**REPORT OF THE TRUSTEES  
FOR THE YEAR ENDED 31 MARCH 2024**

---

The trustees present their report with the financial statements of the charity for the year ended 31 March 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and also comply with the constitution, the Charities Act 2011 and Accounting and Reporting by Charities: SORP (second edition published October 2019).

**OBJECTIVES AND ACTIVITIES**

**Objectives and activities for the public benefit**

The objectives as detailed in the constitution are that of providing;

- Religious education
- Social, welfare, and religious facilities for the community

In planning our activities to further the charity's aims and objectives the management committee has given careful consideration to the Charity Commission's general guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion.

**Volunteers**

All trustees and members of the executive committee perform all their functions and duties on a voluntary basis.

No remuneration directly or indirectly out of the funds of the charity was paid or is payable for the year to any trustees or volunteers or to any person or persons known to be connected with any of the trustees.

**ACHIEVEMENT AND PERFORMANCE**

**Charitable activities**

During the year the charity continued to provide temple services that were available to the public all year round and the priests continued to provide religious and educational services for the public benefit away from the temple when safe.

The temple also continued to celebrate all the main Hindu religious and cultural festivals and provided enhanced education of such festivals for the public as well as encouraging social interaction with the community.

**Fundraising activities**

In 2024 The Hindu Centre continues to report an increase in the level of voluntary funds received to meet its objectives. Donations and collections of £108,636 were received (2023: £102,123). Total incoming resources from generated funds amounted to £298,246 (2023: £239,650).

Total income received from donations and legacies increased by approximately 6% compared to 2023 (2022 to 2023, 26% increase due to removal of all COVID-19 restrictions) and is considered by the trustees to be very reasonable given the uncertainty in the economic environment because of inflation, interest rates and the cost-of-living crisis.

**Investment performance**

In 2023 three of the flats above the community centre were sold resulting in a gain on disposal of £583,985.

The funds received from the sale of the flats of £800,000 continue to be held on deposit and the interest receivable from this investment in the year to 31 March 2024 of £33,095 has been accrued in the accounts.

**REPORT OF THE TRUSTEES  
FOR THE YEAR ENDED 31 MARCH 2024**

---

**FINANCIAL REVIEW**

**Financial position**

The trustees are satisfied with the financial statements at the year-end 31 March 2024 and despite the challenges faced as a result of the uncertainty in the economic environment caused by the cost-of-living crisis and the increase in interest rates, remain committed in their efforts to continue to raise funds to meet the objectives of the charity and to help develop and expand the temple building and services provided to the community.

**Principal funding sources**

Net incoming resources for the year were £298,246 compared with £239,650 in 2023.

The increase in net incoming resources was mainly due to the increase in investment income receivable in the year that totalled £33,095 (2023: £10,133). The temple continued receiving rents from the newly built flats built above the community centre and the total rental income received in the year increased to £156,515 (2023: £127,240). Total incoming resources from donations and legacies was £108,636 (2023: £102,123) which increased marginally compared to last year. The committee maintained tight control over costs however due to the impact of inflation total expenditure increased by £18,290 (14% increase compared to 2023). The increase in total expenditure was mainly due to the increase in wages for the new priest, light & heat, cleaning and donations.

As a charity the public has the assurance that all funds generated must be applied for the purposes of the charity's objectives and activities. As a charity we enjoy tax exemption on our charitable activities and our investment income and gains provided these are applied for our charitable aims. The financial benefits we receive from the tax exemptions are all applied to help maintain our objectives.

As a charity we are unable to reclaim VAT input tax on our costs related to our charitable activities as our charitable activities are exempt for VAT purposes. The charity has however registered for VAT to meet the VAT regulations for its investment and re-development activities.

**Reserves policy**

At the end of the financial year, the reserves were £6,272,447 (around 43 years of total resources expended in 2024) of which £296,544 represents unrealised gains from the revaluation of the properties held by the charity. If fixed assets are excluded the total reserves at the end of the financial year were £1,018,762 (approximately 7 years' worth of the total resources expended in 2024). The trustees believe that the additional investment and rental income received will continue to improve this position for the future.

The adequacy of the reserves policy is reviewed annually.

**Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they have continued to adopt the going concern basis in preparing the financial statements.

**Impact of COVID-19 on the Charity**

The impact of COVID-19 and the lockdown imposed by the government resulted in the Temple closing for a substantial period in 2021. Once restrictions were lifted the temple initially re-opened for shorter hours on a reduced number of days. During 2024, although all restrictions have been removed the trustees remained mindful to manage the flow of devotees through the temple and the impact that any future pandemic may have on the temple with contingencies for alternative methods to continue worship and celebrations for the community.

**THE HINDU CENTRE (EAST LONDON)  
RADHA KRISHNA TEMPLE**

**REPORT OF THE TRUSTEES  
FOR THE YEAR ENDED 31 MARCH 2024**

---

**FUTURE PLANS**

The charity continues to receive income from the flats held above the community centre and the net proceeds received in 2023 from the sale of three flats continues to be held in a deposit account to generate interest income for the temple.

The trustees have identified the following as the key objectives within the current plan.

- 1) To develop and expand the services provided by the temple.
- 2) To expand membership.
- 3) To promote the use of the function hall for use for social and welfare activities for the community.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

The charity was formed in December 1967 and is governed by a constitution document that was adopted in 2001.

**Recruitment and appointment of new trustees**

The election of trustees is formalised in the constitution. The members of the Hindu Centre elect trustees every three years. Three custodian trustees have also been appointed to hold the properties of the temple.

**Organisational structure**

An executive committee consisting of the trustees and members appointed by election every three years governs the Hindu Centre and manage the daily operation of the charity. The last election was held on 22 January 2023.

The committee includes the following posts that are given by nomination from within the executive committee:

President

Vice President

General Secretary

Social Secretary

Treasurer

**Induction and training of new trustees**

There are no formal policies or procedures for the induction and training of trustees, however the executive committee and former trustees provides full support and guidance.

**REPORT OF THE TRUSTEES  
FOR THE YEAR ENDED 31 MARCH 2024**

---

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Risk management**

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The Charity trustees have considered the major risks and are satisfied that any risks identified have been adequately mitigated where necessary. It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed as detailed below:

**Risk - financial performance and sustainability:**

Risk concerning financial performance and sustainability includes any significant reduction in fundraising due to economic conditions. This risk may undermine our ability to meet the needs of our users and to meet our strategic aims.

Risk concerning financial performance and sustainability is managed by the holding of a significant value of reserves and a regular review of Charity reserves. Trustees also regularly review and scrutinise the Charity's short and medium-term financial position.

**Risk - safeguarding of vulnerable and young people:**

Risk concerning the safeguarding of vulnerable and young people is to be managed by safeguarding training for all employees working directly with vulnerable and young people.

**Risk - information security:**

Risk concerning information security includes serious data protection or security failure which may result in legal and contractual issues, reputational damage and potential fines and loss of income.

Risk concerning information security is managed by having a structure in place for Data Protection Act (DPA) monitoring and compliance any by the routine testing of IT systems to identify any security weaknesses.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF  
THE HINDU CENTRE (EAST LONDON)**

---

**Independent examiner's report to the trustees of The Hindu Centre (East London)**

I report to the charity trustees on my examination of the accounts of The Hindu Centre (East London) (the Trust) for the year ended 31 March 2024.

**Responsibilities and basis of report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

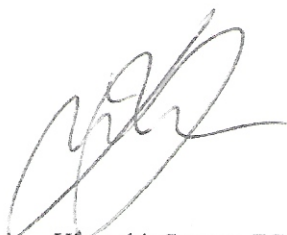

**Independent examiner's statement**

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Association of Chartered Certified Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**THE HINDU CENTRE (EAST LONDON)  
RADHA KRISHNA TEMPLE**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2024**

**1. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

The charity has taken advantage of the following disclosure exemption in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

**Going concern**

The financial statements have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist. The Trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The expected income and expenditure is sufficient with the level of reserves for the Charity to be able to continue as a going concern.

**Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

**Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

**Charitable activities**

The costs of charitable activities consist of the costs of providing priests to provide religious guidance and education within the community.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- not provided
Improvements to property	- not provided
Fixtures, fittings, furniture & equipment	- 25% on reducing balance

The freehold properties are included in the balance sheet at their deemed cost that includes the previous revaluations and impairments on transition to FRS 102. They are held for long-term and are maintained on a regular basis and are considered to have an indefinite useful economic life. The houses acquired for the re-development of the temple which formed part of the freehold properties were demolished to expand the temple.

**Taxation**

The charity is exempt from tax on its charitable activities.

**THE HINDU CENTRE (EAST LONDON)  
RADHA KRISHNA TEMPLE**

**NOTES TO THE FINANCIAL STATEMENTS - continued  
FOR THE YEAR ENDED 31 MARCH 2024**

**1. ACCOUNTING POLICIES - continued**

**Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

**2. OTHER TRADING ACTIVITIES**

At 31 March 2023	<u>2,421,525</u>	<u>2,759,229</u>	<u>8,264</u>	<u>5,189,018</u>

Cost includes £296,544 revaluation as permitted by SORP 2020/FRS 102. The historical cost of the freehold properties is £2,124,981 (2023: £2,124,981).

The houses acquired for the re-development of the temple which formed part of the freehold properties were demolished to make way to build the community centre. The community centre includes a new function hall with an additional nine flats above it. Three of the flats that were constructed were sold in 2023 and six have been retained by the charity as investment assets to generate rental income.

Due to the nature of the site on which the community centre has been built and the extent of the re-building work undertaken the trustees are of the opinion that no valuation or impairment adjustments are required.
