TRUSTEES' REPORT

The Governors, hereafter referred to as Trustees, who are also directors for the purposes of company law, have pleasure in presenting their Annual Report together with the Consolidated Financial Statements of the Company for the year ended 31 March 2022.

REFERENCE AND ADMINISTRATIVE DETAILS OF THE CHARITY, ITS TRUSTEES AND ADVISORS

The official name of the Charity is Mayfair Charities Limited, a Company limited by guarantee.

Its company registration number is 927985 and its registered charity number is 255281.

The registered address of the Company is:

Freshwater House
158 - 162 Shaftesbury Avenue
LONDON WC2H 8HR

The Trustees of the Company who served during the year and who are still in office are:

Mr B S E Freshwater (Chairman)
Mr D Davis
Mr S I Freshwater
Mr R Fischer

STRUCTURE, GOVERNANCE AND MANAGEMENT

The day to day affairs of the Company are administered by an Executive Committee, the Chairman of which is Mr BSE Freshwater.

All Trustees give their time voluntarily and no benefits or expenses were paid to them during the year.

New Trustees are appointed based on personal competence, specialist skills, availability and knowledge of and contact with institutions professing and teaching the principles of traditional Judaism and the advancement of religion in accordance with the Jewish faith. New Trustees are inducted into the workings of the Company by the existing Trustees.

As the Charity is a Company limited by guarantee, its governing documents are its Memorandum and Articles of Association.

Group Structure and Relationships

The Company has the following wholly owned non-charitable operating subsidiaries:-

Freshwater Property Management Limited, a property management company
Haysgrans Property Co. Limited, a property investment company
Metropolitan Properties Co. (Overseas) Limited, a holding Company which owns subsidiaries incorporated in the USA.

Certain of the Trustees of this Company are also directors of the above companies.

Related Party Transactions

Details of transactions with 'Related Parties' are disclosed in Notes 10, 11, 12, 18 and 21 to the Financial Statements.

MAYFAIR CHARITIES LIMITED
(LIMITED BY GUARANTEE)
TRUSTEES' REPORT

OBJECTIVES AND ACTIVITIES

The Company was established to support the activities of religious Jewish organisations recognised as charitable by English Law both in the United Kingdom and abroad, especially those in the field of education and relief of poverty. The Trustees regularly support a significant number of institutions and organisations both in the United Kingdom and abroad which meet the Company's criteria.

The Company is also supportive of organisations which are solely committed to the relief of poverty. Such organisations assist needy Jewish families through both financial and non-financial grants and distributions.

The Company receives income from its investment properties, cash deposits, fixed asset listed investments and subsidiary and associated undertakings which it utilises in the provision and distribution of grants, donations and loans to organisations that fall within the objectives of the Company.

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charitable Company's aims and objectives and in planning future activities and setting the grant making policy for the year.

TRUSTEES' RESPONSIBILITIES

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under that law the Trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Group and Company and the income and expenditure of the Group for that period.

In preparing these financial statements, the governors (trustees) are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITORS

The auditors, Cohen Arnold, are willing to continue in office and a resolution re-appointing them in accordance with Section 485 of the Companies Act 2006 and authorising the board to fix their remuneration will be proposed at the Annual General Meeting.

Each of the persons who is a Trustee at the date of approval of this report confirms that:

- so far as each Trustee is aware, there is no relevant audit information of which the Company's auditor is unaware; and
- each Trustee has taken all steps that they ought to have taken as a Trustee to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

MAYFAIR CHARITIES LIMITED
(LIMITED BY GUARANTEE)
TRUSTEES' REPORT
STRATEGIC REVIEW

The Trustees have prepared a strategic report which includes a review of the Group's business and future developments, a description of the principal risks and uncertainties facing the Group and key performance indicators.

STRATEGY AND BUSINESS MODEL

The Company invests in investment properties, cash deposits, fixed asset listed investments and subsidiary and associated undertakings to generate income with which it makes grants, donations and loans to charitable organisations and institutions that fall within the objectives of the Company.

ACHIEVEMENTS AND PERFORMANCE

During the year the Company continued its philanthropic activities in support of religious, educational and other Charitable Institutions and the aggregate of donations made was £3,177,000 (2021: £3,061,000). Over 225 institutions and organisations were the recipients of the above donations. Expenditure on direct charitable activities aggregated £5,000 (2021: £5,000).

No change in activities is envisaged in the immediate future.

In recent years, the Trustees have continued to support certain major projects which, during previous years, have received substantial financial grants from the Company. At the present time the Trustees have entered into commitments for the financial support of Colleges and Institutions which is anticipated to absorb approximately £5.3 million comprising Tangible Fixed Assets made available by the Company and the provision of financial support over the next five years (Note 16). Funds to meet these commitments have been set aside and are referred to as "Designated Funds" in the Financial Statements.

The financial results of the Company and its Subsidiary Undertakings for the year ended 31 March 2022 are fully reflected in the attached Financial Statements together with the Notes thereon.

FINANCIAL REVIEW

Reserves Policy

The Company is required to maintain Reserves in order to ensure that it is in a position to continue its grant-making activities and cover contingencies of additional calls being made upon the Company for support of organisations or institutions in times of need.

Consequently, the Trustees consider it appropriate to maintain 'Free Reserves' (unrestricted funds not committed or invested in Tangible Fixed Assets, Fixed Asset Investments or Loans to Subsidiary Undertakings) at a level which will not impinge on its ability to support Charitable Institutions.

As at 31 March 2022, the Company has total funds of £88,334,000 (Group: £88,335,000). These funds include £52,296,000 (Group: £51,382,000) which arises from the revaluation of the Company's investments and is not readily available for general purposes. The funds of the Company and Group also include £5,296,000 of Designated Funds set aside for a Special Projects Fund, from which donations are made to various long-term charitable projects. Consequently, the Company has reserves of £30,742,000 (Group: £31,657,000) after making allowances for the Designated Funds and reserves not readily available. These reserves include the Free Reserves of the Company and are considered to be adequate and will be reviewed periodically by the Trustees.

Investment Policy

Under the Memorandum and Articles of Association, the Company has the power to make investments which the Trustees consider appropriate. The Trustees seek investments which, over a medium term, are anticipated to generate a dependable flow of income coupled with capital growth.

The Trustees consider the return on investments, in terms of both income and capital growth, given the challenging market conditions the Company operates within, to be satisfactory.

MAYFAIR CHARITIES LIMITED
(LIMITED BY GUARANTEE)
TRUSTEES' REPORT

Grant Making Policy

The Company makes Grants and Donations to Colleges and Institutions for the advancement of religion and education and to Institutions for the relief of poverty in accordance with the Charity's objectives. The recipient Institutions are based both in the United Kingdom and abroad.

In making Grants and Donations, the Trustees use their personal knowledge of the Institution, its representatives, operational efficiency and reputation. The Trustees monitor the application of the Grants and Donations by meeting with representatives of the Institutions and obtaining information as to the utilisation of funds.

During the year, the Company made Grants and Donations for the advancement of religion and education of £2,951,000 (2021: £2,988,000) and for the relief of poverty £226,000 (2021: £73,000).

Risk Management

The Trustees have a risk management strategy which comprises an annual review of the principal risks and uncertainties to which the Company is exposed, in particular those to the operations and finances of the Company; the establishment of policies, systems and procedures to mitigate those risks identified in the annual review and the implementation of procedures designed to minimise or manage any potential impact on the Company should those risks materialise.

The principal risks to which the Company is exposed are:

- Liabilities arising from property investment activity
- Tenant defaults
- Damage to property from flood, fire or terrorist action
- Planning construction and letting risk in relation to redevelopment activity
- The availability of liquid funds to make grants and donations
- The economic cycle generally
- The macroeconomic environment

The Company seeks to manage or mitigate such risks wherever possible through such measures as insurance, tenant screening and monitoring, rigorous reviews of acquisition and investment opportunities, external expert advice, monitoring cash and regular monitoring of the economic outlook. Ultimately, the Trustees are not overly concerned as they can manage the level of donations according to the available reserves.

Key Performance Indicators (KPIs)

The Trustees monitor the Group's performance progress against its strategic objectives and the financial performance of its operations on a regular basis. Performance is assessed against the strategy and expectations using financial and non-financial measures. The most significant KPIs used by the Group are as follows:

	2022	2021
Grants and donations paid out	£3.2 million	£3.1 million
Net rental income	£0.8 million	£0.9 million
Dividend income	£0.6 million	£0.6 million
Quoted and other investments at fair value	£34.4 million	£33.2 million
Investment property at fair value	£49.9 million	£51.1 million

PLANS FOR THE FUTURE

The Trustees plan to continue to make distributions in accordance with their grant making policy and ensure that the ability to generate sufficient income is maintained to achieve that end.

The Trustees have negotiated a conditional contract for the sale of an investment property which they are hopeful will come to fruition in the near future.

TRUSTEES' REPORT

FIXED ASSETS

The movements in Fixed Assets are fully reflected in Notes 9 and 10 to the Financial Statements.

The Company's investment properties are included in the Balance Sheet at fair value, as fully disclosed in Note 10 to the Financial Statements.

An independent professional revaluation of all the group's property was carried out at 31 March 2022 by Colliers International Property Advisers UK LLP, RICS Registered Valuers. The valuation figures are based on open market value assessed in accordance with the RICS Valuation – Professional Standards (2014).

Trustees Report and Strategic Report Signed On Behalf of the Council

.....
Mr B S E Freshwater - Trustee

24 January 2023

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
MAYFAIR CHARITIES LIMITED
(LIMITED BY GUARANTEE)

OPINION

We have audited the financial statements of Mayfair Charities Limited (the 'charity') for the year ended 31 March 2022 which comprise the Consolidated Statement of Financial Activities, the Consolidated and Parent Company Balance Sheets, the Group Cash Flow Statements and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- ☐ give a true and fair view of the state of the Group's and Parent Company's affairs as at 31 March 2022 and of the Group's incoming resources and application of resources, including its income and expenditure, for the year then ended;
- ☐ have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- ☐ have been prepared in accordance with the requirements of the Companies Act 2006.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- ☐ the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- ☐ the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

OTHER INFORMATION

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
MAYFAIR CHARITIES LIMITED
(LIMITED BY GUARANTEE)

OPINIONS ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion, based on the work undertaken in the course of the audit:

- ☐ the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- ☐ the trustees' report has been prepared in accordance with applicable legal requirements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- ☐ adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- ☐ the financial statements are not in agreement with the accounting records and returns; or
- ☐ certain disclosures of trustees' remuneration specified by law are not made; or
- ☐ we have not received all the information and explanations we require for our audit.

RESPONSIBILITIES OF TRUSTEES

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the group through discussion with the directors and senior management and identified financial reporting legislation, landlord legislation and charity legislation as being most significant to these financial statements.
- We communicated these identified frameworks amongst our audit team and remained alert to any indications of non-compliance throughout the audit. We ensured that the engagement team had sufficient competence and capability to identify or recognise non-compliance with the laws and regulations.
- We discussed with the directors and senior management the policies and procedures regarding compliance with these legal and regulatory frameworks.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
MAYFAIR CHARITIES LIMITED
(LIMITED BY GUARANTEE)

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS (cont'd)

- We assessed the susceptibility of the group's financial statements to material misstatement due to non-compliance with legal and regulatory frameworks, including how fraud might occur, by enquiry with the directors and senior management during the planning and finalisation phases stages of our audit and by using proprietary disclosure checklists. The susceptibility to such material misstatement was determined to be low.
- Based on this understanding, we designed our audit procedures to identify non-compliance with the identified legal and regulatory frameworks, which were part of our procedures on the related financial statement items.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- ☐ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ☐ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- ☐ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- ☐ Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- ☐ Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- ☐ Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

USE OF OUR REPORT

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

MAYFAIR CHARITIES LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022

1. ACCOUNTING POLICIES

The charity is a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is 158-162 Shaftesbury Avenue, London, WC2H 8HR.

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

The Consolidated Financial Statements incorporate the results of the company and its subsidiaries for the year ended 31 March 2022. These are adjusted, where appropriate, to conform to group accounting policies.

The following accounting policies have been used consistently in the preparation of the Group's Financial Statements.

1.1 BASIS OF ACCOUNTING

The Financial Statements have been prepared under the Historical Cost Convention, as modified by the inclusion of fixed asset investments at fair value. The financial statements are prepared in sterling, which is the functional currency of the entity, and rounded to thousands.

The directors have concluded that it is appropriate for the financial statements to be prepared in accordance with the accounting principles appropriate to a going concern and that there is no material uncertainty to this position, as the directors have a reasonable expectation that the company has adequate resources under all plausible circumstances to continue in operational existence for the foreseeable future by meeting its liabilities and commitments as they fall due, based on available sources of finance.

Judgements made by the Trustees, in the application of these accounting policies that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year are discussed in Note 22.

The Company meets the definition of a public benefit entity under FRS 102.

1.2 GROUP FINANCIAL STATEMENTS

A separate Statement of Financial Activities, or Income and Expenditure Account for the Company itself is not presented in accordance with Section 408 of the Companies Act 2006.

The Group Financial Statements incorporate the financial statements of the company and its group undertakings. These are adjusted, where appropriate, to conform to group accounting policies. The Group Financial Statements do not consolidate the results, nor the assets and liabilities of Freshwater Family Holdings Inc. as the Trustees are of the opinion that to do so would not reflect a true and fair view in the Financial Statements (see Note 10f). Freshwater Family Holdings Inc. and its operations are controlled and carried out in North America by its directors.

MAYFAIR CHARITIES LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022

1. ACCOUNTING POLICIES (cont'd)

1.3 INCOMING RESOURCES

This includes income from listed investments and deposits, rentals received from property assets, receipts under Deeds of Covenant from individuals and other grants and donations received by the Group. Non-monetary donations are recognised at fair value when this can be quantified. The abovementioned items are included in the Financial Statements on an accruals basis with the exception of income from listed companies which is included when received.

Rental income from investment property leased out under operating leases is recognised in the profit and loss account on a straight line basis over the period to first break clause. Lease incentives granted to tenants are recognised on a straight line basis over the period to first break clause. Service charge income is recognised as the services are provided.

1.4 PROPERTY OUTGOINGS

The costs of repairs are recognised in the profit and loss account in the year in which they are incurred.

Lease payments under operating leases are recognised in the profit and loss account on a straight line basis over the term of the lease.

1.5 GOVERNANCE COSTS

Governance costs include costs of the preparation and audit of financial statements and the cost of any legal advice to Trustees on governance or constitutional matters.

1.6 INVESTMENT GAINS AND LOSSES

This includes any gains or losses on the sale of investments and any gains or losses resulting from revaluing investments to fair value at the end of the year.

MAYFAIR CHARITIES LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022

1. ACCOUNTING POLICIES (cont'd)

1.7 DEFERRED TAX

Deferred tax is provided on timing differences which arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements. The following timing differences are not provided for: differences between accumulated depreciation and tax allowances for the cost of a fixed asset if and when all conditions for retaining the tax allowances have been met. Deferred tax is not recognised on permanent differences arising because certain types of income or expense are non-taxable or are disallowable for tax or because certain tax charges or allowances are greater or smaller than the corresponding income or expense.

Deferred tax is provided in respect of the additional tax that will be paid or avoided on differences between the amount at which an asset (other than goodwill) or liability is recognised in a business combination and the corresponding amount that can be deducted or assessed for tax.

Deferred tax is measured at the tax rate that is expected to apply to the reversal of the related difference, using tax rates enacted or substantively enacted at the balance sheet date.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

There are no deferred tax provisions for the Company; it is exempt from tax due to its charitable status on the basis all income and gains will be applied solely for qualifying charitable purposes.

1.8 PROPERTIES HELD FOR USE BY CHARITY

These properties are stated at cost. Properties donated to the Company are included at fair value at the date of acquisition. No depreciation is charged on property interest in land.

1.9 INVESTMENT PROPERTY

Investment properties are properties which are held either to earn rental income or for capital appreciation or for both. Investment properties are recognised initially at cost.

Subsequent to initial recognition

- Investment properties are held at fair value. Any gains or losses arising from changes in the fair value are recognised in the profit and loss account in the period that they arise; and
- No depreciation is provided in respect of investment properties applying the fair value model.

Investment property fair value is based on a valuation by an external, independent valuer, having an appropriate recognised professional qualification and recent experience in the location and class of property being valued. Any gain or loss arising from a change in fair value is recognised in the Statement of Financial Activities (SOFA) and taken to Other Unrestricted Funds.

MAYFAIR CHARITIES LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022

1. ACCOUNTING POLICIES (cont'd)

1.10 DISPOSALS OF PROPERTIES

The Group generally holds its properties for the long term in order to generate rental income and capital appreciation although in the right circumstances any property could be available for sale. When an outright sale does occur the resulting surplus based on the excess of sales proceeds over valuation is included within the Group's profit on ordinary activities, and taxation applicable thereto is shown as part of the taxation charge. Disposals are recognised on the date the significant risks and rewards of ownership have been transferred. In addition the Group also 'sells' leasehold extensions when requested by leaseholders. The proceeds of these leasehold extension sales, less directly applicable costs, are also included in profit on disposal of investment properties.

1.11 LISTED INVESTMENTS

Shareholdings acquired are initially recorded at cost and subsequently included at fair value (in accordance with the SORP 2015); any surplus or deficit on revaluation is recognised in the SOFA and taken to Other Unrestricted Funds.

1.12 INVESTMENTS IN SUBSIDIARY UNDERTAKINGS

Shareholdings acquired are initially recorded at cost and subsequently included at Trustees' best estimate of fair value (in accordance with the SORP 2015) based on the net asset value. The net asset values of the subsidiary undertakings reflect fair values of their underlying properties held for investment; any surplus or deficit on revaluation is recognised in the SOFA and taken to Other Unrestricted Funds.

1.13 OTHER INVESTMENTS

Other investments comprise shareholdings in unlisted companies and are initially recorded at cost and subsequently included at Trustees' best estimate of fair value (in accordance with the SORP 2015); any surplus or deficit on revaluation is recognised in the SOFA and taken to Other Unrestricted Funds.

1.14 FINANCIAL INSTRUMENTS

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all its financial liabilities.

MAYFAIR CHARITIES LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022

1. ACCOUNTING POLICIES (cont'd)

Basic financial instruments

Rental and other debtors

Rental and other debtors are recognised initially at transaction price plus attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate for a similar debt instrument.

Rent in advance and other creditors

Rent in advance and other creditors are recognised initially at transaction price less attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate for a similar debt instrument.

Cash and cash equivalents

Cash and cash equivalents comprise cash balances and call deposits. Bank overdrafts that are repayable on demand and form an integral part of the group's cash management are included as a component of cash and cash equivalents for the purpose only of the cash flow statement.

1.15 LIABILITY RECOGNITION

Liabilities are recognised as soon as there is a legal or constructive obligation committing the Charity to pay out resources.

1.16 FOREIGN CURRENCIES

Assets and liabilities denominated in foreign currencies are translated into sterling at rates of exchange ruling at the Balance Sheet date. Transactions in foreign currencies are translated into sterling at the average rate of exchange in respect of the month during which the transactions occurred, or where practicable, at the rate ruling on the date of the transaction. Exchange differences are taken into account in arriving at the Net Income.

MAYFAIR CHARITIES LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022

1. ACCOUNTING POLICIES (cont'd)

1.17 FUND ACCOUNTING

Unrestricted Funds are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and in accordance with relevant law.

Designated Funds are Unrestricted Funds, which have been set-aside at the discretion of the Trustees for specific purposes as noted below (Note 1.18).

Non-Charitable Funds are Unrestricted Funds and comprise the net aggregate reserves of the Company's subsidiaries computed by reference to the accounting policies of the subsidiaries.

Other Unrestricted Funds comprise Other Charitable Funds, representing the accumulated surplus or deficit on income and expenditure account and the excess of fair value over the cost of investments.

Restricted Funds are funds subject to specific restricted conditions imposed by donors. There are no Restricted Funds as at the Balance Sheet date.

1.18 DESIGNATED FUNDS

The Company has committed itself to various long-term charitable projects and transfers are made to Designated Funds in accordance with anticipated expenditure in respect of each individual project.

2. INTEREST PAYABLE AND SIMILAR CHARGES

	2022	2021

5. NET INCOME BEFORE TAX

This is stated after charging:

	2022	2021
	£'000	£'000
Auditors' Remuneration:		
Audit Fees	55	53
Other Professional Services	<u>2</u>	<u>3</u>

These amounts are included in Governance Costs and Investment Management Costs.

6. STAFF COSTS AND EMOLUMENTS

No remuneration or other benefits from employment with the Company or a related entity were received by the Trustees or connected parties. No Trustee expenses have been incurred.

7. TAXATION

Major components of tax expense

	2022	2021
	£'000	£'000
Deferred tax:		
Origination and reversal of timing differences	<u>311</u>	<u>(33)</u>
Taxation	<u>311</u>	<u>(33)</u>

All tax is recognised in the Consolidated Income and Expenditure Account.

Reconciliation of tax expense

The tax assessed on the net income for the year is higher (2021: lower) than the standard rate of corporation tax in the UK of 19% (2021: 19%) by reference to the analysis below.

	2022	2021
	£'000	£'000
Net expenditure before tax	<u>(1,606)</u>	<u>7,887</u>
Net expenditure by rate of tax	(305)	1,499
Non taxable income and expenses	250	(1,443)
Timing differences on unrealised gains	(28)	-
Timing difference on gift aid	(24)	(99)
Impact of change in tax rate	429	-
Other differences	<u>(11)</u>	<u>10</u>
Taxation	<u>311</u>	<u>(33)</u>

Factors that may affect future tax expense

An increase in the main UK corporation tax rate to 25% (effective from 1 April 2023) was substantively enacted on 24 May 2021. This will increase the Company's future tax charge accordingly.

The deferred tax liability at 31 March 2022 has been calculated based on the rate of 25% (2021: 19%).

MAYFAIR CHARITIES LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022

10. INVESTMENTS (cont'd)

- b) An independent professional revaluation of all the group's property was carried out at 31 March 2022 by Colliers International Property Advisers UK LLP, RICS Registered Valuers. The valuation figures are based on open market value assessed in accordance with the RICS Valuation – Professional Standards (2014).

The historical cost of the Group's Investment Properties at 31 March 2022 is £23,245,000 (2021: £20,145,000). The historical cost of the Company's Investment Properties at 31 March 2022 is £22,646,000 (2021: £19,547,000).

Valuation techniques and key inputs

The group's residential apartments and houses (£17.1 million) were valued using a sales valuation approach, derived from recent comparable transactions in the market, adjusted by applying discounts to reflect status of occupation and condition. The largest discounts were applied to those properties subject to registered tenancies, reflecting the relative difference in security of tenure, whilst the smallest discounts were applied to those properties subject to assured shorthold tenancies.

The group's commercial units (£32.8 million) were valued using the income capitalisation method, requiring the application of an appropriate market based yield to net operating income. Adjustments are made to allow for voids when less than five years are left under the current tenancy and to reflect market rent at the point of lease expiry or rent review.

- c) Other Investments comprise 565,000 shares in Daejan Holdings Limited, valued by the Trustees using a combined discounted net asset and dividend yield approach and 133,650 shares in Metropolitan Properties Company Limited. The value of the Metropolitan Properties Company Limited shares has been estimated by the Trustees based on the underlying value of assets less liabilities.

Both companies have directors in common with the directors of the Company.

The historical cost of the Group's and the Company's Listed and Other Investments at 31 March 2022 is £8,016,000 (2021: £8,016,000).

- d) The value of the Investments in Subsidiary Undertakings has been estimated by the Trustees based on the underlying value of assets (as above, Note 10b) less liabilities of the Subsidiary Undertakings.

The historical cost of the Investments in Subsidiary Undertakings as at 31 March 2022 is £1,000 (2021: £1,000).

MAYFAIR CHARITIES LIMITED
NOTES TO THE FINANCIAL STATEMENTS

- g) The Company holds 50% of the issued share capital in West Heath Villas Management Ltd (Company Number: 13180061) which is registered in England & Wales and has certain directors in common with the Company.

MAYFAIR CHARITIES LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022

10. INVESTMENTS (cont'd)

Freshwater Family Holdings Inc. and its operations are controlled and carried out in North America by its directors. The Capital and Reserves of the above company at its year end of 31 December 2010 (the latest figures available) were in deficit in the amount of \$9,406,515 (2009: deficit of \$8,768,021). None of the deficiency in Net Assets of Freshwater Family Holdings Inc. would impinge upon the Company itself. In consequence, the Group Financial Statements do not consolidate the results, nor the assets and liabilities of Freshwater Family Holdings Inc. as the Trustees are of the opinion that to do so would not reflect a true and fair view in the Financial Statements.

Freshwater Family Holdings Inc. is a direct subsidiary of Metropolitan Properties Co. (Overseas) Limited, the Share Capital of which was acquired for nominal consideration many years ago.

11. DEBTORS

		Group		Company	
		2022	2021	2022	2021

18. TRUSTEES' INTERESTS IN CONTRACTS

Property Management Fees Receivable are derived from property management activities undertaken by Freshwater Property Management Limited in respect of properties owned by Companies within the Freshwater Group of Companies with which this Group is related and were charged at normal commercial rates. Mr B S E Freshwater is a Director of those Companies and he together with members of his family are indirectly interested in their Share Capital.

Included within Investment Management Costs are management and administration charges totalling £978,000 (2021: £804,000) charged at normal commercial rates for the day-to-day management of Freshwater Property Management Limited which is carried out by Highdorn Co. Limited, a company within the Freshwater Group of Companies. Mr B S E Freshwater is a director of Highdorn Co. Limited but has no beneficial interest in its share capital.

19. FINANCIAL INSTRUMENTS

	Group		Company	
	2022	2021	2022	2021
	£'000	£'000	£'000	£'000
Financial assets measured at fair value through income and expenditure:				
Listed and other investments (see Note 10)	34,381	33,151	34,381	33,151
Investment in subsidiary undertakings (see Note 10)	-	-	6,288	6,901
Financial assets measured at amortised cost (see Note 11)	11,801	14,226	4,316	4,922
Financial liabilities measured at amortised cost (see Note 12 & 13)	13,772	14,624	2,161	4,728

The income, expense, net gains and losses, including changes in fair value, for financial assets measured at fair value and financial assets and liabilities measured at amortised cost are included within the Statement of Financial Activities.

The fair values of the principal investments held at fair value through profit and loss at the balance sheet date are determined by trustees valuation.

20. ANALYSIS OF CHANGES IN NET DEBT

	At 1 Apr 2021 £'000	Cash flows £'000	Non-cash movements £'000	At 31 Mar 2022 £'000
Cash in hand and at bank	6,728	(91)	-	6,637
Debt due after one year	(1,442)	-	(70)	(1,512)
	5,286	(91)	(70)	5,125

Non-cash movements represent exchange rate movements.

21. RELATED PARTY TRANSACTIONS

In addition to the matters set out elsewhere in these Financial Statements, the following related party transactions should be noted.

a) **GRANTS AND DONATIONS**

Grants and Donations made by the Company include the following amounts which were donated to charitable companies, the trustees of which are Trustees of the Company.

	2022	2021
	£'000	£'000
Sassov Beis Hamedrash	26	-
Beth Jacob Grammar School for Girls Limited:		
Donations	1,150	1,800
Provision of facilities	400	400

The school building occupied by Beth Jacob Grammar School for Girls Limited is owned by the Company. The continued occupation of the premises is on a 'rent free' basis. The notional benefit arising from such rent free accommodation is estimated to be £400,000 per annum. In order to fully reflect the underlying nature of this arrangement, the notional benefit has been included within 'Rents and Charges Receivable' with an equal amount included within 'Grants and Donations'.

b) **DONATIONS AND GRANTS RECEIVED**

Donations and Grants Received comprises £1,250,000 received from Metropolitan Properties Company Limited, a company whose Directors are Trustees of this Company.

c) **PAYMENTS FROM SPECIAL PROJECT FUNDS**

Included within payments from special project funds are payments of £389,000 to The North West London Talmudical College Limited, a charitable company with a director in common with a director of the Company. The payment was advanced to assist with its charitable activities.

22. ACCOUNTING ESTIMATES AND JUDGEMENTS

(i) Property valuation

The valuation of the group's property portfolio is inherently subjective, depending on many factors, including the individual nature of each property, its location and expected future net rental values, market yields and comparable market transactions (as set out in Note 10). Therefore the valuations are subject to a degree of uncertainty and are made on the basis of assumptions which may not prove to be accurate, particularly in periods of difficult market or economic conditions. As noted in Note 1.9 above, all the group's properties are valued by external valuers with appropriate qualifications and experience.

(ii) Unlisted investments valuation

The valuation of the group's unlisted investments is subjective, depending on many factors, including comparator dividend yields and net asset values, assumed rationale of prospective share purchasers, and the deemed impact of entity specific conditions on the aforementioned measures. Significant judgement is also required when selecting comparator companies to be included in the population from which expected yields and discounted net asset values are derived. Therefore, the valuation is subject to a degree of uncertainty and is made on the basis of assumptions which may not prove to be accurate, particularly in periods of difficult market or economic conditions.

22. ACCOUNTING ESTIMATES AND JUDGEMENTS (cont'd)

(iii) Trade debtors

Management uses details of the age of trade debtors and the status of any disputes together with external evidence of the credit status of the counterparty in making judgements concerning any need to impair the carrying values.
