TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2025

The Directors present their report and financial statements for the year ended 31 March 2025.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the financial statements and comply with the Anjuman-UI-Muslimeen's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The Anjuman-UI-Muslimeen's objects are to promote various educational and religious activities, e.g. Teaching of Holy Quran, five times/Friday prayers, Ramadan facilities and the upkeep of a Mosque. The policies adopted in furtherance of these objects are same and there has been no change in these during the year.

The Directors have paid due regard to guidance issued by the Charity Commission in deciding what activities the Anjuman-UI-Muslimeen should undertake.

Achievements and performance

A summary of the main achievements of the charity during the year in furtherance of its charitable objectives for the public benefit is

- successful fulfilment of funding criteria for all the projects that have been provided this year
- 40 years of existence in the community providing information, advice, guidance and maintaining the mosque.

Financial review

It is the policy of the Anjuman-UI-Muslimeen that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The Directors considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Anjuman-UI-Muslimeen's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The Directors has assessed the major risks to which the Anjuman-UI-Muslimeen is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The Anjuman-UI-Muslimeen is a company limited by guarantee and does not have a share capital. The liability of the Council Members is limited to £1 each. It was incorporated on 24 February 1971.

The Directors who served during the year and up to the date of signature of the financial statements were:

I Ameen

T Akhtar

A Bari

I Rasool (Secretary)

Prospective new trustees are sought from the Muslim community. When a vacancy on the Board of Trustees occurs it is filled following an election of duly nominated candidates.

None of the Directors has any beneficial interest in the company. All of the Directors are members of the company and guarantee to contribute £1 in the event of a winding up.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies

Charity information

Anjuman-UI-Muslimeen Limited is a private company limited by guarantee incorporated in England and Wales. The registered office is 212 Bellingdon Road, Chesham, Bucks, HP5 2NN.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Anjuman-UI-Muslimeen's codes of Principle, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The Anjuman-UI-Muslimeen is a Public Benefit Entity as defined by FRS 102.

The Anjuman-UI-Muslimeen has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Anjuman-UI-Muslimeen. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Directors have a reasonable expectation that the Anjuman-UI-Muslimeen has adequate resources to continue in operational existence for the foreseeable future. Thus the Directors continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Directors in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the Anjuman-UI-Muslimeen.

1.4 Income

Income is recognised when the Anjuman-UI-Muslimeen is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Anjuman-UI-Muslimeen has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the Anjuman-UI-Muslimeen has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.5 Expenditure

The expenses are included on accrual basis.

1 Accounting policies

(Continued)

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings	1% on Straight line basis
Fixtures and fittings	15% on written down value

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.7 Impairment of fixed assets

At each reporting end date, the Anjuman-UI-Muslimeen reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial instruments

The Anjuman-UI-Muslimeen has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Anjuman-UI-Muslimeen's balance sheet when the Anjuman-UI-Muslimeen becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Anjuman-UI-Muslimeen's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the Anjuman-UI-Muslimeen is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the Anjuman-UI-Muslimeen's accounting policies, the Directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
