DAME VIOLET WILLS - WILL TRUST

REPORT OF THE TRUSTEES **FOR THE YEAR ENDED 31 MARCH 2025**

The trustees present their report with the financial statements of the charity for the year ended 31 March 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Main activities undertaken to further the Charity's purposes for public benefit

The Trust was established under the will of the late Dame Violet Wills, who died on the 26th October 1964. In it she left the residue of her estate to her Trustees, giving them absolute discretion to make such gifts to charitable institutions, or for charitable purposes, as they see fit, out of income or capital. She expressed the desire that the Trustees have special regard to those charitable organisations and subjects with which she had been particularly concerned during her lifetime.

The Trustees have determined that the original capital endowment, as augmented by capital profits, shall be retained as a Capital Fund, and that grants and other expenditure of the Trust should generally be met from accumulated income.

ACHIEVEMENTS AND PERFORMANCE

a. Review of activities

During the year, the Trustees made 41 grants totalling £103,950 (2024: 41 grants totalling £96,790).

The Trustees have followed the policy of giving a smaller number of larger grants than in previous years, with grant applications from organisations working in the fields of children and medical preferred, ideally with a direct link to the Bristol/Gloucestershire/Somerset area. The net income for the year has been added to reserves. Reserves remain above the minimum level set by the Trustees, namely one year's grants.

The Trustees confirm that they have complied with their duty in section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

b. Investment policy and performance

The Deed of Trust empowers the Trustees to retain any investments held at Dame Violet's death. Otherwise the Trustees are not subject to any restrictions in relation to the management of the investments. The Trust's investment portfolio recorded an decrease in value of £4,478 (2024: increase of £110,866).

FINANCIAL REVIEW

a. Reserves policy

The Trustees do not intend to accumulate income in the future, but believe that they should retain sufficient accumulated income from past years to meet the approximate level of grants for one year. At the year end the balance on the unrestricted funds was £214,277 (2024: £236,756) and on the endowment fund the balance was £3,575,383 (2024: £3,543,326). Total funds were £3,789,660 (2024: £3,780,082).

DAME VIOLET WILLS - WILL TRUST

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2025

FINANCIAL REVIEW

b. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future,

The Trust has investments that generate income and does not rely on external funders. Trustees will only make grants to the level of available funds. For this reason they continue to adopt the going concern basis in preparing the financial statements.

Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

FUTURE PLANS

The Trust will continue to make grants in line with its objectives.

STRUCTURE, GOVERNANCE AND MANAGEMENT

a. Governing document

The charity is controlled by its governing document, a Deed of Trust, and constitutes an unincorporated charity.

b. Methods of appointment or election of Trustees

Trustees are appointed to fill any vacancy that occurs, the optimum number being regarded as three. New Trustees are briefed by continuing Trustees regarding the history and objectives of the Trust.

c. Organisational structure and decision-making policies

The Trustees meet three or four times a year to consider grant applications, and conduct any other business. On occasion decisions are made following telephone meetings. The Deed of Trust empowers the Trustees to charge for their professional time expended on Trust affairs.

d. Risk assessment

The Trustees have considered the risks to which the Trust is exposed and consider that the procedures in force are sufficient to manage the foreseeable risks. In considering the Trust's activities, the Trustees have had regard to the Charity Commission's guidance on public benefit.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity law requires the trustees to prepare financial statements for each financial year. Under that law, the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).

Under charity law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011 and The Charity (Accounts and Reports) Regulations 2008. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

DAME VIOLET WILLS - WILL TRUST

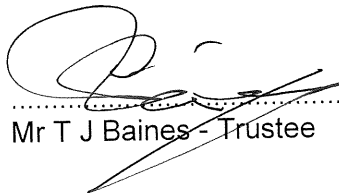

REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2025

STATEMENT OF TRUSTEES' RESPONSIBILITIES - continued

Each of the persons who are Trustees at the time when this Trustees' Report is approved confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charity's auditors are unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

Approved by order of the board of trustees on 13 January 2026... and signed on its behalf by:

.....
Mr T J Baines - Trustee

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
DAME VIOLET WILLS - WILL TRUST

Opinion

We have audited the financial statements of Dame Violet Wills - Will Trust (the 'charity') for the year ended 31 March 2025 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2025 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
DAME VIOLET WILLS - WILL TRUST

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
DAME VIOLET WILLS - WILL TRUST

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We identify and assess the risks of material misstatement in the financial statements, whether due to fraud or error, and then design and perform audit procedures responsive to those risks. This includes assessing the risk of non-compliance of laws and regulations and management bias in accounting estimates.

We must also consider those laws and regulations that have a direct impact on the preparation of the financial statements, such as the Charities Act 2011.

Audit procedures performed by the engagement team included, but were not limited to:

- performing reconciliations of fund movements
- reviewing documentation from third parties regarding investment valuations
- reconciling income to bank movements

In conducting the work above, we apply due care and professional scepticism throughout.

However, there are limitations within procedures outlined above and the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
DAME VIOLET WILLS - WILL TRUST

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Critical accounting judgements and key sources of estimation uncertainty

Preparation of the financial statements requires the Trustees to make any significant estimates and judgements where necessary.

There were no significant estimates of judgement during this or the prior year.

Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Trust has adequate resources to continue in operation existence for the foreseeable future and that there are no material uncertainties about its ability to continue. The Trust has investments and does not rely on external funding. Trustees will only make grants to the level of available funds. For this reason they continue to adopt the going concern basis in preparing the financial statements.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Income tax recoverable in relation to investment income is recognised at the time investment income is receivable.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources. Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs. All expenditure is inclusive of irrecoverable VAT.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Raising funds

Costs of generating funds are costs incurred in attracting voluntary income and investment management costs. Charitable activities and Governance costs are costs incurred on the Trusts operations, including support costs and costs relating to the governance of the Trust apportioned to charitable activities.

DAME VIOLET WILLS - WILL TRUST

NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 MARCH 2025

1. ACCOUNTING POLICIES - continued

Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the bank.

Taxation

As a registered Charity, the Trust is entitled to taxation exemptions on all income and gains properly applied for its charitable purposes.

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes. The Trustees have determined that the original capital endowment, as augmented by capital profits, shall be retained as a Capital Fund, and that grants and other expenditure of the Trust should generally be met from accumulated income.

Investments

Investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance Sheet date using the closing quoted market price. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year.

Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt.

Other resources expended	<u>25</u>	<u>2,580</u>	<u>2,605</u>

7. TRUSTEES' REMUNERATION AND BENEFITS

Trustees received no remuneration or other benefits for the year ended 31 March 2025, nor for the year ended 31 March 2024.

Trustees' expenses

Trustees' expenses amounted to £Nil for the year ended 31 March 2025 (2024: £Nil).

8. MATERIAL TRANSFERS

During the year transfers totalling £50,000 were made between from the unrestricted fund to the endowment fund. This was to increase the available capital to invest into future income generating investments to ensure it has sufficient income to continue to provide grants where necessary.
