<p>Trustee selection methods including details of any constitutional provisions e.g. election to post or name of any person or body entitled to appoint one or more trustees</p>	<p>Para 1.25</p>	<p>As the Parish Council (a Corporate Body) is Sole Trustee of the Charity, the trustee's identity does not change even though individual members of the Council are selected via local government election every four years (or co-opted if a casual vacancy should occur mid-term) and will therefore change from time to time.</p> <p>On a day-to-day basis the affairs of the Charity are handled by the Parish Council's Parish Charity Committee, whose members are drawn from elected parish councillors on the basis of competence/skills base and lack of conflict of interest with other council duties. The individual members of that committee will therefore also change over time.</p>
<p>Policies and procedures adopted for the induction and training of trustees</p>	<p>Para 1.51</p>	<p>All councillors joining the parish council (corporate body is sole trustee) are provided with information about the charity and Charity Commission guidelines such as The Essential Trustee.</p> <p>The clerk has undertaken the SAVO trustee e:learning course, and council is willing to fund training for any further members willing to undertake this commitment.</p> <p>The council has appointed a committee of members who specialise in the affairs of this charity, and whom seek to disseminate information to remaining members. However, strategic decisions for this charity are made by the charitable body as a whole, rather than by committee.</p>
<p>The charity's organisational structure and any wider network with which the charity works</p>	<p>Para 1.51</p>	<p>Pitstone Parish Council, as Corporate Body, is the Sole Trustee. Pursuant to S101(1) of the 1972 Act Pitstone Parish Council resolved that the affairs of the Pitstone Charity will be managed by a committee to ensure it is easier for members to fulfil their obligations to only consider what is in the best interests of the charity and not the local authority, and limiting conflicts of interest.</p> <p>The charity committee provide regular reports to the full parish council in its role as sole trustee. All strategic issues or financial expenditure must be approved at a meeting of the full charitable body, rather than just by the committee members.</p> <p>Meeting of the charity are always separate from meetings of the council and are separately documented.</p> <p>The charity has its own legal and professional advisors.</p>

Objectives and Activities

History

As part of the 1856 Enclosure Award, the land was awarded to the Churchwardens and Overseers of the Poor of Pightlesthorpe as Allotments for the Labouring Poor. From as early as 1888, Pitstone Parish Council was administering this allotment site and on 28 December 1923 the Charity Commission approved and established a scheme for the charity to be officially administered by Pitstone Parish Council as trustees of the charity.

In 1970, when much of the large site was unused, the Charity Commission granted permission for half of the land "to be used as an addition to the Recreation Ground under revocable licence given by the council to themselves as trustees of the Recreation Ground Charity". This land has never since been needed as allotments and continued to be managed under licence by the Recreation Ground Charity, until disposal to the Parish Council (as Local Authority) in 2019. The Parish Charity charged no annual rent for this land but receive the benefit-in-kind of all costs associated with the maintenance and care of this land being met by another body. This section of land houses the children's play equipment owned by Pitstone Parish Council.

In 2004, as the Castlemead estate was created on the old Castle Cement factory site, the allotment land was identified for potential development to help extend community facilities and join the old and new halves of the village together (along with two parcels of adjoining land in private ownership). The proposals were adopted by Aylesbury Vale District Council and are contained within the Pitstone Development Area Comprehensive Plan of 2005. These future plans generated three actions:

- Work commenced to find a suitable alternative site within the village for allotments. Mr Hawkins of Pitstone Green Farm bequeathed a section of land along Marsworth Road, in the heart of the village, to the National Trust on condition that they lease it to Pitstone Parish Council for the provision of allotments. In 2010, the Parish Council signed a 99-year lease with National Trust for this site and the new allotments were created, funded in part by the parish council and in part by various grants. The new site is thriving and is managed on a day-to-day basis by the Pitstone Allotment Association, whilst the Parish Council retain overall responsibility.
- On 18 March 2004 the Charity Commission accepted an application to update and broaden the scheme away from just "allotments for the labouring poor" and the charity was renamed the Pitstone Parish Charity with the objects redefined as "for the relief of persons resident in the area of benefit who are in need, hardship or distress." In this guise, the charity will be able to commence charitable work for the parish once the land is brought to market and the charity has available funds.
- In order to prepare the old allotment site for inclusion within any such development, the land first needed to be registered with Land Registry (completed on 10/8/10) and permission needed to be obtained from both the National Association of Allotment and Leisure Gardeners and then the Secretary of State to sell what had originally been appointed as Statutory Allotment Land (granted on 29/2/12 & 30/7/13).

Taylor Wimpey was granted permission to construct the remaining phases of residential development within the Castlemead estate without developing the parcels of land around the recreation ground or including any leisure provision. Aylesbury Vale District Council (AVDC) agreed that a commuted \$106 sum could be paid by Taylor Wimpey instead. AVDC stipulated that the land for the leisure development should be provided within the remaining parcels identified within the Comprehensive Plan which are located around the recreation ground (including the land owned by Pitstone Parish Charity). AVDC now hold these funds on behalf of the parish of Pitstone, providing that the identified leisure requirements can be delivered within a set timeframe.

Pitstone Parish Charity therefore entered into a Joint Landowners Agreement with the private landowner to ensure a fair and equitable distribution of proceeds and costs, regardless of which parcel of land amenities are built upon. Employed the services of Bidwells land agents, to undertake the associated marketing required for the joint landowners to support the sale of land, secured the services of Horwood & James solicitors to advise the charity and ensure the necessary sale conditions are applied and opened a dedicated bank account was opened for the Parish Charity to receive the funds generated by the sale of the land (zero balance).

During 2013/14 the Parish Charity served notice to the Pitstone Recreation Ground Charity of their intention to

revoke the licence to manage the section of land. The Recreation Ground Charity continued to meet all costs and liability connected with this section of land until its disposal to the Parish Council in 2019. The Parish Charity served notice to Pitstone Parish Council of their intention to dispose of the land currently housing their play equipment and requested confirmation from the Parish Council that they would be willing to accept ownership of the land if transferred as part of the Pitstone Development Area arrangements. The Parish Council confirmed this was acceptable. The Parish Charity, supported by Bidwells and Horwood & James, submitted an outline plan to The Charity Commission relating to their proposals however the Charity Commission advised that the entirety of the land owned by the Parish Charity should be disposed on the open market if possible to ensure maximum benefit to the charity. The Parish Charity employed the services of Kirkby & Diamond land agents to assist with resolving the issues and bringing the land to market. The Parish Charity resolved on 26/9/13 to withdraw all permissions granted to Pitstone Parish Council relating to the construction of play space or skate park facilities on the parcel of land managed under licence by the Pitstone Recreation Ground Charity.

During the 2014/15 and despite lengthy negotiations with the neighbouring landowner it was not possible to include the section of land previously managed under licence within the Joint Landowners Agreement for the Pitstone Development Area. Therefore, the previous Joint Landowners Agreement (which had expired) was renegotiated based on the originally defined parcels of land. The Design Brief was brought up-to-date and finalised so that it might be used to supplement the marketing information supplied to developers. The Design Brief includes details of the latest community engagement events as part of the Pitstone Neighbourhood Development Plan, which confirms the desire of the residents to see the parcel of land owned by the Parish Charity developed and will therefore help to obtain a good sale price.

Subsequently the joint parcels were advertised on the open market and preferred developer selected. Following receipt of the Section 119 Charities Act report recommending disposal, Heads of Terms have been agreed and contracts entered into. The joint landowners appointed legal representation.

2016/17 saw the developer obtain pre-application advice from the planning authority and hold a public consultation event with the subsequent planning applications being submitted in April 2017. Outline planning permission was successfully obtained by the developer during 2017/18 for two parcels of land for commercial developments of a public house and day nursery as required by the conditions contained in the Pitstone Neighbourhood Development plan. The developer marketed these opportunities upon completion of the sale. The disposal to Nicholas King Homes was due to complete on 31-3-2020, but issues arising for the developer from the Coronavirus outbreak, meant that the completion was been postponed until 30-6-2020.

Once the sale of the main parcel of land to Nicholas King Homes reached the 'unconditional' point, the legal advice received by the Charity from Kirkby Diamond permitted the separate disposal of the remaining parcel of land (previously managed under licence by the Recreation Ground Charity). AVDC had determined that planning would not be granted for any alternative use of this land, other than as open space/leisure use. The Section 119 Charity Act report therefore concluded that this parcel of land could be disposed of to the Parish Council, as Local Authority, at the value determined by The District Valuer (not to be gifted). The Parish Council, as Local Authority, were also required to meet all associated legal costs incurred by the Parish Charity, so that the charity were not disadvantaged. The charity received the proceeds of this sale in October 2019 (£33,398).

Governing Document

Scheme dated 18th March 2004

Objectives of the Trust

The object of the Charity is the relief of persons resident in the AOB who are in need, hardship or distress. The Trustees may relieve persons in need by (a) making grants of money to them or (b) providing or paying for goods, services or facilities for them or (c) making grants of money to other persons or bodies who provide goods, services or facilities to those in need. In exceptional cases the Trustee may decide to assist someone (who is otherwise qualified) who is (a) a resident outside the AOB or (b) only temporarily resident in the AOB.

Summary of the main activities of the charity during the year

The income of the Trust for the year amounted to £1,260,359 (2020: £33,898).

The expenditure of the Trust for the year amounted to £53,101 (2020: £32,252).

The income and expenditure for the year were significantly higher than the prior year due to the proceeds of a disposal of land and the associated professional fees.

Independent examiner's report to the trustees of The Pitstone Parish Charity (Registered Charity No. 261752)

I report to the trustees on my examination of the accounts of The Pitstone Parish Charity (the Trust) for the year ended 31st March 2021.

Responsibilities and basis of report

As the charity trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

An Independent Examination has been carried rather than an audit under Regulation 31(f). The Charity has been granted an audit dispensation by the Charities Commission, dated 19th October 2021, under Regulation 34(3)(b) of the Charities (Accounts and Reports) Regulations 2008.

This dispensation is based on information provided by the Trustee that:

- the exceptional circumstances outlined mean that an audit would be disproportionate
- there are no constitutional or other requirements on the charity which require an audit; and
- the charity is not incorporated under company law

Exceptional circumstances

The high level of income during the year was entirely due to one transaction, the sale of the parcel of land, which will not be repeated in future years as the Parish Charity now owns no land.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

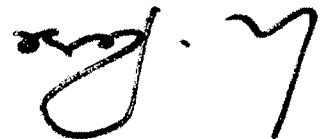

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or

2. the accounts do not accord with those records; or

3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an Independent Examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Kevin Rose ACMA
