GOVERNORS' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 MARCH 2024

The governors present their annual report and financial statements for the year ended 31 March 2024.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016).

Objectives and activities

The charity's objectives are to aid the advancement of religion in accordance with the Orthodox Jewish faith and the relief of poverty and other charitable purposes for the public benefit. The policies adopted in furtherance of these objects are to identify Orthodox Jewish Charities which carry out activities such as providing Orthodox Jewish education and other activities which advance religion in accordance with the Orthodox Jewish faith or which relieve poverty and there has been no change in these during the year.

Each year, the governors confirm that they have referred to guidance contained in the Charity Commission general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities and setting the grant making policy for the year.

The charity's income is generated from its subsidiary and charitable donations which are then distributed to meet the above objectives.

The governors have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

During the year the charity made donations to a variety of charities within the Jewish community. The governors are pleased with the investment performance by the charity's subsidiary and with the level of donations given to worthy causes.

Financial review

The governors' investment powers are governed by the Charity's Memorandum of Association which permits the company to invest as may be determined by the governors.

The charity's subsidiary continues to generate its income from investing in property and to pay its taxable profit to the charity.

The charity received income of £39,429 (2023: £19,387) and £34 (2023: £6) of bank interest. Accordingly, the total of incoming resources was £39,463 (£2023: £19,393), resulting in a surplus of £34,860 after expenses of £4,603.

The charity distributed £27,570 (2023: £23,500) to various charities for the relief of poverty and the advancement of religion in accordance with the Orthodox Jewish faith, resulting in a £7,290 increase in reserves.

There is no formal policy to maintain a set level of reserves.

The governors' investment powers are governed by the charity's memorandum of association that permits the charity to invest as may be determined by the governors.

The governors have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The charity is a company limited by guarantee. It was incorporated on 04 February 1965 and registered as a charity on the same day. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of association.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

Charity information

Tifereth Benevolent Fund Limited is a private company limited by guarantee incorporated in England and Wales and a registered charity in England and Wales. The registered office is Heaton House, 148 Bury Old Road, Manchester, M7 4SE.

1.1 Accounting convention

The accounts have been prepared in accordance with the charity's Deed of Trust, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the governors have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the governors continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the governors in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Funds held by the charity are all unrestricted. These being funds which can be used in accordance with the charitable objects at the discretion of the governors.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.5 Resources expended

Charitable distributions represent donations paid to religious, educational and similar charities.

1.6 Fixed asset investments

A subsidiary is an entity controlled by the charity. Control is the power to govern the financial and operating policies of the entity so as to obtain benefits from its activities.

(Continued)

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.8 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction.

1.9 Group accounts

The financial statements present information about the charity as an individual undertaking and not about its group. The charity and its subsidiary undertaking comprise a small-sized group. The charity has therefore taken advantage of the exemptions provided by section 399 of the Companies Act 2006 not to prepare group accounts.
