The Curriers' Company Charitable Fund

TRUSTEES' REPORT FOR THE YEAR ENDED 30 SEPTEMBER 2024

The Trustees present their annual report and financial statements of the charity for the year ended 30 September 2024. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

HISTORY, OBJECTIVES AND ACTIVITIES OF THE FUND FOR THE PUBLIC BENEFIT

The Worshipful Company of Curriers created the Curriers' Company Charitable Fund (hereafter referred to as 'the Fund') on 19th June 1970 and amended 14th January 2011 to consolidate its charitable activities. The investment portfolio generates an income which is applied in making grants but the objective of raising money for charity has been implicit from the outset. Approximately 20% of the Fund's income is derived from the Company's Livery.

The scheme gives the Trustees the power to apply the funds in such a manner as they think fit to or for the benefit of any charitable object or purpose. The Fund now provides support for charities connected to the leather industry, those who have some connection with the City of London and on a more general basis:

- Vocational and general education, including support for leathercraft and the leather industry in acknowledgement of the Curriers' historic trade.
- The relief of poverty and hardship amongst the young, the aged and infirm and the socially disadvantaged.

The Fund generally focuses on London but not exclusively so. It is current practice to support the annual appeal of the incumbent Lord Mayor of the City of London. Grants are made to registered charities except in special circumstances.

The Fund supported a range of organisations and charities involving leathercraft, education and the City of London. Some of the major achievements and events are detailed below.

The (renamed) Donald Adamson History Essay Prize was awarded to Jack Hanlon. This award was initiated by Past Master Donald Adamson, who had identified that no other institution was encouraging the submission of such essays focusing on the City of London and has grown in its recognition and it is the intention of the Trustees for the competition to run for the foreseeable future.

The new De Montfort University Skin Innovation Award was awarded to Funmi Ogundimu, with "highly commended" awards going to Brandon Carter and Lily Evans, and "with merit" awards to Jade Elliott and Niamh West. The prizes are for undergraduates who display outstanding creative ability, a professional and imaginative approach and an enthusiastic attitude and ambition towards their own future. The Trustees remain committed to supporting any student of any

The Curriers' Company Charitable Fund

gender, ethnicity, social standing, physical disability, religion, faith or sexual orientation.

The Curriers Placement Bursary offered at the London School of Fashion (University of the Arts London) was won this year by Holly Mead and the Curriers Cup for Excellence by Juhyeon Yeo.

Other larger charity disbursements this year have included donations to Capel Manor College, the Aerodrome School in Croydon, the Charter School Bermondsey, the Lord Mayor's Charity Annual Appeal, the Sheriffs' & Recorder's Fund, the British Red Cross, Platform Cricket and REACT.

MANAGEMENT AND GOVERNANCE ARRANGEMENTS

The Trustees are the Master, Upper and Renter Wardens of the Worshipful Company of Curriers for the time being, plus the Chairman of the Curriers' Company Charity Committee. In accordance with the Company's usual customs, the Master and Wardens are elected annually in October. The Chairman of the Charity Committee is appointed for a nominal 3 years. Each individual therefore normally spends 3 years as a Trustee. The Trustees are supported by a number of Liverymen of the Worshipful Company of Curriers who together form the Charity Committee. The Trustees have agreed to extend the tenure of the current chairman, John Davies, until October 2025.

The Trustees are responsible for internal control, the reviewing of its effectiveness and management of risk. Such a system is designed to manage rather than eliminate the risk of failure to achieve the Fund's objectives and can only provide reasonable, and not absolute, assurance against material misstatement or loss. Key to this system is the close personal involvement of the Clerk and the elected Trustees in the day-to-day activities of the Fund.

Day-to-day control of the Fund's affairs is in the hands of the Clerk. All significant decisions affecting the Fund are taken by the Trustees, although the authority for making small donations which are extra to those recommended by the Charity Committee, is delegated to the Master, Chairman of the Charity Committee and the Clerk. All exercising of such additional powers is ratified by the Trustees. The financial health of the Trust is formally monitored quarterly by the Finance & Investment Committee of the Worshipful Company of Curriers, which includes three Trustees. Discretionary management authority of the Fund's portfolio is vested in RBC Brewin Dolphin. The Trustees approved the revised Investment Strategy in October 2022. The Trustees have assessed the major strategic, business and operational risks that it is believed they face, and keep the external risks to which it is exposed under constant review. Internal risks are minimised by the implementation of procedures for the authorisation of all transactions, and ensuring consistent quality of delivery of operational aspects of the Fund. These procedures are to be reviewed periodically to ensure they still meet the needs of the Fund.

PROCEDURES AND POLICY FOR GRANT-MAKING

The Trustees and entire Charity Committee meet formally at least once for the purpose of selecting a list of registered charities to receive grants from the

The Curriers' Company Charitable Fund

Curriers' Company Charitable Fund. At its meetings, the Committee reviews the financial position of the Fund and the grant-making strategy and derives a recommended list of awards to be made. The Trustees decide on the charitable disbursements and inform the Court of the Worshipful Company of Curriers of their decisions.

It is current practice to give regular grants to a list of charitable and educational organisations, and this list is reviewed annually at that meeting. In addition, the Charity Committee recommends a list of small, non-national charities with a London focus that benefit those who are under-privileged, or disadvantaged in some respect.

Feedback from recipients of grants is important to the Trustees, who are also keen to ensure that the modest resources of the Fund are directed into areas where they will have the maximum effect in relative terms.

ACHIEVEMENTS AND PERFORMANCE OF THE FUND FOR THE PUBLIC BENEFIT

The Fund supported a range of organisations and charities involving leathercraft, education and the City of London.

Detailed below are donations accounted for during the year.

The awarding of grants is decided upon after the Election of the new Master and Common Hall. The effect of this is that all are recorded in the following year's accounts rather than accrued in September.

FINANCIAL REVIEW, INVESTMENT POLICY AND RESERVES

Financial Position

The Fund's income has remained healthy during the year with the quoted value of its investment portfolio increasing by 11.77 % over the year. The Trustees can confirm that all outstanding commitments will be settled when they fall due and that in the Trustees' assessment the charity is a going concern.

Costs of Administration

The cost of administration of this and the Worshipful Company of Curriers' Millennium Trust (Charity No: 1078793) is met by the Curriers' Company. Bookkeeping and administration charges made by the bookkeeper are charged to the charities, however.

Casualty Contingency Fund

The Casualty Contingency Fund is designed to provide early and instant financial assistance to bereaved families of servicemen in the Curriers-Company-affiliated military units (CURNU, HMS Trumpeter, 101 Engr Regt and 7 Sqn RAF) who have been killed on active service. The fund is capped at £10,000.

The Curriers' Company Charitable Fund

Bereaved families will be offered unconditionally funds up to £2,000 per casualty. It was agreed by the Trustees of the Curriers Company Charitable Fund on 5th Jan 2015 that the uptake of the offer is time-limited to 12 months after the initial offer.

Investment Policy

The powers of investment are governed by the Scheme, which permits any investment authorised by law.

The Fund is invested in a freehold property, Dawes House, as well as a portfolio of fixed interest and equity investments. The Trustees, in accordance with statutory powers available to them, devolve the management of the Fund's investment portfolio to professional investment managers. The investment managers are set broad guidelines which require that the portfolio be weighted towards investments which seek a blend of capital growth and income, but without exposing the Charity to undue high risk or involving the Charity in underwriting or off-market transactions. At any time, the portfolio may comprise fixed-interest and equity investments within these criteria.

The Fund's investment managers continue to make adjustments to the portfolio, whilst maintaining its diversification and without increasing its exposure to risk, by the use of several collective investment funds. The following investments represent more than 5% of the Fund's investment portfolio:

	2024	2023
International investment trusts	56.00%	52.08%
Vanguard Funds PLC	57,163	46,921
Fidelity US Quality Income	44,438	37,945
UK investment trusts	24.50%	18.14%
Cash	3.60%	3.34%

Reserves

The Fund's policy remains to retain sufficient reserves to ensure the continuation of its activities for the foreseeable future. At 30 September 2024, the unrestricted fund balance amounted to circa £1.9m. The reserves are considered to be adequate.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The charity Trustees are responsible for preparing a Trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity Law requires the Trustees to prepare financial statements for each financial year to give a true and fair view of the state of the Trust's affairs and of its finance activities for that period. In preparing these financial statements, the Trustees are required to:

- ◆ select suitable accounting policies and then apply them consistently
- ◆ observe the methods and principles in the applicable Charities SORP¹
- ◆ make judgements and estimates that are reasonable and prudent
- ◆ state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements
- ◆ prepare the financial statements on a going-concern basis unless it is inappropriate to assume that the Trust will continue in operational existence.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Fund

¹ Statement of Recommended Practice

The Curriers' Company Charitable Fund

and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. The Trustees are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER

The Trustees have appointed Monahans Chartered Accountants to act as their Independent Examiner for the current year.

NOTES TO THE FINANCIAL STATEMENTS for the Year ended 30 September 2024

1 ACCOUNTING POLICIES

Basis of preparation and assessment of going concern

The accounts (financial statements) have been prepared under the historical-cost convention

with items recognised at cost or transaction value unless otherwise stated in the relevant

notes to these accounts. The financial statements have been prepared in accordance with the

Statement of Recommended Practice: Accounting and Reporting by Charities preparing

their accounts in accordance with the Financial Reporting Standard applicable in the UK

and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting

Standard applicable in the United Kingdom and Republic of Ireland (FRS102) and the

Charities Act 2011.

The Trust constitutes a public benefit entity as defined by FRS 102.

The Trustees consider that there are no material uncertainties about the Trust's ability to

continue as a going concern. The most significant areas of adjustment and key assumptions

that affect items in the accounts relate to estimating the liability for multi-year grant

commitments. With respect to the next accounting period, 2024-25, the most significant

areas of uncertainty that affect the carrying value of assets held by the Trust are the level of

investment return and the performance of investment markets (see the investment policy

The Curriers' Company Charitable Fund

and performance and risk management section of the Trustees' annual report for more information).

Income from dividends, legacies and donations

Dividends are accounted for when they are received by the investment manager. Legacies and donations, inclusive of related tax credits, are accounted for in the year in which they arise, not that in which they are received.

Donations/bursaries are decided at the start of the start of the financial year and any unpaid at the end of the year are deemed lapsed.

Direct charitable expenditure

Grants are accounted for in the year in which they are approved.

Management and administration

Management and administration expenditure is accounted for on an accruals basis in the year to which it relates.

No value has been attributed to the provision of management and other services by the Trustees and others for which no charge is made.

NOTES TO THE FINANCIAL STATEMENTS for the Year ended 30 September 2024 (continued)

ACCOUNTING POLICIES (Continued)

Fixed assets

Freehold property investment is included at the Trustees' best estimate of the market value, based on the annual rental income. Quoted investments are included at closing mid-market value at the balance sheet date. Any gain or loss on revaluation is taken to the Statement of Financial Activities.

Fixed asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

The Curriers' Company Charitable Fund

The Trust does not acquire put options, derivatives or other complex financial instruments.

The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk and changes in sentiment concerning equities and within particular sectors or sub sectors.

2 INVESTMENT INCOME	2024	2023

TRUSTEES' REPORT FOR THE PERIOD ENDING 30 SEPTEMBER 2023

The trustees present their annual report and financial statements of the charity for the year ended 30 September 2023. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

HISTORY, OBJECTIVES AND ACTIVITIES OF THE FUND FOR THE PUBLIC BENEFIT

The Worshipful Company of Curriers created the Curriers' Company Charitable Fund (hereafter referred to as 'the Fund') on 19th June 1970 and amended 14th January 2011 to consolidate its charitable activities. The investment portfolio generates an income which is applied in making grants but the objective of raising money for charity has been implicit from the outset. Approximately 30% of the Fund's income is derived from the Company's Livery.

The scheme gives the Trustees the power to apply the funds in such a manner as they think fit to or for the benefit of any charitable object or purpose. The Fund now provides support for charities connected to the leather industry, those who have some connection with the City of London and on a more general basis:

- Vocational and general education, including support for leathercraft and the leather industry in acknowledgement of the Curriers' historic trade.
- The relief of poverty and hardship amongst the young, the aged and infirm and the socially disadvantaged.

The Fund generally focuses on London but not exclusively so. It is current practice to support the annual appeal of the incumbent Lord Mayor of the City of London. Grants are made to registered charities except in special circumstances.

The Fund supported a range of organisations and charities involving leathercraft, education and the City of London. Some of the major achievements and events are detailed below.

The Historical Essay Prize was awarded to two co winners, Richard Asquith and Katharine Hersee. This award was initiated by Past Master Donald Adamson, who had identified that no other institution was encouraging the submission of such essays focusing on the City of London and has grown in its recognition and it is the intention of the trustees for the competition to run for the foreseeable future.

The University of Northampton Curriers Prize was awarded to Amalia Samoila and there were two runners up prizes awarded to Monika Kapuscik and Eموke Stefan. The prizes are for undergraduates who display outstanding creative ability, a professional and imaginative approach and an enthusiastic attitude and ambition towards their own future. The Trustees remain committed to supporting any student of any gender, ethnicity, social standing, physical disability, religion, faith or sexual orientation.

The Curriers Placement Bursary offered at the London School of Fashion(University of the Arts London) was won this year by Oliver Damyan and the Curriers Cup for Excellence was won by Ma Yuanlu.

The Curriers' Company Charitable Fund

Other charity disbursements this year have included a donation to the City of London Police Widows and Orphans Fund, Newlife, Providence Row and the London Music Fund.

MANAGEMENT AND GOVERNANCE ARRANGEMENTS

The Trustees are the Master, Upper and Renter Wardens of the Worshipful Company of Curriers for the time being, plus the Chairman of the Curriers' Company Charity Committee. In accordance with the Company's usual customs, the Master and Wardens are elected annually in October. The Chairman of the Charity Committee is appointed for a nominal 3 years. Each individual therefore normally spends 3 years as a Trustee. The Trustees are supported by a number of Liverymen of the Worshipful Company of Curriers who together form the Charity Committee. The Trustees agreed to extend the tenure of the current chairman, John Davies, until October 2025.

The Trustees are responsible for internal control, the reviewing of its effectiveness and management of risk. Such a system is designed to manage rather than eliminate the risk of failure to achieve the Fund's objectives and can only provide reasonable, and not absolute, assurance against material misstatement or loss. Key to this system is the close personal involvement of the Clerk and the elected Trustees in the day-to-day activities of the Fund.

Day-to-day control of the Fund's affairs is in the hands of the Clerk. All significant decisions affecting the Fund are taken by the Trustees, although the authority for making small donations which are extra to those recommended by the Charity Committee, is delegated to the Master, Chairman of the Charity Committee and the Clerk. All exercising of such additional powers is ratified by the Trustees. The financial health of the Trust is formally monitored quarterly by the Finance & Investment Committee of the Worshipful Company of Curriers, which includes three Trustees. Discretionary management authority of the Fund's portfolio is vested in RBC Brewin Dolphin. The Trustees approved the revised the Investment Strategy in October 2022. The Trustees have assessed the major strategic, business and operational risks that it is believed they face, and keep the external risks to which it is exposed under constant review. Internal risks are minimised by the implementation of procedures for the authorisation of all transactions, and ensuring consistent quality of delivery of operational aspects of the Fund. These procedures are to be reviewed periodically to ensure they still meet the needs of the Fund.

PROCEDURES AND POLICY FOR GRANT-MAKING

The Trustees and entire Charity Committee meet formally at least once for the purpose of selecting a list of registered charities to receive grants from the Curriers' Company Charitable Fund. At its meetings, the Committee reviews the financial position of the Fund and the grant-making strategy and derives a recommended list of awards to be made. The Trustees decide on the charitable disbursements and inform the Court of the Worshipful Company of Curriers of their decisions.

It is current practice to give regular grants to a list of charitable and educational organisations, and this list is reviewed annually at that meeting. In addition, the Charity Committee recommends a list of small, non-national charities with a London focus that benefit those who are under-privileged, or disadvantaged in some respect.

Feedback from recipients of grants is important to the Trustees, who are also keen to ensure that the modest resources of the Fund are directed into areas where they will have the maximum effect in relative terms.

The Curriers' Company Charitable Fund

ACHIEVEMENTS AND PERFORMANCE OF THE FUND FOR THE PUBLIC BENEFIT

The Fund supported a range of organisations and charities involving leathercraft, education and the City of London.

Detailed below are donations accounted for during the year.

The awarding of grants is decided upon after the Election of the new Master and Common Hall. The effect of this is that all are recorded in the following year's accounts rather than accrued in September.

FINANCIAL REVIEW, INVESTMENT POLICY AND RESERVES

Financial Position

The Fund's income has remained healthy during the year with the quoted value of its investment portfolio increased by 5.59 % over the year. The Trustees can you confirm that all outstanding commitments will be settled when they fall due and that in the trustee's assessment the charity is a going concern.

Costs of Administration

The cost of administration of this and the Worshipful Company of Curriers' Millennium Trust (Charity No: 1078793) is met by the Curriers' Company. Bookkeeping and administration charges made by the bookkeeper and Clerk's assistant are charged to the charities however.

Casualty Contingency Fund

Casualty Contingency Fund is designed to provide early and instant financial assistance to bereaved families of servicemen in the Curriers Company affiliated military units (CURNU, HMS Trumpeter, 101 Engr Regt, JSFAW and 7 Sqn RAF) who have been killed on active service. The fund is capped at £10,000.

Bereaved families will be offered unconditionally funds up to £2,000 per casualty. It was agreed by the Trustees of the Curriers Company Charitable Fund on Monday 5th Jan 2015 that the uptake of the offer is time limited to 12 months after the initial offer

Investment Policy

The powers of investment are governed by the Scheme, which permits any investment authorised by law.

The Fund is invested in a freehold property, Dawes House, as well as a portfolio of fixed interest and equity investments. The Trustees, in accordance with statutory powers available to them, devolve the management of the Fund's investment portfolio, to professional investment managers. The investment managers are set broad guidelines that require that the portfolio be weighted towards investments which seek a blend of capital growth and income, but without exposing the Charity to undue high risk or involving the Charity in underwriting or off-market transactions. At any time, the portfolio may comprise fixed interest and equity investments within these criteria.

The Curriers' Company Charitable Fund

The Fund's investment managers continue to make adjustments to the portfolio, whilst maintaining its diversification without increasing its exposure to risk by the use of several collective investment funds. The following investments represent more than 5% of the Fund's investment portfolio:

	2023	2022
International investment trusts	52.08%	41.39%
Vanguard Funds PLC	46,921	-
Fidelity US Quality Income	37,945	23,794
UK investment trusts	18.14%	33.3%
iShares UK Dividend UCITS	36,305	34,540
Cash	3.34%	7.91%

Reserves

The Fund's policy remains to retain sufficient reserves to ensure the continuation of its activities for the foreseeable future. At 30 September 2023, the unrestricted fund balance amounted to circa £1.9m. The reserves are considered to be adequate.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity Law requires the Trustees to prepare financial statements for each financial year to give a true and fair view of the state of the Trust's affairs and of its finance activities for that period. In preparing these financial statements, the Trustees are required to:

- ◆ select suitable accounting policies and then apply them consistently.
- ◆ Observe the methods and principles in the applicable Charities SORP¹.
- ◆ make judgements and estimates that are reasonable and prudent.
- ◆ state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statement.
- ◆ prepare the financial statements on a going concern basis unless it is inappropriate to assume that the Trust will continue in operational existence.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Fund and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. The Trustees are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER

The Trustees have appointed McGill's Chartered Accountants to act as their Independent Examiner for the current year.

The Curriers' Company Charitable Fund

NOTES TO THE FINANCIAL STATEMENTS for the Year to 30 September 2023

1 ACCOUNTING POLICIES

Basis of preparation and assessment of going concern

- The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102) and the Charities Act 2011.

The trust constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern. The most significant areas of adjustment and key assumptions that affect items in the accounts are to do with estimating the liability from multi-year grant commitments. With respect to the next accounting period, 2018-19, the most significant areas of uncertainty that affect the carrying value of assets held by the Trust are the level of investment return and the performance of investment markets (see the investment policy and performance and risk management section of the trustees' annual report for more information).

Income from dividends, legacies and donations

Dividends are accounted for when they are received by the investment manager. Legacies and donations, inclusive of related tax credits, are accounted for in the year in which they arise, not that in which they are received.

Donations/bursaries are decided at the start of the start of the financial year and any unpaid at the year end of year are deemed lapsed.

Direct charitable expenditure

Grants are accounted for in the year in which they are approved.

Management and administration

Management and administration expenditure is accounted for on an accruals basis in the year to which it relates.

No value has been attributed to the provision of management and other services by the Trustees and others for which no charge is made.

The Curriers' Company Charitable Fund

NOTES TO THE FINANCIAL STATEMENTS for the Year to 30 September 2023 (continued)

ACCOUNTING POLICIES (Continued)

Fixed assets

Freehold property investment is included at the Trustees' best estimate of the market value, based on the annual rental income. Quoted investments are included at closing mid-market value at the balance sheet date. Any gain or loss on revaluation is taken to the Statement of Financial Activities.

Fixed asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

The Trust does not acquire put options, derivatives or other complex financial instruments.

The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk and changes in sentiment concerning equities and within particular sectors or sub sectors.

2 INVESTMENT INCOME	2023	2022
Bank interest received	143	-

The Curriers' Company Charitable Fund

TRUSTEES' REPORT FOR THE PERIOD ENDING 30 SEPTEMBER 2023

The trustees present their annual report and financial statements of the charity for the year ended 30 September 2023. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

HISTORY, OBJECTIVES AND ACTIVITIES OF THE FUND FOR THE PUBLIC BENEFIT

The Worshipful Company of Curriers created the Curriers' Company Charitable Fund (hereafter referred to as 'the Fund') on 19th June 1970 and amended 14th January 2011 to consolidate its charitable activities. The investment portfolio generates an income which is applied in making grants but the objective of raising money for charity has been implicit from the outset. Approximately 30% of the Fund's income is derived from the Company's Livery.

The scheme gives the Trustees the power to apply the funds in such a manner as they think fit to or for the benefit of any charitable object or purpose. The Fund now provides support for charities connected to the leather industry, those who have some connection with the City of London and on a more general basis:

- Vocational and general education, including support for leathercraft and the leather industry in acknowledgement of the Curriers' historic trade.
- The relief of poverty and hardship amongst the young, the aged and infirm and the socially disadvantaged.

The Fund generally focuses on London but not exclusively so. It is current practice to support the annual appeal of the incumbent Lord Mayor of the City of London. Grants are made to registered charities except in special circumstances.

The Fund supported a range of organisations and charities involving leathercraft, education and the City of London. Some of the major achievements and events are detailed below.

The Historical Essay Prize was awarded to two co winners, Richard Asquith and Katharine Hersee. This award was initiated by Past Master Donald Adamson, who had identified that no other institution was encouraging the submission of such essays focusing on the City of London and has grown in its recognition and it is the intention of the trustees for the competition to run for the foreseeable future.

The University of Northampton Curriers Prize was awarded to Amalia Samoila and there were two runners up prizes awarded to Monika Kapuscik and Eموke Stefan. The prizes are for undergraduates who display outstanding creative ability, a professional and imaginative approach and an enthusiastic attitude and ambition towards their own future. The Trustees remain committed to supporting any student of any gender, ethnicity, social standing, physical disability, religion, faith or sexual orientation.

The Curriers Placement Bursary offered at the London School of Fashion(University of the Arts London) was won this year by Oliver Damyan and the Curriers Cup for Excellence was won by Ma Yuanlu.

The Curriers' Company Charitable Fund

Other charity disbursements this year have included a donation to the City of London Police Widows and Orphans Fund, Newlife, Providence Row and the London Music Fund.

MANAGEMENT AND GOVERNANCE ARRANGEMENTS

The Trustees are the Master, Upper and Renter Wardens of the Worshipful Company of Curriers for the time being, plus the Chairman of the Curriers' Company Charity Committee. In accordance with the Company's usual customs, the Master and Wardens are elected annually in October. The Chairman of the Charity Committee is appointed for a nominal 3 years. Each individual therefore normally spends 3 years as a Trustee. The Trustees are supported by a number of Liverymen of the Worshipful Company of Curriers who together form the Charity Committee. The Trustees agreed to extend the tenure of the current chairman, John Davies, until October 2025.

The Trustees are responsible for internal control, the reviewing of its effectiveness and management of risk. Such a system is designed to manage rather than eliminate the risk of failure to achieve the Fund's objectives and can only provide reasonable, and not absolute, assurance against material misstatement or loss. Key to this system is the close personal involvement of the Clerk and the elected Trustees in the day-to-day activities of the Fund.

Day-to-day control of the Fund's affairs is in the hands of the Clerk. All significant decisions affecting the Fund are taken by the Trustees, although the authority for making small donations which are extra to those recommended by the Charity Committee, is delegated to the Master, Chairman of the Charity Committee and the Clerk. All exercising of such additional powers is ratified by the Trustees. The financial health of the Trust is formally monitored quarterly by the Finance & Investment Committee of the Worshipful Company of Curriers, which includes three Trustees. Discretionary management authority of the Fund's portfolio is vested in RBC Brewin Dolphin. The Trustees approved the revised the Investment Strategy in October 2022. The Trustees have assessed the major strategic, business and operational risks that it is believed they face, and keep the external risks to which it is exposed under constant review. Internal risks are minimised by the implementation of procedures for the authorisation of all transactions, and ensuring consistent quality of delivery of operational aspects of the Fund. These procedures are to be reviewed periodically to ensure they still meet the needs of the Fund.

PROCEDURES AND POLICY FOR GRANT-MAKING

The Trustees and entire Charity Committee meet formally at least once for the purpose of selecting a list of registered charities to receive grants from the Curriers' Company Charitable Fund. At its meetings, the Committee reviews the financial position of the Fund and the grant-making strategy and derives a recommended list of awards to be made. The Trustees decide on the charitable disbursements and inform the Court of the Worshipful Company of Curriers of their decisions.

It is current practice to give regular grants to a list of charitable and educational organisations, and this list is reviewed annually at that meeting. In addition, the Charity Committee recommends a list of small, non-national charities with a London focus that benefit those who are under-privileged, or disadvantaged in some respect.

Feedback from recipients of grants is important to the Trustees, who are also keen to ensure that the modest resources of the Fund are directed into areas where they will have the maximum effect in relative terms.

The Curriers' Company Charitable Fund

ACHIEVEMENTS AND PERFORMANCE OF THE FUND FOR THE PUBLIC BENEFIT

The Fund supported a range of organisations and charities involving leathercraft, education and the City of London.

Detailed below are donations accounted for during the year.

The awarding of grants is decided upon after the Election of the new Master and Common Hall. The effect of this is that all are recorded in the following year's accounts rather than accrued in September.

FINANCIAL REVIEW, INVESTMENT POLICY AND RESERVES

Financial Position

The Fund's income has remained healthy during the year with the quoted value of its investment portfolio increased by 5.59 % over the year. The Trustees can you confirm that all outstanding commitments will be settled when they fall due and that in the trustee's assessment the charity is a going concern.

Costs of Administration

The cost of administration of this and the Worshipful Company of Curriers' Millennium Trust (Charity No: 1078793) is met by the Curriers' Company. Bookkeeping and administration charges made by the bookkeeper and Clerk's assistant are charged to the charities however.

Casualty Contingency Fund

Casualty Contingency Fund is designed to provide early and instant financial assistance to bereaved families of servicemen in the Curriers Company affiliated military units (CURNU, HMS Trumpeter, 101 Engr Regt, JSFAW and 7 Sqn RAF) who have been killed on active service. The fund is capped at £10,000.

Bereaved families will be offered unconditionally funds up to £2,000 per casualty. It was agreed by the Trustees of the Curriers Company Charitable Fund on Monday 5th Jan 2015 that the uptake of the offer is time limited to 12 months after the initial offer

Investment Policy

The powers of investment are governed by the Scheme, which permits any investment authorised by law.

The Fund is invested in a freehold property, Dawes House, as well as a portfolio of fixed interest and equity investments. The Trustees, in accordance with statutory powers available to them, devolve the management of the Fund's investment portfolio, to professional investment managers. The investment managers are set broad guidelines that require that the portfolio be weighted towards investments which seek a blend of capital growth and income, but without exposing the Charity to undue high risk or involving the Charity in underwriting or off-market transactions. At any time, the portfolio may comprise fixed interest and equity investments within these criteria.

The Curriers' Company Charitable Fund

The Fund's investment managers continue to make adjustments to the portfolio, whilst maintaining its diversification without increasing its exposure to risk by the use of several collective investment funds. The following investments represent more than 5% of the Fund's investment portfolio:

The Curriers' Company Charitable Fund

NOTES TO THE FINANCIAL STATEMENTS for the Year to 30 September 2023

1 ACCOUNTING POLICIES

Basis of preparation and assessment of going concern

- The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102) and the Charities Act 2011.

The trust constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern. The most significant areas of adjustment and key assumptions that affect items in the accounts are to do with estimating the liability from multi-year grant commitments. With respect to the next accounting period, 2018-19, the most significant areas of uncertainty that affect the carrying value of assets held by the Trust are the level of investment return and the performance of investment markets (see the investment policy and performance and risk management section of the trustees' annual report for more information).

Income from dividends, legacies and donations

Dividends are accounted for when they are received by the investment manager. Legacies and donations, inclusive of related tax credits, are accounted for in the year in which they arise, not that in which they are received.

Donations/bursaries are decided at the start of the start of the financial year and any unpaid at the year end of year are deemed lapsed.

Direct charitable expenditure

Grants are accounted for in the year in which they are approved.

Management and administration

Management and administration expenditure is accounted for on an accruals basis in the year to which it relates.

No value has been attributed to the provision of management and other services by the Trustees and others for which no charge is made.

The Curriers' Company Charitable Fund

NOTES TO THE FINANCIAL STATEMENTS for the Year to 30 September 2023 (continued)

ACCOUNTING POLICIES (Continued)

Fixed assets

Freehold property investment is included at the Trustees' best estimate of the market value, based on the annual rental income. Quoted investments are included at closing mid-market value at the balance sheet date. Any gain or loss on revaluation is taken to the Statement of Financial Activities.

Fixed asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

The Trust does not acquire put options, derivatives or other complex financial instruments.

The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk and changes in sentiment concerning equities and within particular sectors or sub sectors.

The Curriers' Company Charitable Fund

TRUSTEES' REPORT FOR THE PERIOD ENDING 30 SEPTEMBER 2023

The trustees present their annual report and financial statements of the charity for the year ended 30 September 2023. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

HISTORY, OBJECTIVES AND ACTIVITIES OF THE FUND FOR THE PUBLIC BENEFIT

The Worshipful Company of Curriers created the Curriers' Company Charitable Fund (hereafter referred to as 'the Fund') on 19th June 1970 and amended 14th January 2011 to consolidate its charitable activities. The investment portfolio generates an income which is applied in making grants but the objective of raising money for charity has been implicit from the outset. Approximately 30% of the Fund's income is derived from the Company's Livery.

The scheme gives the Trustees the power to apply the funds in such a manner as they think fit to or for the benefit of any charitable object or purpose. The Fund now provides support for charities connected to the leather industry, those who have some connection with the City of London and on a more general basis:

- Vocational and general education, including support for leathercraft and the leather industry in acknowledgement of the Curriers' historic trade.
- The relief of poverty and hardship amongst the young, the aged and infirm and the socially disadvantaged.

The Fund generally focuses on London but not exclusively so. It is current practice to support the annual appeal of the incumbent Lord Mayor of the City of London. Grants are made to registered charities except in special circumstances.

The Fund supported a range of organisations and charities involving leathercraft, education and the City of London. Some of the major achievements and events are detailed below.

The Historical Essay Prize was awarded to two co winners, Richard Asquith and Katharine Hersee. This award was initiated by Past Master Donald Adamson, who had identified that no other institution was encouraging the submission of such essays focusing on the City of London and has grown in its recognition and it is the intention of the trustees for the competition to run for the foreseeable future.

The University of Northampton Curriers Prize was awarded to Amalia Samoila and there were two runners up prizes awarded to Monika Kapuscik and Eموke Stefan. The prizes are for undergraduates who display outstanding creative ability, a professional and imaginative approach and an enthusiastic attitude and ambition towards their own future. The Trustees remain committed to supporting any student of any gender, ethnicity, social standing, physical disability, religion, faith or sexual orientation.

The Curriers Placement Bursary offered at the London School of Fashion (University of the Arts London) was won this year by Oliver Damyan and the Curriers Cup for Excellence was won by Ma Yuanlu.

The Curriers' Company Charitable Fund

Other charity disbursements this year have included a donation to the City of London Police Widows and Orphans Fund, Newlife, Providence Row and the London Music Fund.

MANAGEMENT AND GOVERNANCE ARRANGEMENTS

The Trustees are the Master, Upper and Renter Wardens of the Worshipful Company of Curriers for the time being, plus the Chairman of the Curriers' Company Charity Committee. In accordance with the Company's usual customs, the Master and Wardens are elected annually in October. The Chairman of the Charity Committee is appointed for a nominal 3 years. Each individual therefore normally spends 3 years as a Trustee. The Trustees are supported by a number of Liverymen of the Worshipful Company of Curriers who together form the Charity Committee. The Trustees agreed to extend the tenure of the current chairman, John Davies, until October 2025.

The Trustees are responsible for internal control, the reviewing of its effectiveness and management of risk. Such a system is designed to manage rather than eliminate the risk of failure to achieve the Fund's objectives and can only provide reasonable, and not absolute, assurance against material misstatement or loss. Key to this system is the close personal involvement of the Clerk and the elected Trustees in the day-to-day activities of the Fund.

Day-to-day control of the Fund's affairs is in the hands of the Clerk. All significant decisions affecting the Fund are taken by the Trustees, although the authority for making small donations which are extra to those recommended by the Charity Committee, is delegated to the Master, Chairman of the Charity Committee and the Clerk. All exercising of such additional powers is ratified by the Trustees. The financial health of the Trust is formally monitored quarterly by the Finance & Investment Committee of the Worshipful Company of Curriers, which includes three Trustees. Discretionary management authority of the Fund's portfolio is vested in RBC Brewin Dolphin. The Trustees approved the revised the Investment Strategy in October 2022. The Trustees have assessed the major strategic, business and operational risks that it is believed they face, and keep the external risks to which it is exposed under constant review. Internal risks are minimised by the implementation of procedures for the authorisation of all transactions, and ensuring consistent quality of delivery of operational aspects of the Fund. These procedures are to be reviewed periodically to ensure they still meet the needs of the Fund.

PROCEDURES AND POLICY FOR GRANT-MAKING

The Trustees and entire Charity Committee meet formally at least once for the purpose of selecting a list of registered charities to receive grants from the Curriers' Company Charitable Fund. At its meetings, the Committee reviews the financial position of the Fund and the grant-making strategy and derives a recommended list of awards to be made. The Trustees decide on the charitable disbursements and inform the Court of the Worshipful Company of Curriers of their decisions.

It is current practice to give regular grants to a list of charitable and educational organisations, and this list is reviewed annually at that meeting. In addition, the Charity Committee recommends a list of small, non-national charities with a London focus that benefit those who are under-privileged, or disadvantaged in some respect.

Feedback from recipients of grants is important to the Trustees, who are also keen to ensure that the modest resources of the Fund are directed into areas where they will have the maximum effect in relative terms.

The Curriers' Company Charitable Fund

ACHIEVEMENTS AND PERFORMANCE OF THE FUND FOR THE PUBLIC BENEFIT

The Fund supported a range of organisations and charities involving leathercraft, education and the City of London.

Detailed below are donations accounted for during the year.

The awarding of grants is decided upon after the Election of the new Master and Common Hall. The effect of this is that all are recorded in the following year's accounts rather than accrued in September.

FINANCIAL REVIEW, INVESTMENT POLICY AND RESERVES

Financial Position

The Fund's income has remained healthy during the year with the quoted value of its investment portfolio increased by 5.59 % over the year. The Trustees can confirm that all outstanding commitments will be settled when they fall due and that in the trustee's assessment the charity is a going concern.

Costs of Administration

The cost of administration of this and the Worshipful Company of Curriers' Millennium Trust (Charity No: 1078793) is met by the Curriers' Company. Bookkeeping and administration charges made by the bookkeeper and Clerk's assistant are charged to the charities however.

Casualty Contingency Fund

Casualty Contingency Fund is designed to provide early and instant financial assistance to bereaved families of servicemen in the Curriers Company affiliated military units (CURNU, HMS Trumpeter, 101 Engr Regt, JSFAW and 7 Sqn RAF) who have been killed on active service. The fund is capped at £10,000.

Bereaved families will be offered unconditionally funds up to £2,000 per casualty. It was agreed by the Trustees of the Curriers Company Charitable Fund on Monday 5th Jan 2015 that the uptake of the offer is time limited to 12 months after the initial offer

Investment Policy

The powers of investment are governed by the Scheme, which permits any investment authorised by law.

The Fund is invested in a freehold property, Dawes House, as well as a portfolio of fixed interest and equity investments. The Trustees, in accordance with statutory powers available to them, devolve the management of the Fund's investment portfolio, to professional investment managers. The investment managers are set broad guidelines that require that the portfolio be weighted towards investments which seek a blend of capital growth and income, but without exposing the Charity to undue high risk or involving the Charity in underwriting or off-market transactions. At any time, the portfolio may comprise fixed interest and equity investments within these criteria.

The Curriers' Company Charitable Fund

The Fund's investment managers continue to make adjustments to the portfolio, whilst maintaining its diversification without increasing its exposure to risk by the use of several collective investment funds. The following investments represent more than 5% of the Fund's investment portfolio:

	2023	2022
International investment trusts	52.08%	41.39%
Vanguard Funds PLC	46,921	-
Fidelity US Quality Income	37,945	23,794
UK investment trusts	18.14%	33.3%
iShares UK Dividend UCITS	36,305	34,540
Cash	3.34%	7.91%

Reserves

The Fund's policy remains to retain sufficient reserves to ensure the continuation of its activities for the foreseeable future. At 30 September 2023, the unrestricted fund balance amounted to circa £1.9m. The reserves are considered to be adequate.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity Law requires the Trustees to prepare financial statements for each financial year to give a true and fair view of the state of the Trust's affairs and of its finance activities for that period. In preparing these financial statements, the Trustees are required to:

- ◆ select suitable accounting policies and then apply them consistently.
- ◆ Observe the methods and principles in the applicable Charities SORP¹.
- ◆ make judgements and estimates that are reasonable and prudent.
- ◆ state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statement.
- ◆ prepare the financial statements on a going concern basis unless it is inappropriate to assume that the Trust will continue in operational existence.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Fund and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. The Trustees are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER

The Trustees have appointed McGill's Chartered Accountants to act as their Independent Examiner for the current year.

NOTES TO THE FINANCIAL STATEMENTS for the Year to 30 September 2023

1 ACCOUNTING POLICIES

Basis of preparation and assessment of going concern

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102) and the Charities Act 2011.

The trust constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern. The most significant areas of adjustment and key assumptions that affect items in the accounts are to do with estimating the liability from multi-year grant commitments. With respect to the next accounting period, 2018-19, the most significant areas of uncertainty that affect the carrying value of assets held by the Trust are the level of investment return and the performance of investment markets (see the investment policy and performance and risk management section of the trustees' annual report for more information).

Income from dividends, legacies and donations

Dividends are accounted for when they are received by the investment manager. Legacies and donations, inclusive of related tax credits, are accounted for in the year in which they arise, not that in which they are received.

Donations/bursaries are decided at the start of the start of the financial year and any unpaid at the year end of year are deemed lapsed.

Direct charitable expenditure

Grants are accounted for in the year in which they are approved.

Management and administration

Management and administration expenditure is accounted for on an accruals basis in the year to which it relates.

No value has been attributed to the provision of management and other services by the Trustees and others for which no charge is made.

TRUSTEES' REPORT FOR THE PERIOD ENDING 30 SEPTEMBER 2022

The trustees present their annual report and financial statements of the charity for the year ended 30 September 2022. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

HISTORY, OBJECTIVES AND ACTIVITIES OF THE FUND FOR THE PUBLIC BENEFIT

The Worshipful Company of Curriers created the Curriers' Company Charitable Fund (hereafter referred to as 'the Fund') on 19th June 1970 and amended 14th January 2011 to consolidate its charitable activities. The investment portfolio generates an income which is applied in making grants but the objective of raising money for charity has been implicit from the outset. Approximately 30% of the Fund's income is derived from the Company's Livery.

The scheme gives the Trustees the power to apply the funds in such a manner as they think fit to or for the benefit of any charitable object or purpose. The Fund now provides support for charities connected to the leather industry, those who have some connection with the City of London and on a more general basis:

- Vocational and general education, including support for leathercraft and the leather industry in acknowledgement of the Curriers' historic trade.
- The relief of poverty and hardship amongst the young, the aged and infirm and the socially disadvantaged.

The Fund generally focuses on London but not exclusively so. It is current practice to support the annual appeal of the incumbent Lord Mayor of the City of London. Grants are made to registered charities except in special circumstances.

The Fund supported a range of organisations and charities involving leathercraft, education and the City of London. Some of the major achievements and events are detailed below.

The Historical Essay Prize was awarded to two co winners, Kerstin Grunwald-Hope and Adele Sykes. This award was initiated by Past Master Donald Adamson, who had identified that no other institution was encouraging the submission of such essays focusing on the City of London and has grown in its recognition and it is the intention of the trustees for the competition to run for the foreseeable future.

The Trustees have reinstated the Bursary and prize at the University of Northampton for undergraduates who display outstanding creative ability, a professional and imaginative approach and an enthusiastic attitude and ambition towards their own future. The Trustees remain committed to supporting any student of any gender, ethnicity, social standing, physical disability, religion, faith or sexual orientation.

The Curriers Placement Bursary offered at the London School of Fashion was won this year by Solveig Lung Lancrey and the Curriers Cup for Excellence was won by Allison Gómez.

Other charity disbursements this year have included a donation to the City of London Police Widows and Orphans Fund, Newlife and the Disaster Emergency Committee appeal for Ukraine.

The Curriers' Company Charitable Fund

MANAGEMENT AND GOVERNANCE ARRANGEMENTS

The Trustees are the Master, Upper and Renter Wardens of the Worshipful Company of Curriers for the time being, plus the Chairman of the Curriers' Company Charity Committee. In accordance with the Company's usual customs, the Master and Wardens are elected annually in October. The Chairman of the Charity Committee is appointed for a nominal 3 years. Each individual therefore normally spends 3 years as a Trustee. The Trustees are supported by a number of Liverymen of the Worshipful Company of Curriers who together form the Charity Committee.

The Trustees are responsible for internal control, the reviewing of its effectiveness and management of risk. Such a system is designed to manage rather than eliminate the risk of failure to achieve the Fund's objectives and can only provide reasonable, and not absolute, assurance against material misstatement or loss. Key to this system is the close personal involvement of the Clerk and the elected Trustees in the day-to-day activities of the Fund.

Day-to-day control of the Fund's affairs is in the hands of the Clerk. All significant decisions affecting the Fund are taken by the Trustees, although the authority for making small donations which are extra to those recommended by the Charity Committee, is delegated to the Master, Chairman of the Charity Committee and the Clerk. All exercising of such additional powers is ratified by the Trustees. The financial health of the Trust is formally monitored quarterly by the Finance & Investment Committee of the Worshipful Company of Curriers, which includes three Trustees. Discretionary management authority of the Fund's portfolio is vested in Fiske PLC Investment Management. The Trustees approved the revised the Investment Strategy in August 2018. The Trustees have assessed the major strategic, business and operational risks that it is believed they face, and keep the external risks to which it is exposed under constant review. Internal risks are minimised by the implementation of procedures for the authorisation of all transactions, and ensuring consistent quality of delivery of operational aspects of the Fund. These procedures are to be reviewed periodically to ensure they still meet the needs of the Fund.

PROCEDURES AND POLICY FOR GRANT-MAKING

The Trustees and entire Charity Committee meet formally at least once for the purpose of selecting a list of registered charities to receive grants from the Curriers' Company Charitable Fund. At its meetings, the Committee reviews the financial position of the Fund and the grant-making strategy and derives a recommended list of awards to be made. The Trustees decide on the charitable disbursements and inform the Court of the Worshipful Company of Curriers of their decisions.

It is current practice to give regular grants to a list of charitable and educational organisations, and this list is reviewed annually at that meeting. In addition, the Charity Committee recommends a list of small, non-national charities with a London focus that benefit those who are under-privileged, or disadvantaged in some respect.

Feedback from recipients of grants is important to the Trustees, who are also keen to ensure that the modest resources of the Fund are directed into areas where they will have the maximum effect in relative terms. A number of Liaison Officers are appointed to help develop relationships between the Company and some of the most significant charitable, educational and military beneficiaries of the Curriers' Charitable Fund.

The Curriers' Company Charitable Fund

ACHIEVEMENTS AND PERFORMANCE OF THE FUND FOR THE PUBLIC BENEFIT

The Fund supported a range of organisations and charities involving leathercraft, education and the City of London.

Detailed below are donations accounted for during the year.

The awarding of grants is decided upon after the Election of the new Master and Common Hall. The effect of this is that all are recorded in the following year's accounts rather than accrued in September.

FINANCIAL REVIEW, INVESTMENT POLICY AND RESERVES

Financial Position

The Fund's income has remained healthy during the year with the quoted value of its investment portfolio decreased by 11.27% over the year.

Costs of Administration

The cost of administration of this and the Worshipful Company of Curriers' Millennium Trust (Charity No: 1078793) is met by the Curriers' Company. Bookkeeping and administration charges made by the bookkeeper and Clerk's assistant are charged to the charities however.

Casualty Contingency Fund

Casualty Contingency Fund is designed to provide early and instant financial assistance to bereaved families of servicemen in the Curriers Company affiliated military units (CURNU, HMS Trumpeter, 101 Engr Regt, JSFAW and 7 Sqn RAF) who have been killed on active service. The fund is capped at £10,000.

Bereaved families will be offered unconditionally funds up to £2,000 per casualty. It was agreed by the Trustees of the Curriers Company Charitable Fund on Monday 5th Jan 2015 that the uptake of the offer is time limited to 12 months after the initial offer.

Investment Policy

The powers of investment are governed by the Scheme, which permits any investment authorised by law.

The Fund is invested in a freehold property, Dawes House, as well as a portfolio of fixed interest and equity investments. The Trustees, in accordance with statutory powers available to them, devolve the management of the Fund's investment portfolio, to professional investment managers. The investment managers are set broad guidelines that require that the portfolio be weighted towards investments which seek a blend of capital growth and income, but without exposing the Charity to undue high risk or involving the Charity in underwriting or off-market transactions. At any time, the portfolio may comprise fixed interest and equity investments within these criteria.

The Fund's investment managers continue to make adjustments to the portfolio, whilst maintaining its diversification without increasing its exposure to risk by the use of several collective investment funds. The following investments represent more than 4.7% of the Fund's investment portfolio:

The Curriers' Company Charitable Fund

	2022	2021
UK bonds & shares	5.9%	5.58%
iShares GBP Corporate Bond	26,409	35,509
International investment trusts	41.39%	53.01%
Schroder Oriental Ord	28,624	31,058
F&C Investment Trust plc	28,440	43,000
UK investment trusts	33.3%	38.63%
JPMorgan Fleming Mid Cap	29,849	43,415
iShares UK Dividend UCITS	34,540	37,774
VT Munro Smart-Bet UK	28,861	32,995
Cash	7.91%	0.21%

Reserves

The Fund's policy remains to retain sufficient reserves to ensure the continuation of its activities for the foreseeable future. At 30 September 2022, the unrestricted fund balance amounted to circa £1.2m. The reserves are considered to be adequate.

The Curriers' Company Charitable Fund

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity Law requires the Trustees to prepare financial statements for each financial year to give a true and fair view of the state of the Trust's affairs and of its finance activities for that period. In preparing these financial statements, the Trustees are required to:

- ◆ select suitable accounting policies and then apply them consistently.
- ◆ Observe the methods and principles in the applicable Charities SORP¹.
- ◆ make judgements and estimates that are reasonable and prudent.
- ◆ state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statement.
- ◆ prepare the financial statements on a going concern basis unless it is inappropriate to assume that the Trust will continue in operational existence.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Fund and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. The Trustees are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER

The Trustees have appointed McGill's Chartered Accountants to act as their Independent Examiner for the current year.

There were no recognised gains or losses other than those included above in either financial year. The net movement in funds for the year arises from the Charity's continuing activities.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE CURRIERS' COMPANY CHARITABLE FUND

We report on the accounts of the Trust for the year ended 30 September 2022, which are set out on pages 8- 13.

Respective responsibilities of Trustees and examiner

The charity's Trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for the year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Basis of independent examiner's report

Our examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with our examination, we confirm that no material matters have come to our attention giving us cause to believe that in any material respect:

(1)

- accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- the financial statements do not accord with those records; or
- the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

(2) We have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

The Curriers' Company Charitable Fund

NOTES TO THE FINANCIAL STATEMENTS for the Year to 30 September 2022

1 ACCOUNTING POLICIES

Basis of preparation and assessment of going concern

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102) and the Charities Act 2011.

The trust constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern. The most significant areas of adjustment and key assumptions that affect items in the accounts are to do with estimating the liability from multi-year grant commitments. With respect to the next accounting period, 2018-19, the most significant areas of uncertainty that affect the carrying value of assets held by the Trust are the level of investment return and the performance of investment markets (see the investment policy and performance and risk management section of the trustees' annual report for more information).

Income from dividends, legacies and donations

Dividends are accounted for when they are received by the investment manager. Legacies and donations, inclusive of related tax credits, are accounted for in the year in which they arise, not that in which they are received.

Donations/bursaries are decided at the start of the start of the financial year and any unpaid at the year end of year are deemed lapsed.

Direct charitable expenditure

Grants are accounted for in the year in which they are approved.

Management and administration

Management and administration expenditure is accounted for on an accruals basis in the year to which it relates.

No value has been attributed to the provision of management and other services by the Trustees and others for which no charge is made.

The Curriers' Company Charitable Fund

NOTES TO THE FINANCIAL STATEMENTS for the Year to 30 September 2022 (continued)

ACCOUNTING POLICIES (Continued)

Fixed assets

Freehold property investment is included at the Trustees' best estimate of the market value, based on the annual rental income. Quoted investments are included at closing mid-market value at the balance sheet date. Any gain or loss on revaluation is taken to the Statement of Financial Activities.

Fixed asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

The Trust does not acquire put options, derivatives or other complex financial instruments.

The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk and changes in sentiment concerning equities and within particular sectors or sub sectors.

2 INVESTMENT INCOME	2022	2021

5 FREEHOLD PROPERTY INVESTMENT

The freehold property at Dawes House, Milford-on-Sea, is held in the name of the Worshipful Company of Curriers for the benefit of the Fund and is let to Abbeyfield Wessex Society Limited, a registered charity, for 15 years commencing 15th July 2008. In 2013/14 the property was extensively refurbished by the tenant and sublet at a higher rent as a residential dwelling. The Trustees' estimate of market value of Dawes House is based on the price of residential property in the location. In 2022 two local estate agents valued the property at £1.3m.

	2022	2021
Carrying value at 1 October 2021	625,000	625,000

The Curriers' Company Charitable Fund

TRUSTEES' REPORT FOR THE PERIOD ENDING 30 SEPTEMBER 2021

The trustees present their annual report and financial statements of the charity for the year ended 30 September 2021. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

HISTORY, OBJECTIVES AND ACTIVITIES OF THE FUND FOR THE PUBLIC BENEFIT

The Worshipful Company of Curriers created the Curriers' Company Charitable Fund (hereafter referred to as 'the Fund') on 19th June 1970 and amended 14th January 2011 to consolidate its charitable activities. The investment portfolio generates an income which is applied in making grants but the objective of raising money for charity has been implicit from the outset. Approximately 30% of the Fund's income is derived from the Company's Livery.

The scheme gives the Trustees the power to apply the funds in such a manner as they think fit to or for the benefit of any charitable object or purpose. The Fund now provides support for charities connected to the leather industry, those who have some connection with the City of London and on a more general basis:

- Vocational and general education, including support for leathercraft and the leather industry in acknowledgement of the Curriers' historic trade.
- The relief of poverty and hardship amongst the young, the aged and infirm and the socially disadvantaged.

The Fund generally focuses on London but not exclusively so. It is current practice to support the annual appeal of the incumbent Lord Mayor of the City of London. Grants are made to registered charities except in special circumstances.

The Fund supported a range of organisations and charities involving leathercraft, education and the City of London. Some of the major achievements and events are detailed below.

The Historical Essay Prize was awarded to David Mason. This award was initiated by Past Master Donald Adamson, who had identified that no other institution was encouraging the submission of such essays focusing on the City of London and has grown in its recognition and it is the intention of the trustees for the competition to run for the foreseeable future.

The Trustees have discontinued the BA Bursary and prize at the University of Northampton for undergraduates who display outstanding creative ability, a professional and imaginative approach and an enthusiastic attitude and ambition towards their own future. The reason for this was that the University of Northampton insisted that the prize should be open to "foreign students". The Trustees remain committed to supporting a UK student of any gender, ethnicity, social standing, physical disability, religion, faith or sexual orientation. This is in line with the company's charitable guidelines and history as a UK trade organisation, it is also because the contributions made to the CCCF are from UK taxpayers and the charity benefits from UK tax rebates as a charity under UK tax law.

The Curriers Placement Bursary offered at the London School of Fashion was won this year by Apollonia Celentano and the Curriers Cup for Excellence was won by Amelia Collis.

The Curriers' Company Charitable Fund

Other charity disbursements this year have included a donation to the City of London Police Widows and Orphans Fund, Coroner's Court Support Fund and the Museum of London.

MANAGEMENT AND GOVERNANCE ARRANGEMENTS

The Trustees are the Master, Upper and Renter Wardens of the Worshipful Company of Curriers for the time being, plus the Chairman of the Curriers' Company Charity Committee. In accordance with the Company's usual customs, the Master and Wardens are elected annually in October. The Chairman of the Charity Committee is appointed for a nominal 3 years. Each individual therefore normally spends 3 years as a Trustee. The Trustees are supported by a number of Liverymen of the Worshipful Company of Curriers who together form the Charity Committee.

The Trustees are responsible for internal control, the reviewing of its effectiveness and management of risk. Such a system is designed to manage rather than eliminate the risk of failure to achieve the Fund's objectives and can only provide reasonable, and not absolute, assurance against material misstatement or loss. Key to this system is the close personal involvement of the Clerk and the elected Trustees in the day-to-day activities of the Fund.

Day-to-day control of the Fund's affairs is in the hands of the Clerk. All significant decisions affecting the Fund are taken by the Trustees, although the authority for making small donations which are extra to those recommended by the Charity Committee, is delegated to the Master, Chairman of the Charity Committee and the Clerk. All exercising of such additional powers is ratified by the Trustees. The financial health of the Trust is formally monitored quarterly by the Finance & Investment Committee of the Worshipful Company of Curriers, which includes three Trustees. Discretionary management authority of the Fund's portfolio is vested in Fiske PLC Investment Management. The Trustees approved the revised the Investment Strategy in August 2018. The Trustees have assessed the major strategic, business and operational risks that it is believed they face, and keep the external risks to which it is exposed under constant review. Internal risks are minimised by the implementation of procedures for the authorisation of all transactions, and ensuring consistent quality of delivery of operational aspects of the Fund. These procedures are to be reviewed periodically to ensure they still meet the needs of the Fund.

PROCEDURES AND POLICY FOR GRANT-MAKING

The Trustees and entire Charity Committee meet formally at least once for the purpose of selecting a list of registered charities to receive grants from the Curriers' Company Charitable Fund. At its meetings, the Committee reviews the financial position of the Fund and the grant-making strategy and derives a recommended list of awards to be made. The Trustees decide on the charitable disbursements and inform the Court of the Worshipful Company of Curriers of their decisions.

It is current practice to give regular grants to a list of charitable and educational organisations, and this list is reviewed annually at that meeting. In addition, the Charity Committee recommends a list of small, non-national charities with a London focus that benefit those who are under-privileged, or disadvantaged in some respect.

Feedback from recipients of grants is important to the Trustees, who are also keen to ensure that the modest resources of the Fund are directed into areas where they will have the maximum effect in relative terms. A number of Liaison Officers are appointed to help develop relationships between the Company and some of the most significant charitable, educational and military beneficiaries of the Curriers' Charitable Fund.

The Curriers' Company Charitable Fund

ACHIEVEMENTS AND PERFORMANCE OF THE FUND FOR THE PUBLIC BENEFIT

The Fund supported a range of organisations and charities involving leathercraft, education and the City of London.

Detailed below are donations accounted for during the year.

The awarding of grants is decided upon after the Election of the new Master and Common Hall. The effect of this is that all are recorded in the following year's accounts rather than accrued in September.

FINANCIAL REVIEW, INVESTMENT POLICY AND RESERVES

Financial Position

The Fund's income has remained healthy during the year with the quoted value of its investment portfolio increased by 25.79 % over the year.

Costs of Administration

The cost of administration of this and the Worshipful Company of Curriers' Millennium Trust (Charity No: 1078793) is met by the Curriers' Company. Bookkeeping and administration charges made by the bookkeeper and Clerk's assistant are charged to the charities however.

Casualty Contingency Fund

Casualty Contingency Fund is designed to provide early and instant financial assistance to bereaved families of servicemen in the Curriers Company affiliated military units (CURNU, HMS Trumpeter, 101 Engr Regt, JSFAW and 7 Sqn RAF) who have been killed on active service. The fund is capped at £10,000.

Bereaved families will be offered unconditionally funds up to £2,000 per casualty. It was agreed by the Trustees of the Curriers Company Charitable Fund on Monday 5th Jan 2015 that the uptake of the offer is time limited to 12 months after the initial offer

Investment Policy

The powers of investment are governed by the Scheme, which permits any investment authorised by law.

The Fund is invested in a freehold property, Dawes House, as well as a portfolio of fixed interest and equity investments. The Trustees, in accordance with statutory powers available to them, devolve the management of the Fund's investment portfolio, to professional investment managers. The investment managers are set broad guidelines that require that the portfolio be weighted towards investments which seek a blend of capital growth and income, but without exposing the Charity to undue high risk or involving the Charity in underwriting or off-market transactions. At any time, the portfolio may comprise fixed interest and equity investments within these criteria.

The Fund's investment managers continue to make adjustments to the portfolio, whilst maintaining its diversification without increasing its exposure to risk by the use of several collective investment funds. The following investments represent more than 5% of the Fund's investment portfolio:

The Curriers' Company Charitable Fund

	2021	2020
UK bonds & shares	5.58%	7.05%
iShares GBP Corporate Bond	35,509	36,542
International investment trusts	55.58%	53.01%
Aberdeen Asian Income Fund	39,550	33,075
Bankers' Investment Trust	47,472	50,700
F&C Investment Trust plc	43,000	34,150
Scottish American Invest Co plc	55,000	57,330
Blackrock World Mining Trust	39,824	30,514
UK investment trusts	38.63%	39.47%
JPMorgan Fleming Mid Cap	52,630	33,744
Schroder Income Growth fund	61,400	47,800
Murray Income Trust plc	63,593	37,230
Cash	0.21%	0.47%

Reserves

The Fund's policy remains to retain sufficient reserves to ensure the continuation of its activities for the foreseeable future. At 30 September 2021, the unrestricted fund balance amounted to circa £1.2m. The reserves are considered to be adequate.

The Curriers' Company Charitable Fund

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity Law requires the Trustees to prepare financial statements for each financial year to give a true and fair view of the state of the Trust's affairs and of its finance activities for that period. In preparing these financial statements, the Trustees are required to:

- ◆ select suitable accounting policies and then apply them consistently.
- ◆ Observe the methods and principles in the applicable Charities SORP¹.
- ◆ make judgements and estimates that are reasonable and prudent.
- ◆ state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statement.
- ◆ prepare the financial statements on a going concern basis unless it is inappropriate to assume that the Trust will continue in operational existence.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Fund and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. The Trustees are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER

The Trustees have appointed McGill's Chartered Accountants to act as their Independent Examiner for the current year.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE CURRIERS' COMPANY CHARITABLE FUND

We report on the accounts of the Trust for the year ended 30 September 2021, which are set out on pages 8- 13.

Respective responsibilities of Trustees and examiner

The charity's Trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for the year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Basis of independent examiner's report

Our examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with our examination, we confirm that no material matters have come to our attention giving us cause to believe that in any material respect:

(1)

- accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- the financial statements do not accord with those records; or
- the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

(2) We have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

The Curriers' Company Charitable Fund

NOTES TO THE FINANCIAL STATEMENTS for the Year to 30 September 2021

1 ACCOUNTING POLICIES

Basis of preparation and assessment of going concern

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102) and the Charities Act 2011.

The trust constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern. The most significant areas of adjustment and key assumptions that affect items in the accounts are to do with estimating the liability from multi-year grant commitments. With respect to the next accounting period, 2018-19, the most significant areas of uncertainty that affect the carrying value of assets held by the Trust are the level of investment return and the performance of investment markets (see the investment policy and performance and risk management section of the trustees' annual report for more information).

Income from dividends, legacies and donations

Dividends are accounted for when they are received by the investment manager. Legacies and donations, inclusive of related tax credits, are accounted for in the year in which they arise, not that in which they are received.

Donations/bursaries are decided at the start of the start of the financial year and any unpaid at the year end of year are deemed lapsed.

Direct charitable expenditure

Grants are accounted for in the year in which they are approved.

Management and administration

Management and administration expenditure is accounted for on an accruals basis in the year to which it relates.

No value has been attributed to the provision of management and other services by the Trustees and others for which no charge is made.

The Curriers' Company Charitable Fund

NOTES TO THE FINANCIAL STATEMENTS for the Year to 30 September 2021 (continued)

ACCOUNTING POLICIES (Continued)

Fixed assets

Freehold property investment is included at the Trustees' best estimate of the market value, based on the annual rental income. Quoted investments are included at closing mid-market value at the balance sheet date. Any gain or loss on revaluation is taken to the Statement of Financial Activities.

Fixed asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

The Trust does not acquire put options, derivatives or other complex financial instruments.

The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk and changes in sentiment concerning equities and within particular sectors or sub sectors.

2	INVESTMENT INCOME	2021	2020
	Bank interest received	1	22

Legal	-	-	-	4,991
Total	£2,165	-	£2,165	£7,360

5 FREEHOLD PROPERTY INVESTMENT

The freehold property at Dawes House, Milford-on-Sea, is held in the name of the Worshipful Company of Curriers for the benefit of the Fund and is let to Abbeyfield Wessex Society Limited, a registered charity, for 15 years commencing 15th July 2008.

In 2013/14 the property was extensively refurbished by the tenant and sublet at a higher rent as a residential dwelling. The Trustees' estimate of market value of Dawes House is based on the annual rental and the price of residential property in the location.

	2021	2020
Carrying value at 1 October 2020	625,000	625,000
Carrying value at 30 September 2021	£625,000	£625,000

6 FIXED ASSET INVESTMENTS

TRUSTEES' REPORT FOR THE PERIOD ENDING 30 SEPTEMBER 2020

The trustees present their annual report and financial statements of the charity for the year ended 30 September 2020. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

HISTORY, OBJECTIVES AND ACTIVITIES OF THE FUND FOR THE PUBLIC BENEFIT

The Worshipful Company of Curriers created the Curriers' Company Charitable Fund (hereafter referred to as 'the Fund') on 19th June 1970 and amended 14th January 2011 to consolidate its charitable activities. The investment portfolio generates an income which is applied in making grants but the objective of raising money for charity has been implicit from the outset. Approximately 30% of the Fund's income is derived from the Company's Livery.

The scheme gives the Trustees the power to apply the funds in such a manner as they think fit to or for the benefit of any charitable object or purpose. The Fund now provides support for charities connected to the leather industry, those who have some connection with the City of London and on a more general basis:

- Vocational and general education, including support for leathercraft and the leather industry in acknowledgement of the Curriers' historic trade.
- The relief of poverty and hardship amongst the young, the aged and infirm and the socially disadvantaged.

The Fund generally focuses on London but not exclusively so. It is current practice to support the annual appeal of the incumbent Lord Mayor of the City of London. Grants are made to registered charities except in special circumstances.

The Fund supported a range of organisations and charities involving leathercraft, education and the City of London. Some of the major achievements and events are detailed below.

The Historical Essay Prize was awarded to Kirsten Barnard. This award was initiated by Past Master Donald Adamson, who had identified that no other institution was encouraging the submission of such essays focusing on the City of London and has grown in its recognition and it is the intention of the trustees for the competition to run for the foreseeable future.

In pursuit of their aim to encourage students of leathercraft, the BA Bursary and second prize at the University of Northampton is awarded for undergraduates who display outstanding creative ability, a professional and imaginative approach and an enthusiastic attitude and ambition towards their own future. This year the Bursary was won by George Paul and the Runner Up was Maisie Thompson.

The Curriers Placement Bursary offered at the London School of Fashion was won this year by Eleni Tsoifa and the Curriers Cup for Excellence was won by Sebastian Mendoza Gutierrez.

Other charity disbursements this year have included a donation to the City of London Police Widows and Orphans Fund, the City of London Academy Hardship Fund and the Compass School Hardship Fund.

The Curriers' Company Charitable Fund

MANAGEMENT AND GOVERNANCE ARRANGEMENTS

The Trustees are the Master, Upper and Renter Wardens of the Worshipful Company of Curriers for the time being, plus the Chairman of the Curriers' Company Charity Committee. In accordance with the Company's usual customs, the Master and Wardens are elected annually in October. The Chairman of the Charity Committee is appointed for a nominal 3 years. Each individual therefore normally spends 3 years as a Trustee. The Trustees are supported by a number of Liverymen of the Worshipful Company of Curriers who together form the Charity Committee.

The Trustees are responsible for internal control, the reviewing of its effectiveness and management of risk. Such a system is designed to manage rather than eliminate the risk of failure to achieve the Fund's objectives and can only provide reasonable, and not absolute, assurance against material misstatement or loss. Key to this system is the close personal involvement of the Clerk and the elected Trustees in the day-to-day activities of the Fund.

Day-to-day control of the Fund's affairs is in the hands of the Clerk. All significant decisions affecting the Fund are taken by the Trustees, although the authority for making small donations which are extra to those recommended by the Charity Committee, is delegated to the Master, Chairman of the Charity Committee and the Clerk. All exercising of such additional powers is ratified by the Trustees. The financial health of the Trust is formally monitored quarterly by the Finance & Investment Committee of the Worshipful Company of Curriers, which includes three Trustees. Discretionary management authority of the Fund's portfolio is vested in Fiske PLC Investment Management. The Trustees approved the revised the Investment Strategy in August 2018. The Trustees have assessed the major strategic, business and operational risks that it is believed they face, and keep the external risks to which it is exposed under constant review. Internal risks are minimised by the implementation of procedures for the authorisation of all transactions, and ensuring consistent quality of delivery of operational aspects of the Fund. These procedures are to be reviewed periodically to ensure they still meet the needs of the Fund.

PROCEDURES AND POLICY FOR GRANT-MAKING

The Trustees and entire Charity Committee meet formally at least once for the purpose of selecting a list of registered charities to receive grants from the Curriers' Company Charitable Fund. At its meetings, the Committee reviews the financial position of the Fund and the grant-making strategy and derives a recommended list of awards to be made. The Trustees decide on the charitable disbursements and inform the Court of the Worshipful Company of Curriers of their decisions.

It is current practice to give regular grants to a list of charitable and educational organisations, and this list is reviewed annually at that meeting. In addition, the Charity Committee recommends a list of small, non-national charities with a London focus that benefit those who are under-privileged, or disadvantaged in some respect.

Feedback from recipients of grants is important to the Trustees, who are also keen to ensure that the modest resources of the Fund are directed into areas where they will have the maximum effect in relative terms. A number of Liaison Officers are appointed to help develop relationships between the Company and some of the most significant charitable, educational and military beneficiaries of the Curriers' Charitable Fund.

The Curriers' Company Charitable Fund

The Fund supported a range of organisations and charities involving leathercraft, education and the City of London.

Detailed below are donations accounted for during the year.

The awarding of grants is decided upon after the Election of the new Master and Common Hall. The effect of this is that all are recorded in the following year's accounts rather than accrued in September.

FINANCIAL REVIEW, INVESTMENT POLICY AND RESERVES

Financial Position

The Fund's income has remained healthy during the year with the quoted value of its investment portfolio decreased by 10.75 % over the year.

Costs of Administration

The cost of administration of this and the Worshipful Company of Curriers' Millennium Trust (Charity No: 1078793) is met by the Curriers' Company. Bookkeeping and administration charges made by the bookkeeper and Clerk's assistant are charged to the charities however.

Casualty Contingency Fund

Casualty Contingency Fund is designed to provide early and instant financial assistance to bereaved families of servicemen in the Curriers Company affiliated military units (CURNU, HMS Trumpeter, 101 Engr Regt, JSFAW and 7 Sqn RAF) who have been killed on active service. The fund is capped at £10,000.

Bereaved families will be offered unconditionally funds up to £2,000 per casualty. It was agreed by the Trustees of the Curriers Company Charitable Fund on Monday 5th Jan 2015 that the uptake of the offer is time limited to 12 months after the initial offer

Investment Policy

The powers of investment are governed by the Scheme, which permits any investment authorised by law.

The Fund is invested in a freehold property, Dawes House, as well as a portfolio of fixed interest and equity investments. The Trustees, in accordance with statutory powers available to them, devolve the management of the Fund's investment portfolio, to professional investment managers. The investment managers are set broad guidelines that require that the portfolio be weighted towards investments which seek a blend of capital growth and income, but without exposing the Charity to undue high risk or involving the Charity in underwriting or off-market transactions. At any time, the portfolio may comprise fixed interest and equity investments within these criteria.

The Curriers' Company Charitable Fund

The Fund's investment managers continue to make adjustments to the portfolio, whilst maintaining its diversification without increasing its exposure to risk by the use of several collective investment funds. The following investments represent more than 5% of the Fund's investment portfolio:

	2020	2019
UK bonds & shares	7.05%	6.19%
iShares GBP Corporate Bond	36,542	35,807
International investment trusts	53.01%	49.29%
Aberdeen Asian Income Fund	33,075	37,275
Bankers' Investment Trust	50,700	47,500
F&C Investment Trust plc	34,150	42,420
Scottish American Invest Co plc	57,330	54,275
Blackrock World Mining Trust	30,514	27,208
Schroder Oriental Income fund	27,198	30,168
UK investment trusts	39.47%	44.43%
JPMorgan Fleming Mid Cap	33,744	42,370
Schroder Income Growth fund	47,800	57,300
Murray Income Trust plc	37,230	43,146
Cash	0.47%	0.09%

Reserves

The Fund's policy remains to retain sufficient reserves to ensure the continuation of its activities for the foreseeable future. At 30 September 2020, the unrestricted fund balance amounted to circa £1.1m. The reserves are considered to be adequate.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE CURRIERS' COMPANY CHARITABLE FUND

We report on the accounts of the Trust for the year ended 30 September 2020, which are set out on pages 8- 13.

Respective responsibilities of Trustees and examiner

The charity's Trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for the year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Basis of independent examiner's report

Our examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with our examination, we confirm that no material matters have come to our attention giving us cause to believe that in any material respect:

(1)

- accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- the financial statements do not accord with those records; or
- the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

(2) We have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

The Curriers' Company Charitable Fund

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity Law requires the Trustees to prepare financial statements for each financial year to give a true and fair view of the state of the Trust's affairs and of its finance activities for that period. In preparing these financial statements, the Trustees are required to:

- ◆ select suitable accounting policies and then apply them consistently.
- ◆ Observe the methods and principles in the applicable Charities SORP.
- ◆ make judgements and estimates that are reasonable and prudent.
- ◆ state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statement.
- ◆ prepare the financial statements on a going concern basis unless it is inappropriate to assume that the Trust will continue in operational existence.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Fund and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. The Trustees are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER

The Trustees have appointed McGill's Chartered Accountants to act as their Independent Examiner for the current year.

FOR AND ON BEHALF OF THE TRUSTEES

.....

NOTES TO THE FINANCIAL STATEMENTS for the Year to 30 September 2020

1 ACCOUNTING POLICIES

Basis of preparation and assessment of going concern

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102) and the Charities Act 2011.

The trust constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern. The most significant areas of adjustment and key assumptions that affect items in the accounts are to do with estimating the liability from multi-year grant commitments. With respect to the next accounting period, 2018-19, the most significant areas of uncertainty that affect the carrying value of assets held by the Trust are the level of investment return and the performance of investment markets (see the investment policy and performance and risk management section of the trustees' annual report for more information).

Income from dividends, legacies and donations

Dividends are accounted for when they are received by the investment manager. Legacies and donations, inclusive of related tax credits, are accounted for in the year in which they arise, not that in which they are received.

Donations/bursaries are decided at the start of the start of the financial year and any unpaid at the year end of year are deemed lapsed.

Direct charitable expenditure

Grants are accounted for in the year in which they are approved.

Management and administration

Management and administration expenditure is accounted for on an accruals basis in the year to which it relates.

No value has been attributed to the provision of management and other services by the Trustees and others for which no charge is made.

The Curriers' Company Charitable Fund

NOTES TO THE FINANCIAL STATEMENTS for the Year to 30 September 2020 (continued)

ACCOUNTING POLICIES (Continued)

Fixed assets

Freehold property investment is included at the Trustees' best estimate of the market value, based on the annual rental income. Quoted investments are included at closing mid-market value at the balance sheet date. Any gain or loss on revaluation is taken to the Statement of Financial Activities.

Fixed asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

The Trust does not acquire put options, derivatives or other complex financial instruments.

The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk and changes in sentiment concerning equities and within particular sectors or sub sectors.

2	INVESTMENT INCOME	2020	2019
	Bank interest received	22	24
	Rent receivable	21,000	21,521

		£56,539	£53,631

The Curriers' Company Charitable Fund

NOTES TO THE FINANCIAL STATEMENTS for the Year to 30 September 2020 (continued)

4 SUPPORT COSTS

The Court of the Worshipful Company of Curriers does not pass on the costs of the Clerk's time for the administration of the Curriers Company Charitable Fund. The self-employed Book Keeper and Administrative Assistant do however charge the CCCF for their work.

	Charitable Activity	Governance	2020 Total	2019 Total
PA	-	-	-	53
Accountancy	1,994	-	1,994	1,649
Insurance	375	-	375	323
Legal	-	4,991	4,991	2,798
Total	£2,369	£4,991	£7,360	£4,823

5 FREEHOLD PROPERTY INVESTMENT

The freehold property at Dawes House, Milford-on-Sea, is held in the name of the Worshipful Company of Curriers for the benefit of the Fund and is let to Abbeyfield Wessex Society Limited, a registered charity, for 15 years commencing 15th July 2008.

In 2013/14 the property was extensively refurbished by the tenant and sublet at a higher rent as a residential dwelling. The Trustees' estimate of market value of Dawes House is based on the annual rental and the price of residential property in the location.

	2020	2019
Carrying value at 1 October 2019	625,000	625,000
Carrying value at 30 September 2020	£625,000	£625,000

6 FIXED ASSET INVESTMENTS

Market value at 1 October 2019	577,899	579,369
Additions to investments at cost	29,061	23,397
Proceeds of sales	(31,837)	(26,095)
Add net gain on revaluation	(59,068)	1,228
Market value at 30 September 2020	£516,055	£577,899
Cash held by Fielding's	210	496
Total Market Value at 30 September 2020	£516,265	£578,395

Note: Included within investments is £210 (2019 - £496) of cash held by the Fielding's. The balance is held on a short-term basis pending re-investment, as it is not the intention of the Charity to withdraw capital from its investments.
