STRUCTURE, GOVERNANCE AND MANAGEMENT

The charity is constituted as a company limited by guarantee and as such, its governing document is its Articles of Association.

The organisation is run by the trustees, each of whom may serve for life and shall not be subject to any reappointment process.

None of the trustees have any beneficial interest in the charity. All trustees give their time voluntarily and no benefit or expenses were paid to them in the year.

It is with deep regret that we report the passing of our trustee, Mr Winston Samuel Gilbert on the 8 January 2026.

The charity's wholly-owned subsidiary undertaking, Nirlake Investments Limited, is engaged in property investment and the trustees consider its results for the year ended 31 March 2025 to be satisfactory.

Risk Management

The trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finance of the charity, and are satisfied that systems are in place to mitigate its exposure to those risks.

STRUCTURE, GOVERNANCE AND MANAGEMENT *(continued)*

Appointment and Induction of New Trustees

Where there is a requirement for new trustees, these would be identified and appointed by the remaining trustees. The chair of trustees would be responsible for the induction of any new trustee, which involves awareness of a trustee's responsibilities, the governing document, administrative procedures, and the history and philosophical approach of the charity. A new trustee would receive copies of the previous year's annual report and accounts with detailed explanation thereof.

Related party transactions

Details of transactions with "Related Parties" are disclosed in note 5 and 20 to the financial statements.

OBJECTIVES AND ACTIVITIES

The charity is established to foster, assist and promote the charitable activities of any institution professing and teaching the principles of traditional Judaism, to advance religion in accordance with the Jewish faith and to give philanthropic aid to the Jewish needy.

The charity receives income from its investments, subsidiary undertaking and voluntary income from companies connected with the trustees which it utilises in the provision and distribution of grants and donations to organisations that fall within the objectives of the charity.

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities and setting the grant making policy for the year.

ACHIEVEMENTS AND PERFORMANCE

During the year the charity has continued its philanthropic activities and has maintained its support of religious, educational and other charitable institutions both in Great Britain and abroad.

The demands on the charity's funds were more than those experienced last year with charitable donations for the year totalling £452,433 as against £336,707. The donations were met from current income and reserves of the charity.

The financial results of the charity and its subsidiary undertaking for the year ended 31 March 2025 are fully reflected in the attached Financial Statements together with the Notes thereon.

FINANCIAL REVIEW

The charity is reliant on the income from investments, the commercial activities of its subsidiary undertaking and voluntary income from companies connected with the trustees. Income from commercial activities of the subsidiary undertaking together with income from the investments and voluntary donations have helped to boost the total incoming resources.

Financial position

The financial position of the charity is satisfactory. The charity's statement of financial activities shows total reserves of £2,921,293 (2024: £3,175,553).

FINANCIAL REVIEW *(continued)*

Reserve Policy

It is necessary that the charity retains reserves in order to ensure that it is in a position to continue its grant-making activities and cover contingencies of additional calls being made upon the charity for support of organisations or institutions in times of need.

The Trustees consider it appropriate to maintain 'Free Reserves' (unrestricted funds not committed or invested in Fixed Asset Investments) at a level which will not impinge on its ability to support Charitable Institutions.

The 'Free Reserves' of £257,918, which are represented by (part of) the liquid funds held by the charity, are considered to be adequate and will be reviewed periodically by the trustees of the charity.

Investment Policy

Under the memorandum and articles of association, the charity has the power to make any investment, which the trustees see fit. The trustees regularly review the charity's position and needs in respect of the investment policy.

The trustees, having regard to the liquidity requirements of the charity and to the reserves policy, have operated a policy of keeping available funds in an interest bearing deposit account.

Grant Making Policy

Grants are made to charitable institutions and organisations both in Great Britain and abroad which accords with the objects of the charity. The trustees consider all requests which they receive and make donations based on the level of funds available.

PLANS FOR FUTURE PERIODS

The trustees plan to continue to make distributions in accordance with their grant making policy and to ensure that the ability to generate sufficient income is maintained to achieve that end.

SMALL COMPANY PROVISIONS

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The trustees' annual report was approved on 29 JAN 2026 and signed on behalf of the board of trustees by:

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF BALSTRAW
LIMITED
YEAR ENDED 31 MARCH 2025

I report to the trustees on my examination of the financial statements of Balstraw Limited ('the charity') for the year ended 31 March 2025.

RESPONSIBILITIES AND BASIS OF REPORT

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

3. ACCOUNTING POLICIES

3.1 Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities at fair value through income or expenditure.

The financial statements are prepared in sterling (rounded to the nearest pound), which is the functional currency of the entity.

The charity meets the definition of a public benefit entity under FRS 102.

3.2 Going concern

There are no material uncertainties about the charity's ability to continue.

3.3 Consolidation

The charity is not required to prepare consolidated accounts in accordance with the Charities Act 2011, and has taken advantage of the option not to prepare consolidated financial statements contained in Section 398 of the Companies Act 2006 on the basis that the charity and its subsidiary undertaking comprise a small group.

3.4 Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. There were no significant judgements or estimates made in the preparation of these financial statements.

3.5 Fund accounting

NOTES TO THE FINANCIAL STATEMENTS *(continued)*

3. ACCOUNTING POLICIES *(continued)*

3.6 Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured.

Income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

3.7 Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates.

Expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Grants and donations are recognised when paid.

3.8 Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in profit or loss.

3.9 Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Other financial instruments are initially recognised at fair value and are subsequently measured at fair value, with any changes recognised in profit or loss.

All equity instruments are assessed individually for impairment.

3. ACCOUNTING POLICIES *(continued)*

Financial instruments *(continued)*

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

4. LIMITED BY GUARANTEE

The charity is a company limited by guarantee and has no share capital. The liability of each member in the event of winding up is limited to £1.
