Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Norfolk Symphony Orchestra is in a very healthy financial position at the end of the period, following the receipt of a significant legacy donation, and it is well placed to cope with rising costs expected in future seasons.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Reserves are held for the purposes of meeting the costs of preparing concert productions, these costs typically being incurred before the receipt of ticket sales revenue. Also, Gift Aid and Orchestra Tax Relief (claimed by the production company) are typically received after our financial year end, but are factored into our budgeted expenditure for the season; reserves allow us to do this. The Orchestra currently has higher reserves than required, following the legacy this season, and the committee has responded with some ambitious programming (with the consequence of a deficit budget for 2024/25) and is exploring opportunities for further community outreach.

NSO Treasurer's Report

Year Ending 31 Aug 2024

Norfolk Symphony Orchestra produced five concerts during the season. Membership, Friends and ticket sales remained reasonably stable.

Ticket sales were in line with expectations, although it is noted that they remain – for most concerts – a little lower than our best pre-pandemic seasons. Ticket sales for our 'film music' concert in January 2025 were exceptionally good, however, with a total of 616 seats sold (of which 74 were free tickets for young concert-goers under 18).

NSO has continued to benefit from a higher rate of Orchestra Tax Relief recoverable by the production company. Following a further Government announcement in the 2024 Spring Budget, NSO's future season plans now take into account the new 45% permanent rate of Orchestra Tax Relief (applicable from April 2025).

Within the season, the orchestra received a donation by way of a legacy from a former Friend of the orchestra, in a sum of just over £29,000. We are very grateful for this generous donation, which helps us to plan more confidently for future seasons.

The orchestra also received a donation of over £2300, resulting from the closure of King's Lynn Music Society. It is sad to see another local organisation, promoting the enjoyment of classical music, reach a point where it could no longer continue to operate, and we are grateful that the Society considered us a suitable beneficiary for a portion of its remaining reserves.

The orchestra ended the season with a surplus of £35,813, comprising £31,430 of exceptional items detailed above, and £4383 on our usual activities. Orchestra net assets at the end of the season were £59,958, including £46,790 cash held in our bank accounts. The committee has taken advantage of better interest rates on savings, and these significant reserves, by opening a high-interest instant-access savings account and a fixed-term savings account, maximising our return on reserves while we make plans to use them for public benefit.

Looking ahead to the 2024-25 season, we anticipate cost increases in connection with venue hire and extra musicians, and higher expenditure on soloists and music hire, and we have budgeted accordingly. We have put together a varied, ambitious and popular programme and we have good reason to be optimistic for the orchestra's medium- to long-term future.

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.
Redundancy cost	The charity made no redundancy payments during the reporting period.
Deferred income	No material item of deferred income has been included in the accounts.
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 11.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

Note 29	Additional Disclosures	
The following are significant matters which are not covered in other notes and need to be included to provide a proper understanding of the accounts. If there is insufficient room here, please add a separate sheet.		
A minor error has been identified with the 2021-22 accounts, in the Statement of Financial Activities. Expenditure on charitable activities (rounded) was £22,149, not £22,150 as stated. This error was not replicated in the Balance Sheet, whose Total Funds figure at year-end, £24,145, was the correct one. The error is not material and therefore does not require a full restatement of the prior year accounts. The error has been rectified in this year's accounts, by stating the correct figure £22,149 in column F05 of row S09 on the Statement of Financial Activities, bringing the 'total funds' figure in that document in line with the Balance Sheet.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31 / 08 / 2024**.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

~~[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. Delete [] if not applicable.~~

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (~~other than that disclosed below *~~) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
