The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The centre operates as a 'Community Benefit' company and is much more than just a village hall. It is a community run centre providing support and services for community development in North Pembrokeshire. Its aim is to offer community resources and a meeting space for residents including facilities and support for start-up local social enterprises and businesses.

The management committee confirm that they have given careful consideration to the public benefit guidance published by the Charity Commission. This guidance has been referred to when reviewing the Charity's aims and objectives and in planning future activities.

ACHIEVEMENTS AND PERFORMANCE

Charitable activities

The financial year end for Canolfan Hermon is also the calendar year end and it has been another busy year for our Community Centre. During 2024 the increase in activities and new users of the centre has allowed us to maintain the role of a part-time coordinator for the centre. It is great to have recruited Kim Martakie who has made great strides forwards in developing new systems and drawing in new activities.

The range of activities at our community centre spreads across all age ranges with a toddlers group and children's nursery meeting at the site. The activities for more mature people ranging from the local Heritage group and the Glandwr WI. The community centre has taken on the lease on the community shed in the playing field from the community council. Within the shed we have the Young Farmers Club using the space for young activities, and then part of the building being used by Frenni Mens Shed. The ballet lessons are going well with Hannah La Trobe every Sunday morning at the hall. This has now extended to adult groups and private lessons on a Wednesday. The Crymych Football club conduct an excellent and well run darts tournament at the hall to raise funds for the club. The football club who had been using the hall as their base have expanded and bought a new club house in Crymych. We were pleased to have helped the club grow and used our site while buying the new club house. Many local charities and community groups use Canolfan Hermon to then raise funds for their charities.

It is wonderful to see the monthly bingo nights return to Canolfan Hermon on the third Friday of the month and raising funds for community groups. The Cylch Meithrin at Hermon held several Breakfast Morning fundraisers at the hall and proved very popular with local businesses and residents. The volunteers on the hall committee are very grateful to all those who hire the hall facilities for their private parties, business courses, events and fundraisers. Ruskin Mill Plas Dwbl training rooms hired for their staff, Ysgol Bro Preseli interviewing space with virtual links to the school, John Warlow HGV vehicle training and first aid, also regular workshops for various holistic treatments e.g. Kinesiology and shamanic studies. The upstairs Balcony room is rented as the business offices for Craft Courses UK, and we are grateful to Kate and the team for choosing Canolfan Hermon as the base for her online business. It is good to report that the permanent office and room hire colleagues employ over 5 people working out of Canolfan Hermon which is a great economic boost to the village.

Darren Pearce of D&S community Care services also hire two of the smaller offices, with his rapidly expanding Care and Wellbeing business.

It was great to see Glandwr WI ladies who hire the hall once a month for their activities developing new community ideas for the area. The Hermon Young Farmers Club also hold meetings at the hall every Monday evening. The Girl Guides use the site weekly and the Preseli Voices choir have over 50 members and they meet up every Tuesday evening at the hall for choir practice. Tuesday morning is the Mothers and baby's choir. The Llanfrynach and district heritage group hold their monthly Wednesday evening talks in the hall. Learning Pembrokeshire also hires rooms on a weekly basis for lessons on Sewing and 3 levels of Welsh language, also a local Karate Group has been working from the Bella room on a Tuesday. A local ladies group meets each Thursday for a craft/sewing session. Cylch Meithrin Hermon held their very successful Christmas market in November with many local suppliers attending. The committee were also grateful to volunteers for applying for a Keep Warm Keep Well grant from PAVS to start a weekly winter meals club. Thank to those who volunteer to give of their time to coordinate the weekly affordable meals club.

The community centre is registered as charity and community benefit society cooperative company. The 150 shareholders that put in money into the development of the community centre in 2007, to help buy the old Hermon primary school, ensured that the vision for a modern rural community facility could be achieved. We have seen the site and involvement of local people grow from strength to strength. Photos of the journey taken by the community can be viewed on www.canolfanhermon.org.uk

The committee are pleased to see the solar battery storage unit working well and capturing daylight energy to then store it for use in the evening, to then reduce the running costs for the building. Following on from the capital work in 2023 to knock the upstairs offices from 3 small offices into 2 larger offices. We have attracted more businesses to hire out the space as it is now more attractive. With 3 of the offices rented on a permanent basis, and the final in regular use as weekly therapy sessions for a range of Therapists, chiropractor, podiatry etc.

The rules and constitution of Canolfan Hermon is available for the members and public to read on the website. The above list of activities demonstrates the demand for our community spaces.

Hire activity

Many community and commercial groups have used the community centre over the year to hold various activities. There is a comprehensive list above but also during the year we were able to offer spaces and support to those starting and expanding local business

Then Monthly Sound Baths events and the restarting of the Produce Fair allowed us to bring wider numbers of people from within the community together, and again supporting the initial start-up growth of local micro businesses. Nant Y Cwm Steiner School also held events within Canolfan Hermon. Users visiting Canolfan Hermon are very complimentary of the building and the welcome they receive from volunteers.

This all provides for opportunities for repeat bookings and spreading the word amongst colleagues for future events on which the community centre relies.

The site is fortunate to have a part time coordinator and is supported by dedicated volunteers - who work in the office organising the centre's rentals and events, running the bar and ensuring that the outside and inside space is welcoming with plants and flowers. Since April 2017 the cleaning has been undertaken by paid workers providing an excellent service.

Work carried out

The trustees have compiled a Capital Improvement and Maintenance schedule for the building and the car park. Volunteers have been busy maintaining the hedges and weeding the site. Regular maintenance and exterior planting is undertaken by volunteers. Painting and the upgrading of the interior hall and bar area has been undertaken by volunteers. Funding was clinched for developing the old loft of the Victorian building. We continually thank all volunteers involved with the charity.

FINANCIAL REVIEW

Reserves policy

It is currently the policy of the charity to try and maintain unrestricted funds, which are the free reserves of the charity at a level which equates to at least three months unrestricted expenditure in order that the charity can continue to function if current income sources become unavailable. This would hopefully enable the charity to identify other sources of funding.

The results for the year and financial position of the charity for the year ending 31 December 2024 are shown in the annexed financial statements.

The restricted reserves is a direct result of the capital building work for the ongoing work within the centre.

FUTURE PLANS

The building is proving to be comfortable in all seasons. The solar panels and air source heating perform reasonably well, and a sum of over £2,000 was received from the feed in tariff. We expect good results in terms of efficiency. The building was awarded an energy efficiency rating of B - an excellent result for a building of this type. A fuller picture of the efficiency of the building and how to best use all the equipment is being monitored constantly. Our future plans include a loft conversion project of the old Victorian first floor area. Architects are being engaged to look at plans and costings for this enhancement. There has been considerable interest in the building from other projects wanting to carry out similar constructions - a relationship with other local community venues is developing with hope for more collaborative working in the future.

The residents of Hermon and the immediate surrounding area have been very supportive and have become increasingly active in raising funds and awareness about the building - work continues, with some measure of success, in engaging with those residents who are harder to reach. The centre has been very fortunate in the strong band of volunteers.
