Independent Examiner's Report to the Trustees of Christian Science Society, Blackheath, London

I report to the trustees on my examination of the accounts of the Christian Science Society, Blackheath, London (the Trust) for the year ended 30 September 2024.

Responsibilities and Basis of Report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent Examiner's Statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- (2) the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examinations to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

CHRISTIAN SCIENCE SOCIETY, BLACKHEATH, LONDON

ANNUAL REPORT FOR THE YEAR ENDED 30TH SEPTEMBER 2024

Christian Science Society, Blackheath, London
PO Box 26594, London, SE3 9XJ is registered with the Charity Commission (No.252501).

The members of the Executive Board are elected each year by the members of the Society. During the year 2023/24 no new members were put forward for election, therefore Mr R.G.L. Thompson (Chairman), and Ms A.M. Finch were re-elected. Miss J.C. Leaver serves as Clerk and Treasurer.

As set out in our constitution and rules, the object of the charity is to maintain and spread the Truth as set forth in The Bible and interpreted in the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the Discoverer and Founder of Christian Science.

During 2023-24 year members were very grateful to continue in-person weekly Sunday church Services and once-monthly Testimony Meetings open to the public at their hotel venue. With professional help the website (christianscienceblackheath.org.uk) was kept up to date with information on services and meetings. It also provided a link to information on Christian Science and Christian Science churches in the United Kingdom as well as the on-line Joint Christian Science Reading Room UK through which Christian Science literature could be obtained. Members were glad to welcome visitors from UK and overseas at Services. Throughout the year they gave prayerful support to community well-being issues. In June 2024 they sponsored a public lecture by Alison J Hughes C.S., entitled "A Lasting, Healing Solution to Hopelessness".

Pages 3-5d of the accounts set out the financial activities and balance sheet, and notes on assets, expenditure and income, and policies. Assets also include some church equipment and a small stock of literature held for functional use by the charity.

The investment policy, set up under management of Close Brothers Asset Management, continued to support the Society with assured income for the public church services and information work. For a limited period the income has been re-invested by Close Brothers Asset Management until the Society's activities returned to full level after the restrictions caused by the pandemic.

NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 30TH SEPTEMBER 2024

Note 1 **Basis of preparation**

1.1 Basis of accounting

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The accounts have been prepared in accordance with:

- * the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014
- * and with the Charities Act 2011

1.2 Going Concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. The review of our financial position, reserves and investments, give the trustees confidence that the charity will remain a going concern for the foreseeable future.

1.3 Change of accounting policy

The accounts present a true and fair view and the accounting policies adopted are those outlined in note 2.

1.4 Changes to accounting estimates

No changes to accounting estimates have occurred in the reporting period (3.46 FRS 102 SORP).

1.5 Material prior year errors

No material prior year error have been identified in the reporting period (3.47 FRS 102 SORP).

Note 2 **Accounting policies**

No 2.1 RECOGNITION OF INCOME

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Donations

Donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).

Legacies

Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.

Tax reclaims on donations and gifts

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

Income from interest, royalties and dividends

This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.

Investment gains and losses

This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

CHRISTIAN SCIENCE SOCIETY, BLACKHEATH, LONDONNOTES TO THE ACCOUNTS - CONTINUED
FOR THE YEAR ENDED 30TH SEPTEMBER 2024**2.2 EXPENDITURE AND LIABILITIES****Liability recognition**

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

Governance and support costs

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Deferred income

No material item of deferred income has been included in the accounts.

Creditors

The charity has creditors which are measured at settlement amounts less any trade discounts.

Provisions for liabilities

A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date.

2.3 ASSETS**Investments**

Fixed asset investments in quoted shares, traded bonds and similar investments are valued initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.

Debtors

Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.
