- (b) To promote the welfare of past and present members of the Cheshire Yeomanry and to provide an organisation and means of relief in cases of hardship or distress among members.
- (c) To provide an organisation to represent and safeguard the interests of the Cheshire Yeomanry Association both in peace and war, in the event of it being moved out of the county, ceasing to exist on disbandment, or becoming modified in such a way that it no longer represents the traditions of the Cheshire Yeomanry.

## Trustees' Annual Report Year Ended 31 March 2025

### Statement of Trustees' Responsibilities

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing financial statements giving a true and fair view, the trustees should follow best practice and;

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the Charity and which enable them to ascertain the financial position of the charity and to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Achievements and Performance

Generous donations totalled £21,753 for the benefit of Association funds (2024 - £2,418) and to this is added £nil (2024 - £38) for tax recoverable under Gift Aid. Investment income for the year amounted to £8,530 (2024 - £13,475) including reinvested dividends of £8,250 (2024 - £9,625).

Expenditure on benevolence totalled £3,723 in the year (2024 - £2,740).

### Financial Review

Overall, the accounts show a surplus before investment gains of £23,623 on the General Fund, a deficit of £3,908 on the Benevolent Fund and the Margaret Hartley Fund has remained the same giving an overall surplus before investment gains of £19,715 (2024 - £5,195 surplus). The market value of the Association's investments at the year-end showed a revaluation gain of £3,094 (excluding reinvested income), compared with a gain of £22,608 as at 31 March 2024.

The net assets of the Association at 31 March 2025, excluding Regimental Silver, Pictures and Accoutrements, stood at £537,561 of which £249,486 is held in the two restricted funds. Overall, this represents an increase of £22,809 or 4.4% compared with the net assets at the start of the year. This is a result of the surplus for the year and the unrealised gain on investments.

### Investment and Reserves Policy

The Trustees' overall investment strategy is to achieve an appropriate balanced return from income and capital appreciation. Funds are retained by the Charity in reserves to provide for all anticipated future expenditure bearing in mind that the Association has no regular or guaranteed sources of income.

### Risk Management

The Trustees are of the opinion that the Association has resources and review systems in place which, under normal circumstances, will identify the risks affecting the Association and mitigate these risks to an acceptable level in day to day operations.

## Independent Examiner's Report to the Trustees of The Cheshire Yeomanry Association

---

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 March 2025 which are set out on pages 5 to 12.

### Respective responsibilities of the Trustees and the Independent Examiner

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act'). The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act. I am also required to state whether particular matters have come to my attention.

### Basis of Independent Examiner's Report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

### Independent Examiner's Statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me reasonable cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records or do not comply with the accounting requirements of the 2011 Act; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Notes to the Financial Statements 31 March 2025

These accounts are prepared under the Charities Act 2011 on the historical cost convention, with the exception of investment assets which are stated at market value, and in accordance with applicable accounting standards and the Statement of Recommended Practice on Accounting and Reporting by Charities: the Charities SORP 2019 (FRS 102), and comply with the Charities (Accounts and Reports) Regulations 2008.

The financial statements are prepared in sterling, which is the functional currency of the charity, rounded to the nearest £.

The charity constitutes a public benefit entity as defined by FRS 102.

### 1. Accounting Policies

The principal accounting policies adopted in the preparation of the financial statements are set out below:

- a) **Basis of preparation of financial statements**  
Assets and liabilities are initially recognised at historical cost or transaction price unless otherwise stated in the relevant accounting policy note.
- b) **Incoming resources**  
Income from fundraising, sponsorship, covenants, donations and legacies is recognised in the accounting period in which the charity becomes entitled to the income, the performance conditions have been met and receipt is probable.  
  
Investment income is recognised in the period in which distributions are made or interest credited to the Association's account.
- c) **Direct charitable expenditure and other resources expended**  
Expenditure is accounted for in the accounting period in which it falls due, on an accruals basis, and is inclusive of VAT where appropriate.
- d) **Funds**  
Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.  
  
Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purpose. The aim and use of each designated fund is set out in the notes to the financial statements.  
  
Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The aim and use of each restricted fund is set out in the notes to the financial statements.
- e) **Investments**  
Investments are recognised initially at fair value which is normally the transaction price. Subsequently they are measured at fair value with changes recognised in gains/ (losses) on investments in the SOFA if the investments are publicly traded or their fair value can otherwise be measured reliably.
- f) **Stocks**  
Stocks are stated at the lower of cost or net realisable value.
- g) **Going concern**  
The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainty exists. The trustees have considered the level of funds held and expected level of income and expenditure for 12 months from authorising these financial statements.

### 2. Heritage Assets

Heritage assets comprise regimental silver, pictures and accoutrements. It is the Association's policy not to include the value of such assets in the financial statements as the cost or valuation of these heritage assets is not readily available and the cost of obtaining this information significantly outweighs any benefit to the user of the financial statements.

Col CJ Ledsham	Chairman and Ex Officio Trustee
Maj C Seaton	OC C Sqn and Ex Officio Trustee
Maj JR Compston	Treasurer and Managing Trustee
Maj NL Hill	Secretary and Managing Trustee

Maj Sir James Lindsay Bt	Managing Trustee
Mr RG Gladding	Museum Member and Managing Trustee
Mr P Hammond	Benevolent Sec and Managing Trustee

Trustees can be appointed by the management committee or by the trustees.

### **Objects and Activities**

The objects of the Association are as follows:

- (a) To maintain and promote a fellowship and association between past and present members of the Cheshire Yeomanry.
- (b) To promote the welfare of past and present members of the Cheshire Yeomanry and to provide an organisation and means of relief in cases of hardship or distress among members.
- (c) To provide an organisation to represent and safeguard the interests of the Cheshire Yeomanry Association both in peace and war, in the event of it being moved out of the county, ceasing to exist on disbandment, or becoming modified in such a way that it no longer represents the traditions of the Cheshire Yeomanry.

The activities of the Association include making grants towards the objects of the Association, liaising with other Benevolent Funds and organisations in cases of relief, tracing and keeping records of members and retired Yeomen, organising functions in conjunction with the Serving Squadron and keeping records of events concerning the Association and Serving Squadron.

### **Public Benefit**

In carrying out the activities of the Association set out above, the trustees take into consideration the benefits which flow to the public within the local community. In shaping the Association's objectives and planning its activities, the Trustees have considered the Charity Commission's guidance on public benefit.

## **Trustees' Annual Report Year Ended 31 March 2022**

---

### **Statement of Trustees' Responsibilities**

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing financial statements giving a true and fair view, the trustees should follow best practice and;

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the Charity and which enable them to ascertain the financial position of the charity and to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Achievements and Performance**

Generous donations totalled £1,150 for the benefit of Association funds (2021 - £1,150) and to this is added £38 (2021 - £38) for tax recoverable under Gift Aid. Investment income for the year amounted to £10,317 (2021 - £8,000) including reinvested dividends of £8,638 (2021 - £5,204).

Expenditure on benevolence totalled £628 in the year (2021 - £1,625).

### **Financial Review**

Overall the accounts show a deficit of £5,808 on the General Fund, a surplus of £3,810 on the Benevolent Fund and no movement on the Margaret Hartley Fund giving an overall deficit of £1,998 (2021 - surplus of £4,103). The market value of the Association's investments at the year end showed a revaluation gain of £24,896 (excluding reinvested income), compared with a gain of £81,734 as at 31 March 2021. This extraordinary rise in value in the prior year reflects the impact of the Covid-19 pandemic on investment values.

The net assets of the Association at 31 March 2022, excluding Regimental Silver, Pictures and Accoutrements, stood at £530,853 of which £226,896 is held in the two restricted funds. Overall this represents an increase of £22,898 or 4.5% compared with the net assets at the start of the year as a result of the surplus for the year and the unrealised gain on investments.

### **Investment and Reserves Policy**

The Trustees' overall investment strategy is to achieve an appropriate balanced return from income and capital appreciation. Funds are retained by the Charity in reserves to provide for all anticipated future expenditure bearing in mind that the Association has no regular or guaranteed sources of income.

### **Risk Management**

The Trustees are of the opinion that the Association has resources and review systems in place which, under normal circumstances, will identify the risks affecting the Association and mitigate these risks to an acceptable level in day to day operations.

### Plans for the Future

The Management Committee intend to continue to make best use of the Association's funds in accordance with the objects of the Association.

## **Independent Examiner's Report to the Trustees of The Cheshire Yeomanry Association**

---

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 March 2022 which are set out on pages 5 to 12.

### **Respective responsibilities of the Trustees and the Independent Examiner**

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act'). The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act. I am also required to state whether particular matters have come to my attention.

### **Basis of Independent Examiner's Report**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

### **Independent Examiner's Statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me reasonable cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records or do not comply with the accounting requirements of the 2011 Act; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Notes to the Financial Statements 31 March 2022

---

These accounts are prepared under the Charities Act 2011 on the historical cost convention, with the exception of investment assets which are stated at market value, and in accordance with applicable accounting standards and the Statement of Recommended Practice on Accounting and Reporting by Charities: the Charities SORP 2015 (FRS 102), and comply with the Charities (Accounts and Reports) Regulations 2008.

The financial statements are prepared in sterling, which is the functional currency of the charity, rounded to the nearest £.

The charity constitutes a public benefit entity as defined by FRS 102.

### 1. Accounting Policies

The principal accounting policies adopted in the preparation of the financial statements are set out below:

- a) **Basis of preparation of financial statements**  
Assets and liabilities are initially recognised at historical cost or transaction price unless otherwise stated in the relevant accounting policy note.
- b) **Incoming resources**  
Income from fundraising, sponsorship, covenants, donations and legacies is recognised in the accounting period in which the charity becomes entitled to the income, the performance conditions have been met and receipt is probable.  
  
Investment income is recognised in the period in which distributions are made or interest credited to the Association's account.
- c) **Direct charitable expenditure and other resources expended**  
Expenditure is accounted for in the accounting period in which it falls due, on an accruals basis, and is inclusive of VAT where appropriate.
- d) **Funds**  
Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.  
  
Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purpose. The aim and use of each designated fund is set out in the notes to the financial statements.  
  
Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The aim and use of each restricted fund is set out in the notes to the financial statements.
- e) **Investments**  
Investments are recognised initially at fair value which is normally the transaction price. Subsequently they are measured at fair value with changes recognised in gains/ (losses) on investments in the SOFA if the investments are publicly traded or their fair value can otherwise be measured reliably.
- f) **Stocks**  
Stocks are stated at the lower of cost or net realisable value.
- g) **Going concern**  
The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainty exists. The trustees have considered the level of funds held and expected level of income and expenditure for 12 months from authorising these financial statements.

### 2. Heritage Assets

Heritage assets comprise regimental silver, pictures and accoutrements. It is the Association's policy not to include the value of such assets in the financial statements as the cost or valuation of these heritage assets is not readily available and the cost of obtaining this information significantly outweighs any benefit to the user of the financial statements.
