## **THE CITY CHARITY TRUST**

### **TRUSTEES' REPORT YEAR ENDED 31 MARCH 2025**

---

The Trustees of the charity present their statutory report together with the accounts of The City Charity Trust ("the Trust") for the year to 31 March 2025.

The accounts have been prepared in accordance with the accounting policies set out on pages 11 to 13 of the attached accounts and comply with the Trust's Trust Deed, applicable laws, accounting standards (United Kingdom Generally Accepted Accounting Practice) and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102).

#### **INTRODUCTION**

The Charity was created by Deed dated 26 July 1969 and is established as a grant making trust. The Trustees normally make donations to other registered charities. The scope of their giving is determined by the extent of their resources; it is not restricted either geographically or by the type of activity carried on by the respective beneficiaries.

#### **ACTIVITIES, SPECIFIC OBJECTIVES AND RELEVANT POLICIES**

##### **Activities and specific objectives**

The Trust's charitable objective as expressed in its charitable objects is: "For the benefit of such charitable institutions or objects as the Trustees shall in their absolute discretion from time to time determine."

The Trust carries out these objects by funding organisations identified and suggested to the Trustees as active in the field of the environment, arts, health and humanitarian need.

##### **Objectives and activities for the public benefit**

The Trust's sole activity is making grants to charitable organisations, fulfilling their aim to help people and the society they live in.

The Trustees have confirmed that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives, managing the Trust's assets and considering applications for financial assistance.

The Trustees are confident that their public benefit duty is fulfilled. The Trustees also consider that there is no detriment, harm or private benefit that arises from carrying out the charity's aims.

The Trustees are in correspondence with all of the organisations that the Trust supports and we receive confirmations from all recipients of our grants to ensure that our grants deliver public benefit. We ensure the public benefit is met by reviewing the activities of the recipients of our support.

##### **Grant making policy and aims**

The Trust has established its grant making policy to achieve its objects for the public benefit to seek organisations which improve the quality of people's lives. In order to award funding, the Trustees carry out research as to which organisations have the impact.

## ACHIEVEMENTS AND PERFORMANCE

### Review of activities

In the year, the Charity received legacy donations of £10,933 (2024: £3,476,922) and grants of £90,000 were awarded (2024: £44,000).

### Incoming Resources

The total incoming resources in the Unrestricted Fund for the year ended 31 March 2025 were £128,033 (2024: £3,552,071).

### Expenditure

Resources of £142,898 were expended during the year (2024: £78,196). Charitable management and administration costs were £21,590 (2024: £14,868). Charitable grants of £90,000 were committed during the year (2024: £44,000). Governance costs were £3,240 (2024: £4,920) and costs of raising funds were £28,068 (2024: £14,408).

## FINANCIAL REVIEW

### Results for the year

The Trustees are satisfied with the financial position of the Charity and confirm that they have adequate assets available to fulfil their obligations.

1. Cash held at the year end was £86,231 (2024: £72,831).
2. Investment values have decreased by £109,600 (2024: increased by £3,401,780). Details of the movements are shown in note 7.
3. Total Funds have decreased by £82,926 (2024: increased by £3,799,900). The Statement of Financial Activities shows the movement in detail.

### Reserves Policy and going concern

Funds in the Unrestricted Fund are kept to the minimum necessary for the operations of the charity to continue uninterrupted. When necessary unrestricted funds are supplemented by transfers from the Expendable Endowment. It is not envisaged that there will be future commitments that exceed future income on an annual basis therefore the Trustees are happy with the current reserve level. The Trustees are of the view that the trust is a going concern.

### Investment policy

The Investment advisors are instructed to invest in a portfolio which will provide the optimum yield by way of capital appreciation and income consistent with reducing risk to a minimum.

## GOVERNANCE, STRUCTURE AND MANAGEMENT

### Appointment of Trustees and Trustee induction and training

The Trustees are appointed in accordance with the terms of the deed dated 26 July 1969 and have the appropriate knowledge and expertise to manage and administer the Charity. The Trustees have complied with the duty to have regard to guidance issued by the Charity Commission. New Trustees are briefed on their legal obligations under charity law, the Charity Commission guidance on public benefit, informed of the contents of the deed, decision-making processes and recent financial performance of the Charity. Before taking on the role they meet key advisors and other Trustees. Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

### Risk management

The Trustees have identified the major risks applicable to a trust of this nature and believe that appropriate action has been taken to mitigate these risks. The Trustees will continue to keep the adequacy of the systems under review.

**GOVERNANCE, STRUCTURE AND MANAGEMENT (CONTINUED)**

**Statement of Trustees' responsibilities**

The Trustees are responsible for preparing the Trustees' report and accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the Trust and of the incoming resources and application of resources of the Trust for that period. In preparing these accounts, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable to the United Kingdom and Republic of Ireland (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable United Kingdom accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the Trust will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Trust and enable them to ensure that the accounts comply with the Charities Act 2011, applicable Charity (Accounts and Reports) Regulations and the provisions of the governing documents. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**PLANS FOR THE FUTURE**

The City Charity Trust aims to cement relationships with the recipients of grants whilst maintaining an open mind to support other organisations with our charitable objectives.

This report is made to the Trustees, as a body, in accordance with the terms of my engagement. My work has been undertaken so that I might carry out an Independent Examination of the financial statements in accordance with the General Directions given by the Charity Commissioners. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body for my work or for this report.

**Responsibilities and basis of report**

As the charity trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## THE CITY CHARITY TRUST

### NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED 31 MARCH 2025

---

#### 1. ACCOUNTING POLICIES

##### **Charity Information**

The City Charity Trust is an unincorporated Trust. Its principal place of business is One Bartholomew Close, London, EC1A 7BL.

##### **1.1 Accounting convention**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 and rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Charity.

The financial statements have been prepared under the historical cost convention, with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts.

##### **1.2 Going concern**

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. The Charity is not a functional Charity having staff and overheads but makes grants and donations from its investment income.

The Trustees have assessed whether the use of the going concern assumption is appropriate in preparing these accounts. The Trustees have made this assessment in respect to a period of one year from the date of approval of these accounts.

The Trustees of the Trust have concluded that there are no material uncertainties related to events or conditions that may cast significant doubt on the ability of the Trust to continue as a going concern. The Trustees are of the opinion that the Trust will have sufficient resources to meet its liabilities as they fall due.

##### **1.3 Charitable funds**

The Expendable Endowment Fund is the Capital Fund of the Charity and represents the original investments, subsequent receipts, and subsequent gains and losses thereon. The Endowment is not permanent as the Trustees may apply these funds at their discretion.

The Unrestricted Fund is the General Fund which is available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

##### **1.4 Income**

Income is recognised once the Charity has entitlement to the income. It is probable that the income will be received, and the amount of income receivable can be measured reliably. All income is stated gross of any expenditure.

## THE CITY CHARITY TRUST

### NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED 31 MARCH 2025

---

#### 1. ACCOUNTING POLICIES (CONTINUED)

##### 1.4 Income (continued)

Legacies and Donations are recognised when the Trust has confirmation of both the amount and the settlement date. In the event of donations pledged but not received, the amount is accrued for where the receipt is considered probable. In the event that the donation is subject to conditions that require a level of performance before the Trust is entitled to the funds, the income is deferred and not recognised until either the conditions are fully met, or the fulfilment of these conditions are wholly within the control of the Trust and it is probable that these conditions will be fulfilled in the reporting period.

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Trust; this is normally upon notification of the interest paid or payable by the bank.

##### 1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Expenditure comprises the following:

- a) Expenditure on raising funds includes fees paid to investment managers in connection with advice on and management of the Trust's listed investments.
- b) Expenditure on charitable activities comprises grants payable. Grants payable are included in the statement of financial activities when approved and when the intended recipient has either received the funds or been informed of the decision to make the donation and has satisfied all related conditions. Grants approved and communicated but not paid at the end of the financial year are accrued for. Grants where the beneficiary has not been informed or has to meet certain conditions before the grant is released are not accrued for but are noted as financial commitments in the notes to the accounts.

All expenditure is statement inclusive of irrecoverable VAT.

##### 1.6 Allocation of support and governance costs

Support costs represent indirect charitable expenditure. In order to carry out the primary purposes of the Trust it is necessary to provide support in the form of administrative services.

Governance costs comprise the costs involving the public accountability of the Trust (including audit costs) and costs in respect of its compliance with regulation and good practice.

Support costs and governance costs are apportioned directly to the one charitable activity.

##### 1.7 Fixed asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The Statement of Financial Activities includes the net gains and losses arising on disposals during the year and fair value adjustments at the year end.

##### 1.8 Taxation

The City Charity Trust is a registered Charity and is not liable to income or capital gains taxes on its present activities.

1.10 Cash at bank and in hand and short term deposits

Cash at bank and in hand represents such accounts and instruments that are available on demand or have a maturity of less than three months from the date of acquisition. Deposits for more than three months but less than one year have been disclosed as short term deposits.

1.11 Creditors

Creditors are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are usually recognised at their settlement amount.
