**THE PEACOCK CHARITABLE TRUST**

**REPORT OF THE TRUSTEES**  
**FOR THE YEAR ENDED 5<sup>TH</sup> APRIL 2022**

The trustees present their report together with the financial statements of the charity for the year ended 5th April 2022.

The accounts have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the Charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

## **OBJECTIVES AND ACTIVITIES**

### **Objects and Strategies**

The objects of the Trust are:

- to advance the education of poor and deserving boys and girls;
- to relieve poverty, hardship, suffering and distress;
- to augment the income or capital of other charities;
- to carry out such legally charitable purposes as the trustees by deed declare.

The charity achieves these aims by making grants to other charities. Its investment strategy is focused on generating a total return over time which allows for the maintenance of capital in real terms and a distribution policy based on percentage of the rolling average of the endowment's value to enable a substantial number of grants to be made each year.

When planning the charity's activities and setting the grant-making policy for the year the trustees have referred to the Charity Commission's guidance on public benefit.

## **ACTIVITIES, ACHIEVEMENTS AND PERFORMANCE**

### **Financial Review**

#### Income

Total income (which remains all investment income) amounted to £490,106, in comparison with the £416,826 received in the previous year.

#### Grants made

Charitable donations in the year, which are listed on pages 14 and 15 were £1,388,200 (2021 £1,406,200), which represented 2.8% (2021 3.5%) of the value of the total charity funds at the start of the financial year. While the overall level of grants made remained little changed, the rise in the value of the investments in 2020-21 was the main factor in the reduction of this relative (percentage) measure.

Overall, taking portfolio management fees and the administration costs of running the charity into account, expenditure exceeded income by £919,910 (2021 £1,011,074). After taking account of realised and unrealised gains and losses, there was a net profit of £1,648,393, increasing total funds as at 5th April 2022 to £50,375,606 (2021 £48,727,213).

#### Investment policy and performance

The trustees have given their investment advisors a discretionary mandate to manage investments in accordance with the agreed objectives. The trustees meet regularly with the advisors to review and monitor performance. The trust has a total return approach to investment with a view to achieving a more consistent level of grants, while maintaining the real value of the endowment over the medium term.

Other funds of the trust are held on deposit and spread between deposit takers to minimise counterparty risk.

The year under review saw equity markets continue to rise during the first 8 months, as concerns about the long-term impact of the Covid-19 pandemic receded. In the final four months, however, the performance of

## **THE PEACOCK CHARITABLE TRUST**

### **REPORT OF THE TRUSTEES FOR THE YEAR ENDED 5<sup>TH</sup> APRIL 2022**

the trust's portfolio was adversely impacted initially by rising inflation and consequently the outlook for interest rates and then by the effect on markets of Russia's invasion of Ukraine. Despite the weaker end to the financial year, the trust's investment portfolio still recorded a positive net total return of 6.3% in the period (24.2% in 2020/21).

#### **Reserves Policy**

The trustees aim to keep sufficient reserves to generate investment returns to fund the trust's objectives. These are at least to hold and preferably to grow the overall level of grants made, while pursuing the secondary financial objective of maintaining the real value of the endowment over time.

#### **FUTURE PLANS**

Having regard for the Reserves Policy above, the trustees will decide on the overall level of annual grants in the light of investment returns and the outlook. The continued weakness of both equity and bond markets has meant that the value of the trust's investment portfolio has fallen further during the year ending 5<sup>th</sup> April 2023. Despite this, the trustees are minded to maintain the overall level of grant distributions at around historical levels in the short term, which is expected to be a challenging time for charities.

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### **Governing Document**

The charity was established by a Declaration of Trust dated 23<sup>rd</sup> December 1968. The capital was provided by cash settled and subsequent gifts and bequests by W M Peacock, J A Peacock and Mrs S Peacock. The trustees have absolute discretion to apply trust capital and income for any one or more of the objects of the trust.

The trustees meet three times a year with a representative from CAF to decide on the grants to be made. The trustees rely on CAF's advice in assessing charities' grant applications. Requests for funding normally exceed the money available. The money available depends on investment performance which is, to a certain extent, dependent on the economy.

The trustees who served during the year are listed on page 1. The power to appoint new trustees is vested in the existing trustees. Future trustees will be selected to ensure the board maintains a suitable mix of skills and experience to continue its work and will be given an appropriate induction into the charity. Trustees attend training courses where it is considered necessary.

##### **Major Risks**

The trustees have a policy of formally reviewing the risks to which the charity is exposed at least annually. The main risk identified is that the charity's investment performance will fall below the level required to make the level of grants the trustees would wish. This risk is mitigated by the application of the investment policy.

## **THE PEACOCK CHARITABLE TRUST**

### **REPORT OF THE TRUSTEES FOR THE YEAR ENDED 5<sup>TH</sup> APRIL 2022**

#### **STATEMENT OF TRUSTEES' RESPONSIBILITIES**

Charity law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the financial activities of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS**

So far as the trustees are aware, there is no relevant audit information, of which the trust's auditors are unaware, and each trustee has taken all the steps that they ought to have taken as a trustee in order to make themselves aware of any relevant audit information and to establish that the trust's auditors are aware of that information.

#### **AUDITORS**

The auditors, Scott Vevers Ltd, have signified their willingness to remain in office and a proposal for their re-appointment will be proposed at the next trustees meeting.

ON BEHALF OF THE TRUST:

C H Peacock  
Trustee

14 December 2022

## INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE PEACOCK CHARITABLE TRUST

### Opinion

We have audited the financial statements of The Peacock Charitable Trust for the year ended 5<sup>th</sup> April 2022 set out on pages 8 to 15. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements

- give a true and fair view of the state of the charity's affairs as at 5<sup>th</sup> April 2022 and of the incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the Charities Act 2011.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

### Other information

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## **INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE PEACOCK CHARITABLE TRUST**

### **Matters on which we are required to report by exception**

In the light of our knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' report.

We have nothing to report in respect of the following matters to which the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the Trustees' Annual Report; or
- the charity has not kept adequate accounting records; or
- the charity's financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of trustees**

As explained more fully in the Trustees' Responsibilities Statement set out on page 4, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to a going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the charity through discussions with trustees and other management, and from our commercial knowledge and experience of the charity sector;
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the charity, taxation legislation and data protection, employment and health and safety legislation;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting legal correspondence; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

**INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF  
THE PEACOCK CHARITABLE TRUST**

We assessed the susceptibility of the charity's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation
- reading the minutes of meetings of those charged with governance;
- enquiring of management as to actual and potential litigation and claims; and
- reviewing the charity's correspondence with relevant regulators including the Health and Safety Executive, and the charity's legal advisors.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

**Use of our report**

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

# THE PEACOCK CHARITABLE TRUST

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5TH APRIL 2022

### 1 General information

The Peacock Charitable Trust was established by a Declaration of Trust dated 23rd December 1968. The address of the registered office and details of the charity's operations are provided in the Report of the Trustees.

### 2 Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

#### 2.1 Basis of preparation

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements are prepared under the historical cost convention and in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) - (Charities SORP (FRS 102)) and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). The accounts include the results of the charity's operations which are described in the Trustees' Report, all of which are continuing.

#### 2.2 Income

All income is accounted for on a receivable basis except deposit interest which is accounted for when received.

#### 2.3 Expenditure

Expenditure is included when incurred. Direct charitable expenditure is all expenditure directly relating to the objects of the charity.

Grants are recognised when payments are approved by the trustees.

Governance costs are those relating to the charity's compliance with constitutional and statutory requirements.

#### 2.4 Unrestricted funds

Unrestricted funds are those which are not subject to any special restrictions and they can be used as the trustees decide. Designated funds are part of unrestricted funds and are amounts the trustees have set aside for particular purposes.

#### 2.5 Investments

Investments are included at market value and any unrealised gains and losses recognised in the statement of financial activities as they occur. Exchange gains or losses are treated as part of the realised gain on disposals.
