THE JENOUR FOUNDATION

TRUSTEES REPORT

FOR THE YEAR ENDED 5 APRIL 2025

The trustees present their annual report and financial statements for the year ended 5 April 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The Charitable Trust was established by Sir AMC Jenour (deceased) in a Settlement Deed dated 8 March 1968 under the law of England and Wales. The Foundation is registered with the Charity Commission, registration number 256637. The principal objectives of the Foundation are to make donations to such charitable institutions or authorities in such manner as the trustees may in their absolute discretion think fit.

Procedures and policy for donations

The trustees request written applications are submitted to the registered office. Preference is given to charities working in Wales. The trustees will award donations to capital projects and also towards ordinary charitable purposes. The majority of donations are made annually in February, but correspondence is not entered into unless it relates to donations that the Foundation has agreed to make.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

The Foundation distributed a total of £139,544 during the year (2024 - £136,484).

Financial review

There was a negative net movement in funds for the year of £214,739 (2024 - positive net movement in funds £197,655). Excluding losses (2024 - gains) on revaluation and disposal of investment assets net outgoing resources amounted to £45,009 (2024 - £45,351). The balance of unrestricted funds at the year end amounted to £4,575,851 (2024 - £4,790,590).

The Foundation continued to derive its income from investing in quoted shares and securities. The value of investments under management was £4,566,806 at 5 April 2025 (2024 - £4,772,647). The trustees undertake a moderate risk investment policy; investment performance is regularly reviewed and investment decisions are subject to the trustees prior agreed approval.

The trustees operate a single unrestricted fund that is represented by the market value of investments and net cash deposits required to generate resources from which charitable donations are made. The capital base of investments is used to generate income for distribution on an annual basis.

The trustees annually review the risks that the charity faces. To date these have mainly related to investments and these have been addressed by diversified portfolio management. The trustees are aware of the risks of fraudulent applications being received and continue their vigilance in assessing appeals.

Plans for future periods

The trustees intend to continue providing donations in a similar way to the recent past, retaining flexibility as to the timing, and scale of donations made.

Structure, governance and management

The charity is an unincorporated charity formed under a trust deed dated 8 March 1968.

THE JENOUR FOUNDATION

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2025

The trustees, who served throughout the year, their advisors and legal status are summarised on page 2 of these accounts. Were there a requirement for new trustees, these would be identified and appointed by the remaining trustees. The chair of trustees is responsible for the induction of any new trustee which involves awareness of trustees' responsibilities, the governing documents, administrative procedures, the history and philosophical approach of the charity. A new trustee would receive copies of the previous year's annual report and accounts and a copy of the Charity Commission leaflet "The Essential Trustee: What you need to know".

THE JENOUR FOUNDATION

STATEMENT OF TRUSTEES RESPONSIBILITIES

FOR THE YEAR ENDED 5 APRIL 2025

The trustees are responsible for preparing the Trustees Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

THE JENOUR FOUNDATION

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE JENOUR FOUNDATION

I report to the trustees on my examination of the financial statements of The Jenour Foundation (the charity) for the year ended 5 April 2025.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

THE JENOUR FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 5 APRIL 2025

1 Accounting policies

Charity information

The Jenour Foundation is a charitable unincorporated trust established by a Settlement Deed dated 8 March 1968, whose principal office is c/o Azets, Ty Derw, Lime Tree Court, Cardiff Gate Business Park, Cardiff, CF23 8AB.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Income from interest and dividends is included in the accounts when receipt is probable and the amount receivable can be measured reliably.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Costs of raising funds comprise the costs in relation to generating income such as stockbroker fees.

Expenditure on charitable activities includes all costs relating to the furtherance of the charity's objectives as stated in the trustees' report and their associated support costs.

THE JENOUR FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2025

1 Accounting policies

(Continued)

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

1.6 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Other financial assets

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in net income/(expenditure), except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are measured at cost less impairment.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the charity transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

THE JENOUR FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2025

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

TRUSTEES REPORT

FOR THE YEAR ENDED 5 APRIL 2024

The trustees present their annual report and financial statements for the year ended 5 April 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The Charitable Trust was established by Sir AMC Jenour (deceased) in a Settlement Deed dated 8th March 1968 under the law of England and Wales. The Foundation is registered with the Charity Commission, registration number 256637. The principal objectives of the Foundation are to make donations to such charitable institutions or authorities in such manner as the trustees may in their absolute discretion think fit.

Procedures and policy for donations

The trustees request written applications are submitted to the registered office. Preference is given to charities working in Wales. The trustees will award donations to capital projects and also towards ordinary charitable purposes. The majority of donations are made annually in February, but correspondence is not entered into unless it relates to donations that the Foundation has agreed to make.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

The Foundation distributed a total of £136,484 during the year (2023 - £134,164).

Financial review

There was a positive net movement in funds for the year of £197,655 (2023 - negative net movement in funds £217,932) which has been transferred to the unrestricted fund. Excluding gains (2023- losses) on revaluation and disposal of investment assets net outgoing resources amounted to £45,351 (2023 - £34,668). The balance of unrestricted funds at the year end amounted to £4,790,590 (2023 - £4,592,935).

The Foundation continued to derive its income from investing in quoted shares and securities. The value of investments under management was £4,772,647 at 5th April 2023 (2023 - £4,567,357). The trustees undertake a moderate risk investment policy; investment performance is regularly reviewed and investment decisions are subject to the trustees prior agreed approval.

The trustees operate a single unrestricted fund that is represented by the market value of investments and net cash deposits required to generate resources from which charitable donations are made. The capital base of investments is used to generate income for distribution on an annual basis.

The trustees annually review the risks that the charity faces. To date these have mainly related to investments and these have been addressed by diversified portfolio management. The trustees are aware of the risks of fraudulent applications being received and continue their vigilance in assessing appeals.

Plans for future periods

The trustees intend to continue providing donations in a similar way to the recent past, retaining flexibility as to the timing, and scale of donations made.

Structure, governance and management

The charity is an unincorporated charity formed under a trust deed dated 8th March 1968.

STATEMENT OF TRUSTEES RESPONSIBILITIES

FOR THE YEAR ENDED 5 APRIL 2024

The trustees are responsible for preparing the Trustees Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

THE JENOUR FOUNDATION

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE JENOUR FOUNDATION

I report to the trustees on my examination of the financial statements of The Jenour Foundation (the charity) for the year ended 5 April 2024.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

THE JENOUR FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 5 APRIL 2024

1 Accounting policies

Charity information

The Jenour Foundation is a charitable unincorporated trust established by a Settlement Deed dated 8th March 1968, whose principal office is Ty Derw, Lime Tree Court, Cardiff Gate Business Park, Cardiff, CF23 8AB.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Income from interest and dividends is included in the accounts when receipt is probable and the amount receivable can be measured reliably.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Costs of raising funds comprise the costs in relation to generating income such as stockbroker fees.

Expenditure on charitable activities includes all costs relating to the furtherance of the charity's objectives as stated in the trustees report and their associated support costs.

THE JENOUR FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2024

1 Accounting policies

(Continued)

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

1.6 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Other financial assets

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in net income/(expenditure), except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are measured at cost less impairment.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the charity transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

THE JENOUR FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2024

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

THE JENOUR FOUNDATION

TRUSTEES REPORT

FOR THE YEAR ENDED 5 APRIL 2023

The trustees present their annual report and financial statements for the year ended 5 April 2023.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The Charitable Trust was established by Sir AMC Jenour (deceased) in a Settlement Deed dated 8th March 1968 under the law of England and Wales. The Foundation is registered with the Charity Commission, registration number 256637. The principal objectives of the Foundation are to make donations to such charitable institutions or authorities in such manner as the trustees may in their absolute discretion think fit.

Procedures and policy for donations

The trustees request written applications are submitted to the registered office. Preference is given to charities working in Wales. The trustees will award donations to capital projects and also towards ordinary charitable purposes. The majority of donations are made annually in February, but correspondence is not entered into unless it relates to donations that the Foundation has agreed to make.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

The Foundation distributed a total of £134,164 during the year (2022 - £109,250).

Financial review

There was a negative net movement in funds for the year of £217,932 (2022 - positive movement of £268,101) which has been transferred to the unrestricted fund. Excluding losses (2022- gains) on revaluation and disposal of investment assets net outgoing resources amounted to £34,668 (2022 - £20,271). The balance of unrestricted funds at the year end amounted to £4,592,935 (2022 - £4,810,867).

The Foundation continued to derive its income from investing in quoted shares and securities. The value of investments under management was £4,567,357 at 5th April 2023 (2022 - £4,785,651). The trustees undertake a moderate risk investment policy; investment performance is regularly reviewed and investment decisions are subject to the trustees prior agreed approval.

The trustees operate a single unrestricted fund that is represented by the market value of investments and net cash deposits required to generate resources from which charitable donations are made. The capital base of investments is used to generate income for distribution on an annual basis.

The trustees annually review the risks that the charity faces. To date these have mainly related to investments and these have been addressed by diversified portfolio management. The trustees are aware of the risks of fraudulent applications being received and continue their vigilance in assessing appeals.

Plans for future periods

The trustees intend to continue providing donations in a similar way to the recent past, retaining flexibility as to the timing, and scale of donations made.

Structure, governance and management

The charity is an unincorporated charity formed under a trust deed dated 8th March 1968.

THE JENOUR FOUNDATION

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2023

The trustees, who served throughout the year, their advisors and legal status are summarised on page 2 of these accounts. Were there a requirement for new trustees, these would be identified and appointed by the remaining trustees. The chair of trustees is responsible for the induction of any new trustee which involves awareness of trustees' responsibilities, the governing documents, administrative procedures, the history and philosophical approach of the charity. A new trustee would receive copies of the previous year's annual report and accounts and a copy of the Charity Commission leaflet "The Essential Trustee: What you need to know".

THE JENOUR FOUNDATION

STATEMENT OF TRUSTEES RESPONSIBILITIES

FOR THE YEAR ENDED 5 APRIL 2023

The trustees are responsible for preparing the Trustees Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

David Jones & Co

Independent Examiners Report to the Trustees of The Jenour Foundation - charity number: 256637.

I report to the trustees on my examination of the accounts of The Jenour Foundation (the Trust) for the year ended 5 April 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act')

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145 (5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1) accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- 2) the accounts do not accord with those records; or
- 3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached,

Signed

THE JENOUR FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 5 APRIL 2023

1 Accounting policies

Charity information

The Jenour Foundation is a charitable unincorporated trust established by a Settlement Deed dated 8th March 1968, whose principal office is Ty Derw, Lime Tree Court, Cardiff Gate Business Park, Cardiff, CF23 8AB.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Income from interest and dividends is included in the accounts when receipt is probable and the amount receivable can be measured reliably.

1.5 Resources expended

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Costs of raising funds comprise the costs in relation to generating income such as stockbroker fees.

Expenditure on charitable activities includes all costs relating to the furtherance of the charity's objectives as stated in the trustees report and their associated support costs.

THE JENOUR FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2023

1 Accounting policies

(Continued)

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

1.6 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Other financial assets

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in net income/(expenditure), except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are measured at cost less impairment.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the charity transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

THE JENOUR FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2023

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

TRUSTEES REPORT

FOR THE YEAR ENDED 5 APRIL 2022

The trustees present their annual report and financial statements for the year ended 5 April 2022.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The Charitable Trust was established by Sir AMC Jenour (deceased) in a Settlement Deed dated 8th March 1968 under the law of England and Wales. The Foundation is registered with the Charity Commission, registration number 256637. The principal objectives of the Foundation are to make donations to such charitable institutions or authorities in such manner as the trustees may in their absolute discretion think fit.

Procedures and policy for donations

The trustees request written applications are submitted to the registered office. Preference is given to charities working in Wales. The trustees will award donations to capital projects and also towards ordinary charitable purposes. The majority of donations are made annually in February, but correspondence is not entered into unless it relates to donations that the Foundation has agreed to make.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

The Foundation distributed a total of £109,250 during the year (2021 - £124,250).

Financial review

There was a positive net movement in funds for the year of £268,101 (2021 - positive movement of £813,019) which has been transferred to the unrestricted fund. Excluding gains (2021- gains) on revaluation and disposal of investment assets net outgoing resources amounted to £20,261 (2021 - £62,538). The balance of unrestricted funds at the year end amounted to £4,810,867 (2021 - £4,542,766).

The Foundation continued to derive its income from investing in quoted shares and securities. The value of investments under management was £4,785,651 at 5th April 2022 (2021 - £4,514,828). The trustees undertake a moderate risk investment policy; investment performance is regularly reviewed and investment decisions are subject to the trustees prior agreed approval.

The trustees operate a single unrestricted fund that is represented by the market value of investments and net cash deposits required to generate resources from which charitable donations are made. The capital base of investments is used to generate income for distribution on an annual basis.

The trustees annually review the risks that the charity faces. To date these have mainly related to investments and these have been addressed by diversified portfolio management. The trustees are aware of the risks of fraudulent applications being received and continue their vigilance in assessing appeals.

Plans for future periods

The trustees intend to continue providing donations in a similar way to the recent past, retaining flexibility as to the timing, and scale of donations made.

Structure, governance and management

The charity is an unincorporated charity formed under a trust deed dated 8th March 1968.

THE JENOUR FOUNDATION

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2022

The trustees, who served throughout the year, their advisors and legal status are summarised on page 2 of these accounts. Were there a requirement for new trustees, these would be identified and appointed by the remaining trustees. The chair of trustees is responsible for the induction of any new trustee which involves awareness of trustees' responsibilities, the governing documents, administrative procedures, the history and philosophical approach of the charity. A new trustee would receive copies of the previous year's annual report and accounts and a copy of the Charity Commission leaflet "The Essential Trustee: What you need to know".

THE JENOUR FOUNDATION

STATEMENT OF TRUSTEES RESPONSIBILITIES

FOR THE YEAR ENDED 5 APRIL 2022

The trustees are responsible for preparing the Trustees Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

David Jones & Co

Independent Examiners Report to the Trustees of The Jenour Foundation - charity number: 256637.

I report to the trustees on my examination of the accounts of The Jenour Foundation (the Trust) for the year ended 5 April 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act')

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145 (5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1) accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- 2) the accounts do not accord with those records; or
- 3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached,

Signed

THE JENOUR FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 5 APRIL 2022

1 Accounting policies

Charity information

The Jenour Foundation is a charitable unincorporated trust established by a Settlement Deed dated 8th March 1968, whose principal office is Ty Derw, Lime Tree Court, Cardiff Gate Business Park, Cardiff, CF23 8AB.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Income from interest and dividends is included in the accounts when receipt is probable and the amount receivable can be measured reliably.

1.5 Resources expended

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Costs of raising funds comprise the costs in relation to generating income such as stockbroker fees.

Expenditure on charitable activities includes all costs relating to the furtherance of the charity's objectives as stated in the trustees report and their associated support costs.

THE JENOUR FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2022

1 Accounting policies

(Continued)

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

1.6 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Other financial assets

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in net income/(expenditure), except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are measured at cost less impairment.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the charity transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

THE JENOUR FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2022

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

TRUSTEES REPORT

FOR THE YEAR ENDED 5 APRIL 2021

The trustees present their report and financial statements for the year ended 5 April 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The Charitable Trust was established by Sir AMC Jenour (deceased) in a Settlement Deed dated 8th March 1968 under the law of England and Wales. The Foundation is registered with the Charity Commission, registration number 256637. The principal objectives of the Foundation are to make donations to such charitable institutions or authorities in such manner as the trustees may in their absolute discretion think fit.

Procedures and policy for donations

The trustees request written applications are submitted to the registered office. Donations are made to registered charities only and preference is given to charities working in Wales. The trustees will award donations to capital projects and also towards ordinary charitable purposes. The majority of donations are made annually in February, but correspondence is not entered into unless it relates to donations that the Foundation has agreed to make.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

The Foundation distributed a total of £124,250 during the year (2020 - £116,750).

Financial review

There was a positive net movement in funds for the year of £813,019 (2020 - negative movement of £501,948) which has been transferred to the unrestricted fund. Excluding gains (2020- losses) on revaluation and disposal of investment assets net outgoing resources amounted to £62,538 (2020 - £27,511). The balance of unrestricted funds at the year end amounted to £4,542,766 (2020 - £3,729,747).

The Foundation continued to derive its income from investing in quoted shares and securities. The value of investments under management was £4,514,828 at 5th April 2021 (2020 - £3,738,985). The trustees undertake a moderate risk investment policy; investment performance is regularly reviewed and investment decisions are subject to the trustees prior agreed approval.

The trustees operate a single unrestricted fund that is represented by the market value of investments and net cash deposits required to generate resources from which charitable donations are made. The capital base of investments is used to generate income for distribution on an annual basis.

The trustees annually review the risks that the charity faces. To date these have mainly related to investments and these have been addressed by diversified portfolio management. The trustees are aware of the risks of fraudulent applications being received and continue their vigilance in assessing appeals.

THE JENOUR FOUNDATION

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2021

Plans for future periods

The trustees intend to continue providing donations in a similar way to the recent past, retaining flexibility as to the timing, and scale of donations made.

COVID-19

The impact of the pandemic can be seen to have been reflected in the 22% decline in the charity's investment income. Despite this reduction the value of investments has recovered significantly and this has lifted by 21% at the year end. The trustees are confident that they can maintain the current level of awards given this uplift in the level of unrestricted funds.

The trustees believe that the charity's reserves are sufficient to meet the current level of commitments.

Structure, governance and management

The charity is an unincorporated charity formed under a trust deed dated 8th March 1968.

The trustees, who served throughout the year, their advisors and legal status are summarised on page 2 of these accounts. Were there a requirement for new trustees, these would be identified and appointed by the remaining trustees. The chair of trustees is responsible for the induction of any new trustee which involves awareness of trustees' responsibilities, the governing documents, administrative procedures, the history and philosophical approach of the charity. A new trustee would receive copies of the previous year's annual report and accounts and a copy of the Charity Commission leaflet "The Essential Trustee: What you need to know".

THE JENOUR FOUNDATION

STATEMENT OF TRUSTEES RESPONSIBILITIES

FOR THE YEAR ENDED 5 APRIL 2021

The trustees are responsible for preparing the Trustees Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

David Jones & Co

Independent Examiners Report to the Trustees of The Jenour Foundation - charity number: 256637.

I report to the trustees on my examination of the accounts of The Jenour Foundation (the Trust) for the year ended 5 April 2021.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act')

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145 (5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1) accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- 2) the accounts do not accord with those records; or
- 3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached,

Signed

THE JENOUR FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 5 APRIL 2021

1 Accounting policies

Charity information

The Jenour Foundation is a charitable unincorporated trust established by a Settlement Deed dated 8th March 1968, whose principal office is Ty Derw, Lime Tree Court, Cardiff Gate Business Park, Cardiff, CF23 8AB.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Income from interest and dividends is included in the accounts when receipt is probable and the amount receivable can be measured reliably.

1.5 Resources expended

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Costs of raising funds comprise the costs in relation to generating income such as stockbroker fees.

Expenditure on charitable activities includes all costs relating to the furtherance of the charity's objectives as stated in the trustees report and their associated support costs.

THE JENOUR FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2021

1 Accounting policies

(Continued)

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

1.6 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Other financial assets

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in net income/(expenditure), except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are measured at cost less impairment.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the charity transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

THE JENOUR FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2021

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
