sisters, the Trustees have given careful consideration to the Charity Commission's guidance on public benefit and have therefore complied with their duty in section 17(5) of the Charities Act 2011 to have due regard to the Charity Commission's published general guidance concerning the operation of the public benefit requirement under that Act.

The works or ministries of the Sisters of the Congregation fall into the following main areas:

Worship and Prayer

Members of the Congregation are given the opportunity for private worship and to continue to develop their knowledge and trust in Jesus and the Church through quiet prayer, study of the Gospel and spiritual development. In addition, members of the Congregation celebrate and pray with the wider community including people of all faiths and none. They do this through the provision of spiritual guidance, by being available to listen in times of need and attendance at the celebration of the Liturgy through prayer groups and church services.

Social and Pastoral Work

Members of the Congregation are involved in social, pastoral work and the provision of counselling services. The Sisters aim to help, in particular, the poor and marginalised in society regardless of their personal background, faith, gender or individual circumstances.

International Mission Support

The charity aims to provide both financial and community support for international religious and other charitable works carried out in the name of and throughout the Congregation.

Structure, Governance and Management

Governing Document

Under Canon Law, the Congregation is governed at an international level by the Congregation Leader and the Congregation Team. They are elected every five years at a General Chapter.

In December 2009, the Congregation worldwide was restructured to remove the Province structure for Canon Law purposes and to move to a single Congregation structure with the Congregation Leader and the Congregation Team responsible for the governance of the Sisters under Canon law.

In terms of Civil Law, the charity itself is, and will continue to be governed by a Trust Deed dated 30 September 1966 as amended by a Commissioner's Scheme dated 7 December 1992 and a supplement Deed dated 2 April 1996. The charity is registered with the Charity Commission in England and Wales (charity number 250183) and with the Office of the Scottish Charities Regulator in Scotland (Charity number SC039564).

In accordance with the charity's Trust Deed, there shall be a minimum of three and a maximum of eleven Trustees. The statutory power of appointment and removal of a Trustee is vested in the Leader of Ireland and Great Britain.

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards).

The law applicable to charities in England and Wales and Scotland requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions, disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2024

Recruitment and Training of Trustees

Trustees are chosen for their personal qualities and their understanding and experience of the ministries of the members throughout Great Britain. The Trustees are Sisters of Bon Secours who will already be well informed about the Mission, governing documents and strategic planning and history of the charity.

The local Treasurer is responsible for the induction and training of new Trustees. There are currently three Trustees of the Trust.

Organisational Structure

The Trustees are ultimately responsible for the policies, activities and assets of the charity. They meet on a regular basis to review developments with the regard to the charity and its activities. When necessary, they seek advice from the charity's professional advisors. There are seven Sisters in Great Britain and they live and work in a number of different locations, with the majority of them clustered around Glasgow. It is intended the administrative function, and subsequently the funds, for the Great Britain Sisters will be transferred to the Sisters of Bon Secours in Ireland in future years.

A director of the young adult Ministry was appointed in January 2024. This role will further the vision, charism and mission of the Sisters of Bon Secours through evangelisation and formation of young adults in Great Britain.

Working with Other Organisations

The charity works closely with a number of other charities and public bodies which work in the field of providing care to the vulnerable and the elderly. Examples of the organisations for which members have worked and with which the charity has cooperated during the year are as follows:

- Roman Catholic Dioceses of Glasgow, Northamptonshire and Westminster
- St. Christopher's Hospice - Volunteer
- NHS Buckinghamshire Voluntary Chaplaincy

Protection of Children and Vulnerable Adults

Along with all other organisations who serve in the community, the Trustees recognise the absolute necessity of ensuring the protection and safety of all those the charity serves. This means that all Sisters who are in any kind of ministry have to obtain clearance from the Criminal Records Bureau. The Trustees are committed to implementing all policies and procedures of the Catholic Safeguarding Advisory Service (CSAS). Ms Meranda Chan was appointed as Safe Guarding Manager / Liaison for the sisters in Great Britain (England and Scotland).

Risk Management

The Trustees have maintained a policy of continuous monitoring of the risks that the charity faces. These can be identified under main headings as:

- Maintaining the well-being of the members of the Congregation;
- Ensuring the property and equipment used by the Congregation is fit for the purpose it is applied to.

In order to minimise the likelihood of damaging events the Trustees monitor:

- Health and safety regulations and have a policy of maintaining their premises to a sufficient standard;
- Safeguarding of Children & Vulnerable Adults
- Financial controls through budgets and accountability for actions taken.

The Trustees are satisfied that major risks identified have been adequately mitigated where necessary.

Objects, Aim and Objectives and Principal Activities

Charitable Objects

As stated above under "Mission", the objects of the charity, as set out in its amended Trust Deed are to "advance the religious and other charitable work for the time being carried on or under the direction of the Congregation as the Trustees with the approval of the Area Leader of Sisters of Bon Secours Ireland and Great Britain shall think fit".

Aims

As also stated under "Mission", the aims of the charity are to care for individual members of the Congregation throughout their lives with the Congregation and so enable and support them to live out their faith and to put that faith into practice through a wide variety of religious and other charitable works.

1. Support of Members

The Congregation has an obligation to support its members and their charitable ministries. Because of their vow of poverty and the completion of a Deed of Covenant or Gift Aid declaration, none of the members have resources of their own. Each one has, however, devoted a significant part of their life to the mission of the Congregation.

In common with many religious Congregations in Great Britain, the age profile of the members is increasing as existing members grow older and the number of new vocations declines.

In this regard, the aims of the Trustees over the current and forthcoming years include:

- Enabling members to continue with their individual ministries for as long as possible;
- Reviewing the properties used by the Sisters and assessing their suitability for the Sisters age, health and wellbeing. Ensuring all members receive the level of care they require;
- Providing support to Congregation worldwide

2. Worship and Prayer

The charity is committed to helping as many people as possible to join with the Sisters in worship with the aim of putting faith into action through prayer and scripture, music and sacrament. The Sisters are involved in a number of activities which include:

- Promoting the values and vision set out in the Gospel including the promotion of human dignity, working for a society based on justice and peace and encouraging care and respect for all creation;
- There is an opportunity to take time to pray individually;
- Sisters can take time for quiet contemplation, reflection, study and consider the Gospel;
- Praying with those who are house bound, sick or dying.

3. Social and Pastoral Work

The charity enables and supports individual members of the Congregation in ministry and outreach work thereby furthering the message set out in the Gospel.

The following are examples of the social and pastoral work undertaken by individual Sisters:

- Working in Parishes, helping parishioners develop their spiritual lives
- Administrative support to Church organisations
- Spiritual direction

SISTERS OF BON SECOURS OF PARIS - BRITISH PROVINCE

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2024

The aims of the Trustees in this area include:

- To defend and care for all of creation; to cry out with others against injustice and all that diminishes life on Earth
- Encouraging and motivating members to work with and assist the poor, elderly and marginalised

4. International Mission Support

The Congregation works with charitable purposes connected with the advancement of religion. The charity supports the international religious and other charitable works carried on in the name of the Congregation. This includes providing financial support for fellow countries within the Congregation as a whole, funding the Congregation's mission work and Sisters living costs worldwide.

Review of Achievements and Performance for the year

The following paragraphs outline the main achievements during the year in each of the charity's principal areas of work.

1. Support of Members

The charity continues to ensure that the properties are suitable for the Sisters' needs and the Sisters receive the level of care they require.

2. Worship and Prayer

Throughout the year the Sisters continued with their own private worship and continued with their own spiritual development and training. Some Sisters attended on line courses on scripture which provided renewal and quiet contemplation.

3. Social and Pastoral Work

Throughout the year, the Sisters continued to carry out various forms of social and pastoral work in order to fulfil their individual Ministries. This work enables the charity to reach out to those in need within society generally and benefit a number of people.

Some examples of the work individual Sisters are doing are given below by way of illustration.

A Sister works in her parish as a Pastoral Care worker helping people cope with their troubles, be that the loss of someone dear to them, family and relationship problems, unemployment and the associated monetary worries. This Sister's dedication to her work means that she is available to those she is helping whenever they need her – even if it is simply a matter of sharing a cup of tea or popping in for a chat.

In London, a Sister volunteers at St Christopher's Hospice assisting people at end-of-life care both in the hospice and local community.

In Glasgow, a Sister volunteers in her local parish and provides pastoral visits to Sisters in nursing homes.

The Charity funds the Bon Secours Young Adults Director programme which furthers the vision, charism and mission of the Sisters of Bon Secours through evangelisation and formation of young adults in Great Britain.

Financial Review and Results for the year

Results for the Year

The Statement of Financial Activities (SOFA) is set out on page 15.

During the year, total incoming resources amounted to £97,692 (2023: £128,882). An ongoing component was pensions received by the Sisters of £91,590 (2023: £59,077), which were gifted to the charity.

Resources expended totalled £3,288,019 (2023: £2,807,532), with over 96% (2023: 94%) being expended on direct charitable activities. Included within this charitable activities amount is £1,358,148 (2023: £1,024,810) in relation to contributions made to the International Congregation Office to cover expenses incurred by CBS Paris Inc. Also included within charitable activities are donations of nil (2023: £789,507) for the Vendome Beguinage project in France, and £803,779 (2023: £518,910) for the Sisters of Bon Secours Peru. The donations to Peru were to fund operations of the mission clinic in Madro de Cristo and to provide community support and care of the Sisters in general in Peru. £ 935,171 (2023 £294,300) of donations were made to support the purchase of land, capital expenditures, living and other costs of the community in the Congo. The remaining balance of donations paid to reconcile to Note 5 were for minor projects. Investment managers fees amounted to £3,848 (2023: £4,085).

Investment gains of £661,385 (2023: Gains of £950,419) were made. The net decrease in funds for the year was £ 2,528,942 (2023: £ 1,728,231).

The charity had no fundraising activities requiring disclosure under S162A of the Charities Act 2011 or section 13 of the Charities (Protection and Social Investment) Act 2016.

Investments

At 31 December 2024, the charity had investments of £4.65m (2023: £7.33m).

The purpose of these funds is to provide investment income to promote the charitable objectives of the Trust, and to provide capital growth in the reserves over the medium term. They are invested with a conservative investment strategy. The objectives for the investments are as follows:

- To provide an annual income for the charity.
- To preserve the capital value of the portfolio in real terms.
- To generate a real return, depending on conditions in financial markets, after the initial two objectives have been met.
- To achieve the above targets while utilising the charity's stated ethical investment policy.

The majority of the investment funds are under the management of Vanguard. The charity also has a holding of PIMCO investments, BlackRock investments and Alternative Investments which are held via the Ethical Investment Initiative Ltd and the L&P Nominees (formerly Alternative Investments Ltd). These funds have an ethical investment screen; they exclude companies that fall foul of certain ethical criteria, and in most cases favour stocks that provide positive benefits to society; these funds only hold investments that are compatible with the charity's religious ethos.

SISTERS OF BON SECOURS OF PARIS - BRITISH PROVINCE

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2024

The ethical screen in place states that funds should not be invested in companies which are determined to be engaged or involved in, and / or derive revenue (above a threshold specified by the Index provider) from, the following activities:

- (a) Vice Products (i.e., adult entertainment, alcohol, gambling, tobacco, cannabis);
- (b) Non-Renewable Energy (i.e., nuclear power, fossil fuels (including power generation from oil, gas, and thermal coal)); and
- (c) Weapons (chemical & biological weapons, cluster munitions, anti-personnel landmines, nuclear weapons, civilian firearms, and conventional military weapons).

The index methodology also excludes companies that, as determined by the Index provider, are involved in severe controversies (i.e., companies which do not meet the labour, human rights, environmental, and anticorruption standards as defined by the United Nations Global Compact Principles).

The Sisters of Bon Secours UK Province Fund recorded a positive return of 12.4% in 2024, outperforming its Investment Policy Benchmark which posted gain of 12.0%. The Community Support Fund recorded a gain of 8.7%, underperforming its Investment Policy Benchmark gain of 8.8%.

The Environmental, Social and Governance Global Equity portion of the portfolios, managed passively by Vanguard, recorded a gain of 20.1% for the full year, 8 basis points behind the global equity benchmark. BlackRock recorded a loss of -0.4%, behind the benchmark gain of 0.1%. The returns of the PIMCO Inflation Strategy were positive in 2024, while adding value through active management, recording a return of 4.8% compared to its custom benchmark of 4.0%. The Bon Secours UK Province private markets investments produced slightly negative returns in 2024. The Alternative Investments, represented by the North American Forestry Fund, recorded a gain of 15.7%. While the Ethical Investment Initiative, represented by the Delta Venture Capital Fund, recorded a loss of -23.7%. As such, the Total L&P portfolios ended the year down -2.56% in the UK Province Fund.

Reserves Policy

Free reserves are defined by the Charity Commission as unrestricted funds available to spend on the general purposes of the Charity and excluding those designated for particular purposes and those already utilised in purchasing tangible fixed assets.

At the end of the financial year, the total funds of the charity amounted to £5.62m (2023: £8.15m). The Trustees have designated £4.6m (2023: £6.5m) to provide for the young adult ministry and the care and welfare needs of the Sisters of Bon Secours in Great Britain. The Trustees consider this an adequate level of reserves for the current year to cover spending anticipated.

After deducting the carrying value of functional fixed assets for the charity's own use, designated funds and free reserves are £0.60m (2023: 1.18m). The Trustees consider this an adequate level of free reserves.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SISTERS OF BON SECOURS OF PARIS - BRITISH PROVINCE

Opinion

We have audited the financial statements of Sisters of Bon Secours of Paris - British Province (the 'charity') for the year ended 31 December 2024 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2024 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011, the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Annual report other than the financial statements and our Auditor's report thereon. The Trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 and the Charities Accounts (Scotland) Regulations 2006 requires us to report to you if, in our opinion:

- the information given in the Trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient and proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' responsibilities statement, the Trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

SISTERS OF BON SECOURS OF PARIS - BRITISH PROVINCE

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SISTERS OF BON SECOURS OF PARIS - BRITISH PROVINCE (CONTINUED)

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We identified and assessed the risks of material misstatement of the financial statements from irregularities, whether due to fraud or error, and discussed these between our audit team members. We then designed and performed audit procedures responsive to those risks, including obtaining audit evidence sufficient and appropriate to provide a basis for our opinion.

Extent to which the audit was considered capable of detecting irregularities, including fraud

We obtained an understanding of the legal and regulatory frameworks within which the charity operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Charities Act 2011 and The Charities and Trustee Investment (Scotland) Act 2005 together with the Charities SORP (FRS 102). We assessed the required compliance with these laws and regulations as part of our audit procedures on the related financial statements.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which might be fundamental to the charity's ability to operate or to avoid a material penalty. We also considered the opportunities and incentives that may exist within the Charity for fraud. The laws and regulations we considered in this context for the Charity were Charity Commission regulations, Health & Safety regulations and safeguarding regulations.

Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the Trustees and other management and inspection of regulatory and legal correspondence, if any.

We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be within the override of controls by management. Our audit procedures to respond to these risks included enquiries of management and Trustees about their own identification and assessment of the risks of irregularities, sample testing on the posting of journals, reviewing accounting estimates for biases, reviewing regulatory correspondence and reading minutes of meetings of those charged with governance.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

1. General information

The objects of the charity are to advance the religious and other charitable work under the direction of the Congregation as the Trustees, with the approval of the Superior, sees fit. The unincorporated Charity is registered in England and Wales (Charity number 250183) and registered and domiciled in Scotland (Charity number SC039564). The principal address of the charity is Crowe UK LLP, R+ Building, 2 Blagrove Street, Reading, Berkshire, RG1 1AZ.

2. Accounting policies

2.1 Basis of preparation of financial statements

The accounts (financial statements) have been prepared in accordance with the *Accounting and Reporting by Charities: Statement of Recommended Practice (SORP)* in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2019.

As the charity is not deemed, per the SORP, to be a 'larger charity' no Cash Flow Statement is required.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Sisters of Bon Secours of Paris - British Province meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

Having regard to the level of investments held by the charity, the Trustees have a reasonable expectation that the charity has adequate resources to continue its activities for the foreseeable future, and therefore believe it appropriate to adopt the going concern basis of accounting in preparing the financial statements.

2.3 Incoming Resources

Incoming resources are included in the Statement of Financial Activities (SOFA) when:

- the charity becomes entitled to the income and any conditions for receipt are met;
- it's probable that they will receive it; and
- the Trustees are reasonably certain that the value can be reliably measured

Other income is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

2. Accounting policies (continued)

2.4 Resources expended

Resources expended are accounted for on an accruals basis. Certain costs are apportioned to expenditure categories based on the estimated amount attributable to that activity in the year. The irrecoverable element of VAT is included with the item of expense to which it relates.

Included within resources expended are governance costs. Governance costs comprise the costs of running the charity, including strategic planning for its future development, also internal and external audit, any legal advice for the Charity and all the costs of complying with constitutional and statutory requirements.

Expenditure on raising funds includes all expenditure incurred by the Charity to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.5 Tangible fixed assets and depreciation

Expenditure incurred in keeping the properties in a fit and useful condition is written off in the year it is incurred unless the subsequent expenditure provides an enhancement of economic benefits in excess of the previously assessed standard of performance, in which case it is capitalised.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following bases:

Land	- Nil
Buildings and property improvements	- 2.5%
Furniture and equipment	- 25%

Assets purchased for less than £500, are written off to the Statement of Financial Activities on acquisition.

2.6 Leased commitments

Operating lease commitments are charged to the Statement of Financial Activities in the year in which they are incurred.

2.7 Fixed asset investments

Quoted investments are included at closing market value at the balance sheet date with the exception of a small amount of investments held in private equity which are valued at cost rather than market value as there is no liquid market for them.

Any gain or loss on revaluation or disposal is taken to the Statement of Financial Activities.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

2. Accounting policies (continued)

2.8 Foreign currencies

Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. Balances denominated in a foreign currency are translated into sterling at the exchange rate ruling on the balance sheet date.

Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction.

Exchange gains and losses are recognised in the Statement of financial activities.

2.9 Fund accounting

All funds held in the current and prior year are unrestricted.

Designated funds are amounts which have been put aside at the discretion of the Trustees for specific purposes. Such purposes are within the overall aims of the organisation.

Details of the nature and purpose of each fund is described in the Trustees report and in note 11 of the accounts.

General unrestricted funds represent funds which are expendable at the discretion of the Trustees in furtherance of the objects of the charity. Such funds may be held in order to finance both working capital and capital investment.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

2.10 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2.11 Pensions

The Charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Charity to the fund in respect of the year.

3. Critical accounting estimates and areas of judgment

Preparation of the financial statements requires management to make judgements and estimates. The Trustees consider that there are no material judgements in applying accounting policies or key sources of estimation uncertainty.
