## Trustees' Report

---

The Trustees have pleasure in presenting their annual report together with the audited financial statements of the charity for the year ended 5 April 2023. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Foundation's Trust Deed, Charities Act 2011 and the second edition of the Charities Statement of Recommended Practice issued in October 2019.

### Objectives and activities

#### *Purposes and main activities*

The objectives of the Foundation continue to be to promote medical research and the training of scientists and others to study medicine by providing financial support for postdoctoral scientists who need a medical degree before they can undertake dedicated medical research, and similarly for medical graduates who need a PhD degree.

#### *Public benefit*

The Trustees believe that the activities set out above benefit the public as they contribute to the health and wellbeing of mankind.

The Trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

### Achievements and performance

Following last year's Report, normal business was indeed resumed during the current year, with Advisors' and Trustees' meetings and our Annual Dinner in Cambridge taking place in person. Six new Fellows were appointed in the UK and seven in Israel.

Our Fellows continue to do cutting-edge research throughout the world in all areas of medical scientific endeavour. One of our earliest (1980) Fellows - and the first woman to be appointed professor - was made a Dame in the 2023 New Year's Honours, to our great delight. Our Israeli branch continues to appoint highly talented Fellows, who tend to be somewhat older than their UK counterparts as they have to include a mandatory term in the armed forces during their post-doctoral and medical studies.

We continue to have excellent relations with the Crick Institute, where we have held several "marketing" seminars which have led to applications from those attending; and the Academy of Medical Sciences, which will again this year be administering with us the nomination of the 9th biennial Foulkes Foundation Medal. This has become a highly prestigious and sought-after award since its inception in 2007.

### Financial review

The Foundation has since its inception pursued a policy of using income derived from its assets to fund educational grants in the field of medical science. As such, the Trustees have aimed to produce an adequate and growing income whilst, at the same time, attempting to preserve the capital value of the Foundation in real terms.

The assets of the invested portion of the Foundation are split as follows:

	2023 %	2022 %
Fixed income	15.10	7.00
Equities	65.80	69.80
Property	4.30	5.60
Alternative investments	12.40	12.70
Liquid assets	2.40	4.90

# THE FOULKES FOUNDATION

## Trustees' Report (continued)

---

The Trustees have to report that the Foundation's investments (after allowing for resources expended) decreased by 3.51% over the financial year 2022/23, as compared with a fall in the ICE BofA UK Gilts All Stocks Index of 15.5% and a fall of 10.6% in the ICE BofA Sterling Corporate Index. Over the same period the MSCI UK IMI (Net Return) Index showed an increase of 4.9% and the MSCI All Countries World ex UK (Net TR) Index showed a decrease of 2.7%.

At 5 April 2023 the Foundation was actively supporting 11 Fellows in the UK and 16 Fellows in Israel by way of grants of varying amounts payable for specific periods ranging between one and three years, as more particularly detailed in note 18 to the financial statements.

### Reference and Administrative Details

## Trustees' Report (continued)

---

### Structure, governance and management

#### *Nature of governing document*

The governing instrument is the Trust Deed dated 26 September 1974.

#### *Recruitment and appointment of trustees*

The power of appointing new Trustees is vested in the continuing Trustees.

#### *Organisational structure*

The charity is constituted as an unincorporated trust.

### Grant-making policies

The annual selection of Fellows is administered by the Registrar and Executive Chairman and advertised on medical and scientific websites as well as in all relevant universities, colleges, medical schools and specialist institutions throughout the United Kingdom. A panel of eminent scholars adjudicates a shortlist of highly qualified candidates, for approval by the Board of Trustees with reference to their financial requirements and the funds available.

The Trustees meet twice a year to approve Fellowships and ensure continuity of activities and efficient investment and deployment of resources. One social event is held annually to enable all members of the Foundation to meet and exchange views and ideas - an occasion not only of informal enjoyment but also of great value in bringing together young people with ideas, ideals and ambitions for improving the health and wellbeing of mankind.

### Related party transactions

Related party transactions are disclosed in note 9 to the financial statements.

### Major risks and internal controls

The Trustees have overall responsibility for ensuring that the charity has appropriate systems of controls, financial and otherwise. They are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity. They are responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities and to provide reasonable assurance that:

- the charity is operating efficiently and effectively;
- its assets are safeguarded against unauthorised use or disposition
- proper records are maintained and financial information used within the charity or for publication is reliable;
- the charity complies with relevant laws and regulations.

The Trustees, having assessed the major risks to which the charity is exposed, in particular those related to its operations and finances, are satisfied that systems are in place to mitigate the effect of these risks.

# THE FOULKES FOUNDATION

## Trustees' Report (continued)

---

### Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The annual report was approved by the trustees of the charity on 6 June 2023 and signed on its behalf by:

.....  
Mrs Maureen Foulkes-Hajdu  
Trustee

.....  
Mrs Georgina Benton  
Trustee

## Independent Auditor's Report to the Members of The Foulkes Foundation

---

### Opinion

We have audited the financial statements of The Foulkes Foundation (the 'charity') for the year ended 5 April 2023, which comprise the Statement of Financial Activities, Balance Sheet, and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is United Kingdom Accounting Standards, comprising Charities SORP - FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and applicable law (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 5 April 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the original financial statements were authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

### Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report.

We have nothing to report in respect of the following matters where the Charities (Accounts and Report) Regulations 2008 requires us to report to you if, in our opinion:

# THE FOULKES FOUNDATION

## Independent Auditor's Report to the Members of The Foulkes Foundation (continued)

---

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of trustees**

As explained more fully in the Statement of Trustees' Responsibilities (set out on page 6), the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

### **Auditor Responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Based on our understanding of the charity, we determined that the principal risks of non-compliance with laws and regulations related to the reporting framework (FRS 102 and the Charities Act 2011) . These risks were communicated to our audit team and we remained alert to any indications of non-compliance throughout our audit.

We understood how the charity is complying with relevant legislation by making enquiries of trustees. We also considered the results of our audit procedures and to what extent these corroborate this understanding and assessed the susceptibility of the charity's financial statements to material misstatement. This included consideration of how fraud might occur and evaluation of trustees' incentives and opportunities for fraudulent manipulation of the financial statements.

We designed our audit procedures to identify any non-compliance with laws and regulations. Such procedures included, but were not limited to, inspection of any regulatory or legal correspondence; challenging assumptions and judgements made by trustees; identifying and testing journal entries with a focus on large or unusual transactions as determined based on our understanding of the charity; and identifying and assessing the effectiveness of controls in place to prevent and detect fraud.

Owing to the inherent limitations of an audit, there remains a risk that a material misstatement may not have been detected, even though we have properly planned and performed our audit in accordance with auditing standards. We are not responsible for preventing non-compliance with laws and regulations and cannot be expected to detect all instances of non-compliance.

A further description of our responsibilities is available on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

# THE FOULKES FOUNDATION

## Independent Auditor's Report to the Members of The Foulkes Foundation (continued)

---

The primary responsibility for the detection and prevention of fraud rests with the trustees. The further removed non-compliance with laws and regulations is from the events reflected in the financial statements, the less likely the auditor will become aware of it.

The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment, collusion, omission, misrepresentation or forgery.

### Use of our report

This report is made solely to the charity trustees, as a body, in accordance with section 144 of the Charities Act 2011 and regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the trustees those matters we are required to state to trustees in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

.....  
Martin Widdowson (Senior Statutory Auditor)  
For and on behalf of Brebners, Statutory Auditor

130 Shaftesbury Avenue  
London  
W1D 5AR

Date:.....

Brebners is eligible for appointment as auditor of the charity by virtue of its eligibility for appointment as auditor of a company under section 1212 of the Companies Act 2006.

## Notes to the Financial Statements for the Year Ended 5 April 2023

---

### 1 ACCOUNTING POLICIES

#### **Statement of compliance**

The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

#### **Basis of preparation**

The Foulkes Foundation meets the definition of a public benefit entity under FRS 102. The financial statements have been prepared under the historical cost convention with items recognised at cost except for quoted investments which are stated at their market values.

#### **Going concern**

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

#### **Income and endowments**

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

##### *Donations and legacies*

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

##### *Investment income*

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

#### **Expenditure**

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

##### *Raising funds*

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

##### *Charitable activities*

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

#### **Tangible fixed assets**

Fixed assets are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

# THE FOULKES FOUNDATION

## Notes to the Financial Statements for the Year Ended 5 April 2023 (continued)

### Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Computer equipment	25% straight line
Office equipment	25% straight line
Portrait	25% straight line

### Fixed asset investments

Fixed asset investments are included at market value at the balance sheet date. Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their subsequent cost, and are charged or credited to the Statement of Financial Activities in the period of disposal.

Unrealised gains and losses represent the movement in market values during the year and are credited or charged to the Statement of Financial Activities based on the market value at the year end.

### Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

### Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

## 2 INCOME FROM DONATIONS

## Notes to the Financial Statements for the Year Ended 5 April 2023 (continued)

### 9 TRUSTEES REMUNERATION AND EXPENSES

The sum of £12,000 (2022: £12,000) was paid to Mrs Maureen Foulkes-Hajdu, the Executive Chairman and a Trustee of the Foundation, in accordance with powers contained in the governing instrument, for acting as Trustee, encompassing the administration of the entire grant-making application procedure, including arranging and attending all Trustee and Advisory meetings, processing references and applications, coordinating newsletters, arranging Advisors' and Trustees' meetings, administering despatch of grants to Fellows, arranging the Annual Dinner and general Trust administration matters.

The sum of £12,000 (2022: £12,000) was paid to Mrs Georgina Benton, Registrar, and a Trustee of the Foundation as assistant to Mrs Foulkes-Hajdu in all the administration mentioned above.

All other Trustees give freely of their time and expertise without any form of remuneration or other benefit in cash or kind (2022: £Nil).

No expense allowance was made to any Trustee in respect of travel, subsistence and secretarial assistance provided during the year (2022: £Nil).

### 10 STAFF COSTS AND KEY MANAGEMENT PERSONNEL REMUNERATION

The Foundation does not employ any staff and it considers Mrs Maureen Foulkes-Hajdu (Executive Chairman) and Mrs Georgina Benton (Registrar) as its key management personnel and their remuneration is disclosed in note 9 above.

### 11 TAXATION

The charity is a registered charity and is therefore exempt from taxation.
