Related Party Transactions

Details of transactions with 'Related Parties' are disclosed in Notes 17 and 26 to the Financial Statements.

OBJECTIVES AND ACTIVITIES

The charity is established to promote and assist charitable activities and institutions both in the United Kingdom and abroad. It has concentrated its activities in promoting charitable activities of institutions professing and teaching the principles of traditional Judaism, advancing religion in accordance with the Jewish faith and giving philanthropic aid to the Jewish needy.

The charity receives incomes from its cash deposits, subsidiary undertakings and voluntary income from companies connected with the trustees which it utilises in the provision and distribution of grants and donations to organisations that fall within the objectives of the Charity.

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities and setting the grant making policy for the year.

Grant making policy

Grants are made to charitable institutions and organisations both in Great Britain and abroad which accords with the objects of the charity. The trustees consider all requests which they receive and make donations based on the level of funds available.

TRUSTEES' ANNUAL REPORT (INCORPORATING THE DIRECTOR'S REPORT)

YEAR ENDED 30 JUNE 2025

ACHIEVEMENTS AND PERFORMANCE

During the year the charity has continued its philanthropic activities and has maintained its support of religious, educational and other charitable institutions in Great Britain.

The demands on the charity's funds were less than those experienced last year with charitable donations for the year totalling £248,998 as against £555,680. The donations were met from current income of the charity.

The financial results of the charity and its subsidiary undertakings for the year ended 30 June 2025 are fully reflected in the attached Financial Statements together with the Notes thereon.

FINANCIAL REVIEW

Financial position

The charity is reliant on the income from investments, the commercial activities of its subsidiary undertakings and voluntary income from companies connected with the trustees. Income from commercial activities of the subsidiary undertakings together with income from the investments and voluntary donations have helped to boost the total incoming resources.

The financial position of the charity and its subsidiary undertakings is satisfactory. The charity's consolidated statement of financial activities shows net income of £1,500,769 (2024: £1,462,071) and total reserves of £32,274,539 (2024: £30,773,770).

Reserves policy

The Company is required to maintain Reserves in order to ensure that it is in a position to continue its grant-making activities and cover contingencies of additional calls being made upon the charity for support of organisations or institutions in times of need.

The Trustees consider it appropriate to maintain 'Free Reserves' (unrestricted funds not committed or invested in Fixed Asset Investments) at a level which will not impinge on its ability to support Charitable Institutions.

The 'Free Reserves' of £2,207,820 which are represented by (part of) the liquid funds held by the charity, are considered to be adequate and will be reviewed periodically by the trustees of the charity.

As at 30 June 2025, the charity has total funds of £32,274,539 (Group: £32,274,539). These funds include £16,197,171 (Group: £9,274,080) which arises from the revaluation of the charity's investments and is not readily available for general purposes. Consequently, the charity has reserves of £16,077,368 (Group: £23,000,459), after making allowance for reserves not readily available.

Investment policy

Under the memorandum and articles of association, the charity has the power to make any investment, which the trustees consider appropriate. The Trustees seek investments which, over a medium term, are anticipated to generate a dependable flow of income coupled with capital growth.

The trustees, having regard to the liquidity requirements of the charity and to the reserves policy have operated a policy of keeping available funds in an interest-bearing deposit account.

The trustees consider the return on investments, in terms of both income and capital growth, to be satisfactory.

YEAR ENDED 30 JUNE 2025

FINANCIAL REVIEW (continued)

Risk management

The Trustees have a risk management strategy which comprises an annual review of the principal risks and uncertainties to which the Company is exposed, in particular those to the operations and finances of the Company; the establishment of policies, systems and procedures to mitigate those risks identified in the annual review and the implementation of procedures designed to minimise or manage any potential impact on the Company should those risks materialise.

The principal risks to which the charity is exposed are:

- Liabilities arising from property investment activity
- Tenant defaults
- Damage to property from flood, fire or terrorist action
- Planning construction and letting risk in relation to redevelopment activity
- The availability of liquid funds to make grants and donations
- The economic cycle generally

The charity seeks to manage or mitigate such risks wherever possible through such measures as insurance, tenant screening and monitoring, rigorous reviews of acquisition and investment opportunities, external expert advice, monitoring cash and regular monitoring of the economic outlook. It is recognised that systems can only provide reasonable but not absolute assurance that major risk have been adequately managed.

PLANS FOR FUTURE PERIODS

The trustees plan to continue to make distributions in accordance with their grant making policy and to ensure that the ability to generate sufficient income is maintained to achieve that end.

TRUSTEES' RESPONSIBILITIES

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the group and charitable company and the incoming resources and application of resources, including the income and expenditure of the group, for that period. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Group and Company and the income and expenditure of the Group for that period.

TRUSTEES' ANNUAL REPORT (INCORPORATING THE DIRECTOR'S REPORT)
YEAR ENDED 30 JUNE 2025

TRUSTEES' RESPONSIBILITIES (Continued)

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT OF DISCLOSURE TO AUDITORS

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditors are unaware; and
- they have taken all the steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

AUDITORS

Cohen Arnold is deemed to have been reappointed in accordance with section 487 of the Companies Act 2006.

SMALL COMPANY PROVISIONS

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The trustees' annual report was approved on 18 May 2026 and signed on behalf of the board of trustees by:

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF FRANKGIVING LIMITED

YEAR ENDED 30 JUNE 2025

OPINION

We have audited the financial statements of Frankgiving Limited (the 'charity') for the year ended 30 June 2025 which comprise the Consolidated Statement of Financial Activities (including income and expenditure account), Consolidated and Parent Charity Balance Sheets, the Consolidated Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group and the charity's affairs as at 30 June 2025 and of the group's incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

OTHER INFORMATION

The other information comprises the information included in the Trustees' annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

OPINIONS ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the consolidated financial statements are not in agreement with the accounting records and returns;
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

RESPONSIBILITIES OF TRUSTEES

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the group through discussion with the directors and identified financial reporting legislation, landlord legislation and charity legislation as being most significant to these financial statements.
- We communicated these identified frameworks amongst our audit team and remained alert to any indications of non-compliance throughout the audit. We ensured that the engagement team had sufficient competence and capability to identify or recognise non-compliance with the laws and regulations.
- We discussed with the directors the policies and procedures regarding compliance with these legal and regulatory frameworks.
- We assessed the susceptibility of the group's financial statements to material misstatement due to non-compliance with legal and regulatory frameworks, including how fraud might occur, by enquiry with the directors during the planning and finalisation phases stages of our audit and by using proprietary disclosure checklists. The susceptibility to such material misstatement was determined to be low.
- Based on this understanding, we designed our audit procedures to identify non-compliance with the identified legal and regulatory frameworks, which were part of our procedures on the related financial statement items.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF FRANKGIVING LIMITED
(Continued)

YEAR ENDED 30 JUNE 2025

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS
(continued)

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The charity is a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is New Burlington House, 1075 Finchley Road, London, NW11 0PU.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. ACCOUNTING POLICIES

3.1 Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling (rounded to the nearest pound), which is the functional currency of the entity.

The charity meets the definition of a public benefit entity under FRS 102.

3.2 Going concern

The financial statements have been prepared in accordance with the accounting principles appropriate to a going concern, as the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due, based on the net current asset position of the charity and available sources of finance.

3.3 Group financial statements

These Financial Statements consolidate the results of the charity and its subsidiary undertakings. A separate Statement of Financial Activities, for the charity itself is not presented because the charity has taken advantage of the exemptions afforded by section 408 of the Companies Act 2006. However, the Statement of Financial Activities for the charity is separately filed with the Charity Commission.

3. ACCOUNTING POLICIES (continued)

3.4 Judgements and key sources of estimation uncertainty

Judgements made by the directors in the application of these accounting policies that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year are as follows:

(i) Property valuation

The valuation of the charity's investment property is inherently subjective, depending on many factors including the nature of the property, its location and expected future net rental values, market yields and comparable market transactions. Therefore the valuation is subject to a degree of uncertainty and is made on the basis of assumptions which may not prove to be accurate, particularly in periods of difficult market or economic conditions.

(ii) Trade and other debtors

Management uses details of the age of trade and other debtors and the status of any disputes together with external evidence of the credit status of the counterparty in making judgements concerning any need to impair the carrying value.

3.5 Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment. There are no designated funds as at the balance sheet date.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds. There are no restricted funds as at the balance sheet date.

3.6 Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when received.

3. ACCOUNTING POLICIES (continued)

3.7 Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all investment management costs.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

The following specific policies are applied to particular categories of expenditure:

- grants and donations are recognised when paid.

3.8 Taxation

The charity is not liable to current tax on its income as it falls within the various exemptions available to registered charities. The subsidiary undertakings are subject to Corporation Tax but it is expected that their income will be gifted for charitable purposes and should be exempt from taxation.

Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

3.9 Unlisted investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value.

3. ACCOUNTING POLICIES (continued)

3.10 Investment in subsidiary undertakings

Shareholdings acquired in subsidiary undertakings are shown at market value as valued by the trustees.

3.11 Acquisitions and disposals

Acquisitions and disposals of properties are considered to take place at the date of legal completion and are included in the financial statements accordingly.

3.12 Investment property

Investment properties are properties which are held either to earn rental income or for capital appreciation or for both. Investment properties are recognised initially at cost.

Subsequent to initial recognition

- Investment properties whose fair value can be measured reliably without undue cost or effort are held at fair value. Any gains or losses arising from changes in the fair value are recognised in the profit and loss account in the period that they arise; and
- No depreciation is provided in respect of investment properties applying the fair value model.

Investment property fair value is determined by the trustees based on their understanding of property market conditions and the specific property concerned, using a sales valuation approach, derived from recent comparable transactions on the market, adjusted by applying discounts to reflect status of occupation and condition.

3.13 Debtors

Debtors are recognised and carried forward at invoiced amounts less provisions for any doubtful debts. Bad debts are written off when identified.

3.14 Creditors

Creditors are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources. Creditors are recognised at transaction price less attributable transaction costs.

3.15 Foreign currency

Assets and liabilities denominated in foreign currencies are translated into sterling at rates of exchange ruling at the Balance Sheet date. Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction. Exchange differences are taken into account in arriving at the Net Income.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2025

3. ACCOUNTING POLICIES (continued)

3.16 Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

4. Limited by guarantee

The charity is a company limited by guarantee and has no share capital. The liability of each member in the event of winding up is limited to £1.

Valuation techniques and key inputs of investment properties

The group's/charity's residential apartment were valued using a sales valuation approach, derived from recent comparable transactions in the market, adjusted by applying discounts to reflect status of occupation and condition.

The group's commercial units were valued using the income capitalisation method, requiring the application of an appropriate market based yield to net operating income. Adjustments are made to allow for voids when less than five years are left under the current tenancy and to reflect market rent at the point of lease expiry or rent review.

Valuation techniques of unlisted investment

*Unlisted investments have been professionally valued at the Balance Sheet date by the investment managers at Quilter.
