The Mulberry Trust

Trustees Annual Report for the year ended 5 April 2025

Objectives and Activities

Objectives of the Charity

The Trust was created for the benefit of the following:

1. Any body or organisation established for charitable purposes only, and
2. Any other exclusively charitable purpose.

The trustees are to distribute income and may distribute expendable endowment to charitable bodies or for charitable purposes at their discretion. The life of the Trust is restricted to 80 years after which time the endowment must be distributed.

The trustees review the aims, objectives and activities of the charity each year. This report looks at what the charity has achieved in the reporting period. The review helps the trustees ensure the charity's aims, objectives and activities remained focused on its stated purposes.

Grant Making Policy

The grant making policy and approval of individual grants is made by the trustee body as a whole who meet regularly together with an independent consultant who undertakes research and monitoring for the trustees.

The trustees' objective is to facilitate charitable causes and objects chosen by them, to create opportunities and to make a difference to those causes and objects.

The trust has a particular focus on parenting, children and the family, in order to strengthen family life and the general wellbeing of families from the very young to the very old; the elderly; the disadvantaged; homelessness; health; debt relief and counselling and the promotion of interfaith work. The trust also supports education research and the arts, provided that this contributes to the aims set out above. The Trust also supports certain community and environmental organisations and areas of specific interest to individual trustees.

In order to achieve their objectives for the public benefit the trustees make grants to charitable organisations working in these areas, and review the activities of these organisations, having due regard to the guidance published by the Charity Commission. All repeat grants made by the charity are subject to satisfactory interim and final reports by the grant recipients.

Achievements and Performance

Review of Activities

Grants totalling £353,262 were made during the year ended 5 April 2025 (total grants 2024: £400,644). An analysis of the grants is given in note 12.

The main grants awarded in the year were to; Pioneer Sailing Trust (£30,000) to help disadvantaged children and education; to Colchester and Tendring Youth Enquiry Service (£20,000) to support homelessness; to Harlow Parochial Church Council (£20,000) to support the community and Christianity; and to Michael Roberts Charitable Trust (£15,600) to support the community.

The Mulberry Trust

Trustees Annual Report (continued) for the year ended 5 April 2025

Financial Review

During the year under review unrestricted expenditure exceeded unrestricted income by £315,533. A transfer of funds of £315,550 was made from the Endowment Funds to meet the excess expenditure. Investment income was £73,335 (2024: £73,627).

At the year end the net assets of the charity were £3,312,207 (2024: £3,720,638). Investments held decreased by £389,684. The investments and cash of the charity are held to the order of the trustees by Evelyn Partners. During the year there was a net loss of £66,091 on investments (2024: gain of £315,025), (see note 2 to the financial statements).

Risks

The trustees do not consider that they are exposed to any material risks other than fluctuations in the value of their investment portfolio. They have appointed professional investment managers and review the investment performance on a regular basis. In addition to other trustees' meetings, the trustees convene once a year to discuss the strategy for the charity, including the long-term plans, the finances, the governance of the charity and the succession planning for the charity.

Reserves Policy

The trustees' policy is to make grants in accordance with their policy above. They have no power to retain income and routinely distribute this each year. They also distribute expendable endowment as they consider appropriate. The trustees decided in December 2021 that the accounts should include a reserve of £600,000 cover grant making commitments and overhead obligations in the event of a market downturn having a significant impact on the Endowment Funds.

Investment Policy

The trustees' investment portfolio is managed on a discretionary basis by Evelyn Partners. The trustees agree their strategy for asset allocation with the managers. During the year to 5 April 2025 the value of the portfolio decreased by 0.02% measured on a total return basis after costs, compared to the performance of the MSCI PIMFA Balanced Index which increase by 7.04% over the same period. The trustees continuously monitor the performance of the investment managers, taking into account both short-term and longer-term outcomes.

Plans for Future Periods

The trustees short-term objective is to continue to make grants, as set out above, for the benefit of charitable bodies. The trustees aim to utilise the unrestricted and endowment funds to achieve this objective, while maintaining the capital value of the funds to ensure the longevity of Mulberry Trust.

The Mulberry Trust

Trustees Annual Report (continued) for the year ended 5 April 2025

Structure, Governance and Management

Settlor:	John Graham Marks
Governing Document:	The principal governing document is a trust deed dated 3 September 1971. The trust is a private charitable trust controlled by its trustees.
Appointment of Trustees:	The trustee body has the power to appoint new trustees. If new or additional trustees are appointed they will be encouraged to receive appropriate training depending on their qualifications and experience. The lay trustees rely on outside advisors as necessary.
Investment Powers:	The trustees have wide investment powers, including power to invest in the name of nominees. An order extending these powers to include the power to delegate to investment managers was sealed by the Charity Commission on 7 April 1997.
Management and Control:	Following the death of the Settlor, John Marks, Timothy Marks has become the chairman of the charity with overall responsibility for its running.

Financial impact is high as due to small number of transactions, any manipulation could be significant. limited segregation may also increase likelihood.

The Mulberry Trust

Trustees Annual Report (continued) for the year ended 5 April 2025

Respective responsibilities of trustees and auditors

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

On behalf of the Trustees

The Mulberry Trust

Independent Auditors' Report to the Trustees of the Mulberry Trust for the year ended 5 April 2025

Opinion

We have audited the financial statements of The Mulberry Trust (the "Charity") for the year ended 5 April 2025 which comprise Statement of Financial Activities, Balance Sheet, Statement of Cash Flows, and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland.

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 5 April 2025 and of its income and expenditure for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Charity's ability to continue as a going concern for a period of at least twelve months from when the original financial statements were authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine

The Mulberry Trust

Independent Auditors' Report to the Trustees of the Mulberry Trust (continued) for the year ended 5 April 2025

Independent Auditor's Report to the Trustees (continued)

whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Charities Act 2011 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not obtained all the information and explanations necessary for the purposes of our audit.

Responsibilities of the trustees

As explained more fully in the Statement of Trustees' Responsibilities set out on page 5, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

The Mulberry Trust

Independent Auditors' Report to the Trustees of the Mulberry Trust (continued) for the year ended 5 April 2025

Our responsibilities for the audit of the financial statements

We have been appointed as auditor under S144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereafter. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our audit procedures are capable of detecting irregularities, including fraud is detailed below.

As part of our audit planning we obtained an understanding of the legal and regulatory framework that is applicable to the charity. The key law and regulations relevant to the charity were identified as being Charity law and the General Data Protection Regulation.

We also considered opportunities and incentives for fraud, which might arise in the understatement of expenditure, or incurring expenditure for non-charitable purposes, in the payment of fraudulent grants or management bias in accounting estimates.

Based on this we designed our audit procedures to identify irregularities. Our audit procedures involved the following:

- Enquiries with Trustees, regarding their knowledge of any non-compliance or potential non-compliance with laws and regulations that could affect the financial statements;
- Review of trustees' meeting minutes;
- Review of the controls in relation to GDPR and enquiries to Management as to the occurrence and outcome of any reportable breaches;
- Auditing the risk of management override of controls, including through testing other adjustments for appropriateness, and evaluating the business rationale of significant transactions outside the normal course of business; and
- Review financial statement disclosures and testing to support documentation to assess compliance with applicable laws and regulations.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements. This risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate omissions, collusion, forgery, misrepresentations, or the override of internal controls. We are also less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

The Mulberry Trust

Independent Auditors' Report to the Trustees of the Mulberry Trust (continued) for the year ended 5 April 2025

Use of our Report

This report is made solely to the Charity's trustees, as a body, in accordance with Part 4 of the Charities (Account and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the Charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and the Charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

The Mulberry Trust

Notes to the financial statements for the year ended 5 April 2025

Notes to the accounts

1. Accounting Policies

a. Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011. There are no material departures from FRS 102.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) regulations 2008 only to the extent required to provide a 'true and fair view'. The departure has involved following Accounting and Reporting applicable in the UK and Republic of Ireland (FRS 102) rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has been withdrawn.

The Charity meets the definition of a public benefit entity under FRS102.

The financial statements have been prepared on a going concern basis and the Trustees are not aware of any material uncertainties that would cast doubt on the Charity's ability to continue as a going concern. Grants are awarded only when there are sufficient reserves and income therefore the Trustees consider that the going concern assumption remains appropriate.

The accounts are prepared in Sterling, which is the functional currency. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention as modified by the revaluation of investments.

b. Fund accounting

The endowment funds represent the original capital gift to the charity, plus subsequent additions to the endowment, less amounts which have been transferred to the unrestricted funds for distribution. The trustees are entitled to use the endowment in furtherance of the general objectives of the charity at their discretion, and they transfer funds from the endowment to the unrestricted funds as required. Any gifts made to the charity as additions to the endowment are treated as expendable endowment unless otherwise directed by the donor.

Unrestricted funds represent the income arising from the endowment, and in accordance with the trust deed must be expended for charitable purposes within a reasonable period of receipt. Any gifts made to the charity for immediate distribution are added to the unrestricted income funds.

c. Income

Dividend income is shown gross. Interest on Government securities is paid gross to the trust and shown gross. Excess foreign tax deducted abroad is recognised when it is repaid.

d. Investments

All investments held are listed on a recognised stock exchange and are included in the accounts at their market value at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluations and disposals throughout the year.

The Mulberry Trust

Notes to the financial statements (continued) for the year ended 5 April 2025

1. Accounting Policies (continued)

e. Grants payable

Grants are included in the accounts on an accruals basis, and unconditional grant commitments payable within one year after the balance sheet date are included in the Statement of Financial Activities. Grants which have been promised subject to satisfactory performance are not included until payable.

f. Resources expended

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Governance costs are the costs associated with the governance arrangements of the charity which relate to the general running of the charity as opposed to those costs associated with fundraising or charitable activity. The costs will normally include internal and external audit, legal advice for trustees and costs associated with constitutional and statutory requirements e.g. the cost of trustee meetings and preparing statutory accounts. Included within this category are any costs associated with the strategic as opposed to day to day management of the charity's activities.

g. Foreign exchange

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of transaction. All differences are taken to the Statement of Financial Activities.

h. Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

i. Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Expenditure on charitable activities includes costs of exhibitions and other educational activities undertaken to further the purposes of the charity;
- Costs of generating funds represent the investment management costs
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

j. Debtors

Trade and other debtors are recognised at the settlement account due after any discount offered. Prepayments are valued at the amount prepaid after taking account of any discounts offered.

k. Cash and cash equivalents

Cash and cash equivalents includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

The Mulberry Trust

Notes to the financial statements (continued) for the year ended 5 April 2025

I. Creditors and provisions

Creditors and provisions are recognized when the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

Creditors and provisions are normally recognized at their settlement amount after allowing for any discounts due.

2. Fixed asset investments

	2025 £	2024 £
Market value at 6 April 2024	3,681,502	3,579,614
Additions	1,136,828	510,255

6. Related Parties

During the year the trustees made grants to charities which included £30,000 to Pioneer Sailing Trust (2024: £30,000).

Mr Rupert Marks and Mr. Tim Marks are trustees of Pioneer Sailing Trust.

7. Transfers between funds

The trustees have transferred £315,500 (2024: £363,800) from their expendable endowment to fund grants which they have agreed.

8. Trustees' remuneration and expenses

No Trustees were reimbursed for expenses in the year ended 5 April 2025 (2024: £Nil). Trustees' remuneration was £Nil (2024: £Nil).

9. Grant commitments

As at 5 April 2025, there were no binding grant commitments.

The Designated Fund's purpose is to safeguard the charity in the event of a market downturn having a significant impact on the endowment funds.

The endowment funds represent the original capital gift to the charity, plus subsequent additions to the endowment, less amounts which have been transferred to the unrestricted funds for distribution. The trustees are entitled to use the endowment in furtherance of the general objectives of the charity at their discretion, and they transfer funds from the endowment to the unrestricted funds as required. Any gifts made to the charity as additions to the endowment are treated as expendable endowment unless otherwise directed by the donor.

Unrestricted funds represent the income arising from the endowment, and in accordance with the trust deed must be expended for charitable purposes within a reasonable period of receipt. Any gifts made to the charity for immediate distribution are added to the unrestricted income funds.

Analysis of net assets between funds

	Unrestricted Funds £	Endowment Funds £	Designated Funds £	Total Funds 2025 £	Total 2024 £

12. Grants made in the year

During the year the trustees made institutional grants totalling £353,262 (2024: £400,644).

There are no support costs attributed to grants made. Governance costs comprise all costs incurred by the charity and no apportionment is made between grant making activities and running of the charity.

The material grants may be broadly categorised as follows:

	No. of grants	2025 Amount £	No of grants	2024 Amount £
Parenting, the family and children's work	2	22,000	4	32,125
The elderly	2	10,000	2	15,500
Homelessness	3	33,500	2	20,000
