THE ROGER RAYMOND CHARITABLE TRUST

Trustees' report for the year ended 5 April 2025

The Trustees present their annual report together with the financial statements of the charity for the year ended 5 April 2025.

GOVERNING DOCUMENT

The Roger Raymond Charitable Trust is a registered charity No. 262217 constituted by the Trust Deed dated 9th February 1971 from a settlement made by the late Roger Malcolm Raymond. Enquiries should be addressed to the Trustees.

OBJECTIVES AND ACTIVITIES

The principal purpose and objective of the Charity is to make donations to other legally constituted charities at the discretion of the Trustees and in accordance with the Trust Deed.

In 2022 the Trustees decided to apply the capital of the Trust Fund to beneficiaries over a period of approximately ten years in addition to the usual income arising therefrom. Progress towards this target continues to be satisfactory, as well as extremely rewarding in achieving the principal objective as originally might have been envisaged by the Settlor.

The Trustees' grant-making policy continues to be to make such donations to charities where they believe the funds will provide a public benefit, either directly or indirectly, having given due regard to the public benefit guidance published by the Charity Commission in accordance with Sections 4, 14 and 17 of the Charities Act 2011.

The benefit resulting from grants and donations from the Trust to supported charities is regularly monitored. In addition to the usual means of ongoing reviews of those charities' results, activities and their own impact reporting, the Trust's Grant Team are fortunate to have been able to form good relationships with many of the major beneficiaries and meet them regularly to attempt to understand their work as closely as possible.

Income with which to make these donations and thus provide such desired public benefit is obtained from the Trust's investment portfolio which is managed by the Trustees and their professional advisors. The charity's investment policy is to maximise investment returns to help fund donations made during the year. The intention to apply Trust capital in addition to income requires the Trustees to seek to realise its property assets over the foreseeable future in order to hold the value in a more accessible form.

The financial statements attached to this report disclose both the income arising from the activity of managing the property and other investments and the application, in the form of grants and donations, of the net income after expenses from such investments together with any reserves similarly applied.

ACHIEVEMENTS AND PERFORMANCE

Grants made or approved continued to increase as planned. Donations totalling £3,259,109 (2024: £1,239,342) were made in the year, and a further £304,760 (2024: £242,500) of future grants have been accrued for in the accounts. Included in the current total is a grant worth £2M to Bloxham School that has directed funding of this value to their bursary fund now termed the Raymond Fund, which will help support ongoing bursaries at the School for many years in the manner that has already been supported by the Trust for the last forty years. The Trustees are delighted that this gift will form a significant part of the legacy attributable to the Settlor for years to come of a nature to that with which the Settlor was so closely associated.

The grants schedule shows that support given to many new beneficiaries during the previous year has been continued as a result of the Trust's appreciation of the impact which they are making, and some new beneficiaries added which are expected to do the same. For any new or renewed substantial grant considered, the grant team generally will make significant efforts to visit the charity concerned in person and discuss their needs face-to-face. Although this approach requires considerable resource and therefore incurs some cost, the process is hugely informative and inspirational, and one the Trust intends to continue with in order to remain fit for purpose and be able to continue to assess the impact of the many valuable projects being supported.

THE ROGER RAYMOND CHARITABLE TRUST

Trustees' report (continued) for the year ended 5 April 2025

Net income from rental investment properties during the year, after some considerable refurbishment and other property expenses, amounted to £175,747 (2024: £328,542). Difficulty in realising property assets resulted in significant withdrawals from market portfolios and, as a result, net income from such other investments reduced to £72,927 (2024: £92,541). The Trust does not undertake any fundraising from external sources.

Investment gains amounted to £157,890 (2024: £911,053).

STRUCTURE, GOVERNANCE AND MANAGEMENT

Trustee Board

The Trustees who served the charity during the year were as follows:

M G Raymond
A C K Thomson
C J Sutton

The organisation's affairs are conducted by the Trustees who meet and communicate regularly, together with their advisors where appropriate, to make any decisions required for any aspect of the Trust's administration. Any major decisions are made or ratified at minuted Trustee meetings and are subject to a simple majority vote.

The day-to-day management of the Charity is carried out by the Trustees. Remuneration of Trustees for the financial management of the Trust's investments which they perform themselves is set with reference to market costs of the experience and time provided, although Trustees may and do accept lower sums.

The existing Trustees have the power to appoint new Trustees at their discretion. The Charity does not have a formal programme for the induction and training of new Trustees.

Trustees' Responsibilities

The trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). This requires that the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period.

In preparing these financial statements, the trustees are required to:

- a) select suitable accounting policies and apply them consistently;
- b) observe the methods and principles in the Charities SORP;
- c) make judgments and accounting estimates that are reasonable and prudent;
- d) state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- e) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue to operate.

THE ROGER RAYMOND CHARITABLE TRUST

Trustees' report (continued) for the year ended 5 April 2025

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Subsidiary Undertakings

The Roger Raymond Charitable Trust owns 100% of the issued share capital of Shaw-White Estates Limited, a company registered in England and Wales (company number 00509087), whose principal business is that of property investment. Profits attributable to the subsidiary undertaking are gifted to The Roger Raymond Charitable Trust under covenant depending on the level of distributable reserves.

The Trust also owns 55.6% of the issued share capital of Roger Raymond Investments Limited, a company registered in England and Wales (company number 13465317), whose principal business is that of property investment. The Company pays dividends to The Roger Raymond Charitable Trust depending on the level of distributable reserves. This Company is currently in the process of a demerger that will give the Trust full control of its current level of interest in that entity.

FINANCIAL REVIEW

The Trustees have previously reviewed the Charity's need for reserves in line with guidance issued by the Charity Commission and available elsewhere. They resolved that there was no longer any requirement for them to be held in the long term and that they should therefore be distributed over a reasonable period. None of the Trust's funds have ever been the subject of any restrictions, and there is no intention to place any restriction thereon as no benefit would accrue from such restriction. Total (unrestricted) funds at the year-end amounted to £17,814,104 (2024: £21,061,260).

The Trust owns a number of investment properties from which it receives rental income. The Trust continued to experience considerable expenditure on property maintenance and management during the year, and will continue to realise the related assets for greater ease of management and subsequent distribution over the coming years. One property is currently under offer which is hoped to realise net proceeds of c. £800,000.

Interest and dividends are also receivable from a number of quoted and unquoted investments owned by the Trust. Such investments are regularly reviewed for suitability by the Trustees in conjunction with their professional advisors. Where cash deposits need to be held, income from them is maximised as far as possible whilst still ensuring a suitable proportion of such cash can be accessed for any urgent grants at short notice. The Trustees are mindful to ensure that sufficient near-cash funds are maintained to enable the Trustees to meet the commitments of the Trust. The level of such reserves is monitored by the Trustees on a continual basis throughout the year.

The Trustees are satisfied that the income and gains generated from the Trust's investments were reasonable in the circumstances of the year and, until such investments are eventually fully realised, will continue to generate valuable income to contribute towards the higher level of donations now being targeted.

THE ROGER RAYMOND CHARITABLE TRUST

Trustees' report (continued) for the year ended 5 April 2025

The Trustees seek to assess any risks facing the Charity and then, if necessary, implement strategies to mitigate or eliminate them. The principal uncertainty for the Charity is considered to be a reduction in income from its investments or difficulties in realising them due to changes in market and economic conditions. However, as the Charity does not carry significant fixed costs and is able either to reduce its grants and donations or to apply more readily realisable funds from reserves to compensate for any such event, this possibility is not considered a risk to the Trust's continuation.

After making appropriate enquiries, the trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

PLANS FOR THE FUTURE

The Trustees will continue to support charities to which they can make suitable grants and donations in accordance with the purposes set out in the Trust's governing document.

They will also seek to add other voices to its grant-making team to instil new ideas as to how the Trust may deliver increased public benefit.

Efforts will continue to restructure the Trust Fund so that a higher proportion of funds are held in a readily accessible form, which will require realisation of various less easily realisable investments held, in particular property assets. Reducing the time spent on property management will also allow Trustees to concentrate more fully on the grant process.

The Trustees are pleased with the progress made during the period towards its intention to apply the Trust Fund capital to grants in addition to income. Along with giving further support to many of the magnificent new beneficiaries identified to date, they shall continue to meet to debate competing areas of need in the light of current circumstances and assess those needs in such areas agreed to be of relevance, insofar as the size of the Trust might be able to make a difference thereto. This will certainly include continuing to hold discussions in person with Charities in attempts to form meaningful ongoing relationships and to keep the Trust relevant and fit for purpose.

This report was approved by the Trustees on 13 November 2025 and signed on their behalf by:

MG Raymond
Trustee

THE ROGER RAYMOND CHARITABLE TRUST

Independent Auditor's Report to the Trustees of The Roger Raymond Charitable Trust

OPINION

We have audited the financial statements of The Roger Raymond Charitable Trust (the 'Charity') for the year ended 5 April 2025 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Charity's affairs as at 5 April 2025 and of the incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

THE ROGER RAYMOND CHARITABLE TRUST

Independent Auditor's Report to the Trustees of The Roger Raymond Charitable Trust (continued)

OTHER INFORMATION

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' report is inconsistent in any material respect with the financial statements; or
- the Charity has not kept sufficient accounting records; or
- the Charity's financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

RESPONSIBILITIES OF TRUSTEES

As explained more fully in the Trustees' responsibilities statement set out on page 3, the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

**Independent Auditor's Report to the Trustees
of The Roger Raymond Charitable Trust (continued)**

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Discussions were held with, and enquiries made of management and the Trustees with a view to identifying those laws and regulations that could be expected to have a material impact on the financial statements. During the engagement team briefing, the outcome of these discussions and enquiries were shared with the team, as well as consideration as to where and how fraud may occur in the entity.

The following laws and regulations are significant to the entity:

- Those laws and regulations considered to have a direct effect on the financial statements include UK financial reporting standards and Charity Law.
- Those laws and regulations for which non-compliance may be fundamental to the operating aspects of the charity, including managing investment properties, and therefore may have a material effect on the financial statements include: compliance with the charitable objectives, public benefit, fundraising regulations, safeguarding, health and safety legislation, fire safety regulation, and landlord and tenant legislation.

Audit procedures undertaken in response to the potential risks relating to irregularities (which include fraud and non-compliance with laws and regulations) comprised of: inquiries of management and the Trustees as to whether the entity complies with such laws and regulations; enquiries with the same concerning any actual or potential litigation or claims; review of Trustee meeting minutes; testing the appropriateness of entries in the nominal ledger, including journal entries; reviewing transactions around the end of the reporting period; and the performance of analytical procedures to identify unexpected movements in account balances which may be indicative of fraud.

No instances of material non-compliance were identified. However, the likelihood of detecting irregularities, including fraud, is limited by the inherent difficulty in detecting irregularities, the effectiveness of the entity's controls, and the nature, timing and extent of the audit procedures performed. Irregularities that result from fraud might be inherently more difficult to detect than irregularities that result from error. As explained above, there is an unavoidable risk that material misstatements may not be detected, even though the audit has been planned and performed in accordance with ISAs (UK).

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

THE ROGER RAYMOND CHARITABLE TRUST

Independent Auditor's Report to the Trustees of The Roger Raymond Charitable Trust (continued)

USE OF OUR REPORT

This report is made solely to the Charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the Charity's trustees those matters we are required to state to them in an Auditor's report and for no other purpose.

To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and its trustees, as a body, for our audit work, for this report, or for the opinions we have formed.

**Notes to the financial statements
for the year ended 5 April 2025**

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Second Edition)' rather than the 'Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005' which has since been withdrawn.

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Second Edition)' and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Roger Raymond Charitable Trust constitutes a public benefit entity as defined by FRS 102.

The Charity has taken advantage of the exemption available under the Charities Act 2011 and has not prepared consolidated financial statements, due to the size of the charity. These financial statements are therefore the Charity's separate financial statements.

1.2 Going concern

The financial statements have been prepared on a going concern basis. The Trustees consider that rental income from the UK properties and their fair values will not be materially impacted over the next 12 months by UK or global events.

1.3 Investment properties

Investment properties are stated in the balance sheet at fair value. Investment gains and losses, whether realised or unrealised, are combined and shown in the heading 'Gains/(losses) on fixed assets' in the Statement of Financial Activities.

1.4 Other investments

UK and overseas investments are included in the accounts at market value. The investment in associate and investment in subsidiary are both stated at market value, which is based on the Trustees' estimate of the net asset value of the company after an estimated provision for tax payable. Realised and unrealised gains and losses are combined and shown in the heading 'Gains/(losses) on fixed assets' in the Statement of Financial Activities as are interest and dividends.

1.5 Fund structure

All funds are unrestricted and are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

THE ROGER RAYMOND CHARITABLE TRUST

Notes to the financial statements for the year ended 5 April 2025 (continued)

1 ACCOUNTING POLICIES (continued)

1.6 Incoming resources

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Investment income, gains and losses are allocated to the sole unrestricted fund.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon the notification of the interest paid or payable by the bank.

1.7 Expenditure and Allocation of costs

Expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities.

The Trustees undertake all the administration and governance of the Trust. The proportion of their costs attributable to the activities of Raising Funds have been allocated to those activities on the basis of time spent. The Expenditure on Raising Funds comprises these allocated costs plus all direct costs incurred in managing the Charity's investment portfolios.

Expenditure on Charitable Activities includes all direct costs incurred in the pursuit of the charitable aims of the charity.

Governance costs comprise all costs incurred in connection with the administration of the Charity other than those allocated to Raising Funds as above.

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

1.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due. Concessionary loans are measured initially at transaction value and subsequently at amortised cost using the effective interest method.

1.9 Cash at bank

Cash at bank includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.10 Creditors

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation.

THE ROGER RAYMOND CHARITABLE TRUST

Notes to the financial statements for the year ended 5 April 2025 (continued)

1 ACCOUNTING POLICIES (continued)

1.11 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of the concessionary loan which is subsequently measured at amortised cost using the effective interest method.

1.12 Analysis of assets and liabilities between funds

All funds are held as unrestricted funds.

1.13 Foreign currencies

Monetary assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. Exchange differences are taken into account in arriving at the surplus or deficit for the year.

2. DONATIONS RECEIVED

	2025 £	2024 £
Shaw-White Estates Limited (Note 3.1)	-	-
	-	-

As for the previous year, the Trust did not receive a donation under Deed of Covenant from its subsidiary Shaw-White Estates Limited as that company did not produce a surplus due to significant costs incurred on its investment property.

3. EQUITY INVESTMENTS IN UK ASSOCIATES AND SUBSIDIARIES

3.1 UK SUBSIDIARY – SHAW-WHITE ESTATES LIMITED

The charity owns the entire issued share capital of Shaw-White Estates Limited, a company registered in England and Wales with company number 00509087.

The principal activity of the subsidiary is that of property investment.

The valuation at the balance sheet date was as follows:

	2025 £	2024 £
Opening market value at 6 April 2024	1,845,803	1,956,057
Unrealised loss on investment	(56,124)	(110,254)
Closing market value at 5 April 2025	1,789,678	1,845,803

No donation (2024: £nil) was made under Deed of Covenant to the Charity from Shaw-White Estates Limited. When applicable, donations are included in note 9, Debtors.

THE ROGER RAYMOND CHARITABLE TRUST

**Notes to the financial statements
for the year ended 5 April 2025 (continued)**

3.2 UK SUBSIDIARY – ROGER RAYMOND INVESTMENTS LIMITED

The charity owns 55.56% of the issued share capital of Roger Raymond Investments Limited. M G Raymond, who was a Trustee of the Roger Raymond Charitable Trust during the year, is also a Director and shareholder of Roger Raymond Investments Limited.

The principal activity of the subsidiary is that of a holding company, which in turn owns 100% of the issued share capital of RRI Holdings Limited. RRI Holdings Limited's principal activity is that of property investment.

The valuation at the balance sheet date was as follows:	2025	2024
	£	£
Opening market value at 6 April 2024	2,874,580	2,873,666

Financial liabilities measured at amortised cost comprise trade creditors and accruals.

14. RELATED PARTY TRANSACTIONS

Control

In the opinion of the Trustees there is no one ultimate controlling party.

Transactions

During the year, The Roger Raymond Charitable Trust received dividends of £31,500 (2024: £18,000) from Roger Raymond Investments Limited.

Included in Amounts owed by Subsidiaries at 5 April 2025 is an amount of £365,000 (2024: £400,000) due from RRI Holdings Limited in respect of a loan made to the company at a rate of 1.25% plus 3-month average IUMASOIA, calculated monthly. This loan is repayable on request subject to a 3-month minimum notice period given by the Trust. Interest received on this loan during the year amounted to £16,148 (2024: £36,380).

RRI Holdings Limited is the 100% subsidiary of Roger Raymond Investments Limited. M G Raymond, who is a Trustee of The Roger Raymond Charitable Trust, was also a Director and shareholder of Roger Raymond Investments Limited. By agreement of all of its shareholders, Roger Raymond Investments Limited is currently being demerged into two separate entities, the Trust's current interest to be replaced by a new 100% subsidiary with a value proportionate to that existing before the change takes effect.

Details relating to trustees' remuneration and reimbursed expenses are set out in note 6.
