Management and lettings of land and property

The Trustees shall let and otherwise manage all the land and property belonging to the charity not required to be retained or occupied for the purpose thereof subject to such consents as are required by law.

Application of income

The Trustees shall first defray out of the income of the Charity the cost of maintaining the property of the charity (including the repair and insurance of any buildings thereon) and all other charges and outgoings payable in respect thereof and all the proper costs, charges and expenses of and incidental to the administration and management of the charity.

Subject to the payment of expenses aforesaid the Trustees shall apply the income of the charity as follows:-

As to fifty per cent. thereof shall be paid to the Trustees of the Pulham Market Ecclesiastical Charity for the application for the purposes of that charity.

As to fifty per cent. thereof shall be paid to the Trustees of the Pulham Market Non-Ecclesiastical Charity for the application for the purposes of that charity.

In applying income of the charity the administrative Trustees shall apply the following restrictions:-

No Trustees shall take or hold any interest in property belonging to the charity otherwise than as a Trustee for the purposes thereof and no Trustee shall receive remuneration, or be interested in the supply of work or goods, at the cost of the charity.

The Trustees shall not apply income of the charity directly in relief of rates, taxes or other public funds.

Achievements and performance

During the year the Charity continued to let and manage the properties belonging to the Charity, and repaired these properties as necessary.

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 DECEMBER 2020

Structure, governance and management (continued)

Appointment and recruitment of Trustees

According to the Charity's constitution, the board of Trustees should consist of five competent persons appointed as follows:

- Three by the Trustees of the Pulham Market Town Estate Non-Ecclesiastical Charity, and
- Two by the Trustees of the Pulham Market Town Estate Ecclesiastical Charity.

All appointments shall be made for a term of four years, after which, the Trustees can stand for re-election.

Trustees' induction and training

All new Trustees will be provided with copies of:

- The Charity's constitution
- The latest accounts of the Charity

and are encouraged to read Charity Commission guidance notes CC3 - "The Essential Trustee, what you need to know, what you need to do."

In addition, Trustees are encouraged to read Charity Commission and other newsletters and to attend courses designed to keep them abreast of their duties and responsibilities.

Organisational structure

The Trustees administer the Charity and meet twice a year to review rental and investment income and approve forthcoming charitable expenditure.

Related party transactions

During the year, the charity made grants of £10,000 (2019: £8,000) to Pulham Market Non-Ecclesiastical Charity, and a grant of £10,000 was made to Pulham Market Ecclesiastical Charity after the year-end (2019: £10,000 during the year).

The charity is related to Pulham Market Ecclesiastical Charity by way of the fact that F S Allen and Reverend S Walsh are trustees of the Ecclesiastical Charity.

The charity is related to Pulham Market Non-Ecclesiastical Charity by way of the fact that M Newby, F J G Howard and M Alexander are trustees of the Non-Ecclesiastical Charity.

Reserves policy

At the year end, the Charity's cash and bank balances totalled £42,000 and after deducting current liabilities of £23,185, there were reserves of £18,815. However investments totalled £133,328, which can be sold if cashflow requires.

The Trustees have considered reserves. It has been agreed that at each distribution meeting a decision will be made whether to retain funds in reserve. The Trustees are conscious of the need to retain capital so if significant requirements for revenue expenditure is envisaged, the Trustees might decide to reserve funds from an annual surplus to smooth out cashflow. On each occasion, the matter will be considered on its own merit against a forward annual budget and property report. There are funds invested which can be liquidated if appropriate in the event of extreme need.

Plans for future periods

It is the Trustees' intention that the Charity will continue to let and manage properties as detailed above.
