TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2024

The trustees present their annual report and financial statements for the year ended 31 December 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019".

The legal and administrative information page forms part of this report.

Objectives and activities

The charity's objects was initially to provide self contained dwellings for 12 women, over 50 years of age, single or widowed, who are members of the Church of England, or other Christian faith. This was further amended in a scheme drawn up, sealed and dated 9 July 2007, in which the restriction to single women and widows was removed. The charity now accepts applications from single women of any former marital status. There has always been a close relationship with the church, and in particular York Minster. Following the foundress's hope that the residents should worship together, there is a chapel and a chaplain who celebrates Holy Communion there monthly.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

The charity exists to maintain an almshouse for Christian women over 50, who may be in hardship, need, or distress. By doing so it fulfils its obligation to give relief to people who, in particular by reason of old age and financial hardship, need affordable accommodation, but also where distress of some kind has impinged on a beneficiary's ability to live in comfort and safety.

Changes to the Charity Commission scheme over the years have enabled the charity to offer homes not just to spinsters but also to widows and, more recently, divorcees, a group often to be found suffering hardship.

Achievements and performance

Trustees

Mr Gavin Blackstone remains a Trustee since his appointment in 2021.

Mrs Katherine Bailey remains a Trustee since her appointment in 2017.

Mrs Helen Button remains a Trustee since her appointment in 2020.

Mr. John Judge became a Trustee of the Charity in 2023 and was subsequently appointed as Chair.

Ms Sara Townsend remains a Trustee of the Charity since her appointment in 2023.

Residents

Over the past year, Mary Wandesford's Charity has welcomed one new resident who has become a beneficiary of the Charity. They have settled into the house well, and the Charity, Mulberry PM and other residents are extremely pleased with how much they have benefited the house.

Mulberry PM have provided their pastoral role, as they have done in previous years, by attending the house monthly for a 'drop-in' session, providing residents with support and signposting where needed, and liaising with them for the large works that took place within the year.

Mulberry PM and the Trustees have worked together in attending several events including Christmas Carols, Chapel services and more. The house once again welcomed York Unlocked – a public event which allowed members of the public access to the historic site. Regular resident meetings have been held too, which allowed Mulberry, the residents & the Trustees to meet up and discuss certain topics.

Clerks /Administration

Mulberry PM manage the day to day running of the charity on behalf of the Trustees. They maintain good contact by email with the Trustees and we are very pleased and confident in their management of the fabric and the support they provide to residents of the house. They work very hard and are most prompt with decisions relating to their knowledge as a property management company with a legal background. On occasions they have asked for advice from the Almshouse Association and a legal firm Rollits.

They arranged the Trustees' Meetings and minuted them on.

House

Mulberry PM inspect the house monthly and attend with contractors where required.

The most recent major works in the house were the installation of a new, modern heating system in 2023. This has provided significant benefits to the residents who are now enjoying an extremely comfortable living experience. This development, coupled with improvements to the roof and other aspects of the property completed a significant period of investment into the fabric of the house. Work in the last 12 months has been more routine in nature ensuring that the improvements made are working effectively whilst providing programmed maintenance for the property.

At the end of the year we wished a sad but thankful farewell to Revd. Sue Nightingale who retired from many years of dedicated service as the house chaplain. Sue has been a friendly face to all the residents and regularly organised hugely enjoyable trips for them. The Trustees would like to express their sincere gratitude to Sue for all her work in the house. Pleasingly, we have been able to appoint Revd. Nicky Gladstone as our new Chaplain and she will be assisted in pastoral support by members of the local parish community.

Garden

Linda Fawcett continues as our gardener; a resident of the house, assisted on occasions by several residents. Her talent is of great value to the Charity and to the residents; she tends to both the front and rear garden to ensure that residents are able to sit on the chairs and benches provided in the bright months. An agency gardener cuts the grass, hedges, and prunes the trees as necessary. We are encouraging more of the residents to be active in the garden and Trustees are exploring the possibility of a gardening group and other community activities.

The Charity remain to be as environmentally friendly as possible, and have purchased solar lights, water butts, and compost bins in the aim of helping the planet as best we can.

Financial review

The charity's total income for the year was £93,316, (2023: £72,616) and the expenditure was £129,865 (2023: £90,623) which gave an initial deficit of £36,549 (2023: £18,007) with the investment gains of £16,539 (2023: gain £9,907) this then gave an overall deficit of £20,010 (2023: £8,100). The impact on unrestricted funds is a deficit of £5,977 (2023: deficit £54,664).

Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

Reserves policy

The trustees must keep the size of funds under review in the light of the demands that may be made upon the funds. With this in mind, the charity aims to maintain free reserves above the level of six months of unrestricted expenditure.

Free reserves at the end of December 2024 are £14,202 (2023: £20,179), which is below six months expenditure based on 2024 unrestricted expenditure of £43,211 (2023: £41,280).

The investment portfolio value has increased during the year with a closing valuation at 31 December 2024 of £267,189. Meetings with the financial advisor, Max Munsey of Brewin Dolphin Ltd, continue to be held annually.

The trustees have examined the major strategic, business, and operational risks which the charity faces and confirm that systems have been established to enable reports to be produced so that the necessary steps can be taken to lessen these risks.

Plans for future periods

All internal decoration of flats have now been completed and the communal areas redecorated. A rolling programme of planned maintenance is in place.

Structure, governance and management

The charity was founded by the will of Mistress Wandesford in 1725 and the terms were subsequently incorporated in a Charity Commissioners Scheme dated September 1975. This scheme was amended and a new scheme drawn up and dated April 2000. A further amendment was made to this scheme on 9 July 2007.

Recruitment and appointment of trustees

Recruitment of trustees has been chiefly by personal recommendation. Thereafter a potential trustee's suitability has been to some extent dependent on their interest or expertise in areas such as accountancy, estate management and buildings, the law, and care of the elderly, as well as keen motivation and the ability to give of their time. Appointment is made after informal interview with the chairman and one or more trustees.

STATEMENT OF TRUSTEES' RESPONSIBILITIES FOR THE YEAR ENDED 31 DECEMBER 2024

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF MARY WANDESFORD'S CHARITY

I report to the trustees on my examination of the financial statements of Mary Wandesford's Charity for the year ended 31 December 2024.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

MARY WANDESFORD'S CHARITY

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies

Charity information

Mary Wandesford's Charity is an unincorporated charity registered in England and Wales.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

General funds are unrestricted fund which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classed by activity.

Expenditure on raising funds includes all expenditure incurred by the charity to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

All expenditure is accounted for on an accruals basis. All expenses including support costs are allocated to the appropriate expenditure headings. All expenditure is inclusive of irrecoverable VAT.

MARY WANDESFORD'S CHARITY

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies (Continued)

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases.

Freehold land and buildings	Nil
Property improvements	10% - 20% straight line
Equipment	20% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.7 Fixed asset investments

Fixed asset investments are measured at transaction. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial Instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Basic financial assets

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount net of any trade discounts due.

Basic financial liabilities

Basic financial liabilities are recognised at transaction price.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised at transaction price.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.
