**TRUSTEES' ANNUAL REPORT****For the year ended 31 December 2024**

---

The Trustees present their annual report and financial statements of the charity for the year ended 31 December 2023. The financial statements have been prepared in accordance with the accounting policies set out in note 2 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (effective January 2019).

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

The Reverend Harry Pollard Trust is constituted under the terms of a Will dated 25 February 1959. On 26 October 2008 the Reverend Harry Pollard Trust amalgamated, and the funds were transferred to the Mrs Katie Pollard Trust. On 20 March 2007 the Mrs Katie Pollard Trust changed its name to The Harry and Katie Pollard Trust. This Trust is constituted under a will dated 6 May 1952 and codicil dated 21 October 1953.

The Objects of the Trust were amended by Scheme dated 29 November 2022.

Our Trustees are appointed by the Council of the Church Union

**OBJECTIVES AND ACTIVITIES**

The object of the Charity is to apply the income for relief of inform, sick or aged persons who are retired clergy or any adult unmarried dependents of deceased clergy

The Charity meets these objects by giving grants.

**PUBLIC BENEFIT**

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning future activities and that they remain committed to supporting individuals through grant-making. In considering such grants, the Trustees naturally look for demonstrable public benefit.

**GRANT MAKING POLICY**

The Charity has established its grant making policy to achieve its objects for the public benefit. Applications for grants are considered, with reference to the charity's objectives, on a case by case basis by the Board of Trustees. In 2024, 7 grants was made totalling £8,900 (2023 1 grant - £1,000).

**FINANCIAL REVIEW**

The year saw the charity generate net income of £15,441 (2023: £35,817 net income). Income arising on the investments held for restricted funds was wholly re-invested.

Unrealised gains arising from the investment portfolio in 2024 were £34,125 (2023: £107,711 gain)

The investment policy agreed and actioned in the past remained in place throughout the year. The Trustees are satisfied with the performance of the portfolio having regard to the risk profile adopted.

**TRUSTEES' ANNUAL REPORT (Continued)**

**For the year ended 31 December 2024**

---

**RESERVES POLICY**

The Trustees are aware of the Charity Commission requirement in regard to Reserves Policy and are satisfied that the level of reserves currently held is warranted to enable them to maintain the objectives of the Charity.

The Trustees review regularly the level of reserves, and the underlying investments and the returns being received on these investments. At the 31 December 2024 unrestricted reserves amounted to £1,374,970 (2023: £1,325,404). This represents several years' of ongoing expenditure. It is the policy of the Trustees to maintain at least one year's expenditure in unrestricted reserves.

The Trustees may permit funds to be invested in such a manner as they see fit, provided that such powers of investment are only exercised for the purpose of attaining the objects of the Trust, and in a manner that is legally charitable. The Trustees' agreed Investment Policy is to maintain a balanced portfolio with medium risk.

**GOING CONCERN**

The Trustees consider that the level and nature of the financial reserves at 31 December 2024 does not impact upon the assumption that the organisation is a going concern.

**KEY MANAGEMENT**

The day to day management of the Charity is the responsibility of the Trustees.

**RISK FACTORS**

During the year the Trustees continued to monitor the major risk factors facing the Charity and they remain satisfied that existing systems and controls are sufficient to mitigate those risks. During the year under review the Charity maintained sound systems of internal financial control, including procedures for authorisation of all transactions projects. Such procedures are kept under on-going review in order to ensure that they meet the Charity's needs.

## INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE HARRY AND KATIE POLLARD TRUST

For the year ended 31 December 2024

This report is made solely to the charity's trustees, as a body, in accordance with Regulation 31 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity's trustees as a body, for my work, for this report, or for the statement I have made.

### Responsibilities and basis for report

As the Charity Trustees of the you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of the accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS**

**For the year ended 31 December 2024**

---

**1. CHARITY INFORMATION**

The Harry and Katie Pollard Trust is a charity registered in England and Wales No. 255080. The registered office is 16 Commercial Street, Birmingham, B1 1RS.

**2. ACCOUNTING POLICIES**

**a) BASIS OF PREPARATION**

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective January 2019) and the Charities Act 2011. The functional and presentational currency is GBP and the accounts are rounded to the nearest £1.

**b) INCOME RECOGNITION**

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

**c) PREPARATION OF THE FINANCIAL STATEMENTS ON A GOING CONCERN BASIS**

The financial statements have been prepared on a going concern basis. The charity has achieved an operating surplus in 2024 including changes in the market value of investments.

At 31 December 2024, net assets amounted to £1,374,970 which included £41,597 in the bank and an investment portfolio with a market value of £1,334,163. It is recognised that the market value of the investment portfolio may fluctuate in the next year which may affect the overall level of reserves.

The Trustees consider that the level and nature of the financial reserves at 31 December 2024 does not impact upon the assumption that the Charity is a going concern.

**d) RESOURCES EXPENDED**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Expenditure is charged on the accruals basis.

Expenditure included in charitable activities comprises costs of promoting and supporting the objects of the charity. Grants are charged at the point a commitment is made by the Trustees and in the case of ongoing support when there is an expectation by the grantee that a grant will be received.

**NOTES TO THE FINANCIAL STATEMENTS (Continued)****For the year ended 31 December 2024**

---

**e) INVESTMENTS**

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

The Trust does not acquire options, derivatives or other complex financial instruments. The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors.

**f) INVESTMENT GAINS AND LOSSES**

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities

**g) FINANCIAL INSTRUMENTS**

The charity only has financial assets and financial liabilities of a kind that clearly qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of Financial Activities.

**h) JUDGMENTS IN APPLYING ACCOUNTING POLICIES AND KEY SOURCES OF ESTIMATION UNCERTAINTY**

In preparing the Financial Statements, management is required to make estimates and assumptions which affect reported income, expenses, assets, liabilities and disclosure of contingent assets and liabilities. Use of available information and application of judgement are inherent in the formation of estimates, together with expectations of future events that are believed to be reasonable under the circumstances. Actual results in the future could differ from such estimates.

There are no key assumptions or other sources of estimation that have a significant risk of causing a material adjustment to the carrying values of assets and liabilities within the next financial year.
