**STRUCTURE, GOVERNANCE AND MANAGEMENT**

The Charity is constituted as a Company limited by guarantee, and is therefore governed by its Memorandum and Articles of Association.

The trustees administer the day-to-day affairs of the Charity. None of the trustees have any beneficial interest in the Charity.

It is not currently the intention of the trustees of the Charity to appoint new trustees. Should the situation change in the future, the Trustees will apply suitable recruitment training and induction procedures.

**Risk management**

The trustees plan to continue to make distributions in accordance with their grant making policy and to ensure that an appropriate level of reserves is maintained. The trustees have identified and reviewed the major risks to which the charity is exposed, in particular those related to the operations and finance of the charity, and are satisfied that systems are in place to manage those risks.

**Trustees' Annual Report (Incorporating the Director's Report) *(continued)***

**Year ended 31 March 2023**

**OBJECTIVES AND ACTIVITIES**

The charity is established to further those purposes both in the United Kingdom and abroad recognised as charitable by English Law and in furtherance of the aforementioned objects.

The charity receives income mainly from charitable receipts under gift aid, which it utilises in the provision and distribution of grants and donations.

The charity's principle activity throughout the year was the provision and distribution of donations and grants to organisations, and no change is envisaged in the immediate future.

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities and setting the grant making policy for the year.

**Grant making policy**

Grants are made to charitable institutions and organisations which accord with the objects of the charity.

The trustees are approached for donations by a wide variety of charitable institutions operating all over England. The trustees consider all requests which they receive and make donations based on the level of funds available.

**ACHIEVEMENTS AND PERFORMANCE**

During the year the charity continued to pursue its philanthropic objects in support of educational, religious and other charitable organisations. Income from donations and investments aggregated £152,902. Total resources expended were £153,720, resulting in net revenue deficit of £818.

**FINANCIAL REVIEW**

The financial results of the Charity's activities for the year ended 31 March 2023 are fully reflected in the attached Financial Statements together with the Notes thereon.

**PLANS FOR FUTURE PERIODS**

The trustees plan to continue to make distributions in accordance with their grant making policy and to ensure that the ability to generate sufficient income is maintained to achieve that end.

**Reserves policy**

It is the policy of the charity to maintain unrestricted funds, which include the free reserves of the charity, at a level which the trustees think appropriate, after considering the future commitments of the charity and the likely costs of the charity for the next year. At 31 March 2023 the charity had unrestricted funds aggregating £2,056,014.

**Investment policy**

The Charity has powers to make investments in accordance with its constitutional documents. The Trustees consider appropriate and judicious investments which could generate income and capital growth in the medium term to enable the Charity to continue its charitable activities into the future whilst maintaining Free Reserves to enable it to carry out its activities in the immediate term.

**Independent Examiner's Report to the Trustees of Trustwell Limited**

**Year ended 31 March 2023**

I report to the trustees on my examination of the financial statements of Trustwell Limited ('the charity') for the year ended 31 March 2023.

**RESPONSIBILITIES AND BASIS OF REPORT**

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**INDEPENDENT EXAMINER'S STATEMENT**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**3. Accounting policies** *(continued)*

**Incoming resources**

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

**Resources expended**

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

The following specific policies are applied to particular categories of expenditure.

- grants and donations are recognised when paid.

**Investments**

The investment in the subsidiary undertaking is initially recorded at cost, and subsequently stated at fair value less with changes in fair value being recognise through the income and expenditure account.

**Year ended 31 March 2023**

**3. Accounting policies** *(continued)*

**Financial instruments**

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Other financial instruments are initially recognised at fair value and are subsequently measured at fair value, with any changes recognised in profit or loss.

All equity instruments are assessed individually for impairment.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

**4. Limited by guarantee**

The Charity is a Company Limited by Guarantee and has no share capital. The liability of each Member in the event of winding up is limited to £1.
