**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2024**

The trustees present their annual report along with the financial statements of the charity for the year ended 31 December 2024. The financial statements have been prepared in accordance with the accounting policies set out on pages 7 and 8 and comply with the charity's trust deed, the Charities Act 2011, Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland effective from 1 January 2019 and the Financial Reporting Standard applicable in the UK and Republic of Ireland (issued January 2022) (FRS 102).

Constitution and objects

Mrs R P Tindall's Charitable Trust is constituted under a trust deed dated 4 October 1966 and is a registered charity number 250558. Mrs Tindall died on 31 December 1999.

The objects of the charity are to apply the Trust fund and income therefrom for the benefit or furtherance of such charitable purposes, charitable institutions or charitable foundations and in such manner and in such proportions as the trustees may determine. In particular, the trustees may relieve poverty, further the work of the Christian Church and advance education, and may make grants for the welfare of the Clergy and their dependants. The Trust furthers its charitable purposes for the public benefit through its grant-making policy.

Organisation

The trustees who have served during the year and since the year end are set out on page 1. Trustees are appointed by the board of trustees and, at any one time, the number of trustees is restricted to six, having been increased from four by a resolution dated 25 March 2010. The trustees meet twice a year to review and manage the charity, including the assessment, approval and refusal of grants. New trustees are recruited and appointed following personal recommendation by the existing Trustee body and are trained by the Chairman of trustees.

They have a part-time secretary to assist with the administration of the charity.

Grant- making policy

The Trust has established its grant- making policy to achieve its objects for the public benefit. The charity invites applications for funding by advertising in charitable trusts' registers. The trustees' current policy in making grants is broadly in the following categories: Christian Church, Education, Music, Medical, Welfare, Madagascar/Africa and Miscellaneous. This policy may be modified in the future.

Investment policy

Since January 2000, the trustees' intention has been to manage these funds with the object to provide a rising total return in real terms over the foreseeable future, being taken to be the next 60 to 80 years. There are no restrictions as to how funds are to be invested. During October 2006 the trustees authorised the investment of the entire fund into Sarasin & Partners' "Alpha Common Investment Fund for Endowments" (Income units). In 2018 the fund became "Sarasin Endowments Fund Class A Income" a sub- fund of Sarasin Charity Authorised Investment Funds, an umbrella authorised unit trust. The investment objective is to seek a combined income and capital return over the long term of 4.0% above inflation (CPI) over a rolling five- year period, net of fees and costs. It is a global multi-asset portfolio with an integrated socially responsible investment policy. Unit holders do not have any proprietary interest in the underlying assets of the Fund.

The Trustee Act 2000 applied from 1 February 2001, and the trustees have delegated their discretionary powers of investment to Sarasin & Partners LLP, who report quarterly to the trustees and whose appointment was reviewed in 2016 and renewed for five years, then at the trustees' discretion. The trustees will carry out a portfolio review half-yearly to ensure the assets are meeting the charity's objects to generate income to be used to make grants for the foreseeable future.

All the charity's funds are unrestricted, but are being invested by the trustees to achieve a long- term real total return.

Public benefit

The trustees confirm that they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties.

The charity meets its public benefit remit by providing grants to various categories of beneficiaries and charities covered in the grant -making policy.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2024**

Review of Activities and Achievements

During the year the charity received numerous applications for funding. The trust made payments to 48 (2023 - 40) institutions and 22 (2023 - 45) individuals. As described in note 5 on page 9, the total of direct costs of grants made under the category of Christian Church was £17,000 (2023 - £16,000), Education £5,700 (2023 - £6,500), Music £23,500 (2023 - £2,500), Medical £20,500 including £7,500 for Sudan (2023 - £8,500), Welfare £36,500 (2023 - £44,000), Africa £7,300 including £2,500 for Sudan (2023 - £4,500). The total of all grants plus support costs was £116,002 (2023 - £89,640). Once again, the ongoing monitoring of investment performance played an important part in this year's activities.

Financial Review

The Trust's work is entirely reliant on income from its investments. The total income for the year was £119,350 (2023 - £111,996). The total expenditure was £116,002 (2023 - £89,640). Grants committed for future years were £15,500 (2023 - £25,000). The trust's support and governance expenses were £5,502 (2023 - £7,640).

Realised and unrealised gains on investments were £341,648 (compared to £213,049 during the previous year). The net movement in funds for the year was an increase of £344,996 (2023 - £235,405).

The investment performance showed a total return of +11.8% (2023: +8.8%) over the calendar year, which compared with a total return for the Sarasin Endowments Fund Class A Income bespoke benchmark of +14.3% (2023: +11.7%). At the year end the net assets of the charity were £4,302,198 (2023 - £3,957,202).

Reserves policy

It is the policy of the charity to maintain a level of reserves that will produce an annual income sufficient to cover the grant applications and management and administration costs.

Risk management

The principal risks faced by the Trust lie in the performance of investments and operational risks from ineffective grant making and the capacity of the Trust to make effective grants. The trustees consider variability of investment returns on the investments to constitute the charity's major financial risk. This is mitigated by retaining expert investment managers and having a diversified investment portfolio. The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

Trustees' responsibilities in relation to the financial statements

The trustees are responsible for preparing the trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Under the law applicable to charities in England and Wales, the trustees have elected to prepare accruals accounts which must give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources for that period. In preparing those financial statements, the trustees are required to:

- * select suitable accounting policies and then apply them consistently;
- * observe the methods and principles in the applicable Charities SORP;
- * make judgements and estimates that are reasonable and prudent;
- * state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements; and
- * prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charity (Accounts and Reports) Regulations and the trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

MRS R P TINDALL'S CHARITABLE TRUST

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
MRS R P TINDALL'S CHARITABLE TRUST**

I report to the trustees on my examination of the accounts of Mrs R P Tindall's Charitable Trust (the Trust) for the year ended 31 December 2024, which are set out on pages 5 to 11.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trustees' accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

(1) accounting records were not kept in respect of the Trust as required by section 130 of the Act; or

(2) the accounts do not accord with the accounting records; or

(3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The notes on pages 7 to 11 form part of these accounts.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024**

1. Principal accounting policies**(a) Basis of preparation and assessment of going concern**

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective from 1 January 2019), and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective from 1 January 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn. The trust constitutes a public benefit entity as defined by FRS102.

The trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern. With respect to the next reporting period ending 31 December 2025 the most significant areas of uncertainty that affect the carrying value of assets held by the trust are the level of investment return and the performance of investment markets.

(b) Funds Structure

The funds of the charity are represented by unrestricted funds. Unrestricted funds comprise those funds which the trustees are free to use in accordance with the charitable objectives.

(c) Income recognition

Income is recognised once the charity has entitlement to the income, it is probable that the income will be received, and the amount of income receivable can be measured reliably. Investment income is accounted for in the period in which the charity is entitled to receipt. Legacies are recognised at the earlier of the time at which the charity is notified of an impending distribution or the legacy being received. Gift Aid donations and investment income are stated inclusive of the income tax recoverable thereon.

(d) Expenditure recognition

Expenditure and related liability is recognised as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. Grant awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled condition attaching to that grant is outside of the control of the Trust. Grants offered subject to conditions which have not been met at the year end are disclosed as a commitment, but not accrued as expenditure

(e) Costs of raising funds

Costs of generating funds comprise those costs directly attributable to managing the investment portfolio.

(f) Charitable activities

The expenditure on charitable activities includes grants made, governance costs and an apportionment of support costs as shown in note 4 and 5.

(g) Support costs, governance costs and their allocation

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to the independent examination and legal fees together with an apportionment of overhead and support costs. The total support and governance cost is apportioned between charitable activities pro rata to the number of grants awarded.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024**

1. Principal accounting policies (continued)

(h) Tangible fixed assets

All assets costing more than £500 are capitalised and valued at historical cost. Depreciation is charged at rates calculated to write off the cost over the asset's estimated useful life. Computers are depreciated on a straight line basis over three years from the year of acquisition.

(i) Fixed asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing bid price. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year. The Trust does not actively acquire put options, derivatives or other complex financial instruments, but the fund managers may do so. The main form of financial risk faced by the charity is that of volatility in equity markets and investments markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors. Social investments are measured at cost.

(j) Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

(k) Financial Instruments

Financial assets and financial liabilities are initially recognised at transaction value and subsequently measured at their settlement value with the exception of investments which are, after initial recognition at transaction value, measured at market value. The trust does not use complex financial instruments.

(l) Debtors

Debtors are measured at the amounts the charity anticipates it will receive from a debt.

(m) Cash at bank and in hand

Cash at bank and in hand includes cash and cash on deposit.

(n) Liabilities

Liabilities are measured at the amounts the charity anticipates it will pay to settle a commitment or debt.

2. Staff costs, Related party transactions and trustees' expenses and remuneration

Key management personnel are the trustees. There were no employees, but a secretary was paid fees of £724 (2023: £839). The trustees received no remuneration or other benefits (2023 - £nil). No trustee expenses were claimed in either year. No employee received benefits of more than £60,000. Fletcher & Partners received book-keeping and accountancy fees net of VAT of £3,253 (2023: £3,573). Mrs N Halls (a trustee) is a partner, and Mr Giles Fletcher (a trustee) is a relation of a partner, in this firm. Such payment is authorised under the Trust Deed.

3. Investment income

	<u>2024</u>	<u>2023</u>
	£	£
Dividends - UK unit trusts	116,895	110,150
Interest on cash deposits	932	669
Sarasin fund management fee rebate	1,523	1,177
	<u>119,350</u>	<u>111,996</u>

Sarasin funds annual charges are made within the fund itself at the rate 0.94% pa on the value of the fund, with 100% charged to the capital fund, thus reducing the value per unit. Sarasin costs and charges for 2024 were £32,133 (2023 - £29,739) net of the fee rebate, and excluding transaction costs and 3rd party costs.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024**

4. Allocation of governance and support costs

The breakdown of support costs and how these were allocated between governance and other support costs is shown in the table below:

Cost type	Governance	Other support costs	<u>2024</u>	Governance	Other support costs	<u>2023</u>
			Total support costs			Total support costs
Independent examination fee	550	-	550	550	-	550
Accountants' fees	3,184	720	3,904	3,087	1,200	4,287
Secretarial fees and expenses		820	820		965	965
Employer's liability insurance	-	157	157	-	433	433
Bank charges	-	-	-	-	-	-
Legal fees			-	1,200		1,200
Meetings, Computer, Sundries	71	-	71	205	-	205
	<u>3,805</u>	<u>1,697</u>	<u>5,502</u>	<u>5,042</u>	<u>2,598</u>	<u>7,640</u>

The apportionment of costs is based on usage. The total support costs are then apportioned between charitable activities pro rata to the number of grants awarded.

5. Charitable activities

The charity undertakes its charitable activities through grant- making and awards grants to a number of individuals and institutions in furtherance of its charitable activities.

	Grants to institutions	Grants to individuals	Support costs	<u>2024</u>	Grants to institutions	Grants to individuals	Support costs	<u>2023</u>
				Total £				Total £
Christian Church	17,000	-	1,011	18,011	16,000	-	1,677	17,677
Education	4,000	1,700	337	6,037	2,000	4,500	373	6,873
Music	23,500	-	561	24,061	2,500	-	186	2,686
Medical	20,500	-	674	21,174	8,500	-	932	9,432
Welfare	36,500	-	2,470	38,970	44,000	-	4,100	48,100
Madagascar and Africa	7,300	-	449	7,749	4,500	-	372	4,872
	<u>108,800</u>	<u>1,700</u>	<u>5,502</u>	<u>116,002</u>	<u>77,500</u>	<u>4,500</u>	<u>7,640</u>	<u>89,640</u>

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2023**

The trustees present their annual report along with the financial statements of the charity for the year ended 31 December 2023. The financial statements have been prepared in accordance with the accounting policies set out on pages 7 and 8 and comply with the charity's trust deed, the Charities Act 2011, Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland effective from 1 January 2019 and the Financial Reporting Standard applicable in the UK and Republic of Ireland (issued January 2022) (FRS 102).

Constitution and objects

Mrs R P Tindall's Charitable Trust is constituted under a trust deed dated 4 October 1966 and is a registered charity number 250558. Mrs Tindall died on 31 December 1999.

The objects of the charity are to apply the Trust fund and income therefrom for the benefit or furtherance of such charitable purposes, charitable institutions or charitable foundations and in such manner and in such proportions as the trustees may determine. In particular, the trustees may relieve poverty, further the work of the Christian Church and advance education, and may make grants for the welfare of the Clergy and their dependants. The Trust furthers its charitable purposes for the public benefit through its grant-making policy.

Organisation

The trustees who have served during the year and since the year end are set out on page 1. Trustees are appointed by the board of trustees and, at any one time, the number of trustees is restricted to six, having been increased from four by a resolution dated 25 March 2010. The trustees meet twice a year to review and manage the charity, including the assessment, approval and refusal of grants. New trustees are recruited and appointed following personal recommendation by the existing Trustee body and are trained by the Chairman of trustees.

They have a part-time secretary to assist with the administration of the charity.

Grant- making policy

The Trust has established its grant- making policy to achieve its objects for the public benefit. The charity invites applications for funding by advertising in charitable trusts' registers. The trustees' current policy in making grants is broadly in the following categories: Christian Church, Education, Music, Medical, Welfare, Madagascar/Africa and Miscellaneous. This policy may be modified in the future.

Investment policy

Since January 2000, the trustees' intention has been to manage these funds with the object to provide a rising total return in real terms over the foreseeable future, being taken to be the next 60 to 80 years. There are no restrictions as to how funds are to be invested. During October 2006 the trustees authorised the investment of the entire fund into Sarasin & Partners' "Alpha Common Investment Fund for Endowments" (Income units). In 2018 the fund became "Sarasin Endowments Fund Class A Income" a sub- fund of Sarasin Charity Authorised Investment Funds, an umbrella authorised unit trust. The investment objective is to seek a combined income and capital return over the long term of 4.0% above inflation (CPI), net of fees and costs. It is a global multi-asset portfolio with an integrated socially responsible investment policy. Unit holders do not have any proprietary interest in the underlying assets of the Fund.

The Trustee Act 2000 applied from 1 February 2001, and the trustees have delegated their discretionary powers of investment to Sarasin & Partners LLP, who report quarterly to the trustees and whose appointment was reviewed in 2016 and renewed for five years, then at the trustees' discretion. The trustees will carry out a portfolio review half-yearly to ensure the assets are meeting the charity's objects to generate income to be used to make grants for the foreseeable future.

All the charity's funds are unrestricted, but are being invested by the trustees to achieve a long- term real total return.

Public benefit

The trustees confirm that they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties.

The charity meets its public benefit remit by providing grants to various categories of beneficiaries and charities covered in the grant -making policy.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2023**

Review of Activities and Achievements

During the year the charity received numerous applications for funding. The trust made payments to 40 (2022 - 49) institutions and 45 (2022 - 27) individuals. As described in note 5 on page 9, the total of direct costs of grants made under the category of Christian Church was £16,000 (2022 - £20,500), Education £6,500 (2022 - £8,200), Music £2,500 (2022 - £31,800), Medical £8,500 (2022 - £14,500), Welfare £44,000 (2022 - £39,500), Madagascar and Africa £4,500 (2022 - £4,500). The total of all grants plus support costs was £89,640 (2022 - £126,024). Once again, the ongoing monitoring of investment performance played an important part in this year's activities.

Financial Review

The Trust's work is entirely reliant on income from its investments. The total income for the year was £111,996 (2022 - £111,753). The total expenditure was £89,640 (2022 - £126,024). Grants committed for future years were £25,000 (2022 - £44,500). The trust's support and governance expenses were £7,640 (2022 - £7,024). Realised and unrealised gains on investments were £213,049 (compared to losses of £531,673 during the previous year). The net movement in funds for the year was an increase of £235,405 (2022 - a decrease of £545,944).

The investment performance showed a total return of +8.8% (2022: -9.9%) over the calendar year, which compared with a total return for the Sarasin Endowments Fund Class A Income bespoke benchmark of + 11.7% (2022:-6.9%%). At the year end the net assets of the charity were £3,957,202 (2022 - £3,721,797).

Reserves policy

It is the policy of the charity to maintain a level of reserves that will produce an annual income sufficient to cover the grant applications and management and administration costs.

Risk management

The principal risks faced by the Trust lie in the performance of investments and operational risks from ineffective grant making and the capacity of the Trust to make effective grants. The trustees consider variability of investment returns on the investments to constitute the charity's major financial risk. This is mitigated by retaining expert investment managers and having a diversified investment portfolio. The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

Trustees' responsibilities in relation to the financial statements

The trustees are responsible for preparing the trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Under the law applicable to charities in England and Wales, the trustees have elected to prepare accruals accounts which must give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources for that period. In preparing those financial statements, the trustees are required to:

- * select suitable accounting policies and then apply them consistently;
- * observe the methods and principles in the applicable Charities SORP;
- * make judgements and estimates that are reasonable and prudent;
- * state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements; and
- * prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charity (Accounts and Reports) Regulations and the trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees on 17 May 2024 and signed on their behalf by:

MRS R P TINDALL'S CHARITABLE TRUST

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
MRS R P TINDALL'S CHARITABLE TRUST**

I report to the trustees on my examination of the accounts of Mrs R P Tindall's Charitable Trust (the Trust) for the year ended 31 December 2023, which are set out on pages 5 to 11.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trustees' accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- (2) the accounts do not accord with the accounting records; or
- (3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2023**

1. Principal accounting policies**(a) Basis of preparation and assessment of going concern**

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective from 1 January 2019), and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective from 1 January 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn. The trust constitutes a public benefit entity as defined by FRS102.

The trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern. With respect to the next reporting period ending 31 December 2024 the most significant areas of uncertainty that affect the carrying value of assets held by the trust are the level of investment return and the performance of investment markets.

(b) Funds Structure

The funds of the charity are represented by unrestricted funds. Unrestricted funds comprise those funds which the trustees are free to use in accordance with the charitable objectives.

(c) Income recognition

Income is recognised once the charity has entitlement to the income, it is probable that the income will be received, and the amount of income receivable can be measured reliably. Investment income is accounted for in the period in which the charity is entitled to receipt. Legacies are recognised at the earlier of the time at which the charity is notified of an impending distribution or the legacy being received. Gift Aid donations and investment income are stated inclusive of the income tax recoverable thereon.

(d) Expenditure recognition

Expenditure and related liability is recognised as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. Grant awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled condition attaching to that grant is outside of the control of the Trust. Grants offered subject to conditions which have not been met at the year end are disclosed as a commitment, but not accrued as expenditure

(e) Costs of raising funds

Costs of generating funds comprise those costs directly attributable to managing the investment portfolio.

(f) Charitable activities

The expenditure on charitable activities includes grants made, governance costs and an apportionment of support costs as shown in note 4 and 5.

(g) Support costs, governance costs and their allocation

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to the independent examination and legal fees together with an apportionment of overhead and support costs. The total support and governance cost is apportioned between charitable activities pro rata to the number of grants awarded.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2023**

1. Principal accounting policies (continued)**(h) Tangible fixed assets**

All assets costing more than £500 are capitalised and valued at historical cost. Depreciation is charged at rates calculated to write off the cost over the asset's estimated useful life. Computers are depreciated on a straight line basis over three years from the year of acquisition.

(i) Fixed asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing bid price. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year. The Trust does not actively acquire put options, derivatives or other complex financial instruments, but the fund managers may do so. The main form of financial risk faced by the charity is that of volatility in equity markets and investments markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors. Social investments are measured at cost.

(j) Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

(k) Financial Instruments

Financial assets and financial liabilities are initially recognised at transaction value and subsequently measured at their settlement value with the exception of investments which are, after initial recognition at transaction value, measured at market value. The trust does not use complex financial instruments.

(l) Debtors

Debtors are measured at the amounts the charity anticipates it will receive from a debt.

(m) Cash at bank and in hand

Cash at bank and in hand includes cash and cash on deposit.

(n) Liabilities

Liabilities are measured at the amounts the charity anticipates it will pay to settle a commitment or debt.

2. Staff costs, Related party transactions and trustees' expenses and remuneration

Key management personnel are the trustees. There were no employees, but a secretary was paid fees of £839 (2022: £683). The trustees received no remuneration or other benefits (2022 - £nil). No trustee expenses were claimed in either year. No employee received benefits of more than £60,000. Fletcher & Partners received book-keeping and accountancy fees net of VAT of £3573 (2022: £4,045). Mrs N Halls (a trustee) is a partner, and Mr Giles Fletcher (a trustee) is a relation of a partner, in this firm. Such payment is authorised under the Trust Deed.

3. Investment income

	<u>2023</u>	<u>2022</u>
	£	£
Dividends - UK unit trusts	110,150	110,113
Interest on cash deposits	669	144
Sarasin fund management fee rebate	1,177	1,496
	<u>111,996</u>	<u>111,753</u>

The fund manager's charges are made within the fund itself at the rate 0.94% pa on the value of the fund, with 100% charged to the capital fund, thus reducing the value per unit. Total costs and charges for 2023 were £27,419 (2022 - £27,874), net of the fee rebate.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2023**

4. Allocation of governance and support costs

The breakdown of support costs and how these were allocated between governance and other support costs is shown in the table below:

Cost type	Governance	Other support costs	<u>2023</u>	Governance	Other support costs	<u>2022</u>
			Total support costs			Total support costs
Independent examination fee	550	-	550	500	-	500
Accountants' fees	3,087	1,200	4,287	3,592	1,212	4,804
Secretarial fees and expenses	-	965	965	-	684	684
Employer's liability insurance	-	433	433	-	415	415
Bank charges	-	-	-	-	-	-
Depreciation of computer	-	-	-	-	185	185
Legal fees	1,200	-	1,200	-	-	-
Meetings, Computer, Sundries	205	-	205	-	436	436
	<u>5,042</u>	<u>2,598</u>	<u>7,640</u>	<u>4,092</u>	<u>2,932</u>	<u>7,024</u>

The apportionment of costs is based on usage. The total support costs are then apportioned between charitable activities pro rata to the number of grants awarded.

5. Charitable activities

The charity undertakes its charitable activities through grant- making and awards grants to a number of individuals and institutions in furtherance of its charitable activities.

	Grants to institutions	Grants to individuals	Support costs	<u>2023</u>	Grants to institutions	Grants to individuals	Support costs	<u>2022</u>

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2022**

The trustees present their annual report along with the financial statements of the charity for the year ended 31 December 2022. The financial statements have been prepared in accordance with the accounting policies set out on pages 7 and 8 and comply with the charity's trust deed, the Charities Act 2011, Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland effective from 1 January 2019 and the Financial Reporting Standard applicable in the UK and Republic of Ireland (issued January 2022) (FRS 102).

Constitution and objects

Mrs R P Tindall's Charitable Trust is constituted under a trust deed dated 4 October 1966 and is a registered charity number 250558. Mrs Tindall died on 31 December 1999.

The objects of the charity are to apply the Trust fund and income therefrom for the benefit or furtherance of such charitable purposes, charitable institutions or charitable foundations and in such manner and in such proportions as the trustees may determine. In particular, the trustees may relieve poverty, further the work of the Christian Church and advance education, and may make grants for the welfare of the Clergy and their dependants. The Trust furthers its charitable purposes for the public benefit through its grant-making policy.

Organisation

The trustees who have served during the year and since the year end are set out on page 1. Trustees are appointed by the board of trustees and, at any one time, the number of trustees is restricted to six, having been increased from four by a resolution dated 25 March 2010. The trustees meet twice a year to review and manage the charity, including the assessment, approval and refusal of grants. New trustees are recruited and appointed following personal recommendation by the existing Trustee body and are trained by the Chairman of trustees.

They have a part-time secretary to assist with the administration of the charity.

Grant- making policy

The Trust has established its grant- making policy to achieve its objects for the public benefit. The charity invites applications for funding by advertising in charitable trusts' registers. The trustees' current policy in making grants is broadly in the following categories: Christian Church, Education, Music, Medical, Welfare, Madagascar/Africa and Miscellaneous. This policy may be modified in the future. For many years the trust has supported the Anglican Diocese of Antsiranana in Madagascar.

Investment policy

Since January 2000, the trustees' intention has been to manage these funds with the object to provide a rising total return in real terms over the foreseeable future, being taken to be the next 60 to 80 years. There are no restrictions as to how funds are to be invested. During October 2006 the trustees authorised the investment of the entire fund into Sarasin & Partners' "Alpha Common Investment Fund for Endowments" (Income units). In 2018 the fund became "Sarasin Endowments Fund Class A Income". This common investment fund's objective is to seek a combined income and capital return over the long term of 4.0% above inflation (CPI). It is a global multi-asset portfolio with an integrated socially responsible investment policy and is a sub-fund of Sarasin CAIF (Charity Authorised Investment Funds). Unit holders do not have any proprietary interest in the underlying assets of the Fund.

The Trustee Act 2000 applied from 1 February 2001, and the trustees have delegated their discretionary powers of investment to Sarasin & Partners LLP, who report quarterly to the trustees and whose appointment was reviewed in 2022 and renewed for five years. The trustees will carry out a portfolio review half-yearly to ensure the assets are meeting the charity's objects to generate income to be used to make grants for the foreseeable future.

All the charity's funds are unrestricted, but are being invested by the trustees to achieve a long- term real total return.

Public benefit

The trustees confirm that they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties.

The charity meets its public benefit remit by providing grants to various categories of beneficiaries and charities covered in the grant -making policy.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2022

Review of Activities and Achievements

During the year the charity received numerous applications for funding and also made special grants related specifically to provide humanitarian aid for those in need in Ukraine, as a result of conflict, and also grants in memory of Canon A C Philp, a former trustee. The trust made payments to 49 (2021 - 48) institutions and 27 (2021 - 31) individuals. As described in note 5 on page 9, the total of direct costs of grants made under the category of Christian Church was £20,500 (2021 - £12,500), Education £8,200 (2021 - £10,100), Music £31,800 (2021 - £42,125), Medical £14,500 (2021 - £19,000), Welfare £39,500 (2021 - £27,500), Madagascar and Africa £4,500 (2021 - £7,500). The total of all grants plus support costs was £126,024 (2021 - £125,914). Once again, the ongoing monitoring of investment performance played an important part in this year's activities, particularly in light of the turbulent effects on stock markets and dividends of the war in the Ukraine

Financial Review

The Trust's work is entirely reliant on income from its investments. The total income for the year was £111,753 (2021 - £115,219). The total expenditure was £126,024 (2021 - £125,914). Grants committed for future years were £44,500 (2021 - £32,500). The trust's support and governance expenses were £7,024 (2021 - £7,189). Realised and unrealised losses on investments were £531,673 (compared to gains of £285,314 during the previous year). The net movement in funds for the year was an decrease of £545,944 (2021 - an increase of £274,619).

The investment performance showed a total return of -9.9% (2021:+10.2%) over the calendar year, which compared with a total return for the Sarasin Endowments Fund Class A Income bespoke benchmark of -6.9% (2021:+13.7%). At the year end the net assets of the charity were £3,721,797 (2021 - £4,267,741).

Reserves policy

It is the policy of the charity to maintain a level of reserves that will produce an annual income sufficient to cover the grant applications and management and administration costs.

Risk management

The principal risks faced by the Trust lie in the performance of investments and operational risks from ineffective grant making and the capacity of the Trust to make effective grants. The trustees consider variability of investment returns on the investments to constitute the charity's major financial risk. This is mitigated by retaining expert investment managers and having a diversified investment portfolio. The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

Trustees' responsibilities in relation to the financial statements

The trustees are responsible for preparing the trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Under the law applicable to charities in England and Wales, the trustees have elected to prepare accruals accounts which must give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources for that period. In preparing those financial statements, the trustees are required to:

- * select suitable accounting policies and then apply them consistently;
- * observe the methods and principles in the applicable Charities SORP;
- * make judgements and estimates that are reasonable and prudent;
- * state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements; and
- * prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charity (Accounts and Reports) Regulations and the trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees on 12 May 2023 and signed on their behalf by:

MRS R P TINDALL'S CHARITABLE TRUST

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
MRS R P TINDALL'S CHARITABLE TRUST**

I report to the trustees on my examination of the accounts of Mrs R P Tindall's Charitable Trust (the Trust) for the year ended 31 December 2022, which are set out on pages 5 to 11.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trustees' accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

(1) accounting records were not kept in respect of the Trust as required by section 130 of the Act; or

(2) the accounts do not accord with the accounting records; or

(3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2022**1. Principal accounting policies****(a) Basis of preparation and assessment of going concern**

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective from 1 January 2019), and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective from 1 January 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn. The trust constitutes a public benefit entity as defined by FRS102.

The trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern. With respect to the next reporting period 2023 the most significant areas of uncertainty that affect the carrying value of assets held by the trust are the level of investment return and the performance of investment markets.

(b) Funds Structure

The funds of the charity are represented by unrestricted funds. Unrestricted funds comprise those funds which the trustees are free to use in accordance with the charitable objectives.

(c) Income recognition

Income is recognised once the charity has entitlement to the income, it is probable that the income will be received, and the amount of income receivable can be measured reliably. Investment income is accounted for in the period in which the charity is entitled to receipt. Legacies are recognised at the earlier of the time at which the charity is notified of an impending distribution or the legacy being received. Gift Aid donations and investment income are stated inclusive of the income tax recoverable thereon.

(d) Expenditure recognition

Expenditure and related liability is recognised as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. Grant awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled condition attaching to that grant is outside of the control of the Trust. Grants offered subject to conditions which have not been met at the year end are disclosed as a commitment, but not accrued as expenditure

(e) Costs of raising funds

Costs of generating funds comprise those costs directly attributable to managing the investment portfolio.

(f) Charitable activities

The expenditure on charitable activities includes grants made, governance costs and an apportionment of support costs as shown in note 4 and 5.

(g) Support costs, governance costs and their allocation

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to the independent examination and legal fees together with an apportionment of overhead and support costs. The total support and governance cost is apportioned between charitable activities pro rata to the number of grants awarded.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2022**

1. Principal accounting policies (continued)**(h) Tangible fixed assets**

All assets costing more than £500 are capitalised and valued at historical cost. Depreciation is charged at rates calculated to write off the cost over the asset's estimated useful life. Computers are depreciated on a straight line basis over three years from the year of acquisition.

(i) Fixed asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing bid price. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year. The Trust does not acquire put options, derivatives or other complex financial instruments. The main form of financial risk faced by the charity is that of volatility in equity markets and investments markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors. Social investments are measured at cost.

(j) Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

(k) Financial Instruments

Financial assets and financial liabilities are initially recognised at transaction value and subsequently measured at their settlement value with the exception of investments which are, after initial recognition at transaction value, measured at market value. The trust does not use complex financial instruments.

(l) Debtors

Debtors are measured at the amounts the charity anticipates it will receive from a debt.

(m) Cash at bank and in hand

Cash at bank and in hand includes cash and cash on deposit.

(n) Liabilities

Liabilities are measured at the amounts the charity anticipates it will pay to settle a commitment or debt.

2. Staff costs, Related party transactions and trustees' expenses and remuneration

Key management personnel are the trustees. There were no employees, but a secretary was paid £683 (2021: £810). The trustees received no remuneration or other benefits (2021 - £nil). No trustee expenses were claimed in either year. No employee received benefits of more than £60,000. Fletcher & Partners received book-keeping and accountancy fees net of VAT of £4,045 (2021: £4,305). Mrs N Halls (a trustee) is a partner, and Mr Giles Fletcher (a trustee) is a relation of a partner, in this firm. Such payment is authorised under the Trust Deed.

3. Investment income

	<u>2022</u>	<u>2021</u>
	£	£
Dividends - UK unit trusts	110,113	113,712
Interest on cash deposits	144	7
Sarasin fund management fee rebate	1,496	1,500
	<u>111,753</u>	<u>115,219</u>

The fund manager's charges are made within the fund itself at the rate 0.97% pa on the value of the fund, with 100% charged to the capital fund, thus reducing the value per unit. Total costs and charges for 2022 were £27,874 (2021 - £29,168), net of the fee rebate.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2022**

4. Allocation of governance and support costs

The breakdown of support costs and how these were allocated between governance and other support costs is shown in the table below:

Cost type	Governance	Other support costs	<u>2022</u>	Governance	Other support costs	<u>2021</u>
			Total support costs			Total support costs
Independent examination fee	500	-	500	400	-	400
Accountants' fees	3,592	1,212	4,804	3,784	1,382	5,166
Secretarial fees and expenses	-	684	684	-	1,041	1,041
Employer's liability insurance	-	415	415	-	397	397
Bank charges	-	-	-	-	-	-
Depreciation of computer	-	185	185	-	185	185
Legal fees	-	-	-	-	-	-
Meetings, Sundries	-	436	436	-	-	-
	<u>4,092</u>	<u>2,932</u>	<u>7,024</u>	<u>4,184</u>	<u>3,005</u>	<u>7,189</u>

The apportionment of costs is based on usage. The total support costs are then apportioned between charitable activities pro rata to the number of grants awarded.

5. Charitable activities

The charity undertakes its charitable activities through grant- making and awards grants to a number of individuals and institutions in furtherance of its charitable activities.

	Grants to institutions	Grants to individuals	Support costs	<u>2022</u>	Grants to institutions	Grants to individuals	Support costs	<u>2021</u>
				Total				Total
				£				£

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2021**

The trustees present their annual report along with the financial statements of the charity for the year ended 31 December 2021. The financial statements have been prepared in accordance with the accounting policies set out on pages 7 and 8 and comply with the charity's trust deed, the Charities Act 2011, Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland effective from 1 January 2019 and the Financial Reporting Standard applicable in the UK and Republic of Ireland (issued January 2022) (FRS 102).

Constitution and objects

Mrs R P Tindall's Charitable Trust is constituted under a trust deed dated 4 October 1966 and is a registered charity number 250558. Mrs Tindall died on 31 December 1999.

The objects of the charity are to apply the Trust fund and income therefrom for the benefit or furtherance of such charitable purposes, charitable institutions or charitable foundations and in such manner and in such proportions as the trustees may determine. In particular, the trustees may relieve poverty, further the work of the Christian Church and advance education, and may make grants for the welfare of the Clergy and their dependants. The Trust furthers its charitable purposes for the public benefit through its grant-making policy.

Organisation

The trustees who have served during the year and since the year end are set out on page 1. Trustees are appointed by the board of trustees and, at any one time, the number of trustees is restricted to six, having been increased from four by a resolution dated 25 March 2010. The trustees meet twice a year to review and manage the charity, including the assessment, approval and refusal of grants. New trustees are recruited and appointed following personal recommendation by the existing Trustee body and are trained by the Chairman of trustees.

They have a part-time secretary to assist with the administration of the charity.

Grant-making policy

The Trust has established its grant-making policy to achieve its objects for the public benefit. The charity invites applications for funding by advertising in charitable trusts' registers. The trustees' current policy in making grants is broadly in the following categories: Christian Church, Education, Music, Medical, Welfare, Madagascar/Africa and Miscellaneous. This policy may be modified in the future. For many years the trust has supported the Anglican Diocese of Antsiranana in Madagascar.

Investment policy

Since January 2000, the trustees' intention has been to manage these funds with the object to provide a rising total return in real terms over the foreseeable future, being taken to be the next 60 to 80 years. There are no restrictions as to how funds are to be invested. During October 2006 the trustees authorised the investment of the entire fund into Sarasin & Partners' "Alpha Common Investment Fund for Endowments" (Income units). In 2018 the fund became "Sarasin Endowments Fund Class A Income". This common investment fund's objective is to seek a combined income and capital return over the long term of 4.0% above inflation (CPI). It is a global multi-asset portfolio with an integrated socially responsible investment policy and is a sub-fund of Sarasin CAIF (Charity Authorised Investment Funds). Unit holders do not have any proprietary interest in the underlying assets of the Fund.

The Trustee Act 2000 applied from 1 February 2001, and the trustees have delegated their discretionary powers of investment to Sarasin & Partners LLP, who report quarterly to the trustees and whose appointment was reviewed in 2016 and renewed for five years. The trustees will carry out a portfolio review half-yearly to ensure the assets are meeting the charity's objects to generate income to be used to make grants for the foreseeable future.

All the charity's funds are unrestricted, but are being invested by the trustees to achieve a long-term real total return.

Public benefit

The trustees confirm that they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties.

The charity meets its public benefit remit by providing grants to various categories of beneficiaries and charities covered in the grant-making policy.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2021**

Review of Activities and Achievements

During the year the charity received numerous applications for funding and also made 2 special grants related specifically to the Covid-19 pandemic. The trust made payments to 48 (2020 - 51) institutions and 31 (2020 - 30) individuals. As described in note 5 on page 9, the total of direct costs of grants made under the category of Christian Church was £12,500 (2020 - £18,000), Education £10,100 (2020 - £34,250), Music £42,125 (2020 - £18,875), Medical £19,000 (2020 - £16,000), Welfare £27,500 (2020 - £35,500), Madagascar and Africa £7,500 (2020 - £4,500). The total of all grants plus support costs was £125,914 (2020 - £133,656). Once again, the ongoing monitoring of investment performance played an important part in this year's activities, particularly in light of the turbulent effects on stock markets and dividends of Covid-19 during 2020 and 2021.

Financial Review

The Trust's work is entirely reliant on income from its investments. The total income for the year was £115,219 (2020 - £119,872). The total expenditure was £125,914 (2020 - £133,656). Grants committed for future years were £32,500 (2020 - £46,875). The trust's support and governance expenses were £7,189 (2020 - £6,531). Realised and unrealised gains on investments were £285,314 (compared to gains of £228,363 during the previous year). The net movement in funds for the year was an increase of £274,619 (2020 - an increase of £214,579).

The investment performance showed a total return of +10.2% (2020: +9.6%) over the calendar year, which compared with a total return for the Sarasin Endowments Fund Class A Income bespoke benchmark of +13.7% (2020: +6.8%). At the year end the net assets of the charity were £4,267,741 (2020 - £3,993,122).

Reserves policy

It is the policy of the charity to maintain a level of reserves that will produce an annual income sufficient to cover the grant applications and management and administration costs.

Risk management

The principal risks faced by the Trust lie in the performance of investments and operational risks from ineffective grant making and the capacity of the Trust to make effective grants. The trustees consider variability of investment returns on the investments to constitute the charity's major financial risk. This is mitigated by retaining expert investment managers and having a diversified investment portfolio. The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

Trustees' responsibilities in relation to the financial statements

The trustees are responsible for preparing the trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Under the law applicable to charities in England and Wales, the trustees have elected to prepare accruals accounts which must give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources for that period. In preparing those financial statements, the trustees are required to:

- * select suitable accounting policies and then apply them consistently;
- * observe the methods and principles in the applicable Charities SORP;
- * make judgements and estimates that are reasonable and prudent;
- * state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements; and
- * prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charity (Accounts and Reports) Regulations and the trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

MRS R P TINDALL'S CHARITABLE TRUST**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
MRS R P TINDALL'S CHARITABLE TRUST**

I report to the trustees on my examination of the accounts of Mrs R P Tindall's Charitable Trust (the Trust) for the year ended 31 December 2021, which are set out on pages 5 to 11.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trustees' accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

(1) accounting records were not kept in respect of the Trust as required by section 130 of the Act; or

(2) the accounts do not accord with the accounting records; or

(3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The notes on pages 7 to 11 form part of these accounts.

1. Principal accounting policies**(a) Basis of preparation and assessment of going concern**

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective from 1 January 2019), and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective from 1 January 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn. The trust constitutes a public benefit entity as defined by FRS102.

The trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern. With respect to the next reporting period 2022 the most significant areas of uncertainty that affect the carrying value of assets held by the trust are the level of investment return and the performance of investment markets.

(b) Funds Structure

The funds of the charity are represented by unrestricted funds. Unrestricted funds comprise those funds which the trustees are free to use in accordance with the charitable objectives.

(c) Income recognition

Income is recognised once the charity has entitlement to the income, it is probable that the income will be received, and the amount of income receivable can be measured reliably. Investment income is accounted for in the period in which the charity is entitled to receipt. Legacies are recognised at the earlier of the time at which the charity is notified of an impending distribution or the legacy being received. Gift Aid donations and investment income are stated inclusive of the income tax recoverable thereon.

(d) Expenditure recognition

Expenditure and related liability is recognised as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. Grant awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled condition attaching to that grant is outside of the control of the Trust. Grants offered subject to conditions which have not been met at the year end are disclosed as a commitment, but not accrued as expenditure

(e) Costs of raising funds

Costs of generating funds comprise those costs directly attributable to managing the investment portfolio.

(f) Charitable activities

The expenditure on charitable activities includes grants made, governance costs and an apportionment of support costs as shown in note 4 and 5.

(g) Support costs, governance costs and their allocation

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to the independent examination and legal fees together with an apportionment of overhead and support costs. The total support and governance cost is apportioned between charitable activities pro rata to the number of grants awarded.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021**

1. Principal accounting policies (continued)**(h) Tangible fixed assets**

All assets costing more than £500 are capitalised and valued at historical cost. Depreciation is charged at rates calculated to write off the cost over the asset's estimated useful life. Computers are depreciated on a straight line basis over three years from the year of acquisition.

(i) Fixed asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing bid price. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year. The Trust does not acquire put options, derivatives or other complex financial instruments. The main form of financial risk faced by the charity is that of volatility in equity markets and investments markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors. Social investments are measured at cost.

(j) Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

(k) Financial Instruments

Financial assets and financial liabilities are initially recognised at transaction value and subsequently measured at their settlement value with the exception of investments which are, after initial recognition at transaction value, measured at market value. The trust does not use complex financial instruments.

(l) Debtors

Debtors are measured at the amounts the charity anticipates it will receive from a debt.

(m) Cash at bank and in hand

Cash at bank and in hand includes cash and cash on deposit.

(n) Liabilities

Liabilities are measured at the amounts the charity anticipates it will pay to settle a commitment or debt.

2. Staff costs, Related party transactions and trustees' expenses and remuneration

Key management personnel are the trustees. There were no employees, but a secretary was paid £810 (2020: £219). The trustees received no remuneration or other benefits (2020 - £nil). No trustee expenses were claimed in either year. No employee received benefits of more than £60,000. Fletcher & Partners received book-keeping and accountancy fees net of VAT of £4,305 (2020: £3,771). Mrs N Halls (a trustee) is a partner, and Mr Giles Fletcher (a trustee) is a relation of a partner, in this firm. Such payment is authorised under the Trust Deed.

3. Investment income

	<u>2021</u>	<u>2020</u>
	£	£
Dividends - UK unit trusts	113,712	118,873
Interest on cash deposits	7	81
Sarasin fund management fee rebate	1,500	918
	<u>115,219</u>	<u>119,872</u>

The fund manager's charges are made within the fund itself at the rate 0.89% pa on the value of the fund, with 100% charged to the capital fund, thus reducing the value per unit. Total costs and charges for 2021 were £40,121 (2020 - £33,059), net of the fee rebate.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021**4. Allocation of governance and support costs**

The breakdown of support costs and how these were allocated between governance and other support costs is shown in the table below:

Cost type	Governance	Other support costs	2021	Governance	Other support costs	2020
			Total support costs			Total support costs
Independent examination fee	400	-	400	450	-	450
Accountants' fees	3,784	1,382	5,166	3,325	1,200	4,525
Secretarial fees and expenses	-	1,041	1,041	-	219	219
Employer's liability insurance	-	397	397	-	377	377
Bank charges	-	-	-	-	35	35
Depreciation of computer	-	185	185	-	185	185
Legal fees	-	-	-	-	-	-
Meetings, Computer, Sundries	-	-	-	-	740	740
	<u>4,184</u>	<u>3,005</u>	<u>7,189</u>	<u>3,775</u>	<u>2,756</u>	<u>6,531</u>

The apportionment of costs is based on usage. The total support costs are then apportioned between charitable activities pro rata to the number of grants awarded.

5. Charitable activities

The charity undertakes its charitable activities through grant-making and awards grants to a number of individuals and institutions in furtherance of its charitable activities.

	Grants to institutions	Grants to individuals	Support costs	2021	Grants to institutions	Grants to individuals	Support costs	2020
				Total				Total
				£				£

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2020**

The trustees present their annual report along with the financial statements of the charity for the year ended 31 December 2020. The financial statements have been prepared in accordance with the accounting policies set out on pages 7 and 8 and comply with the charity's trust deed, the Charities Act 2011, Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland effective from 1 January 2019 and the Financial Reporting Standard applicable in the UK and Republic of Ireland effective from 1 January 2019 (FRS 102).

Constitution and objects

Mrs R P Tindall's Charitable Trust is constituted under a trust deed dated 4 October 1966 and is a registered charity number 250558. Mrs Tindall died on 31 December 1999.

The objects of the charity are to apply the Trust fund and income therefrom for the benefit or furtherance of such charitable purposes, charitable institutions or charitable foundations and in such manner and in such proportions as the trustees may determine. In particular, the trustees may relieve poverty, further the work of the Christian Church and advance education, and may make grants for the welfare of the Clergy and their dependants. The Trust furthers its charitable purposes for the public benefit through its grant-making policy.

Organisation

The trustees who have served during the year and since the year end are set out on page 1. Trustees are appointed by the board of trustees and, at any one time, the number of trustees is restricted to six, having been increased from four by a resolution dated 25 March 2010. The trustees meet twice a year to review and manage the charity, including the assessment, approval and refusal of grants. New trustees are recruited and appointed following personal recommendation by the existing Trustee body and are trained by the Chairman of trustees.

They have a part-time secretary to assist with the administration of the charity.

Grant- making policy

The Trust has established its grant- making policy to achieve its objects for the public benefit. The charity invites applications for funding by advertising in charitable trusts' registers. The trustees' current policy in making grants is broadly in the following categories: Christian Church, Education, Music, Medical, Welfare, Madagascar/Africa and Miscellaneous. This policy may be modified in the future. For many years the trust has supported the Anglican Diocese of Antsiranana in Madagascar.

Investment policy

Since January 2000, the trustees' intention has been to manage these funds with the object to provide a rising total return in real terms over the foreseeable future, being taken to be the next 60 to 80 years. There are no restrictions as to how funds are to be invested. During October 2006 the trustees authorised the investment of the entire fund into Sarasin & Partners' "Alpha Common Investment Fund for Endowments" (Income units). In 2018 the fund became "Sarasin Endowments Fund Class A Income". This common investment fund's objective is to seek a combined income and capital return over the long term of 4.0% above inflation (CPI). It is a global multi-asset portfolio with an integrated socially responsible investment policy and is a sub-fund of Sarasin CAIF (Charity Authorised Investment Funds). Unit holders do not have any proprietary interest in the underlying assets of the Fund.

The Trustee Act 2000 applied from 1 February 2001, and the trustees have delegated their discretionary powers of investment to Sarasin & Partners LLP, who report quarterly to the trustees and whose appointment was reviewed in 2016 and renewed for five years. The trustees will carry out a portfolio review half-yearly to ensure the assets are meeting the charity's objects to generate income to be used to make grants for the foreseeable future.

All the charity's funds are unrestricted, but are being invested by the trustees to achieve a long- term real total return.

Public benefit

The trustees confirm that they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties.

The charity meets its public benefit remit by providing grants to various categories of beneficiaries and charities covered in the grant -making policy.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2020**

Review of Activities and Achievements

During the year the charity received numerous applications for funding and also made 11 special grants totalling £24,000 to charities which support those affected by the Covid-19 pandemic. The trust made payments to 51 (2019 - 41) institutions and 30 (2019 - 32) individuals. As described in note 5 on page 9, the total of direct costs of grants made under the category of Christian Church was £18,000 (2019 - £16,000), Education £34,250 (2019 - £44,400), Music £18,875 (2019 - £4,250), Medical £16,000 (2019 - £15,000), Welfare £35,500 (2019 - £21,500), Madagascar and Africa £4,500 (2019 - £5,778). The total of all direct and support cost of all the grants made was £133,656 (2019 - £112,876). Once again, the ongoing monitoring of investment performance played an important part in this year's activities, particularly in light of the turbulent effects on stock markets and dividends of Covid-19.

Financial Review

The Trust's work is entirely reliant on income from its investments. The total income for the year was £119,872 (2019 - £118,191). The total expenditure was £133,656 (2019 - £112,877). Grants committed for future years were £46,875 (2019 - £34,875). The trust's support and governance expenses were £6,531 (2019 - £5,948).

Realised and unrealised gains on investments were £228,363 (compared to gains of £507,202 during the previous year). The net movement in funds for the year was an increase of £214,579 (2019 - an increase of £512,516). The investment performance showed a total return of +9.6% (2019: +19.6%) over the calendar year, which compared with a total return for the Sarasin Endowments Fund Class A Income bespoke benchmark of +6.8% (2019: +18.5%). At the year end the net assets of the charity were £3,993,122 (2019 - £3,778,543).

Reserves policy

It is the policy of the charity to maintain a level of reserves that will produce an annual income sufficient to cover the grant applications and management and administration costs.

Risk management

The principal risks faced by the Trust lie in the performance of investments and operational risks from ineffective grant making and the capacity of the Trust to make effective grants. The trustees consider variability of investment returns on the investments to constitute the charity's major financial risk. This is mitigated by retaining expert investment managers and having a diversified investment portfolio. The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

Trustees' responsibilities in relation to the financial statements

The trustees are responsible for preparing the trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Under the law applicable to charities in England and Wales, the trustees have elected to prepare accruals accounts which must give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources for that period. In preparing those financial statements, the trustees are required to:

- * select suitable accounting policies and then apply them consistently;
- * observe the methods and principles in the applicable Charities SORP;
- * make judgements and estimates that are reasonable and prudent;
- * state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements; and
- * prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charity (Accounts and Reports) Regulations and the trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

MRS R P TINDALL'S CHARITABLE TRUST

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
MRS R P TINDALL'S CHARITABLE TRUST**

I report to the trustees on my examination of the accounts of Mrs R P Tindall's Charitable Trust (the Trust) for the year ended 31 December 2020, which are set out on pages 5 to 11.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trustees' accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- (2) the accounts do not accord with the accounting records; or
- (3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Trustee

The notes on pages 7 to 11 form part of these accounts.

1. Principal accounting policies**(a) Basis of preparation and assessment of going concern**

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective from 1 January 2019), and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective from 1 January 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn. The trust constitutes a public benefit entity as defined by FRS102.

The trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern. With respect to the next reporting period 2021 the most significant areas of uncertainty that affect the carrying value of assets held by the trust are the level of investment return and the performance of investment markets.

(b) Funds Structure

The funds of the charity are represented by unrestricted funds. Unrestricted funds comprise those funds which the trustees are free to use in accordance with the charitable objectives.

(c) Income recognition

Income is recognised once the charity has entitlement to the income, it is probable that the income will be received, and the amount of income receivable can be measured reliably. Investment income is accounted for in the period in which the charity is entitled to receipt. Legacies are recognised at the earlier of the time at which the charity is notified of an impending distribution or the legacy being received. Gift Aid donations and investment income are stated inclusive of the income tax recoverable thereon.

(d) Expenditure recognition

Expenditure and related liability is recognised as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. Grant awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled condition attaching to that grant is outside of the control of the Trust. Grants offered subject to conditions which have not been met at the year end are disclosed as a commitment, but not accrued as expenditure

(e) Costs of raising funds

Costs of generating funds comprise those costs directly attributable to managing the investment portfolio.

(f) Charitable activities

The expenditure on charitable activities includes grants made, governance costs and an apportionment of support costs as shown in note 4 and 5.

(g) Support costs, governance costs and their allocation

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to the independent examination and legal fees together with an apportionment of overhead and support costs. The total support and governance cost is apportioned between charitable activities pro rata to the number of grants awarded.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020**

1. Principal accounting policies (continued)**(h) Tangible fixed assets**

All assets costing more than £500 are capitalised and valued at historical cost. Depreciation is charged at rates calculated to write off the cost over the asset's estimated useful life. Computers are depreciated on a straight line basis over three years from the year of acquisition.

(i) Fixed asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing bid price. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year. The Trust does not acquire put options, derivatives or other complex financial instruments. The main form of financial risk faced by the charity is that of volatility in equity markets and investments markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors. Social investments are measured at cost.

(j) Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

(k) Financial Instruments

Financial assets and financial liabilities are initially recognised at transaction value and subsequently measured at their settlement value with the exception of investments which are, after initial recognition at transaction value, measured at market value. The trust does not use complex financial instruments.

(i) Concessionary loans

Concessionary loans are measured at the amount received or paid, with the carrying amount adjusted in subsequent years to reflect repayments and any accrued interest and adjusted if necessary for any impairment.

(l) Debtors

Debtors are measured at the amounts the charity anticipates it will receive from a debt.

(m) Cash at bank and in hand

Cash at bank and in hand includes cash and cash on deposit.

(n) Liabilities

Liabilities are measured at the amounts the charity anticipates it will pay to settle a commitment or debt.

2. Related party transactions and trustees' expenses and remuneration

The trustees received no remuneration or other benefits (2019 - £nil) and 6 trustees were reimbursed for subsistence expenses of £nil in the year (2019 - £273). Fletcher & Partners received book-keeping and accountancy fees net of VAT of £3,771 (2019: £2,173). Mrs N Halls (a trustee) is a partner, and Mr Giles Fletcher (a trustee) is a relation of a partner, in this firm. Such payment is authorised under the Trust Deed.

3. Investment income

	<u>2020</u>	<u>2019</u>
	£	£
Dividends - UK unit trusts	118,873	117,380
Interest on cash deposits	81	154
Sarasin fund management fee rebate	918	657
	<u>119,872</u>	<u>118,191</u>

The fund manager's charges are made within the fund itself at the rate 0.86% pa on the value of the fund, with 100% charged to the capital fund, thus reducing the value per unit. Total charges for 2020 were £26,690 (2019 - £25,695), net of the fee rebate.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020**

4. Allocation of governance and support costs

The breakdown of support costs and how these were allocated between governance and other support costs is shown in the table below:

Cost type	Governance	Other	<u>2020</u>	Governance	Other	<u>2019</u>
		support costs	Total support costs		support costs	Total support costs
Independent examination fee	450	-	450	350	-	350
Accountants' fees	3,325	1,200	4,525	2,483	125	2,608
Secretarial fees and expenses	-	219	219	-	1,389	1,389
Employer's liability insurance	-	377	377	-	377	377
Bank charges	-	35	35	-	69	69
Depreciation of computer	-	185	185	-	241	241
Legal fees	-	-	-	480	-	480
Meetings, Computer, Sundries	-	740	740	273	162	435
	<u>3,775</u>	<u>2,756</u>	<u>6,531</u>	<u>3,586</u>	<u>2,363</u>	<u>5,949</u>

The apportionment of costs is based on usage. The total support costs are then apportioned between charitable activities pro rata to the number of grants awarded.

5. Charitable activities

The charity undertakes its charitable activities through grant- making and awards grants to a number of individuals and institutions in furtherance of its charitable activities.

	Grants to institutions	Grants to individuals	Support costs	<u>2020</u>		Grants to institutions	Grants to individuals	Support costs	<u>2019</u>
				Total					Total
				£					£
Christian Church	18,000	-	1,256	19,256		16,000	-	1,133	17,133
