THE FIELD FAMILY CHARITABLE TRUST
ANNUAL REPORT FOR THE YEAR ENDED 5 APRIL 2023

The Trustees present their report along with the financial statements for the charity for the year ended 5 April 2023. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Trust is an Endowed Charitable Trust established by a Trust Deed dated the 8th October 1969, under the name of the Woodlands Trust, the objects of which are to make grants for such charitable purpose or purposes as shall from time to time be determined by the Trustees. After careful consideration the Trustees decided to change the name of the Trust to The Field Family Charitable Trust. This decision was taken to eliminate confusion with another registered charity known as the Woodland Trust. The new name was accepted by the Charity Commission in December 2013.

Appointment of new trustees is by invitation of the existing Trustees. Prospective new trustees are invited to attend Trustee meetings prior to formal appointment for induction and training purposes.

The Trustees meet twice a year in the Spring and Autumn. The day to day administration of grants and the processing of applications prior to consideration by the Trustees is carried out by the Trust's solicitors Potheary Witham Weld.

The Trustees play a very active role in the Trust and review their policy and criteria regularly. Although they have a central policy, certain flexibility is retained to allow for reaction to changes in the environment and the community alike. The Trustees, where appropriate, commit a proportion of their income to continuing grants which means there is less income for distribution for other charitable purposes.

OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT

The objects of the Trust are for such charitable purposes as shall from time to time be determined by the Trustees. The Trustees achieve these objects by making grants to other registered charities. In setting their grant making policy and when reviewing the Trust's aims and objectives the Trustees confirm that they have had regard to the guidance provided by the Charity Commission on public benefit.

Grant Making Policy

The Trustees have established their grant making policy to achieve their objects for the public benefit. The grant making policy is reviewed periodically by the Trustees to ensure that it continues to meet the objectives of the Trust and thereby advances public benefit. A review took place on the 30th of April 2019 and resulted in the Trustees agreeing to amend the age group of the targeted vulnerable young beneficiaries of the Trust's funds from 16-25 to 13-25 to ensure more beneficiaries can be included in the supported projects. The Trustees also agreed to amend the restriction regarding the reserves and extend the reserves of unrestricted

funds to be no more than one year of the total expenditure. The accounts of charities who exceed 6 months of unrestricted reserves will be scrutinized in depth to understand the reasons for such high reserves.

The Trustees have continued to concentrate their grant giving in the West Midlands and in London within the boundaries of the M25. The principal interests of the Trustees continue to lie with:

1. Youth, between the ages of 13-25
2. The elderly

Grants are usually for equipment, furnishings, running costs, salaries, helplines. The Trustees do not consider applications for capital funding for buildings but will consider appeals for furnishings, equipment and alterations to existing buildings to comply with health and safety regulations.

Appeals are only considered if submitted via the Trust's online application form which is available from the Trust's webpage hosted by the solicitors www.pwwsolicitors.co.uk/charity-grants. All applications are initially assessed by the Trust Administrator and further information is requested as necessary.

In addition to the above the Trustees may put aside a portion of their income for grants for special projects of which they have personal knowledge or an organisation which they have supported in the past. There were no such grants made in the year.

REVIEW OF ACHIEVEMENTS AND PERFORMANCE

The aim of the Trust's work was to improve the quality of life and prospects for young people and the elderly. The Trustees met twice in the reporting year and authorised 15 grants totalling £32,000 as set out below:

Young People aged 13 to 25 years

Twelve grants were authorised under this category totalling £27,000. None of the grants authorised under this category were to charities that had received support in the past.

The Elderly

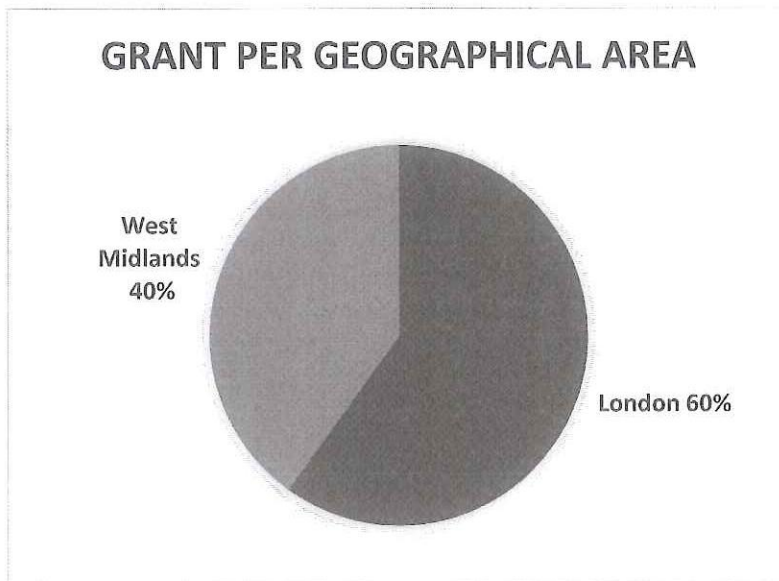

Three grants were authorised under this category totalling £5,000. None of the grants authorised under this category were to charities that had received support in the past.

PERFORMANCE

The benefit of the Trust's funding supported registered charities delivering front line services to those groups that the Trustees were targeting.

Geographical spread of grants

The Trustees authorised grants throughout their target geographical area with the majority in the London.

Category of grants

The grants authorised in the year were made in accordance with the Trust's stated priority groups of the Elderly and Young People between the ages of 13 and 25 years. The majority of grants were given to projects supporting Young People.

Purpose of grants

As in previous years the majority of funding went towards Project Funding. The Trustees do not restrict their funding to these categories and welcome applications for all purposes apart from capital costs.

Monitoring

All successful applicants are required to provide a report on the use of the funding provided and how it had benefited the target groups one year from the date of payment of a grant, or at the end of a project, whichever is soonest. An official monitoring form is provided for the purpose of reporting.

During the reporting period 11 reports were received relating to grants authorised in past years.

The Trustees were satisfied that their funding up to the year ended 5 April 2023 had been successful in reaching the groups they were targeting with their grant making policy.

FINANCIAL REVIEW

The Trust's work is dependent on income from its investments which during this year was £70,748. Total expenditure for the year was £58,542. This included the grants awarded in year totalling £32,000.

During the year there was a net loss on investments of £231,491. Although this was, as might be expected, a financially challenging year the policy of distributing net income maintains the ongoing financial security of the Trust.

Investment Policy

The Trustees have considered the ethical implications of their investments and have resolved that they should not hold investments in companies where a substantial part of the earnings are derived from activity that the Trustees view as being inappropriate, namely manufacture or sale of tobacco, armaments and alcohol. The Trustees review the investments held by the Trust at their meetings and throughout the year in conjunction with their investment managers.

The Trust is a long term investor and on professional advice continued to hold a mixed portfolio of fixed interest, equities, overseas and alternative investments to provide a balance between

income and capital return.

Reserves Policy

The Trustees have given consideration as to how best to benefit those groups and individuals its policies aim to help, both in the short and longer term, and how this impacts on the balance of making grants out of income or capital. The Trustees anticipate increasing needs in the areas they support in future years and have determined that they will maintain the capital fund, with organic growth, as a source for future grants.

The Trustees' present policy is to distribute all net income (after deduction of administration expenses and other liabilities) by way of grants.

The total held as unrestricted funds at 5 April 2023 was £2,395,047, of which £2,386,577 was regarded as a capital fund. The surplus of the income fund at the year-end was £8,470.

Risk Management

The Trustees have considered the risks to which the Trust is exposed and have implemented procedures to mitigate these risks. The principal risk faced by the Trust is under performance of investments.

The Trustees consider the major financial risk to be variability of returns on their investments. This is mitigated by retaining expert investment managers and having a diversified portfolio.

The major operational risk faced by the Trust is misuse of grant funding by recipients. The Trustees have implemented procedures to manage this risk including monitoring and reviewing grants made and, where possible, visiting prospective recipients.

FUTURE PLANS

The Trustees intend to continue providing grants in the same manner as in previous years maintaining their current geographical area and emphasis on the elderly or young people between the ages of 13 and 25 years but retaining flexibility as to the timing and scale of grant-making. In order to achieve this objective the Trustees will continue to monitor their investments with the intention of maintaining capital growth whilst providing income for grant funding.

In the next twelve months the Trustees anticipate

- An increase in demand on its resources
- To continue to make grants in line with their current policy

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The charity's Trustees are responsible for preparing a Trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity's Trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing the financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the applicable Charities SORP;

- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume the charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust's deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements.

THE FIELD FAMILY CHARITABLE TRUST
INDEPENDENT EXAMINERS REPORT TO THE TRUSTEES OF
THE FIELD FAMILY CHARITABLE TRUST

I report to the Trustees on my examination of the financial statements of The Field Family Charitable Trust (the charity) for the year ended 5 April 2023.

Responsibilities and basis of report

As the Trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities : Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for the financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for periods beginning on or after 1 January 2015

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- the financial statements do not accord with the accounting records; or
- the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE FIELD FAMILY CHARITABLE TRUST

NOTES TO THE ACCOUNTS

1 ACCOUNTING POLICIES

Accounting convention and standards

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note to these accounts, in particular the revaluation of investments. The financial statements have been prepared in accordance with the accounting policies set out in this note and comply with the charity's trust deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The Trust is a Public Benefit Entity as defined by FRS 102.

Going Concern

The Trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern. The most significant area of uncertainty is the level of return and performance of investment markets.

Fund structure

The charity funds are wholly unrestricted and comprise an income and a capital fund. The capital fund is an expendable endowment which is invested to provide income which the Trustees are free to use in furtherance of the charitable objects.

Income

Income from investments is taken into account by reference to the date on which the charity is entitled to receipt. Donations are taken into account on receipt.

Investment gains and losses include any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

Expenditure

Expenditure is included on an accruals basis.

Costs of generating funds comprise those costs directly attributable to managing the investment portfolio and raising investment income.

Grants payable are charged in the year in which the offer is conveyed to the recipient except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year-end are noted as a commitment, but not accrued as expenditure.

Where grants are payable by instalment, payment of subsequent instalments is conditional on satisfactory interim progress reports. The Trustees consider it probable that satisfactory reports will be received and subsequent instalments are not, therefore, treated as conditional.

Support costs comprise the costs of running the charity.
Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Listed investments

Listed investments are stated at closing mid-market value at the balance sheet date.

Taxation

The Trust's income qualifies for exemption from income tax and corporation tax. Tax deducted from interest received is reclaimed. Value Added Tax is not recoverable and is included in the relevant charges for administration expenses.

2	INVESTMENT INCOME	2023 £	2022 £
	Listed investments - Securities	65,048	60,222
	Interest on short term deposits	117	-

Grants Payable (note 4)	<u>-</u>	<u>9,000</u>

9 FUNDS

The Trust Fund is wholly unrestricted. For management purposes, the trustees have designated that the Trust's capital and capital profits will be retained and carried forward in a Capital Fund except for specific occasions when a transfer from the capital fund to income fund will be made to utilise some of the investment portfolio's capital gains for grant making. The Income Fund and income profits are utilised for making annual grants.

SUMMARY OF FUNDS – CURRENT YEAR

	Brought forward	Income resources	Resources expended	Gains/ (losses)	Transfers	Carried forward
Unrestricted capital fund	2,634,270	-	(12,828)	(231,491)	(3,374)	2,386,577
