AUTHENTIC LIVES TRUST
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2021

The Trustees have pleasure in submitting the Report and Accounts for the year ended 31 December 2021.

Objects of the charity

The charity is governed by a trust deed and is constituted as a trust. The charity's principal objects, as set out in its governing document, are for the benefit of general charitable purposes.

Summary of the charity's main activities and achievements

To further the above objects and vision, the charity's main activity was to support the development of the Authentic Lives Workshop, which enables individuals to discover their unique identity, gifting and purpose.

The main achievements of the charity have been to make grants of £24,000 during the financial year. These funds were used to develop and adapt the Authentic Lives Workshop for delivery online, so that the work could continue despite the global situation with Covid-19.

In planning the activities the Trustees have applied the guidance on public benefit issued by the Charity Commission.

Financial review

During the year, the charity received income of £66,282 (2020: £5,545), and incurred expenditure of £24,422 (2020: £5). As a result the cash held by the charity increased by £41,860, to £47,400, all of which is unrestricted and can be used for any charitable purpose.

The charity is funded by voluntary donations, and grants are only be made subject to enough funds in the bank account.

Reserves policy

At the year end, the charity held unrestricted cash of £47,400 and the charity is holding these additional funds for the purpose of making grant payments during 2022. The Trustees will be considering setting a reserves policy during 2022.

Governance

Responsibility for setting policy and for making operating decisions rest with the trustees who meet regularly to monitor the activities of the charity. The Board of Trustees is authorised to appoint new Trustees to fill vacancies arising through resignation or death of an existing Trustee, following good practice in accordance with Charity Commission guidelines. New Trustees are invited to attend a short induction session to familiarise themselves with the charity and also their responsibilities under the Charities Act.

Risk statement

The charity is exposed to various risks - be they operational, financial or reputational. The trustees review the charity's activities regularly to identify significant risks and, where possible, they take appropriate measures to mitigate those risks.

Responsibilities of trustees

Charity law requires us as Trustees to prepare financial statements for each accounting year which record the receipts and payments of the charity for the year.

We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable us to ensure that the financial statements comply with the Charities Act 2011.

We also have a responsibility to safeguard the assets of the charity and to take reasonable steps to prevent fraud or any other irregularities.

AUTHENTIC LIVES TRUST
NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 31 DECEMBER 2021

1 Accounting policies

The accounts have been prepared on a receipts and payments basis and comprise a statement that shows the charity's receipts and payments, a statement that summarises the charity's assets and liabilities and related notes. The accountancy profession have determined that only accounts prepared in accordance with applicable accounting standards present a 'true and fair' view and, as these receipts and payments accounts have not (and cannot) be prepared in accordance with accounting standards, these accounts do not present (and are not intended to present) a 'true and fair' view of the charity's financial activities and state of affairs.

As the charity's income is less than £250,000, it has taken advantage of the option to prepare its accounts on a receipts and payments basis and the results reported previously have been restated; further information is given in note 6 below.

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity. Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. Restricted funds are donations which are to be used in accordance with specific restrictions imposed by donors; they include donations received from appeals for specific activities or projects.
