**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

The Charity is constituted as a Company Limited by guarantee, and is therefore governed by its Memorandum and Articles of Association.

It is registered as a charity with the Charity Commission and its charity number is 251044. The company registration number is 00880620.

**Appointment, training and recruitment of trustees**

The trustees have no beneficial interest in the company as it is a company limited by guarantee and are chosen by agreement of trustees at an annual meeting. The choice is based on applicants' business and community knowledge.

New trustees are subject to trustee induction training which includes an understanding of the content of the Memorandum and Articles of Association, their legal obligations under Charity Act and Company Law, the organisational structure of charity and the recent financial performance of the charity. Trustees are encouraged to attend appropriate external training events which enhance their knowledge and skill thereby improving the performance of their role.

**Management of the charity**

The day-to-day affairs of the Charity are administered by a committee of volunteers which were elected by the synagogue membership. The council of Trustees manage and supervise the activities of the committee.

**Related parties and co-operations with other organisations**

None of our trustees receive remuneration or other benefit from their work with the charity. Any connection between a trustee of the charity with a supplier company must be disclosed to the full board of trustees in the same way as any other contractual relationship with a related party. In the current year no such related party transactions were reported.

**OBJECTIVES AND ACTIVITIES**

The charity's object and its principal activity is to advance and promote the practice and teaching of traditional Judaism.

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities and setting the grant making policy for the year.

The charity receives income mainly from private donations which it utilises to operate and maintain the Beth Shmuel Synagogue and its allied charitable activities.

**ACHIEVEMENTS AND PERFORMANCE**

The trustees consider that the performance of the charity has been satisfactory as the Statement of Financial Activities shows an operating surplus of £10,406 (2024: £17,847).

Total income in the year was £491,807 (2024: £474,955) an increase of over 3% on the previous year.

Total expenditure in the year was £481,401 (2024: £457,108) an increase of over 5% on the previous year.

**FINANCIAL REVIEW**

**Risk Management**

The trustees have a risk management strategy which comprises:

- an annual review of the principal risks and uncertainties that the charity face;
- the establishment of policies, systems and procedures to mitigate those risks identified in the annual review;
- the implementation of procedures designed to minimise or manage any potential impact on the charity should those risks materialise.

This work has identified that financial sustainability is the major financial risk for the charity. A key element in the management of financial risk is a regular review of available liquid funds to settle debts as they fall due to ensure sufficient working capital by the charity. Attention has also been focused on non-financial risks arising from fire, health and safety of the service users. These risks are managed by having robust policies and procedures in place, and annual checks and tests by third party companies to ensure a safe environment. The trustees are satisfied that these systems and procedures manage any perceived risks.

**Reserve Policy**

The charity has a reserve policy to ensure that it is in a position to continue its charitable activities at a level consistent to those which have been maintained in recent years or above that level and to cover contingencies.

As at 31 March 2024, the charity had £1,450,925 (2024: £1,468,732) unrestricted funds and £268,961 (2024: £240,748) restricted funds.

**PLANS FOR FUTURE PERIODS**

The charity plans continuing the activities outlined above in the forthcoming years subject to satisfactory incoming resources.

**SMALL COMPANY PROVISIONS**

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF BETH SHMUEL**  
**SYNAGOGUE LIMITED**  
**YEAR ENDED 31 MARCH 2025**

I report to the trustees on my examination of the financial statements of Beth Shmuel Synagogue Limited ('the charity') for the year ended 31 March 2025.

**RESPONSIBILITIES AND BASIS OF REPORT**

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**INDEPENDENT EXAMINER'S STATEMENT**

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**COMPANY LIMITED BY GUARANTEE**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**YEAR ENDED 31 MARCH 2025**

**1. GENERAL INFORMATION**

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is 169 - 171 Golders Green Road, London, NW11 9BY.

**2. STATEMENT OF COMPLIANCE**

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

**3. ACCOUNTING POLICIES**

**Basis of preparation**

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

Beth Shmuel Synagogue Limited meets the definition of a public benefit entity under FRS 102. The financial statements are prepared in sterling, which is the functional currency of the entity.

**Going concern**

The financial statements have been prepared in accordance with the accounting principles appropriate to a going concern, notwithstanding the charity's net current liabilities. The trustees consider this to be appropriate given the continued support of the charity's trustees and creditors and the value in its fixed assets to repay its loans, if required. As such the trustees believe it is appropriate to prepare the financial statements on a going concern basis because the charity is in a position to meet all its obligations on the foreseeable future.

**Judgements and key sources of estimation uncertainty**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 25.

**Fund accounting**

General unrestricted funds comprise the accumulated surplus or deficit on income and expenditure account. They are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity.

Restricted funds are funds subject to specific restricted conditions imposed by donors.

Designated funds are funds which have been set aside at the discretion of the Trustees for specific purposes. There are no Designated Funds as at Balance Sheet date.

**COMPANY LIMITED BY GUARANTEE**  
**NOTES TO THE FINANCIAL STATEMENTS** *(continued)*  
**YEAR ENDED 31 MARCH 2025**

**3. ACCOUNTING POLICIES** *(continued)*

**Incoming resources**

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably;
- interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

**Resources expended**

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

**Tangible assets**

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

**Depreciation**

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property	- 2% straight line
Fixtures & Fittings	- 10% reducing balance
Torah scroll	- 5% straight line

**COMPANY LIMITED BY GUARANTEE**  
**NOTES TO THE FINANCIAL STATEMENTS** *(continued)*  
**YEAR ENDED 31 MARCH 2025**

**3. ACCOUNTING POLICIES** *(continued)*

**Government grants**

Government grants are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the company will comply with the conditions attaching to them and the grants will be received.

**Debtors**

Trade and other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid.

**Cash at bank and in hand**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**Creditors and provisions**

Creditors and provisions are recognised when the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discount due.

**Financial instruments**

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

**Trade and other debtors**

Trade and other debtors are recognised initially at transaction price plus attributable transaction costs. Subsequent to initial recognition, trade and other debtors that are classified as receivable within one year are measured at the undiscounted amount of the cash or other consideration expected to be received net of impairment.

**Trade and other creditors**

Trade and other creditors are recognised initially at transaction price less attributable transaction costs. Subsequent to initial recognition trade and other creditors that are classified as payable within one year are measured at the discounted amount of the cash or other consideration expected to be paid.

**Defined contribution plans**

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.
