Objects and activities of the charity

The purposes of the charity as set out in its governing document.

Mission Statement

To make a positive difference to a development project that will change lives and enable people to live more sustainably.

Description

Values

The original charity deeds were founded on Christian principles. This ethos is still important to the trustees of the PLR Trust and we are motivated by this in our decision making processes.

Relationship building - Connecting - People orientated

As trustees we value building relationships between individuals and wider communities. In light of this, we are keen to fund projects that understand the needs of communities and how and why it is important to connect people and encourage inclusion. We have particular but not exclusive interest in working with organisations that support the elderly, those in financial difficulties, the disabled, children and refugees. We are also committed to building a rapport with the charities that we support and would be willing to engage with developing their projects.

Making a difference – Sustainable change - Large and Small

We believe in long term sustainable impact. We wish to support ideas that not only make a difference in people's lives but will be able to run without our financial aid in the future. Additionally, we wish to support projects that promote building positive and sustainable environmental futures. These projects could operate in international, regional or local contexts. Furthermore, we value ideas that will make a difference not just for the official beneficiaries, but also for the running of the project.

Trust - Integrity - Honesty - Accountability

We value honesty in order to build our trust in different projects and wish to work with organisations that have a clear decision making structure. We support organisations that provide accountability for funding received and demonstrate how this is positively impacting the project as a whole. Given that projects may change significantly throughout their lifetime, we value the integrity and transparency of decision making processes rather than the meeting of specific end results.

Creative - Imaginative - Interesting

As a Trust, we value the importance of being creative and thinking imaginatively. In light of this, we encourage projects to apply for funding which have innovative and authentic ideas for bringing about positive change in the world.

Grant Support

We offer grants which may run up to 3 years, for pivotal change within a given charity's activities, but not towards repeating or ongoing operational activity.

Paul Lunn-Rockliffe Charitable Trust

Trustees' Annual Report for the year ended 5 April 2021

The main activities undertaken during the year to further the charity's purpose for the public benefit, achievements and performance, the difference made to beneficiaries and the degree to which the achievements and performance during the year have benefited wider society.

The Charity over this financial year has been challenged by Covid and has responded by offering support to a number of smaller local charities supporting needs local to Trustees, as well as some larger funds providing emergency support to international organisations.

This has been in addition to moving forward with its new practice towards processing applications via its website with individual approaches based on Expressions of Interest submissions. This process is still evolving but overall the direction it has taken has allowed Trustees to have a direct engagement with those it is supporting. It is expected that over the next year this will become the principal means by which grants will be made to charitable purposes.

By necessity the historical smaller sums which have been given out to charities on a rolling basis has been phased out to concentrate on intermediate projects where the outcomes can be more easily supported and for special one-off causes.

The trustees have had regard to the Charity Commission's guidance on public benefit in managing the activities of the charity.

Grant making policies and how these contributed to the achievement of the charity's aims and objectives during the year.

All applications for grant funding are reviewed by the trustees to ensure that the organisation is within the charitable objectives. The charity has a policy of providing grants large enough to be significant to the recipient and to as many organisations as funds permit.

Structure, governance and management of the charity

The methods used to recruit and appoint new charity trustees.

The board of trustees are responsible for selecting and appointing any new trustees after consideration of their skills and suitability for the position.

Financial review

The charity's financial position at the end of the year ended 5 April 2021

The financial position of the charity at 5 April 2021 and comparatives for the prior period, as more fully detailed in the accounts, can be summarised as follows:-

	2021	2020
	£	£
Net expenditure	(86,191)	(70,119)
	<hr/>	<hr/>
Unrestricted Revenue Funds available for the general purposes of the charity	2,150,104	1,879,447
	<hr/>	<hr/>
Total Funds	2,150,104	1,879,447

Financial review of the position at the reporting date, 5 April 2021 .

The trustees consider the financial performance by the charity during the year to have been satisfactory.

Policies on reserves.

The charity's policy on reserves is to maintain sufficient investments to produce an income that supports the level of grants agreed by the trustees.

Availability and adequacy of assets of each of the funds

The board of trustees is satisfied that the charity's assets in each fund are available and adequate to fulfil its obligations in respect of the general fund.

Trustees' Annual Report for the year ended 5 April 2021

Statement of Trustees's Responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the Trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) .

In particular, charity law requires the Trustees, if they prepare accounts on an accruals basis, to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Trustees are required to :-

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with regulations made under the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' report, and the statutory responsibility of the Independent Examiner in relation to the Trustees' report is limited to examining the report and ensuring that , on the face of the report, there are no material inconsistencies with the figures disclosed in the financial statements.

This report was approved by the board of trustees on 17 November 2021.

Report of the Independent Examiner to the Trustees of the charity on the accounts for the year ended 5 April 2021

I report on the financial statements of the charity on pages 8 to 17 for the year ended 5 April 2021 which have been prepared in accordance with the Charities Act 2011 (the Act) and with the Financial Reporting Standard 102, (effective 1st January 2016) adapted to meet the needs of unincorporated organisations, as modified by FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) published by the Charity Commission in England & Wales (CCEW), effective January 2015 (The SORP), under the historical cost convention and the accounting policies set out on page 14.

Respective responsibilities of the Trustees and the Independent Examiner

As described on page 5, the charity's Trustees are responsible for the preparation of the accounts.

The Trustees consider that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the Governing Document for the conducting of an audit. As a consequence, the Trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the charity is not subject to audit under any legal provision, or otherwise, and is eligible for independent examination, it is my responsibility to:-

- a) examine the accounts under Section 145 of the Act;
- b) follow the procedures in the General Directions given by the Charity Commission under section 145(5)(b) of the Act and;
- c) state whether particular matters have come to my attention.

Basis of Independent Examiner's Statement and scope of work undertaken

I conducted my examination in accordance with the General Directions given by the Charity Commission under section 145(5)(b) of the Act, setting out the duties of an Independent Examiner in relation to the conducting of an Independent Examination. An Independent Examination includes a review of the accounting records kept by the charity and of the accounting systems employed by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you, as Trustees, concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of charity legislation and that the financial statements comply with the SORP, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the Trustees in the course of the examination is not subjected to audit tests or enquiries, and consequently I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objectives of the Independent Examination are achieved and before finalising the report I obtained written assurances from the Trustees of all material matters.

Paul Lunn-Rockliffe Charitable Trust

Independent Examiner's Statement, Report and Opinion

Subject to the limitations upon the scope of my work as detailed above, in connection with my examination, I can confirm that :-

This is a report in respect of an examination carried out under 145 of the Act and in accordance with General Directions given by the Charity Commission under section 145(5)(b) of the Act which may be applicable;

and that no matter has come to my attention in connection with my examination which gives me reasonable cause to believe that in any material respect the requirements :-

to keep accounting records in accordance with with Section 130 of The Charities Act 2011;

when preparing accounts on an accruals basis, to prepare financial statements which accord with the accounting records and comply with the accounting requirements of the Act and the Regulations setting out the form and content of charity accounts;

have been prepared in accordance with The Charities Act 2011. and with the methods and principles set out in the FRS102 Statement of Recommended Practice - Accounting and Reporting by Charities (effective January 2016)

have not been met or to which, in my opinion, attention should be drawn in my report in order to enable a proper understanding of the accounts to be reached;

Paul Lunn-Rockliffe Charitable Trust

Notes to the Accounts for the year ended 5 April 2021

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) published by the Charity Commission in England & Wales (CCEW) ,effective January 2016, (The SORP), and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Risks and future assumptions

The charity is a public benefit entity. There are no significant adjustments to the entries in these accounts arising from judgements or assumptions made by the Trustees and no entries which may require adjustment in future periods.

Fixed Asset Investments

Fixed asset investments in quoted shares, traded bonds, investment properties and similar investments are shown initially at cost upon acquisition and at their market value at the balance sheet date at the end of the financial period. Investment properties are not depreciated.

Fixed asset investments in unlisted equities are shown at the balance sheet date at the best estimate of their market value, where practicable. Where valuation techniques are considered unreliable or where, in the opinion of the trustees, the costs outweigh the benefits to the users of the accounts, the investment is included at cost, and a review is undertaken at each year end as to whether the asset should be written down.

All gains on fixed asset investments, whether realised or unrealised, are included in row B4 of the Statement of Financial Activities.

Debtors

Debtors are measured at their recoverable amounts at the balance sheet date.

Cash and bank balances

Cash held by the charity is included at the amount actually held and counted at the year end. Bank balances, whether in credit or overdrawn, are shown at the amounts properly reconciled to the bank statements.

2 Liability to taxation

The Trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity, and is therefore included in the relevant costs in the Statement of Financial Activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.
