THE LAUFFER FAMILY CHARITABLE TRUST

TRUSTEES' REPORT (continued)

The trustees present their report and financial statements for the year ended 31 March 2023. The financial statements have been prepared in accordance with the accounting policies set out on pages 8 and 9 and comply with the charity's trust deed and applicable law.

Structure, Governance and Management

The trustees named on page 1 served throughout the year. Appointment of trustees is governed by the Trust Deed of the charity. The trustees are responsible for the day to day administration of the charity and hold periodic trustees' meetings.

The Board of Trustees is authorised to appoint new trustees to fill vacancies arising through resignation or death of an existing trustee. The Board of Trustees ensures that the skill requirements of trustees are kept under review. New trustees, if required, are sought by recommendation from existing trustees, and the required training is given by the existing trustees.

Investment Powers

The Trust Deed authorises the trustees to make and hold investments using the general funds of the charity. Details of investments held are shown in the financial statements.

Objectives and Activities for public benefit

The Charitable Trust is constituted by Trust Deed and its public benefit objectives and aims, and grant-making policy, are to apply the Trust Fund and Income thereof for general charitable purposes in the scheduled territories as specified in the Trust Deed of 13 December 1965. The scheduled territories are :-

The United Kingdom of Great Britain and Northern Ireland (including the Isle of Man and the Channel Islands).
Canada, Australia, New Zealand, The Union of South Africa, Pakistan and Ceylon.

The Republic of India.

Any other territories forming part of the British Commonwealth and Empire of which the Queen is registered as Head.

The State of Israel.

The United States of America.

Grant – Making Policy

The trustees meet from time to time to consider making charitable grants to institutions and to review any applications for grants that have been received.

In furtherance of its public objectives, during the year the charity made institutional grants of £515,363 for general charitable purposes, details of which are shown in note 3 of the Notes to the Financial Statements. The policy of the charity is to continue to apply the Trust Fund and Income thereof for general charitable purposes in the aforesaid scheduled territories, as specified in the Trust Deed, for public benefit.

Achievements and Performance

The trustees consider that the performance of the charity this year has been satisfactory. During the year the charity made 169 institutional grants for the aforementioned general charitable purposes in support of the public benefit activities of those institutions.

Other than the Board of Trustees, the charity is not dependent upon the services of unpaid volunteers, donations-in-kind or other intangible income.

Financial Review

The principal source of income is investment income.

Details of expenditure on charitable activities are shown in the Statement of Financial Activities on page 6 of the Financial Statements. Expenditure incurred during the year related to Charitable Grants, and Support Costs (Governance Costs) necessary in relation to the charity's activities.

THE LAUFFER FAMILY CHARITABLE TRUST

TRUSTEES' REPORT (continued)

Financial review (continued)

The charity's assets are held for the purpose of making Grants for general charitable purposes in the aforesaid scheduled territories as specified in the Trust Deed dated 19 December 1965 and the Board of Trustees consider that the financial position of the charity at 31 March 2023 is satisfactory to enable it to continue to make such Grants.

During the year Brewin Dolphin Securities Limited and Raymond James Investment Services continued to act as Investment Managers of the charity's listed investments. During the year there were Realised Losses and Unrealised Losses on listed investments of £32,053 and £144,354 respectively.

The listed investments held by the charity have been acquired in accordance with the powers available to the trustees. The 31 March 2023 value of the listed investments has been substituted for their historical cost and value when settled and details are shown in note 6 of the Notes to the Financial Statements.

Reserves Policy

The trustees have examined the requirement for free reserves which are those unrestricted funds not invested in Fixed Assets. It is the policy of the charity to maintain free reserves at a level considered adequate to provide sufficient funds for on average approximately two to three months' unrestricted expenditure to cover governance costs and to respond to emergency applications for grants which may arise from time to time; the free reserves amounted to £19,109 at 31 March 2023. Designated Funds have been created up to an amount equivalent to the value of Fixed Assets held as these represent funds not immediately available for charitable grants; at 31 March 2023 the Designated Funds amounted to £4,080,486.

Future Plans

The charity intends to continue making institutional grants for the aforementioned charitable purposes, as specified in the Trust Deed, for public benefit.

Risk Management

The trustees have reviewed the affairs of the charity and do not consider that there are any major, strategic, business and operational risks which the charity faces other than in relation to the holding of the charity's listed investments and in order to lessen such risks the trustees have previously appointed Investment Managers who periodically review the investments held and report to the trustees with their recommendations in regard thereto.

Going Concern

There are no uncertainties about the charity's ability to continue as a going concern as indicated in note 12 of the Notes to the Financial Statements.

Statement of trustees' responsibilities

The trustees are responsible under the law applicable to charities in England and Wales and United Kingdom Accounting Standards including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice) for preparing a Trustees' Annual Report and financial statements for each financial year which give a true and fair view of the charity's income and expenditure during the year and of its financial position at the end of the year. In preparing those financial statements, the trustees are required to:

- a) select suitable accounting policies, as described in note 1 of the Notes to the Financial Statements, and apply them consistently;
- b) observe the methods and principles in the Charities SORP;
- c) make judgements and estimates that are reasonable and prudent;
- d) state whether applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- e) prepare the financial statements on a going concern basis, unless it is inappropriate to presume that the charity will continue in operation, and on the accruals concept.

THE LAUFFER FAMILY CHARITABLE TRUST

TRUSTEES' REPORT (continued)

Statement of trustees' responsibilities (continued)

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 2011; the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed. The Trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Amounts are presented within items in the Statement of Financial Activities and Balance Sheet in accordance with generally accepted accounting principles or practice, the trustees having had regard to the substance of the reported transaction or arrangement.

The trustees have complied with the duty in Section 4 of the Charities Act 2011 to have due regard to guidance issued by the Charity Commissioners, including public benefit objectives. The activities undertaken for public benefit are as hereinbefore described.

THE LAUFFER FAMILY CHARITABLE TRUST

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE LAUFFER FAMILY CHARITABLE TRUST

I report on the financial statements of the Charity for the year ended 31 March 2023, set out on pages 6 to 13.

Respective responsibilities of trustees and independent examiner

As described on pages 3 and 4, the charity's trustees are responsible for the preparation of the Trustees' Annual Report and financial statements. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The Charity has prepared "accruals basis" financial statements. I am qualified to undertake the independent examination by being a qualified member of the Institute of Chartered Accountants in England and Wales. It is my responsibility to:-

- examine the financial statements (under Section 145 of the 2011 Act);
- to follow the procedures laid down in the General Directions given by the Charity Commissioners (under Section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the financial statements present a "true and fair" view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention which gives me reasonable cause to believe that in any material respect:-

- the accounting records were not kept in accordance with section 130 of the 2011 Act; or
- the financial statements did not accord with the accounting records; or
- the financial statements did not comply with the applicable requirements concerning the form in content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a "true and fair view" which is not considered part of an independent examination.

I have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

Use of this report

This report is made solely to the charity's trustees, as a body, in accordance with the Charities Act 2011. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my work, for this report, or for the independent examiner's statement.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

1. Accounting Policies

Charity Information

The Lauffer Family Charitable Trust is a charity registered with the Charity Commission for England and Wales. The charity's legal form and address is shown on page 1 of the Trustees' Report. The nature of the charity's operations and principal activities are shown on page 2 of the Trustees' Report.

Basis of Preparation

The charity is a Public Benefit Entity as defined by Financial Reporting Standard 102 (FRS 102).

The financial statements have been prepared under the historical cost convention as modified by the inclusion of investments at market value and in accordance with the Charities Act 2011, the Statement of Recommended Practice: Accounting and Reporting by Charities (Charities SORP (FRS 102) 2019 effective January 2019 as subsequently updated), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice 2005 which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in Sterling which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared on a going concern basis in accordance with note 12 of the Notes to the Financial Statements.

Income

All income is accounted for as receivable by the charity. There were no permanent endowments received in the year (2022 – NIL).

Expenditure on Charitable Activities

Support Costs are charged on an accruals basis.

Grants are charged in the year when paid; they comprise donations to third-party institutions in accordance with the charitable objects of the charity and its public benefit objectives.

Tangible fixed assets for use by the charity and depreciation

Tangible fixed assets for use by the charity are stated at cost less depreciation.

Depreciation is provided at rates calculated to write off the cost of an asset, less its estimated residual value, over the expected useful life of that asset, as follows :-

| | |
|--------------------|----------------------|
| Computer equipment | 25% Reducing Balance |
|--------------------|----------------------|

Fixed Assets - Investments

Investments are stated at market value. Realised and unrealised gains and losses on investments are dealt with in the Statement of Financial Activities.

Funds Structure

Funds held by the charity are :-

- (i) Designated Funds – these are funds set aside by the trustees out of Unrestricted General Funds for a specific purpose or reason.
- (ii) Unrestricted General Funds – these are funds which are immediately available to be used in accordance with the charitable objects at the discretion of the trustees.

Taxation

The Lauffer Family Charitable Trust is a registered charity and is therefore exempt from Income Tax and Capital Gains Tax.
