The Trustees are appointed by The Court of Assistants of The Worshipful Company of Masons, and the Trust is administered by Miss Jolanta Glas and the treasurer Mr Mark Macdonald c/o Mercers' Hall, 6 Fredrick's Place, London, EC2R 8AB. The basic accounting is done by Miss Jolanta Glass and the production of the final accounts by Mr Mark Macdonald with advice (where necessary) from Grenfell James Associates Limited of 3 The Courtyard, Timothys Bridge Road, Stratford Upon Avon, Warwickshire, CV37 9NP.

The stockbrokers to the Trust are J.M.Finn & Co Ltd at 25, Copthall Avenue, London EC2R 7AH, whose Partner responsible for the Trust's portfolio is Mr Mark Powell. They also manage investments on behalf of The Worshipful Company of Masons.

If an occasion arises when legal advice is required, on an ad hoc basis this would be sought from Rooks Rider Solicitors, Challoner House, 19 Clerkenwell Close, London, EC1R 0RR.

### **Structure, Governance and Management**

Under present procedures it is understood that new trustees normally serve for a period of five years, with a possible extension for a further period of two years.

The Trustees continue to monitor their exposure to risk. For example, risk has been mitigated using internet banking arrangements by ensuring that The Chairman of the Trust, four other Trustees and the Administrator can separately view account details at any time.

## **Objectives and Activities**

The objects of the Trust are:-

- (i) the relief of poverty
- (ii) the advancement of education
- (iii) the advancement of religion and
- (iv) Such other legally charitable purposes as the Trustees shall from time to time by deed executed with their unanimous consent declare.

The Trustees meet formally four times a year and consult informally as often as necessary. They discharge their duties by monitoring their investment portfolio and arranging for the income to be donated to charities and other organisations and events supporting Natural Stone and City of London interests.

The Trustees are mindful of the requirement to ensure that the Charity has objectives that are applied for public benefit. The trust makes grants to appropriate bodies that care and foster many of Britain's most historic buildings which are constructed of stone as well as organisations that care for the people who carry out maintenance of such buildings. In today's society, the public has a clear wish to preserve such buildings and create new ones, but this is under threat through lack of funding to support the training of stonemasons. The Charitable Trust seeks to help alleviate this problem. The Trustees therefore have no hesitation in claiming that the public receives benefit from its activities.

The Trustees are also endeavouring to fund stone related projects that involve young people of school age and which are likely to encourage them to take an interest in stone, stone carving and our Country's building heritage perhaps leading them into progressing a career in stonemasonry or stone carving.

## **Achievements and Performance**

The Trust made grants of £31,599 in the financial year 2024-25 (£39,305 for 2023-24). Religious buildings were beneficiaries of £5,000, the Lord Mayor of London's Charity Appeal was supported by a grant of £1,000. In addition, as a result of promoting our schools outreach project, grants were made of £7,000 to support schools and organisations that encourage young people to become involved in stone carving. A number of specific day and half day sessions were run and more are planned. Further grants within the compass of the Trust Deed of £18,599 were made during the course of the year.

Efforts continued to increase the income of The Trust by encouraging members of The Livery Company to make regular donations.

## **Financial Review**

The Trust Funds are invested in trustee securities on the advice of J M Finn & Co Ltd, Stockbrokers, who also manage the investments of The Worshipful Company of Masons. Investment income for the year totalled £20,249 against £16,482 the previous year.

Investment aims and objectives provided to J M Finn & Co Ltd have an overall objective to seek a combined return from income and capital adopting a medium risk portfolio with no specified minimum percentage of low risk investments. In order to meet the objective the Trustees have selected a discretionary managed portfolio service. The trustees have also agreed to use 70% FTSE All-Share Index/30% FTSE UK Gilts Index (total return) as a comparator.

The Charity maintains sufficient reserves in cash to carry out our charitable giving during the year. We hold a wide variety of equity investments that can be called upon if necessary.

The Charitable Trust owns the Freehold Interest in a block of flats at Haven Green, Ealing and its share of the ground rent income was £15,000 during the year. In addition a licence is in place for a telecommunication mast on the roof of the building, generating additional annual income of £3,133. From time to time lease extensions are granted that result in premiums being received by the Trust.

Overall income including that from Bank Deposits, Rents and various Livery Company donations was £96,034 (£62,634 in 2023-2024)

#### **Plans for Future Periods**

The Trustees, as well as continuing their current policy of grants, intend to continue increasing support for educational projects that introduce young people to stone masonry particularly through the school's outreach program with taster days run by cathedrals and other educational organisations. The Trustees continue to support the Livery Company's involvement with The Weald and Downland Museum, and are expanding the commitment at The Ironbridge Museum.

We report on the accounts of the Trust for the year ended 31st March 2025, which are set out on pages 5 to 9.

**Respective responsibilities of trustees and examiner**

The charity's trustees, are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is our responsibility to:

- examine the accounts under section 145 of the 2011 Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the Act; and
- to state whether particular matters have come to our attention.

**Basis of Independent Examiners Report**

Our examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

**Independent Examiners Statement**

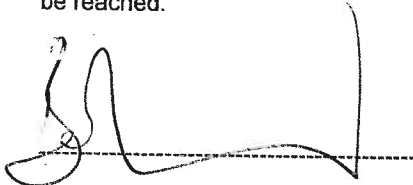

In connection with our examination, no matter has come to our attention:

(1) which gives us reasonable cause to believe that in any material respect the requirements:

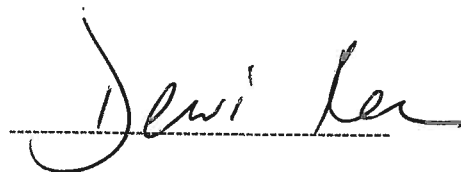

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act, have not been met.

(2) to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

We have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
