

NSO Treasurer's Report

Year Ending 31 Aug 2022

Norfolk Symphony Orchestra resumed its orchestral activities in the 2021-22 season and produced four concerts. We planned the season in the expectation that revenues from membership subs, Friends' subs and ticket sales were likely to be down compared with pre-pandemic levels.

Most members have returned, and we have welcomed several new members. Membership subscription income is slightly lower than before the pandemic but above expectations.

Most of the Friends of the orchestra have continued to support NSO too. Friends donated generously to help the orchestra return to its normal activities, and the increased donation income more than offset a slight reduction in subscription income.

Ticket sales were lower than in previous seasons and, except for the January concert, below expectations, possibly reflecting a general reluctance amongst audiences to return to normal activities following the pandemic. For future seasons, we will need to plan based on conservative estimates of audience sizes, at least until we see signs of recovery towards normal levels.

NSO has benefited from being able to claim a higher amount of Gift Aid than usual, partly as a direct result of higher levels of donations, and partly by being able to claim on Friends' subscriptions – with just 4 concerts and lower levels of ticket sales, the average 'benefit' to Friends was within the limits permitting Gift Aid to be claimed.

NSO has also benefited from a higher rate of Orchestra Tax Relief recoverable by the production company for the May and June concerts. This is a Government measure to assist post-pandemic recovery, and the higher rate will continue into the next season before reverting to the usual rate in two annual steps.

With a surplus of £2963 for the season, reserves remain healthy. Orchestra net assets at the end of the season were £16,399, including £11,836 cash held in our bank accounts.

Looking ahead to the 2022-23 season, we hope that audience numbers will recover towards normal levels. However, we also note that the cost of living is increasing rapidly and that this may have an impact both in terms of people being willing to pay to attend concerts and in terms of the costs of producing concerts. We have therefore sought to allow for these factors in budgeting for our next season.

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - it is more likely than not that the trustees will receive the resources; and - the monetary value can be measured with sufficient reliability.	<table> <tr> <th>Yes</th><th>No</th><th>N/a</th></tr> <tr> <td>☒</td><td>☐</td><td>☐</td></tr> </table>	Yes	No	N/a	☒	☐	☐

Legacies	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP). Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	<table> <tr> <th>Yes</th><th>No</th><th>N/a</th></tr> <tr> <td>☒</td><td>☐</td><td>☐</td></tr> </table>	Yes	No	N/a	☒	☐	☐

Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. 	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies. Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.
Redundancy cost	The charity made no redundancy payments during the reporting period.
Deferred income	No material item of deferred income has been included in the accounts.
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 11.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

Please provide information about the significance of investments to the charity's financial position or performance eg. terms and conditions of loans or the use of hedging to manage financial risk.

Where a charity has provided financial assets as a form of security, the carrying amount of the financial asset pledged as security and the terms and conditions relating to its pledge.

Loan made to non-profit NSO OTR Ltd production company to provide working capital for the production of NSO concerts. Thus allowing claiming of Orchestra Tax Relief from HMRC by NSO OTR Ltd to partially offset the costs of producing NSO concerts. Loan would otherwise be spent directly by the charity on the production of concerts, so there is no financial risk.

Responsibilities and
basis of report

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31 / 08 / 2022**.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

~~[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. Delete [] if not applicable.~~

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (~~other than that disclosed below~~*) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
