The EFCC General Purposes Fund

Report of the Trustees for the year ended 31st December 2022

The trustees present their report with the financial statements of the charity for the year ended 31st December 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objectives of the charity are to provide and promote fellowship between Evangelical Congregational Churches. The charity operates partly with paid staff and partly with voluntary staff. It is connected to the following charities:

1127720 The Evangelical Fellowship of Congregational Churches Trust Corporation Limited

273454 Charities administered in connection with the Evangelical Fellowship of Congregational Churches

ACHIEVEMENT AND PERFORMANCE

Charitable activities

During the year the charity continued to support and promote the work of The Evangelical Fellowship of Congregational Churches throughout England and Wales and the financial activities are set out on pages four to ten.

The charity's income is applied to the support and employment of individuals, the resourcing of activities, gifts and donations to third parties and general administrative and property costs. The Trustees have considered the Commission's guidance on public benefit and are of the opinion that this is fulfilled by the charity's continued support of establishments for the advancement of religion.

During 2022, the Charity increased its support to churches within the EFCC with the creation of new Ministry Coordinator role specifically to support ministry to women. Conferences were organised around ministry to women and an annual residential Ministers' Prayer Conference. The latter with the aims of providing ministers with fellowship, emotional support and deepening their theological development. Churches are supported by the EFCC's Ministry Director and a team of Ministry Coordinators covering different geographies, alongside the national new women's ministry specific role. The EFCC's Ministry Coordinators provided spiritual support to our ministers and miscellaneous assistance around church governance. Ministers' fraternal meetings and a virtual book group have also successfully been organised. Through the work of the Ministry Director and Committee, the charity has been active in seeking to link suitably qualified applicants for ministry with our churches, a vital element in sustaining ministry in the EFCC's churches for future years.

The Committee work closely with the EFCC Trust Corporation and during 2022 have looked to deepen that relationship with Joint Meetings that help both bodies to consider spiritual and practical governance issues in a joined up and more effective way.

The charity's financial position is underpinned by the support provided (in the form of a Management Fee) from the EFCC Trust Corporation (Charity no 1127720). The trustees have assessed the appropriateness of the going concern basis and it is their opinion that, if needed, short term funding will be provided by the EFCC Trust Corporation.

During the year under review, the charity remunerated the EFCC's employees and workers conducting the EFCC's ministry around the country and the management and administration of the charity.

FUTURE PLANS

The charity plans to manage its funds ensuring that it continues to assist churches develop effective ministries.

Throughout the year the trust was administered by The Evangelical Fellowship of Congregational Churches Trust Corporation Limited. The power of appointment of new Trustees to the Trust lies with the existing trustees. New trustees are appointed with a view to the board of trustees providing the complementary mix of skills necessary to perform the trustees' function. Trustees are encouraged to obtain training so as to increase their skills, such training being funded by the charity.

The Trustees meet approximately four times a year, together with such further ad-hoc meetings as and when required. All key decisions relating to the running and operation of the charity are made by the Charity's Trustees. Day to day operational decisions relating to the running of the charity's are delegated to the Minister Director, Office Manager and administration staff.

The responsibility to ensure appropriate management of the charity is vested in the Board of Trustees. To assist the Board in discharging and achieving its responsibilities a General Committee, of which the Chairman and Vice Chairman are trustees, takes responsibility for the pastoral concerns of the member churches, the acceptance of new churches into the membership, support and advice for member churches and the ministers conference.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

Tangible fixed assets

Tangible fixed assets are capitalised and included at cost including any incidental expenses of acquisition. Expenditure of a capital nature is capitalised when the amount expended per item is over £500.

Depreciation is calculated on a reducing balance basis to write down the cost of all fixed assets over their expected useful lives.

The rates generally applicable are:

Computer equipment 25%

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.
