JEWISH PHILANTHROPIC ASSOCIATION FOR ISRAEL & THE MIDDLE EAST
TRUSTEES REPORT
FOR THE YEAR ENDED 30 SEPTEMBER 2023

MISSION STATEMENT

Our vision is that future generations of Jews will be safe, proud and knowledgeable members of the Jewish people, committed to their unique heritage and the eternity of Israel.

Our mission is to secure the future of Jewish life by mobilising the UK Jewish community to support the rescue of Jews in need throughout the world and their absorption in Israel, and our strategic interventions in Israel, where our focus is on enabling vulnerable young people to achieve their potential as individuals and to participate in community life.

HIGHLIGHTS OF THE YEAR

Voluntary income in the year, including legacies, was £109,000 (2022 - £416,000).

The Charity continues to receive legacy income. The level of such income is not predictable. However, it is sufficient to allow the Charity to develop a creative programme in line with its charitable and strategic objectives.

A series of action plans has been developed to assist the board in monitoring implementation of the above objectives. They will be under continuous review to ensure that they remain viable in the light of any significant external or internal factors.

PRINCIPAL OBJECTIVES AND ACTIVITIES OF THE JEWISH PHILANTHROPIC ASSOCIATION FOR ISRAEL & THE MIDDLE EAST ("JPAIME")

The constitution of the JPAIME sets out the following charitable activities to be carried out for the public benefit in the State of Israel and in any of the territories in the Near or Middle East: -

- (a) To relieve or assist in the relief of the needy, the old, the sick, the maimed, the wounded and those who are physically or mentally handicapped.
- (b) To protect children from cruelty or suffering.
- (c) To relieve or assist in the relief of necessitous immigrants.
- (d) To advance or propagate education generally or in particular subjects (other than education of a kind not charitable according to the law of England).
- (e) To carry on other activities as are charitable according to the laws of England.

The Trustee has had due regard to the Charity Commission's guidance on public benefit when considering the Charity's objectives and activities.

STRATEGIC AIMS AND PLANS FOR THE FUTURE

The Charity's Executive Committee has ratified a Strategic Plan, which sets out the objectives for the Charity to ensure that whilst remaining faithful to its original objectives, the Charity is in a position to develop new opportunities.

The Charity's main objectives are to invest in young people and education in Israel.

CONNECTED CHARITY

On 31 March 1998, the Charity agreed to amalgamate with the United Jewish Israel Appeal ("UJIA" - formerly the Joint Jewish Charitable Trust) (registered charity no: 1060078) by the transfer of their activities and properties to that Charity. Thereafter, the UJIA became sole corporate trustee for the Charity.

JEWISH PHILANTHROPIC ASSOCIATION FOR ISRAEL & THE MIDDLE EAST
TRUSTEES REPORT
FOR THE YEAR ENDED 30 SEPTEMBER 2023

The objects of this Charity were incorporated into the Articles of the UJIA in order to ensure that the specific work of this Charity would be continued through the new arrangements.

FINANCIAL OUTCOME FOR THE YEAR

Total income in 2022-23 was £201,000 compared with £443,000 in 2021-22. Total expenditure in 2022-23 was £8,000 compared with £11,000 in 2021-22.

The allocation of funds is shown at Note 8 to the Financial Statements.

STRUCTURE, GOVERNANCE AND MANAGEMENT

CONSTITUTION

The Charity was established as an unincorporated association on 10 July 1968.

MEMBERSHIP

The Charity is controlled by a Corporate Trustee, which is represented by an Executive Committee. The Executive Committee defines the membership criteria for members of the Charity who in turn elect the Executive Committee at an Annual General Meeting.

EXECUTIVE COMMITTEE

The Executive Committee is responsible for the policy decisions of the Charity, and, within the framework of the constitution, the Executive Committee is empowered to make arrangements for the management and administration of the Charity through the appointment of a Chief Executive Officer and other professional staff.

The Trust Deed provides that the Trustee shall deal with the property and assets of the Charity in accordance with the directions of the Executive Committee notwithstanding the provisions of the Trustee Investments Act 1961 (now replaced by the Trustee Act 2000).

New members of the Executive Committee are co-opted by existing members to maintain or augment the range of skills and experience appropriate to the needs and activities of the Charity and subsequently proposed for election by the Members at the AGM.

On appointment, new members of the Executive Committee are provided with appropriate Charity Commission guides, a copy of the Constitution, a full set of the Charity's policies, the current Strategic Plan, the latest Statutory Accounts and an outline of their duties and responsibilities. New members meet with the Chief Executive to undertake an induction process.

FUNDRAISING APPROACH AND PERFORMANCE

The Charity does not carry out any fundraising activities.

INVESTMENT POLICY AND PERFORMANCE

The Charity does not hold funds for investment.

GRANT MAKING POLICY

The Charity distributes funds in fulfilment of its aims as expressed in its Mission Statement. Funds are allocated towards the rescue of Jews from around the world and their absorption into Israel, through support of educational, welfare and other humanitarian projects.

All grants given are monitored closely and, when material, are subject to written reports and site visits.

JPAIME RISK STATEMENT

The risks of JPAIME are managed through the detailed risk management process of UJIA. The process outlines all the key risks of the Charity, relevant control procedures, responsibilities and future actions to be taken. Monitoring of risk has now become embedded within the overall agreed procedures of the UJIA.

The Trustees of UJIA are satisfied that all the major risks to which the Charity is exposed are being reviewed and systems of internal control are being established to mitigate those risks. It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed.

JPAIME's main commitment is to the Final Salary Pension Scheme. The Trustee, having consulted with the Trustees of the Pension Scheme, considers that there are adequate funds to meet the Charity's commitments going forward.

JEWISH PHILANTHROPIC ASSOCIATION FOR ISRAEL & THE MIDDLE EAST
TRUSTEES REPORT
FOR THE YEAR ENDED 30 SEPTEMBER 2023

RESERVES POLICY

The Trustee considers that the inflow of income on an annual basis will be sufficient to cover any financial commitments that may arise, and therefore that there is no current need to increase the amount of free reserves. Any assets retained will be solely for the purpose of generating income to cover any distribution policy that the Trustee may formulate in the future. The Trustee has established a committee to consider the distribution of funds.

The restricted funds balance will be paid over to UJIA once all monies receivable have been collected.

At 30 September 2023, unrestricted funds stood at £2,465,000 (2022: £2,272,000). This balance is after making a provision for the pension deficit funding arrangement in relation to the Charity's multi-employer defined benefit scheme. The Executive Committee will continue to review the level of reserves to ensure that the pension deficit is covered and that any surplus funds will be used effectively to promote the objectives of the Charity.

TRUSTEE'S RESPONSIBILITIES

The Trustee is responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards).

The law applicable to charities in England and Wales requires the Trustee to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that period. In preparing these financial statements, the Trustee is required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustee is responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions, disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the charity's constitution. The Trustee is also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

So far as the Trustee at the date of this report is aware, there is no relevant audit information of which the Charity's auditor is unaware. The Trustee has taken all the steps that ought to have been taken as a trustee in order to become aware of any relevant audit information and to establish that the Charity's auditor is aware of that information.

JEWISH PHILANTHROPIC ASSOCIATION FOR ISRAEL & THE MIDDLE EAST

10. PENSION SCHEME COSTS

The Charity participates in a multi-employer final salary pension scheme, the Zionist Federation Staff Pension Scheme ("ZFSPS"). As a result, it is not possible to identify the assets and liabilities of the scheme that are attributable to the Charity. The Charity also provides pensions for other pensioners who are not covered by formal pension arrangements.

The last report by the actuary covered the period to 6 April 2023. The valuation report stated that the market value of the entire scheme's assets was £12,608,000 and that this represents 87% of the funding level required by the scheme. The report recommended a normal contribution rate of 44% for employers.

The charity has recognised a provision in these financial statements, for additional special (deficit reduction) contributions to cover a potential deficit in the ZFSPS. The amount recognised is the net present value of the deficit reduction contributions payable under the agreement relating to the deficit. The present value is calculated using a discount rate of 1%, which represents the interest rate available to the charity rounded up to the nearest whole per cent.

The movements on the provision are:

	2023	<i>2022</i>
	£'000	<i>£'000</i>
Provision at start of period	804	1,001
Deficit contributions paid	(204)	(204)
Unwinding of discount factor	6	7
	<u>606</u>	<u>804</u>
Split as follows:		
Due within one year	204	204
Due after one year	402	600
	<u>606</u>	<u>804</u>

Other organisations also contribute to the deficit funding agreement and the net present value of their contributions has been included in these accounts. The liability is shared with the United Jewish Israel Appeal ("UJIA") which is responsible for funding the pensions of those employees who became employees of UJIA when the Charity started operations in January 1997.

The payment against the provision in the accounts represents contributions payable to the ZFSPS fund of £204,000 (2022: £204,000). Charges for the year are shown in note 4 above.

Independent auditor's report to the trustee of Jewish Philanthropic Association for Israel & the Middle East

Opinion

We have audited the financial statements of Jewish Philanthropic Association for Israel & the Middle East for the year ended 30 September 2023 which comprise the Statement of Financial Activities, the Balance Sheet, and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 30 September 2023 and of the charity's net movement in funds for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder. We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Report of the Executive Committee. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

Independent auditor's report to the trustee of Jewish Philanthropic Association for Israel & the Middle East (continued)

- adequate accounting records have not been kept by the charity; or
- sufficient accounting records have not been kept; or
- the charity financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees for the financial statements

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Based on our understanding of the charitable company and the environment in which it operates, we identified that the principal risks of non-compliance with laws and regulations related to the legal and regulatory requirements pertaining to registered charities, and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements such as the Charities Act 2011, and FRS102.

We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to journal entries. Audit procedures performed by the engagement team included:

Audit procedures performed by the engagement team included:

- Inspecting correspondence with regulators and tax authorities;
- Discussions with management including consideration of known or suspected instances of non-compliance with laws and regulation and fraud;
- Evaluating management's controls designed to prevent and detect irregularities;
- Identifying and testing journals, in particular journal entries posted at the year-end or with unusual descriptions; and
- Challenging assumptions and judgements made by management in their critical accounting estimates.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an Auditor's report and for no other purpose.
