The Royal Regiment of Fusiliers
Fusiliers' Aid Society
Report of The Trustees
For the year ended 31 December 2022

The Trustees take pleasure in presenting their report and audited financial statements of Fusiliers' Aid Society ("FAS") for the year ended 31 December 2022.

STATUS AND ADMINISTRATION

The Charitable Trust was founded by Trust Deed in 1969. The registered charity number is 259229.

The Managing Trustees (ex officio appointments) who have served during the year were:

Major (Retd) RJ Turpin
Lieutenant Colonel S Burton MBE
Brigadier J Lamb MC
Colonel A Gawthorpe
Major General J Swift OBE
Captain (Retd) S Jubb
Major (Retd) M O'Hare
Colonel (Retd) NJP Easton QVRM TD
Brigadier Jim Taylor MBE

CHARITY OBJECTS

The object of the Society is to provide advice and assistance, directly or indirectly, out of capital or income, to serving and past members of the Regiment and past members of the Regiments from which it was formed, and their widows and dependants, by making grants to them when in need and towards education.

PUBLIC BENEFIT

The Trustees confirm that they have complied with the duty in Section 17 of the Charities Act 2011 to have due regard to the Charity Commission's general guidance on public benefit. The purpose of the charity is enshrined in its objects as outlined above. The Trustees ensure that this is carried out for the public benefit by delivering a range of activities to meet its objects.

ORGANISATIONAL STRUCTURE

The Society is operated from our Regimental Headquarters at HM Tower of London. It is managed by the nine Managing Trustees, 5 of whom are ex-officio appointments.

The Assistant Regimental Secretary, Captain (Retd) A R G Harris, is the Nominated Secretary of the Charity, and he acts as the Account Holder. The accounting records are maintained by Captain (Retd) A R G Harris.

Throughout the accounting period the Chairman of the Regimental Investment Committee has been Mr Clive Hexton. The Regimental Investment Committee continues to meet twice a year and Sarasin Fund Managers attend both meetings for a review of the investment performance.

REVIEW OF ACTIVITIES DURING THE YEAR

FAS continues to honour the obligations of the antecedent funds.

FAS paid out grants for the benefit of individuals totalling £86,150 during the course of 2022 representing 169 cases (average of £509 per case). This was lower than 2021 (£105,845 granted to 185 cases –average of £572 per case).

FAS continues to enjoy a close working relationship with The Army Benevolent Fund The Soldiers Charity (ABF SC). In the period in question ABF SC made grants totalling approximately£50,544 supporting 73 Fusilier cases with payment going direct to the relevant caseworking organisation. FAS donated £25,000 (£25,000 in 2021) to ABF SC to allow them to continue their activities . ABF SC supported 43 charities and organisations on behalf of FAS and other service charities, awarding block grants to the value of £3.8 million.

Donations made by FAS to external charities (including ABF SC mentioned above) directly supporting serving and retired Fusiliers totalled £29,043. Welfare grants to our regular Battalion, reserve Battalion and army reserve units totalled £13,582. FAS continues to offer cognitive behaviour therapy (CBT) via Leafyard , which can assist people (in our case serving soldiers, veterans, and their families) cope with various mental health issues by guiding them through a number of self –help exercises. Leafyard was introduced in 2021 following a successful pilot amongst a Fusilier study group and further studies have demonstrated that it is a valuable addition to the support that FAS can offer.

The Royal Regiment of Fusiliers
Fusiliers' Aid Society

Report of The Trustees
For the year ended 31 December 2022

FAS spent £24,089 with UK Service Matters (UKSM). As a recap, in September 2021, to further enhance our offering to veterans (and serving members), FAS engaged 2 trained and experienced Welfare and Mental Health practitioners , trading as UK Service Matters (UKSM), to further enhance our offering to veterans (and serving members), FAS engaged 2 trained and experienced Welfare and Mental Health practitioners. UKSM has appropriate insurance and DBS clearances, UKSM offer focussed information, advice and guidance (IAG) on benefits , housing, employment and other vital matters to our veterans them to offer focussed information, advice and guidance (IAG) on benefits, housing, employment and other vital matters, to our veterans. In 2022, UKSM engaged in about 48 cases per month of which 40% (20 cases) resulted in direct FAS financial assistance, but with the other 60% of cases (28 cases) involving IAG assistance with signposting and referral to statutory bodies, such as local authorities, NHS and other charities. This IAG intervention via UKSM is a valuable addition to FAS services and one that the Trustees are pleased to continue into 2023. FAS received a grant of £2,500 from the Worshipful Company of Cordwainers to assist with our efforts towards supporting mental health (MH) . It is expected that UKSM assist with our efforts towards supporting mental health (MH) This sum has been utilised to promote the Leafyard offering as well as individual MH awareness training.

£2,275 was paid in Christmas grants to widows and families of killed and injured Fusiliers, including in-pensioners at The Royal Hospital. Chelsea and residents of Broughton House, and Scottish Veterans residences.

FAS continued to support The Fusilier Museum, Bury with grants totalling £15,000, allowing the Museum to carry on its work supporting heritage and veterans. We also invested a further £7,760 in a Living History project (involving the recording of oral interviews from veterans of various Operations post WW2). £4,429 was spent digitising all Regimental Journals from 1968 to date. A further £4,279 was spent in the first half of 2023 to complete the project. Furthermore £8,000 was spent supporting museums, by subsidising their insurance premiums and assisting with other costs and expenses.

A total of £15,574 was spent on remembrance activities in 2022 to recognise the sacrifice of so many in the Regiment and its antecedents.

FAS granted a total of £13,361 to the Fusilier Association Warwick to support the commitment made to honour the obligations of The Royal Warwick Compassionate and Welfare Fund (RWCWF).

In 2022, FAS applied for and received a grant of £35,000 from the Armed Forces Covenant Trust Fund (AFCTF) . This grant has been used to introduce Fusilier Connect , a web based app that provides connectivity , event management, news dissemination and other benefits amongst the entire Fusilier family (serving, veterans, families, adult Cadet Instructors and others). It has been designed to improve and modernise our digital platform to enable us to reconnect with our veteran and wider community. This will provide comradeship, increased connectivity including face to face activity. It will further enable and foster esprit de corps, peer support and increased mentoring as well as meeting mental health requirements. FAS has contracted with The Military App , a social enterprise , that designed, provides, services and operates the platform. The Household Cavalry Regiment is also on the platform and it is hoped that others, regiments and Corps will join in due course, thereby enhancing the offering to the entire community

The platform was launched on 23 April 2023 and is proving very popular. Considerable effort went into pre-launch activities and events, and over 1500 joined in the first 7 days of operation. The ongoing costs are expected to be in the region of £15,000 per annum, a sum the Trustees consider to be good value as it will become the digital hub of the Regiment for many years to come.

Donations into FAS for the year totalled £267,655 (2021 £114,259) . This included two legacies, one for £3,000 from Donnelly and one for £181,559 from the Estate of Dorothy Lonsdale, a relation of an ex- Lancashire Fusilier. The FAS Lottery launched in October 2019 produced an income of £5,386 for the year. The One day's Pay Scheme continued to be well subscribed and produced an income of £61,090 in 2022.

IMPACT OF COVID 19

Covid 19 and its aftermath had little effect on our operations in 2022. In the first half of 2022, all our museums continued to feel the effect of fewer numbers, but by the second half of 2022 footfall and functions were back to approaching pre-COVID 19 numbers

The Trustees consider that FAS still has sufficient reserves to continue to operate and all aspects of the charity's operations remain under constant review.

The Royal Regiment of Fusiliers
Fusiliers' Aid Society
Report of The Trustees
For the year ended 31 December 2022

FUTURE ACTIVITIES AND DEVELOPMENTS

Donations and legacies continue to be vital to FAS.

FAS is governed by its Trust Deed signed in 1968. As such FAS is an unincorporated trust. Work is continuing to merge FAS with the other Regimental charity (the Fusiliers Fund, currently an excepted charity), and at the same time convert to a CIO. This has been held up due to the lawyer involved moving firms, but the new CIO should be set up by the end of 2024. There will be no change to the objects and it is anticipated that the work of FAS will continue. Assets will then be transferred to the new CIO throughout 2023 -2024.

FINANCIAL RESULTS

The results are shown on pages 9 to 15 of these financial statements

GRANT MAKING POLICY

Assistance is disbursed under the authority of the Trustees to members of the Regimental Family who have fallen on hard times normally through no fault of their own. The assistance provided is usually in the form of financial grants, however in addition advice on welfare problems and other financially related problems etc. is also available and holidays are arranged through the Army Benevolent Fund.

The Fusiliers' Aid Society does not make loans other than in exceptional situations. Listed below are the circumstances where the Trustees would not usually authorise aid. There are however exceptions to the rules and all cases are treated on their merits:

- a. Assistance to pay off fines.
- b. Grants to car owners, unless medically justified, as such ownership is not considered synonymous with poverty.
- c. Payment of legal bills, private medical bills and business debts.

INVESTMENT POLICY

The investment powers of the Charity are governed by the Deed of Trust which permits the funds to be invested in any investment without the restrictions imposed by the Trustee Investment Act 1961.

The Regimental investments are managed by Sarasin and Partners LLP, and funds are held in their Alpha Fund.

RESERVES POLICY

The Trustees have examined the requirement for free reserves which are those unrestricted funds not invested in fixed assets, designated for specific purposes, or otherwise committed. The Trustees consider that, given the nature of the work of the Society, there are sufficient unrestricted funds to give flexibility to cover temporary timing differences for grant claims and adequate working capital for core costs.

RISK MANAGEMENT

The Trustees actively review the major risks which the Society faces on a regular basis and believe that maintaining adequate free reserves, combined with the annual review of the controls over key financial systems will be sufficient to meet adverse conditions. The Trustees have also examined other operational and business risks and have established systems to mitigate any significant risk.

The Royal Regiment of Fusiliers
Fusiliers' Aid Society
Report of the Trustees
For the year ended 31 December 2022

TRUSTEES' RESPONSIBILITIES

Charity law requires the Trustees to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the charity at the period end and of its incoming resources and resources expended during that period. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently.
- make judgements and estimates that are reasonable and prudent.
- state whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement as to Disclosure of Information to Auditors

The Trustees in office at the date of approval of this report have confirmed that, as far as they are aware, there is no relevant audit information of which the auditors are unaware.

Each of the Trustees has confirmed that they have taken all the steps that they ought to have taken as Trustees in order to make themselves aware of any relevant audit information and to establish that it has been communicated to the auditors.

Approved by the Managing Trustees and signed on their behalf by:

Major (Retd) R J Turpin

The Royal Regiment of Fusiliers
Fusiliers' Aid Society

Independent Auditors' Report to the Trustees of
The Fusiliers' Aid Society

Opinion

We have audited the financial statements of The Royal Regiment of Fusiliers, Fusiliers' Aid Society for the year ended 31 December 2022 which comprise the statement of financial activities, the balance sheet and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 Section 1A The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- ☐ give a true and fair view of the state of the Charity's affairs as at 31 December 2022 and of its income and expenditure for the year then ended;
- ☐ have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- ☐ have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The Trustee is responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

The Royal Regiment of Fusiliers
Fusiliers' Aid Society

Independent Auditors' Report to the Trustees of
The Fusiliers' Aid Society (continued)

Opinions on other matters prescribed by the Charities Act 2011

In our opinion, based on the work undertaken in the course of the audit:

- ☐ the information given in the Trustees report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- ☐ the Trustees report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Charities Act 2011 requires us to report to you if, in our opinion:

- ☐ adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- ☐ the financial statements are not in agreement with the accounting records and returns; or
- ☐ certain disclosures of Trustees remuneration specified by law are not made; or
- ☐ we have not received all the information and explanations we require for our audit.

Responsibilities of the Trustees

As explained more fully in the Trustees responsibilities statement, the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the director determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the director either intends to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, and then design and perform audit procedures responsive to those risks, including obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion.

Identifying and assessing potential risks related to irregularities.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, our procedures included the following:

- enquiring of management whether they were aware of any instances of fraud or non-compliance with laws and regulations;
- obtaining an understanding of the legal and regulatory framework within which the company operates. The main laws and regulations we considered as affecting the financial statements were the Charities Act 2011 and UK tax legislation.
- discussing amongst the engagement team how and where fraud might occur and any potential indicators of fraud. As part of this discussion we identified potential fraud risks in relation to management override of controls and grant expenditure.

The Royal Regiment of Fusiliers
Fusiliers' Aid Society

Independent Auditors' Report to the Trustees of
The Fusiliers' Aid Society (continued)

Audit response to risks identified.

Our procedures to respond to the identified risks included:

- analytical review of the financial statements;
- reviewing grant applications and supporting documentation;
- examining journal entries to address the risk of fraud through management override of controls;
- review of the disclosures in the financial statements.

Owing to the inherent limitations of an audit, there is an unavoidable risk that some material misstatements in the financial statements may not be detected, even though the audit is properly planned and performed in accordance with the ISAs (UK). For instance, the further removed non-compliance is from the events and transactions reflected in the financial statements, the less likely the auditor is to become aware of it or to recognise the non-compliance.

A further description of our responsibilities is available on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Charities Trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and the regulations made within that Act. Our audit work has been undertaken so that we might state to the Charity's Trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for our audit work, for this report, or for the opinions we have formed.

The Royal Regiment Of Fusiliers
Fusiliers' Aid Society

Notes to the Financial Statements
For the year ended 31 December 2022

1. Accounting policies

(a) Accounting basis

The financial statements are prepared under the historical cost convention as modified by the inclusion of investments at fair value and in accordance with Financial Reporting Standard 102 ("FRS 102") – The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland and with the Statement of Recommended Practice 'Accounting and Reporting by Charities' FRS 102 as revised in 2020 ("the SORP") together with the Charities Act 2011.

Having reviewed the activities and performance of the charity the trustees have reasonable expectation that the charity has adequate resources to continue its activities for the foreseeable future. Accordingly, they have adopted the going concern basis in the preparation of these financial statements as outlined in the Statement of Trustees' Responsibilities.

(b) Unrestricted funds

Unrestricted funds are donations and other income receivable or generated for the objects of the charity without further specified purpose and are available as general funds.

(c) Restricted funds

Restricted funds are those to be used for specified purposes as laid down by the donor.

(d) Tangible fixed assets and depreciation

Tangible fixed assets for use by the Charity are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful life on the following basis:

Computer software & equipment	-	4 years straight line basis
-------------------------------	---	-----------------------------

(e) Income

Voluntary income and donations are accounted for on a receivable basis by the charity. The value of services provided by volunteers has not been included. Legacies are accounted for on a receivable basis when there is adequate certainty of receipt and value.

(f) Gift Aid Income

Income receivable under gift aid is included in the financial statements after including recoverable taxation.

(g) Grant income

Grant income is recognised on a receivable basis when the granting organisation is committed to payment.

(h) Resources Expended

Expenditure is included on an accruals basis.

Costs of generating funds comprise those costs directly attributable to managing the investment portfolio and raising investment income. Grants payable are charged in the period when the offer is conveyed to the recipient except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the period end are noted as a commitment, but not accrued as expenditure.

Office costs comprise costs for processing grants and applications, including support to actual and potential applicants.

Governance costs include those associated with meeting the constitutional and statutory requirements of the charity.

(i) Financial Instruments

Quoted Investments are financial instruments stated at market value. Realised and unrealised gains and losses are dealt with in the Statement of Financial Activities. Investment income plus associated tax recoverable is credited to income on an accruals basis.

2. Donations, grants and similar incoming resources		
Subscriptions	61,090	61,511
Legacies (unrestricted)	2,890	
Legacies (restricted)	181,559	-
Donations (restricted)	5,000	2,500
Donations (unrestricted)	17,116	50,248
	<u>267,655</u>	<u>114,259</u>
Donation in Kind		
There was no charge for administration and other services provided by the Assistant Regimental Secretary and his 2 assistants. The estimated value of this donation in kind during the year was £12,000 (2021 - £12,000).		
Legacies		
Legacies include £181,559 from the Estate of Dorothy Lonsdale Deceased Will Trust which was left to The Lancashire Fusiliers Compassionate Fund. The Lancashire Fusiliers Compassionate Fund is now part of the Royal Regiment of Fusiliers Fusiliers' Aid Society. The Trustees of the Royal Regiment of Fusiliers Fusiliers' Aid Society have allocated this income to restricted income pending legal opinion that the funds can be treated as unrestricted.
