**Note 1:** The Wirral Green Space Alliance was set up in 2016 by several local groups to join forces to try to prevent the loss of Green Belt land to development. Until the last 12 months there was little financial activity. However, in 2023 there was significant fund raising and legal/professional fees, so, following the Independent Examiner's advice, we have included the account.

**Note 2:** The Wirral Society Contribution to the Wirral Green Space Alliance amounts to £9835
