Constitution and charitable objectives

The Williams Family Charitable Trust is constituted under a trust deed dated 16 November 1959 and is a registered charity number 255452.

The objects of the charity are to apply the income in perpetuity for such purposes as the trustees in their absolute discretion think fit.

Management and organisation

Ultimate control of the Trust rests with the trustees who are responsible for the day to day management of the investments and affairs of the Trust.

The trustees who have served during the year and since the year end are as declared on the Charity Commission website.

Grants and donations policy

The trustees decide on the grants and donations to be made within the scope of the Trust's objects. The trustees' policy in recent years has been to support diversified charitable causes.

Financial review and investment policy

The Trust was established by the late Mr Walter Nathan Williams in November 1959 who made a capital donation to the Trust which established the trust's original endowment. The endowment fund has increased over the years as a result of net gains on investments. The income from the endowment fund represents unrestricted income which can be used for charitable purposes.

The Trust's quoted securities are managed by the trustees. The policy is to aim to achieve maximum return on an acceptable level of risk.

During the year under review income Donations, Grants and overheads totalled are as in the attached accounts.

Reserves policy

The reserves policy of the unrestricted fund, which represents the free reserves of the charity, is to utilise these reserves in part or in whole in accordance with the

grants and donations policy at the trustees' discretion.

Risk management

The affairs of the Trust are on a small scale and are currently handled directly by the trustees. The Trustees monitor the performance of the investments but they do not consider that additional risk management procedures are necessary for a Trust of this size. Since 1 Jan 2016 Rathbones Fund Management have managed the major part of the Endowment fund on our behalf, with instructions to raise the interest to a target of 5 % at low risk.

Signed on behalf of the trustees
