The trustees present their report with the financial statements of the charity for the year ended 5th April 2025. Objectives and activities for public benefit

The charity is established for general charitable purposes, providing grants to other charities at the discretion of the trustees. The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and setting the grant making policy for the year.

Grantmaking policy

The Trust has established its grant making policy to achieve its objectives for the public benefit to provide funding for work carried out by operational charities, both locally and in the wider area. Grants are made at the total discretion of the trustees, who support the work of charitable organisations in which they have an interest.

ACHIEVEMENTS AND PERFORMANCE

Charitable activities

The charity delivers public benefit solely by way of grant making.

FINANCIAL REVIEW

Investment policy and objectives

The aim of the trustees is to invest the funds of the charity in a balanced way to generate a good level of income and also some capital appreciation for the future.

The financial position of this charity at the end of the year is shown in the accounts.

Reserves policy

As a grant making trust, the charity invests its reserves to generate annual income to pay out in grants. The trustees do not anticipate building up further reserves and will endeavour to distribute as much of the charity's income as possible each year. A cash reserve, averaging approximately £50,000, will be maintained in order that the trustees can make grants evenly throughout the year and not have to rely on the timing of the receipt of investment income.

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

Recruitment and appointment of new trustees

The power to appoint new trustees lies with Mr I.F. Hall. Trustees are selected from the members of the Hall family. The trustees give their time freely and no trustee remuneration was paid in the year.

**Notes to the Financial Statements
for the year ended 5th April 2025**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

The trust constitutes a public benefit entity as defined by FRS102.

The charity has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows;
- the requirement of paragraph 3.17(d);
- the requirements of paragraphs 11.42, 11.44, 11.45, 11.47, 11.48(a)(iii), 11.48(a)(iv), 11.48(b) and 11.48(c);
- the requirements of paragraphs 12.26, 12.27, 12.29(a), 12.29(b) and 12.29A.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

All the charity's funds are unrestricted and funds comprise investment income and other incoming resources receivable for the objects of the charity without further specified purpose and are available as general funds.

Fixed asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value. Investments that are listed on a recognised stock exchange are subsequently measured at their fair value at the balance sheet date using their closing quoted market price. Unlisted investments are stated at their closing market value as calculated by the investee company. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

Financial instruments

Other than the charity's investments as noted above, all charity's debtor and creditor balances are considered to be basic financial instruments under FRS102. These balances are reflected at the transaction price and then subsequently at settlement value if significantly different.

Notes to the Financial Statements for the year ended 5th April 2023

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

The trust constitutes a public benefit entity as defined by FRS102.

The charity has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows;
- the requirement of paragraph 3.17(d);
- the requirements of paragraphs 11.42, 11.44, 11.45, 11.47, 11.48(a)(iii), 11.48(a)(iv), 11.48(b) and 11.48(c);
- the requirements of paragraphs 12.26, 12.27, 12.29(a), 12.29(b) and 12.29A.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

All the charity's funds are unrestricted and funds comprise investment income and other incoming resources receivable for the objects of the charity without further specified purpose and are available as general funds.

Fixed asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value. Investments that are listed on a recognised stock exchange are subsequently measured at their fair value at the balance sheet date using their closing quoted market price. Unlisted investments are stated at their closing market value as calculated by the investee company. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

Financial instruments

Other than the charity's investments as noted above, all charity's debtor and creditor balances are considered to be basic financial instruments under FRS102. These balances are reflected at the transaction price and then subsequently at settlement value if significantly different.

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

All the charity's funds are unrestricted and funds comprise investment income and other incoming resources receivable for the objects of the charity without further specified purpose and are available as general funds.

Fixed asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value. Investments that are listed on a recognised stock exchange are subsequently measured at their fair value at the balance sheet date using their closing quoted market price. Unlisted investments are stated at their closing market value as calculated by the investee company. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

Financial instruments

Other than the charity's investments as noted above, all charity's debtor and creditor balances are considered to be basic financial instruments under FRS102. These balances are reflected at the transaction price and then subsequently at settlement value if significantly different.

E F AND M G HALL CHARITABLE TRUST

Report of the Trustees for the year ended 5th April 2021

The trustees present their report with the financial statements of the charity for the year ended 5th April 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and activities for public benefit

The charity is established for general charitable purposes, providing grants to other charities at the discretion of the trustees. The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and setting the grant making policy for the year.

Grantmaking policy

The Trust has established its grant making policy to achieve its objectives for the public benefit to provide funding for work carried out by operational charities, both locally and in the wider area. Grants are made at the total discretion of the trustees, who support the work of charitable organisations in which they have an interest.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The charity delivers public benefit solely by way of grant making.

One hundred and forty four individual grants were made in the year, ranging from a few small donations of under £50 up to £5,000. The majority of the grants made were between £250 and £2,000.

FINANCIAL REVIEW

Investment policy and objectives

The aim of the trustees is to invest the funds of the charity in a balanced way to generate a good level of income and also some capital appreciation for the future.

The financial position of this charity at the end of the year is shown in the accounts.

Reserves policy

As a grant making trust, the charity invests its reserves to generate annual income to pay out in grants. The trustees do not anticipate building up further reserves and will endeavour to distribute as much of the charity's income as possible each year. A cash reserve, averaging approximately £50,000, will be maintained in order that the trustees can make grants evenly throughout the year and not have to rely on the timing of the receipt of investment income.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

Recruitment and appointment of new trustees

The power to appoint new trustees lies with Mr I.F. Hall. Trustees are selected from the members of the Hall family. The trustees give their time freely and no trustee remuneration was paid in the year.
