BRITISH CONNEMARA PONY SOCIETY LIMITED

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 DECEMBER 2021

The trustees, who are also the directors for the purposes of the Companies Act 2006, present their report and the financial statements of the charity for the year ended 31st December 2021.

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the financial statements and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

Objectives and activities

The principal objectives of the society, which is a registered charity, are to preserve and improve the standard of the connemara breed of ponies within the jurisdiction of the society and to prevent cruelty to horses and ponies.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities they should undertake.

Achievements and performance

During the year under review, the society has sought to achieve its principal objectives by providing for owners and breeders of connemara ponies a range of services including registrations, inspections and testing. It also hosts an annual breed show and publishes in the annual chronicle reports, features and articles that give comprehensive coverage of the society's activities that have promoted the connemara breed.

In respect of its activities, the society has paid regard to guidance issued by the Charity Commission in respect of its activities, the results of which are set out on page 4.

Financial review

At the Balance Sheet date, the net assets of the society appearing on page 5 amounted to £218,687.

In their financial management of the society's activities, the trustees seek to obtain an adequate return from the provision of services and from membership subscriptions to support the administrative costs of the society and to take the opportunities that arise for the improvement of services to members.

It is the policy of the society that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue its current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The trustees have assessed the major risks to which the society is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The society, by virtue of its constitution as a company limited by guarantee, is governed by its articles of association, as defined by the Companies Act 2006.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Mrs K Walters
