ST MARY'S FUND, SALISBURY

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2024

LEGAL STATUS

The Fund is a registered charity, number 258822. Its governing instrument is a Charity Commission Scheme dated 5 December 2003, as modified by a Deed of Amendment of 7 February 2006 as altered by the Charity Commission Scheme of 14 July 2008 and a further Deed dated 2 December 2011.

The managing trustees who served during the year and to date are:

Revd L Holt (Chairwoman)	The Ven S Groom (to May 2024)
Mrs C Romano	Revd J Mackenzie (from May 2024)
Mrs E Goater	Revd F Moloney (from May 2024)

The Managing Trustees are not less than five persons appointed by the Bishop's Council of the Diocese of Salisbury. The custodian trustee is the Salisbury Diocesan Board of Finance.

CONTACTS

Grants Administrator: Mrs D I James, Emmaus House, The Avenue, Wilton, SP2 0FG

ADVISERS

Independent Examiner Mrs N A Halls FCA, Fletcher & Partners, Bridge Street, Salisbury SP1 2LZ
Investment Manager: CCLA Investment Management Ltd, One Angel Lane, London, EC4R 3AB

OBJECTS AND ACTIVITIES

The Charity's purpose is to promote and maintain moral welfare work in accordance with Christian principles mainly among girls and women primarily within the Diocese of Salisbury. This is achieved by grant aiding qualifying individuals, through applications made by professionals supporting and working with them, and other bodies which are directly involved in this type of charitable work within the diocese.

Grants are given a) as starter grants for single, divorced or widowed parents setting up house, b) as special needs grants to single, divorced or widowed parents and c) for projects which assist disadvantaged parents. The Charity's accounting records are maintained by diocesan staff who also prepare the annual financial statements.

ACHIEVEMENTS AND PERFORMANCE

The managing trustees held two meetings during the year to approve the annual accounts, monitor income and expenditure, including grants previously awarded, and to consider new grant applications. During the year some 24 (2023 – 25) starter grants were given for setting up house and 16 grants (2023 – 22) were given for special needs. Four projects received block funding in 2024 (2023: 4 projects) and these are detailed on Page 5 in the Notes to the Accounts. All these grants provide a public benefit to a section of the public; the grants to individual women enables socially deprived people to get established in homes with reasonable facilities; the project funding confers wider public benefits by supporting social projects which assist all their clients. The trustees have decided to maintain individual needs grants as a priority over project funding and so the level of the latter fluctuates as the charity needs to operate within its expendable reserve.

The trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties.

FINANCIAL REVIEW

Investment income increased during the year to £60,531 (2023 - £57,689). Total grants and associated support costs decreased to £60,246 (2023 - £70,534). The cost of grants given to organizations was £33,197 (2023 - £40,161) and to individuals £27,049 (2023- £30,373). Overall there was an unrestricted surplus for the year of £285 (2023 - loss £12,845), and so the Fund's unrestricted reserve at the end of 2024 increased to £127,855 (2023 - £127,570). The endowment fund's investments have increased by £36,566 (2023: increase of £101,210) to £1,731,987 at the end of 2024 (2023 - £1,695,421). As a result there was an overall increase in the Charity's resources by £36,851 to £1,859,842.

ST MARY'S FUND, SALISBURY

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2024

(continued)

RESERVES POLICY

The Trust's policy is to hold modest reserves, and to aim to increase the numbers of grants made to individuals in need.

INVESTMENT POLICY

The Fund's investment policy is set out in note 5 to the Accounts.

RISKS REVIEW

As regards risk management the trustees consider that the Fund's principal risk is a significant collapse in stock markets which they have addressed by placing a proportion of the Fund's investments in a property fund.

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The law applicable to charities in England and Wales requires the Charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, of the Charity for that period. In preparing the financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Charity's schemes. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements.

ST MARY'S FUND, SALISBURY

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2024

1. Accounting Policies

a) Accounting convention

The accounts (financial statements) are prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective from 1 January 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Charity constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern. There are no significant areas of judgement or key assumptions that affect items in the accounts. With respect to the next reporting period, the year ended 31 December 2025, the most significant areas of uncertainty that affect the carrying value of assets held by the Charity are the level of investment return and the performance of investment markets.

b) Cash flow

The accounts do not include a cash flow statement because the Charity, as a small reporting entity, is exempt from the requirement to prepare such a statement.

c) Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and have not been designated for other purposes.

Endowment funds are permanent trusts whose income is intended for the benefit of the charity. Income from endowment funds is unrestricted.

d) Income recognition

All income is recognised once the charity has entitlement to the income, there is sufficient certainty of receipt and so it is probable that the income will be received, and the amount of income receivable can be measured reliably.

Income from investments is included in the year in which it is receivable.

e) Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to the expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis.

Grants payable are charged when the offer is conveyed to the recipient, except in those cases where the offer is conditional, in which case the grant would be recognised as expenditure when the conditions attaching are fulfilled.

f) Charitable activities

The expenditure on charitable activities includes grants plus support costs.

g) Support costs

Support costs have been differentiated between governance costs and other support costs. Governance costs comprise of all costs involving the public accountability of the charity and its compliance with regulation and good practice.

h) Fixed asset investments

Listed investments are stated at market value as at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year.

i) Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later). Realised and unrealised gains are not separated in the Statement of Financial Activities.

ST MARY'S FUND, SALISBURY

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2024

j) Cash at bank and in hand

Cash at bank and in hand includes cash on deposit available on demand and cash held by Salisbury Diocesan Board of Finance.

k) Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured reliably. Creditors are normally recognised at their settlement amount.

l) Financial Instruments

Fixed asset investments are a form of basic financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date. Investment gains and losses, whether realised or unrealised, are combined and shown in the heading 'Net gains/(losses) on investments' in the Statement of financial activities.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2024

I report to the trustees on my examination of the accounts of the St Mary's Fund, Salisbury (the Trust) for the year ended 31 December 2024, which are set out on pages 3 to 7.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

OBJECTS AND ACTIVITIES

The Charity's purpose is to promote and maintain moral welfare work in accordance with Christian principles mainly among girls and women primarily within the Diocese of Salisbury. This is achieved by grant aiding qualifying individuals, through applications made by professionals supporting and working with them, and other bodies which are directly involved in this type of charitable work within the diocese.

Grants are given a) as starter grants for single, divorced or widowed parents setting up house, b) as special needs grants to single, divorced or widowed parents and c) for projects which assist disadvantaged parents. The Charity's accounting records are maintained by diocesan staff who also prepare the annual financial statements.

ACHIEVEMENTS AND PERFORMANCE

The managing trustees held two meetings during the year to approve the annual accounts, monitor income and expenditure, including grants previously awarded, and to consider new grant applications. During the year some 25 (2022 – 15) starter grants were given for setting up house and 22 grants (2022 – 19) were given for special needs. Four projects received block funding in 2023 (2022: 5 projects) and these are detailed on Page 5 in the Notes to the Accounts. All these grants provide a public benefit to a section of the public; the grants to individual women enables socially deprived people to get established in homes with reasonable facilities; the project funding confers wider public benefits by supporting social projects which assist all their clients. The trustees have decided to maintain individual needs grants as a priority over project funding and so the level of the latter fluctuates as the charity needs to operate within its expendable reserve.

The trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties.

FINANCIAL REVIEW

Investment income increased during the year to £57,689 (2022 - £54,886). Total grants and associated support costs increased to £70,534 (2022 - £55,526). The cost of grants given to organizations was £40,161 (2022 - £33,816) and to individuals £30,373 (2022- £21,440). Overall there was an unrestricted loss for the year of £12,845 (2022 - loss £370), and so the Fund's unrestricted reserve at the end of 2023 decreased to £127,570 (2022 - £140,414). (continued)

RESERVES POLICY

The Trust's policy is to hold modest reserves, and to aim to increase the numbers of grants made to individuals in need.

INVESTMENT POLICY

The Fund's investment policy is set out in note 5 to the Accounts.

RISKS REVIEW

As regards risk management the trustees consider that the Fund's principal risk is a significant collapse in stock markets which they have addressed by placing a proportion of the Fund's investments in a property fund.

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The law applicable to charities in England and Wales requires the Charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, of the Charity for that period. In preparing the financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Charity's schemes. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements.

ST MARY'S FUND, SALISBURY

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2023

1. Accounting Policies

a) Accounting convention

The accounts (financial statements) are prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective from 1 January 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Charity constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern. There are no significant areas of judgement or key assumptions that affect items in the accounts. With respect to the next reporting period, the year ended 31 December 2024, the most significant areas of uncertainty that affect the carrying value of assets held by the Charity are the level of investment return and the performance of investment markets.

b) Cash flow

The accounts do not include a cash flow statement because the Charity, as a small reporting entity, is exempt from the requirement to prepare such a statement.

c) Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and have not been designated for other purposes.

Endowment funds are permanent trusts whose income is intended for the benefit of the charity. Income from endowment funds is unrestricted.

d) Income recognition

All income is recognised once the charity has entitlement to the income, there is sufficient certainty of receipt and so it is probable that the income will be received, and the amount of income receivable can be measured reliably.

Income from investments is included in the year in which it is receivable.

e) Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to the expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis.

Grants payable are charged when the offer is conveyed to the recipient, except in those cases where the offer is conditional, in which case the grant would be recognised as expenditure when the conditions attaching are fulfilled.

f) Charitable activities

The expenditure on charitable activities includes grants plus support costs.

g) Support costs

Support costs have been differentiated between governance costs and other support costs. Governance costs comprise of all costs involving the public accountability of the charity and its compliance with regulation and good practice.

h) Fixed asset investments

Listed investments are stated at market value as at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year.

i) Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later). Realised and unrealised gains are not separated in the Statement of Financial Activities.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2023

- j) **Cash at bank and in hand**
Cash at bank and in hand includes cash on deposit available on demand and cash held by Salisbury Diocesan Board of Finance.
- k) **Creditors**
Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured reliably. Creditors are normally recognised at their settlement amount.
- l) **Financial Instruments**
Fixed asset investments are a form of basic financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date. Investment gains and losses, whether realised or unrealised, are combined and shown in the heading 'Net gains/(losses) on investments' in the Statement of financial activities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2023**

I report to the trustees on my examination of the accounts of the St Mary's Fund, Salisbury (the Trust) for the year ended 31 December 2023, which are set out on pages 3 to 7.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

ST MARY'S FUND, SALISBURY

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2022

LEGAL STATUS

The Fund is a registered charity, number 258822. Its governing instrument is a Charity Commission Scheme dated 5 December 2003, as modified by a Deed of Amendment of 7 February 2006 as altered by the Charity Commission Scheme of 14 July 2008 and a further Deed dated 2 December 2011.

TRUSTEES

The managing trustees who served during the year and to date are:

Revd L Holt (Chairwoman)	Mr J Kilbee (to May 2023)
Mrs C Romano	The Ven S Groom
Mrs E Goater	

The Managing Trustees are not less than five persons appointed by the Bishop's Council of the Diocese of Salisbury. The custodian trustee is the Salisbury Diocesan Board of Finance.

CONTACTS

Grants Administrator: Mrs D I James, Church House, Crane Street, Salisbury SP1 2QB

ADVISERS

Independent Examiner: Mrs N A Halls FCA, Fletcher & Partners, Bridge Street, Salisbury SP1 2LZ
Investment Manager: CCLA Investment Management Ltd, One Angel Lane, London, EC4R3AB

OBJECTS AND ACTIVITIES

The Charity's purpose is to promote and maintain moral welfare work in accordance with Christian principles mainly among girls and women primarily within the Diocese of Salisbury. This is achieved by grant aiding qualifying individuals, through applications made by professionals supporting and working with them, and other bodies which are directly involved in this type of charitable work within the diocese.

Grants are given a) as starter grants for single, divorced or widowed parents setting up house, b) as special needs grants to single, divorced or widowed parents and c) for projects which assist disadvantaged parents. The Charity's accounting records are maintained by diocesan staff who also prepare the annual financial statements.

ACHIEVEMENTS AND PERFORMANCE

The managing trustees held two meetings during the year to approve the annual accounts, monitor income and expenditure, including grants previously awarded, and to consider new grant applications. During the year some 15 (2021 – 26) starter grants were given for setting up house and 19 grant (2021 – 19) were given for special needs. Five projects received block funding in 2022 (2021: 4 projects) and these are detailed on Page 5 in the Notes to the Accounts. All these grants provide a public benefit to a section of the public; the grants to individual women enables socially deprived people to get established in homes with reasonable facilities; the project funding confers wider public benefits by supporting social projects which assist all their clients. The trustees have decided to maintain individual needs grants as a priority over project funding and so the level of the latter fluctuates as the charity needs to operate within its expendable reserve.

The trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties.

FINANCIAL REVIEW

Investment income increased during the year to £54,886 (2021 - £52,913). Total grants and associated support costs decreased to £55,526 (2021 - £59,026). The cost of grants given to organizations was £33,816 (2021 - £33,264) and to individuals £21,440 (2021 - £26,662). Overall there was an unrestricted loss for the year of £370 (2021 - loss £7,013), and so the Fund's unrestricted reserve at the end of 2022 decreased to £140,414 (2021 - £140,785). The endowment fund's investments have decreased by £218,917 (2021: Increase of £158,475) to £1,594,211 at the end of 2022 (2021 - £1,813,128). As a result there was an overall decrease in the Charity's resources by £219,288 to £1,734,626

ST MARY'S FUND, SALISBURY

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2022

(continued)

RESERVES POLICY

The Trust's policy is to hold modest reserves, and to aim to increase the numbers of grants made to individuals in need.

INVESTMENT POLICY

The Fund's investment policy is set out in note 5 to the Accounts.

RISKS REVIEW

As regards risk management the trustees consider that the Fund's principal risk is a significant collapse in stock markets which they have addressed by placing a proportion of the Fund's investments in a property fund.

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The law applicable to charities in England and Wales requires the Charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, of the Charity for that period. In preparing the financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Charity's schemes. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2022

1. Accounting Policies

a) Accounting convention

The accounts (financial statements) are prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective from 1 January 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Charity constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern. There are no significant areas of judgement or key assumptions that affect items in the accounts. With respect to the next reporting period, the year ended 31 December 2023, the most significant areas of uncertainty that affect the carrying value of assets held by the Charity are the level of investment return and the performance of investment markets.

b) Cash flow

The accounts do not include a cash flow statement because the Charity, as a small reporting entity, is exempt from the requirement to prepare such a statement.

c) Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and have not been designated for other purposes.

Endowment funds are permanent trusts whose income is intended for the benefit of the charity. Income from endowment funds is unrestricted.

d) Income recognition

All income is recognised once the charity has entitlement to the income, there is sufficient certainty of receipt and so it is probable that the income will be received, and the amount of income receivable can be measured reliably.

Income from investments is included in the year in which it is receivable.

e) Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to the expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis.

Grants payable are charged when the offer is conveyed to the recipient, except in those cases where the offer is conditional, in which case the grant would be recognised as expenditure when the conditions attaching are fulfilled.

f) Charitable activities

The expenditure on charitable activities includes grants plus support costs.

g) Support costs

Support costs have been differentiated between governance costs and other support costs. Governance costs comprise of all costs involving the public accountability of the charity and its compliance with regulation and good practice.

h) Fixed asset investments

Listed investments are stated at market value as at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year.

i) Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later). Realised and unrealised gains are not separated in the Statement of Financial Activities.

ST MARY'S FUND, SALISBURY

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2022

J) Cash at bank and in hand

Cash at bank and in hand includes cash on deposit available on demand and cash held by Salisbury Diocesan Board of Finance.

k) Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured reliably. Creditors are normally recognised at their settlement amount.

l) Financial Instruments

Fixed asset investments are a form of basic financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date. Investment gains and losses, whether realised or unrealised, are combined and shown in the heading 'Net gains/(losses) on investments' in the Statement of financial activities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2022**

I report to the trustees on my examination of the accounts of the St Mary's Fund, Salisbury (the Trust) for the year ended 31 December 2022, which are set out on pages 3 to 7.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

ST MARY'S FUND, SALISBURY

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2021

LEGAL STATUS

The Fund is a registered charity, number 258822. Its governing instrument is a Charity Commission Scheme dated 5 December 2003, as modified by a Deed of Amendment of 7 February 2006 as altered by the Charity Commission Scheme of 14 July 2008 and a further Deed dated 2 December 2011.

TRUSTEES

The managing trustees who served during the year and to date are:

Revd L Holt (Chairwoman)	Mr J Kilbee
Mrs C Romano	The Ven S Groom
Mrs E Goater	

The Managing Trustees are not less than five persons appointed by the Bishop's Council of the Diocese of Salisbury. The custodian trustee is the Salisbury Diocesan Board of Finance.

CONTACTS

Grants Administrator: Mrs D I James, Church House, Crane Street, Salisbury SP1 2QB

ADVISERS

Independent Examiner Mrs N A Halls FCA, Fletcher & Partners, Bridge Street, Salisbury SP1 2LZ
Investment Manager: CCLA Investment Management Ltd, Senator House, 85 Queen Victoria St, London EC4V 4ET

OBJECTS AND ACTIVITIES

The Charity's purpose is to promote and maintain moral welfare work in accordance with Christian principles mainly among girls and women primarily within the Diocese of Salisbury. This is achieved by grant aiding qualifying individuals, through applications made by professionals supporting and working with them, and other bodies which are directly involved in this type of charitable work within the diocese.

Grants are given a] as starter grants for single, divorced or widowed parents setting up house, b] as special needs grants to single, divorced or widowed parents and c] for projects which assist disadvantaged parents. The Charity's accounting records are maintained by diocesan staff who also prepare the annual financial statements.

ACHIEVEMENTS AND PERFORMANCE

The managing trustees held two meetings during the year to approve the annual accounts, monitor income and expenditure, including grants previously awarded, and to consider new grant applications. During the year some 26 (2020 – 41) starter grants were given for setting up house and 19 grants (2020 – 6) was given for special needs. Four projects received block funding in 2021 (2020: 2 projects) and these are detailed on Page 5 in the Notes to the Accounts. All these grants provide a public benefit to a section of the public; the grants to individual women enables socially deprived people to get established in homes with reasonable facilities; the project funding confers wider public benefits by supporting social projects which assist all their clients. The trustees have decided to maintain individual needs grants as a priority over project funding and so the level of the latter fluctuates as the charity needs to operate within its expendable reserve.

The trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties.

FINANCIAL REVIEW

Investment income decreased during the year to £52,913 (2020 - £55,229). Total grants and associated support costs increased to £59,926 (2020 - £41,267). The cost of grants given to organizations was £33,264 (2020 - £14,372) and to individuals £26,662 (2020- £26,896). Overall there was an unrestricted loss for the year of £7,013 (2020 - surplus £13,962), and so the Fund's unrestricted reserve at the end of 2021 decreased to £140,785 (2020- £147,798). The endowment fund's investments have increased by £158,475 (2020: increase of £62,964) to £1,813,128 at the end of 2021 (2020 - £1,654,653). As a result there was an overall increase in the Charity's resources by £151,463 to £1,953,913.

ST MARY'S FUND, SALISBURY

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2021

(continued)

RESERVES POLICY

The Trust's policy is to hold modest reserves, and to aim to increase the numbers of grants made to individuals in need.

INVESTMENT POLICY

The Fund's investment policy is set out in note 5 to the Accounts.

RISKS REVIEW

As regards risk management the trustees consider that the Fund's principal risk is a significant collapse in stock markets which they have addressed by placing a proportion of the Fund's investments in a property fund.

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The law applicable to charities in England and Wales requires the Charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, of the Charity for that period. In preparing the financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Charity's schemes. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2021

1. Accounting Policies

a) Accounting convention

The accounts (financial statements) are prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective from 1 January 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Charity constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern. There are no significant areas of judgement or key assumptions that affect items in the accounts. With respect to the next reporting period, the year ended 31 December 2022, the most significant areas of uncertainty that affect the carrying value of assets held by the Charity are the level of investment return and the performance of investment markets.

b) Cash flow

The accounts do not include a cash flow statement because the Charity, as a small reporting entity, is exempt from the requirement to prepare such a statement.

c) Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and have not been designated for other purposes.

Endowment funds are permanent trusts whose income is intended for the benefit of the charity. Income from endowment funds is unrestricted.

d) Income recognition

All income is recognised once the charity has entitlement to the income, there is sufficient certainty of receipt and so it is probable that the income will be received, and the amount of income receivable can be measured reliably.

Income from investments is included in the year in which it is receivable.

e) Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to the expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis.

Grants payable are charged when the offer is conveyed to the recipient, except in those cases where the offer is conditional, in which case the grant would be recognised as expenditure when the conditions attaching are fulfilled.

f) Charitable activities

The expenditure on charitable activities includes grants plus support costs.

g) Support costs

Support costs have been differentiated between governance costs and other support costs. Governance costs comprise of all costs involving the public accountability of the charity and its compliance with regulation and good practice.

h) Fixed asset investments

Listed investments are stated at market value as at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year.

i) Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later). INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2021

I report to the trustees on my examination of the accounts of the St Mary's Fund, Salisbury (the Trust) for the year ended 31 December 2021, which are set out on pages 3 to 7.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

OBJECTS AND ACTIVITIES

The Charity's purpose is to promote and maintain moral welfare work in accordance with Christian principles mainly among girls and women primarily within the Diocese of Salisbury. This is achieved by grant aiding qualifying individuals, through applications made by professionals supporting and working with them, and other bodies which are directly involved in this type of charitable work within the diocese.

Grants are given a) as starter grants for single, divorced or widowed parents setting up house, b) as special needs grants to single, divorced or widowed parents and c) for projects which assist disadvantaged parents. The Charity's accounting records are maintained by diocesan staff who also prepare the annual financial statements.

ACHIEVEMENTS AND PERFORMANCE

The managing trustees held two meetings during the year to approve the annual accounts, monitor income and expenditure, including grants previously awarded, and to consider new grant applications. During the year some 41 (2019 - 34) starter grants were given for setting up house and 6 grants (2019 - 5) were given for special needs. Two projects received block funding in 2020 (2019: 5 projects) and these are detailed on Page 5 in the Notes to the Accounts. All these grants provide a public benefit to a section of the public; the grants to individual women enables socially deprived people to get established in homes with reasonable facilities; the project funding confers wider public benefits by supporting social projects which assist all their clients. The trustees have decided to maintain individual needs grants as a priority over project funding and so the level of the latter fluctuates as the charity needs to operate within its expendable reserve.

The trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties.

FINANCIAL REVIEW

Investment income decreased during the year to £55,229 (2019 - £59,159). Total grants and associated support costs decreased to £41,267 (2019 - £54,134). The cost of grants given to organizations was £14,372 (2019 - £31,305) and to individuals £26,896 (2019 - £22,830). Overall there was an unrestricted surplus for the year of £13,962 (2019 - £5,025), and so the Fund's unrestricted reserve at the end of 2020 increased to £147,798 (2019 - £133,835). The endowment fund's investments have increased by £62,964 (2019: increase of £147,828) to £1,654,653 at the end of 2020 (2019 - £1,591,689). As a result there was an overall increase in the Charity's resources by £76,926 to £1,802,450.

ST MARY'S FUND, SALISBURY

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2020

(continued)

RESERVES POLICY

The Trust's policy is to hold modest reserves, and to aim to increase the numbers of grants made to individuals in need.

INVESTMENT POLICY

The Fund's investment policy is set out in note 5 to the Accounts.

RISKS REVIEW

As regards risk management the trustees consider that the Fund's principal risk is a significant collapse in stock markets which they have addressed by placing a proportion of the Fund's investments in a property fund.

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The law applicable to charities in England and Wales requires the Charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, of the Charity for that period. In preparing the financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Charity's schemes. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements.

ST MARY'S FUND, SALISBURY

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2020

1. Accounting Policies

a) Accounting convention

The accounts (financial statements) are prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective from 1 January 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Charity constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern. In this assessment the trustees have considered the impact of COVID-19. There are no significant areas of judgement or key assumptions that affect items in the accounts. With respect to the next reporting period, the year ended 31 December 2021, the most significant areas of uncertainty that affect the carrying value of assets held by the Charity are the level of investment return and the performance of investment markets.

b) Cash flow

The accounts do not include a cash flow statement because the Charity, as a small reporting entity, is exempt from the requirement to prepare such a statement.

c) Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and have not been designated for other purposes.

Endowment funds are permanent trusts whose income is intended for the benefit of the charity. Income from endowment funds is unrestricted.

d) Income recognition

All income is recognised once the charity has entitlement to the income, there is sufficient certainty of receipt and so it is probable that the income will be received, and the amount of income receivable can be measured reliably.

Income from investments is included in the year in which it is receivable.

e) Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to the expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis.

Grants payable are charged when the offer is conveyed to the recipient, except in those cases where the offer is conditional, in which case the grant would be recognised as expenditure when the conditions attaching are fulfilled.

f) Charitable activities

The expenditure on charitable activities includes grants plus support costs.

g) Support costs

Support costs have been differentiated between governance costs and other support costs. Governance costs comprise of all costs involving the public accountability of the charity and its compliance with regulation and good practice.

h) Fixed asset investments

Listed investments are stated at market value as at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year.

i) Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later). Realised and unrealised gains are not separated in the Statement of Financial Activities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2020**

I report to the trustees on my examination of the accounts of the St Mary's Fund, Salisbury (the Trust) for the year ended 31 December 2020, which are set out on pages 3 to 7.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
